PUBLIC OPENING CEREMONIES

MONDAY, JULY 12, 1965

TWO THIRTY O'CLOCK P.M.

DIRECTOR GENERAL RUSH: Ladies and gentlemen, please rise with heads bowed for the Invocation by our Imperial Chaplain, Rt. Rev. Joseph M. Harte, the Bishop of Arizona, Diocese of Arizona.

RT. REV. AND NOBLE JOSEPH M. HARTE: Almighty God, Who has given us this very good land for our heritage and has brought us here out of many kindred and ancient tongues, make us a people mindful of Thy Way, glad to do Thy Will. Fill

this land with wonderful industry, sound learning, pure manners. Bless and guide, we beseech Thee, our Imperial Potentate and all of the Imperial Sirs and everyone gathered here on this great occasion. We ask it in the Name of God our Father. Amen.

DIRECTOR GENERAL RUSH: The Lord's Prayer by the Ismailia Temple Chanters.

("The Lord's Prayer" by the Ismailia Temple Chanters.)

DIRECTOR GENERAL RUSH: The parade of State Flags by Almas and Zem Zem Patrols.

(The Patrols of Almas and Zem Zem Temples entered with the State Flags which were placed at the rear of the stage.)

DIRECTOR GENERAL RUSH: Color Squad, present and post the Colors, after which the Syria Temple Band will render the Anthems of the United States, Canada and Mexico.

(The Zem Zem Temple Color Guard posted the National Flags following which the Syria Temple Band rendered the National Anthems of the United States, Canada and Mexico.)

DIRECTOR GENERAL RUSH: Please join with me in the Shrine Pledge of Allegiance.

(The Assembly joined in the Shrine Pledge of Allegiance.)

DIRECTOR GENERAL RUSH: Please be seated. (The Assembly was seated.)

DIRECTOR GENERAL RUSH: Imperial Sir, Imperial Officers, M.W. Sir, distinguished guests, ladies and gentlemen. As President of the Convention Corporation and Director General I extend sincere greetings and warmly welcome you to the Ninety-First Imperial Council Session of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America. This will constitute the fourth Imperial Session held in the Nation's Capital. The initial session was held in 1900 with President William McKinley as a participant. Next we had the Imperial Session here in June, 1923 with President Warren G. Harding as a participant. We met again here in June, 1935 with President Franklin Delano Roosevelt as a participant.

Today brings to a reality the holding of our 1965 Session and it is an innovation in that we have the public opening ceremonies on a Monday rather than the usual Tuesday after the day parade.

I express appreciation to the Potentates of Almas, Zem Zem, Syria and Ismailia Temples for their splendid cooperation in arranging for their Units to participate in these ceremonies. I am also grateful to the various Committeemen who gave of their time in the planning of this Session.

We are thankful to our Creator for the privilege of living in a free world enabling us to meet as we are today with a sincere type of faith that binds us together, an ardent faith in our respective nations, and we are grateful to our Creator for the brotherhood that we have one for the other, for every hope that is within our hearts and lives, for every desire to serve our fellow man.

We meet not only for the common cause of achievement for our great Fraternity but we enjoy together the fun and fellowship always prevalent in Shrine conventions.

Welcome! Make yourselves at home, Washington is yours!

At this time it is a singular pleasure to present to you a warm friend of long standing, Illustrious Sir Bernard D. Cooper, Potentate of Almas Temple, your host for this convention. (Applause)

NOBLE BERNARD D. COOPER: Thank you, Noble Director General Orville F. Rush.

Imperial Potentate, Imperial Sirs, M.W. Sirs, Noble Representatives, distinguished guests, Nobles and friends. As the Potentate of Almas Temple I have the pleasure of welcoming you to Washington, the Capital City of our country and often referred to as the Capital of the World. I bring you greetings from every member of Almas Temple, some 5,200 strong, who join me in this welcome. We are very proud to have the Ninety-First Imperial Council Session in our city. It has been thirty years since the convention was held here.

In 1935 Leonard P. Steuart was the Imperial Potentate and Robert P. Smith, formerly General Council, was the Potentate of Almas Temple. Many of you Nobles will remember the great convention here in 1923. I am afraid few will remember the Session in 1900.

Now in 1965 Almas is host again. We hope you will enjoy your visit with us and take advantage of this opportunity to visit the many historical buildings, museums and landmarks of our city. You may also want to see your Congress in session. There are perhaps more places of interest to be seen in Washington than any other city on the face of the earth. This is a great place to visit and a great place to live.

However, it is not my role to extoll our home town. I will leave that to the Chamber of Commerce. But I would like to say as Potentate of Almas Temple I am grateful for the solidity of our country, the character of our Nobles, and the privilege of being host to this distinguished gathering. May your visit prove fruitful. If there is anything that Almas can do to make your visit more enjoyable please call upon us. It will be an honor to serve you. Thank you. (Applause)

DIRECTOR GENERAL RUSH: Thank you, Illustrious Sir Cooper.

I am delighted at this time to present to you the Hon. Walter N. Tobriner, President of the Board of Commissioners for the District of Columbia. (Applause)

HON. WALTER N. TOBRINER: Director General Rush, Shrine Imperial Officers, distinguished guests, ladies and gentlemen. Again the Nation's Capital welcomes the delegates to the International Shrine Convention. The four Commissioners of the District of Columbia and the people of the City of Washington extend to you their heartiest greetings and best wishes for a highly successful convention.

As has been pointed out this is now the fourth time that the Imperial Shrine Convention has met in this city, first in 1900, again in 1923 and in 1935. We are proud and grateful that you have now returned to the Nation's Capital for the fourth time and we hope that you will come again.

The Shrine and Shriners are a mystery to the average man. Your fraternal activities are known only to the initiates, yet by your public deeds we know you well. Mention Shrine to the man on the street and he will say, "Hospitals for Crippled Children" and if he is really on his toes he will add "Treatment for burns." Your contributions as pioneers to the health of children, those with physical handicaps and those suffering from burns, has meant help and hope to untold numbers of youngsters whose needs have not been adequately served before and you grant this service impartially on the basis of need and in the best democratic traditions. For these contributions to the health of humanity we are all immensely grateful.

Some of you may know that we are endeavoring to make the City of Washington a more colorful and more enjoyable place in which to live. With the arrival of your delegates you have turned the trick virtually overnight. Your colorful regalia and two major parades will certainly make this town much more lively within the next few days. We are looking forward to the public events you have scheduled.

We welcome you and thank you for coming. Ladies and gentlemen, the City is at your service. (Applause)

DIRECTOR GENERAL RUSH: Thank you, Commissioner Tobriner.

We are gratified to have with us today the Chairman of the District of Columbia Committee of the United States House of Representatives, Congressman John L. McMillan of South Carolina. (Applause)

HON. JOHN MCMILLAN: Illustrious Potentate and all the Shriners from every State in the Union who are here visiting Washington today. I take pleasure in joining with Mr. Tobriner and your Chamber of Commerce and the Illustrious Potentate of Almas Temple to welcome you to your own Nation's Capitol. You most certainly will feel at home in Washington, all the people of the United States, since one of the most distinguished Masons that ever existed was our first President, George Washington, who surveyed and staked out the area known as the District of Columbia and the sites of all the agencies of the Federal Government including the White House and Supreme Court.

It is my pleasure and certainly I consider it an honor to be here today before such a distinguished group and I am certain you ladies and all you visitors can feel safe to visit any place in Washington. We have one of the finest Police Departments and one of the finest Fire Departments in the United States here in Washington. These people certainly will be at your service during your stay in the Nation's Capital. I know that we read about some bad things happening in Washington and certainly they are too bad and will be corrected but I believe that all of us if we go back home and search the closets for the skeletons will find a few things as bad as in Washington. The only thing is we must correct the situation here and I hope that you people when you go back home will grant us a certain admiration in our making this a better place to live. We think that we have a high honor to spend nine or ten or twelve months in our Nation's Capital and I believe that if you will visit the Capital in the fall you will still say that we have the most beautiful Capital in the world.

Again I want to welcome you to this city and if there is anything in the world that I can do on Capital Hill to assist you in having a good time I want you to call on me. I realize that there is very little I can do to assist a Shriner to have a good time as he has a good time anywhere, any place. Again I want to thank you for permitting me to talk to you a few minutes and I certainly thank you, Mr. Rush, for including me in this program. Thank you. (Applause)

DIRECTOR GENERAL RUSH: Thank you, Congressman McMillan for taking time from your official duties to be with us.

We are also particularly pleased to have with us today the Chairman of the District of Columbia Committee of the United States Senate, Senator Alan Bible of Nevada, a Noble of Kerak Temple. Senator Bible. (Applause)

HON. AND NOBLE ALAN BIBLE: Thank you very much, Director General Rush.

Imperial Sirs, M.W. Grand Masters, distinguished guests, fellow Nobles, your ladies and particularly the young men and the young women that I notice in the audience. I bring to you and to each of you warm greetings from the Congress of the United States. While you labor here in your convention and work your will in this beautiful Capital City of the Free World those of us charged with legislative responsibilities over this country will be working our will on Capital Hill just about thirty-five blocks away from this convention hotel. I commend it as a wonderful morning's exercise. We used to have a United States Senator from Rhode Island, Theodore Green, who walked it every morning and walked it every evening. He lived just a couple of blocks from here. Those of you who might have a rugged evening, and anything could happen to a fellow Noble, I commend that as a very early morning constitutional.

Certainly those of us in Congress feel that being among you Shriners and you ladies and again the young men and young women with you, we really are among our friends

and our neighbors and our constituents. It is pleasing to me because I believe that every American becomes a little bigger and a little better American when he visits this historical city, sees the shrines which made this country great, and is instilled with the sense that each and every individual citizen across this land has a personal responsibility in keeping this nation of ours on the march to greater heights. Americans have never been a people capable of standing still or drifting. Whatever the problems are that this world dishes up to us our country must stand united to meet each and every threat to those freedoms that we hold so dear.

This era in which we live constantly reminds us just how fantastic it really is. In my youth a four day railroad trip across the country was made in record time. Then we shared with Charles Lindberg his solo flight across the Atlantic. The last of World War II saw German V rockets hitting London to open the space age which few of us realized was almost here. Then an atomic age dawned with the holocaust over Japan. Next came Sputnik and Colonel John Glenn was hurled into space which thrilled all of us. Then Major White walked in space and joked with Major McDivitt.

The next months and years will be most excitingly fantastic. A marvelous era, a frightening one, but a time in world history when we must keep pace to keep up whether we are on the sidelines reading the newspapers or whether we are an actual and active participant.

Fellow Shriners, this is the world we have today and in your convention host city this week you are among the center stages of this changing drama. To you Shriners amidst our nation's shrines I give every best wish for a successful and inspirational convention. Have a productive session. Enjoy yourselves and enjoy the happiness of the free world. Thank you very much. (Applause)

DIRECTOR GENERAL RUSH: Thank you, Senator and Noble Alan Bible.

We will be entertained for a few moments with choral numbers by the champion Chanters of Ismailia Temple, Buffalo, New York.

(Selections by the Ismailia Temple Chanters.) (Applause)

DIRECTOR GENERAL RUSH: We have been favored with visitations to our convention by the titular heads or representatives of various Masonic related bodies. I shall introduce them at this time. There being quite an array I will appreciate your withholding your applause until all are introduced.

I am pleased to present to you and introduce the current number one Mason in this Jurisdiction, the M.W. Grand Master of the Grand Lodge of the District of Columbia, M.W. Lex L. Dodds. (Standing applause)

M.W. AND NOBLE LEX L. DODDS: Imperial Sir Orville Rush, Illustrious Potentate of Almas Temple, Imperial Potentate O. Carlyle Brock and his Imperial Council, the Illustrious Potentates of the 167 Temples in North America representing approximately 850,000 Nobles, M.W. Grand Masters of the various jurisdictions who are able to be here, and most distinguished guests. On behalf of the approximately 21,000 Master Masons in the District of Columbia and on behalf of the Grand Lodge of your Nation's Capital it is an extreme and delightful pleasure for the current incumbent of the oriental chair to welcome each and every one of you and particularly the ladies, the children and guests of the Nobles of the Mystic Shrine.

There isn't a Master Mason in North America whose heart doesn't beat a little faster or who doesn't stand a little taller when he thinks or reads of the millions of dollars that have been expended for the aid, cure and care of crippled children. There

isn't a Master Mason in North America who doesn't take extreme pride in the fact that he is a member of an organization which sponsors or, if you will, authorizes Shrinedom. We are extremely fortunate in the District of Columbia in having a splendid relationship with our Nobles. It would interest some to know that on Saturday afternoon the three remaining elective officers in our Grand Lodge were made Shriners. We as Grand Lodge Officers can now stand a little taller knowing that we are Shriners one hundred per cent.

I hope that each of you enjoys your stay in your Nation's Capital. I hope that each of you who are participating in the Council Sessions will be productive and may the Grand Architect of the Universe look with favor as you conduct your business nobly. (Applause)

DIRECTOR GENERAL RUSH: Thank you, M.W. Sir.

We shall be entertained with choral numbers by the Zem Zem Chanters and the Ismailia Chanters.

(Selections by the Chanters of Zem Zem and Ismailia Temples.) (Applause)

DIRECTOR GENERAL RUSH: Ladies and gentlemen, it is a distinct honor and pleasure to present the Imperial Potentate of the Ancient Arabic Order of the Nobles

of the Mystic Shrine for North America, Imperial Sir O. Carlyle Brock of Zem Zem Temple, Erie, Pennsylvania. (Standing applause)

IMPERIAL SIR BROCK: Imperial Sir Orville F. Rush, members of my Imperial Divan, Past Imperial Potentates, Most Worshipful Grand Masters, and other distinguished Masons, Government officials, Potentates, members of Divans, fellow representatives of all the great Temples of North America, my Brethren and ladies. One could not help but be deeply touched with the quality, character and dedication of this distinguished assemblage, the rendition of this soul stirring music and the fanfare of this reception. It bespeaks a great pride and solidarity which can best be described by my friend Wilbur Brucker when he refers to us as the Knightly marching legions of the Shrine of North America. This is the firm heartbeat of Masonry, the show window as you will, continue parading to glory in that Shriners caravan to destiny.

We journey from all parts of this continent converging upon this Nation's Capital, even those from across international borders are our very own, and who will observe enshrined within this capital, as they will in their homeland, the ever constant reminders of our freedoms, as we assemble here in the name of fraternity, charity and freedom, portraying the Shrine of North America and a united Masonry Fraternity throughout the entire world.

We have gathered to pay tribute on this our 91st anniversary, for whenever we celebrate distinctive anniversaries, dedicate fitting monuments, erect pretentious memorials, we are saying in fact to those who have passed this way before us, look down upon us from the emblazoned pathways of the heavens, steady our trembling hands, guide our stumbling feet, fire our fainting hearts, that we may serve well the generation of our time and cast our shadows of benevolence and beneficence down the dim vistas of the days of tomorrow and the unborn years which lie ahead.

I listened yesterday to our Imperial Chaplain as he wove the story of untold sacrifices throughout the early history of this fair land, of its inspired heroes, those who were willing to risk their all in the quest of freedom, to establish a heritage, to build a civilization under God endowed with freedom secured for generations yet unborn who may know the countless blessings which are ours this day.

I am especially delighted that our ladies saw fit to assemble in our midst this day because without their inspiration, this Parade to Glory would never have become a reality. It behooves men to become great and climb towering heights, to be worthy of the love of the women in their lives, their mothers, wives, daughters, those who dreamed of their greatness, kindling the fires of ambition and aspiration to conquest of the abundant, fine and worthwhile entities of life.

All too often have I seen in those lands across the seas where womanhood is but a chattel to be bought and to be sold completely deprived of love, social prestige and freedom, bearers of wood and fetchers of water, reproducers of the human kind, where men have no great affection for the wives nor sons nor their mothers, nor respect for their sisters. These are the worlds Kipling referred to when he said, "East is East, West is West, and never the twain shall meet." These must have been the enslavements and sorrows of a people to which Jefferson said, "I have sworn upon the altar of God, eternal hostility against every form of tyranny over the mind of men."

Yesterday our Imperial Chaplain referred to the abundant undeveloped resources of the earth – The Himalayas, the Andes, the Great Rift Valley, Antarctica – where people sow in despair but need the leadership, freedom and ambition to, through the struggle, claim unimagined wealth, but only by free men will it all become a reality. Even the planets of outer space, man shall come and claim for his own.

Surely Almighty God in Heaven is in evidence everywhere. As my mother constantly reminded me when I was but a small boy challenging, ever challenging, asking where, why and when. And in response to my question where God was, never being of the belief that he had absented himself from the houses of his children, her reply was, "God sleeps in the rocks of the earth, in the soil beneath your feet, in the rains as they fall from the Heavens and in the glory as He ignites the sunset." He sleeps in the streams as they cascade down the mountainside and the mighty sluggish rivers as they move to the seas and the oceans themselves. He dreams in the grasses which carpet the earth, the flowers which adorn the countryside, in the trees as they raise their branches to the noonday sun to which the birds come to build their nests and rear their young. He moves with the beasts of the fields, the fowl of the air and the fishes of the water. But He awakes in man, inspired by this thought that within every man and every woman is the soul spark of the Creator, the part which contributes to the immortality of man's soul, dictating his destinies, ever reassuring ourselves that He is a child of his Creator and an entity of destiny.

As I listen I hear Him in the tumultuous thunder, the driving wind and the gathering storm. I hear Him in the hurricane and the gentle breezes. I hear Him in the fathomless, restless ocean, the waves calm and then turbulent as they wash ashore, the mighty cataracts of the torrential streams. I hear him in the wee small voice which you all hear, the small voice of assurance that God is near. Should your faith ever waver just remember that there are 200 million universes like our own, each separated by a million light years, each peopled by 100 billion suns, each moving in order and precision. Then we must know that all this did not just happen.

To you, my friends, we once again gather together at the conclusion of a most productive year, great because you made it so, let us face tomorrow with beloved Fraternity ever becoming greater. Let us pace the free nations of this continent to a more magnificent future than they have ever known before. It will be so because great men and free men will make it so. Leaders, Masonic stalwarts, good men and true, and gracious women to inspire them, men endowed with full measure of sacrifice who gave and will continue to give their all will walk down the stage of life, the pages of history, together united under the banner of the Shrine of North America and the Masonic Fraternity which are inseparable, the ever champions of the right, worth, dignity and infinite value of the individual, knowing that theirs is the destiny of destinies, knowing that free men cannot co-exist with the vast forces of Godless materialism and communism, knowing that we shall survive as the Fraternity has survived down through the ages, knowing that our heritage will live and because this is the Fraternity born of freedom and without which it must surely perish. This is the Fraternity which has risen from the ashes of all civilizations buried beneath the shifting sands of time.

Ours is the Fraternity which survived the Roman Empire and conquests of Napoleon. The Fraternity which survived the persecutions of Mussolini, Hitler and all the other tyrants who have had their day upon the stage of history.

Ours is the Fraternity of destiny, indestructable and unperishable. It will live. Freedom and civilization as we know it will survive, ever spreading the rays of truth, hope and freedom, moving not only across this land and continent, but across the entire world and in particular to those oppressed and downtrodden people who look to us for their freedom and salvation. March on, Noble Shriners; the future is yours. These lands living in unity and amity form the nucleus from which freedom shall rise again as the God given heritage to all peoples on this earth. (Standing applause)

DIRECTOR GENERAL RUSH: Past Imperial Potentate George Mattison.

NOBLE GEORGE A. MATTISON, JR.: Imperial Sir O. Carlyle Brock, M.W. Grand Masters, Masonic leaders of coordinate bodies, Nobles, Imperial Officers present, ladies

and gentlemen but I must also say you lovely ladies. It is a privilege for me, Carlyle, to present to you this shovel. This shovel has broken dirt at each of the three Burns Institutes, the new interest the Shrine has shown in those less fortunate people. Inscribed in this shovel are the following words.

"This shovel was used at the ground breaking ceremonies for the first three Units of the Burns Institutes of the Shriners Hospitals for Crippled Children. Galveston Unit, Galveston, Texas, June 23, 1964. Cincinnati Unit, Cincinnati, Ohio, September 12, 1964. Boston Unit, Boston, Massachusetts, April 19, 1965."

It was my privilege, Sir, to be with you on two of these ground breaking ceremonies and with Imperial Sir Harold Close at the one in Galveston and to have posterity join with us in these events I present this to you and, as I understand, it will be placed in the Shrine Rooms at Alexandria. (Applause)

IMPERIAL POTENTATE BROCK: Imperial Sir George, I receive this shovel from you this day. I have received it from your hands on each of these historic and memorable ground breakings and I believe with another, or was it the same shovel in Honolulu.

NOBLE GEORGE A. MATTISON, JR.: Another shovel.

IMPERIAL POTENTATE BROCK: Imperial Sir George Mattison has been a loyal and faithful servant. He has journeyed with me to these events, contributing magnificently as he will, I am certain, continue that contribution down through the many years to come.

Thank you Imperial Sir. I will receive this token of the builder, and its significance to our Burn Institute. I will see that it reaches its honored position in the George Washington Masonic Memorial Building. (Applause)

DIRECTOR GENERAL RUSH: The Ismailia and Zem Zem Chanters will once again entertain you.

(Selections by the Chanters of Zem Zem and Ismailia Temples.) (Applause)

DIRECTOR GENERAL RUSH: Thank you, Nobles. You have performed wonderfully today.

At this time we will have the conferral of the Eloy Alfaro Grand Cross on the Imperial Potentate. Past Potentate Ray Holtz is leading a delegation to the stage. Several will participate including our Deputy Imperial Potentate Barney Collins. Past Potentate Ray Holtz.

NOBLE RAYMOND B. HOLTZ: Imperial Sir Orville F. Rush, Director General, Imperial Sir O. Carlyle Brock Imperial Potentate of the Shrine of North America, Imperial Sirs, Illustrious Sirs, Nobles, distinguished guests, ladies and gentlemen. Consciously or otherwise we tend to appraise and classify every one that we see or meet or just casually observe. We like their appearance or we do not. We think we are desirous of more of their company or not. We feel somehow that we can trust them or cannot trust them. We recognize their contributions to the welfare of the commonwealth and desire to honor their achievements. We know our Imperial Potentate recognizes the fine achievement of these accomplishments.

So it is that this afternoon the Eloy Alfaro International Foundation Award honors our Imperial Sir O. Carlyle Brock, the Imperial Potentate with the Grand Cross and Diploma. I now request that Illustrious Sir Irving L. Mermer, Illustrious Potentate of Mecca Temple, convey the announcement by Emilio Alfaro, Secretary General of the Foundation. Illustrious Potentate Mermer.

NOBLE IRVING L. MERMER: Imperial Sirs, M.W. Sirs, Illustrious Sirs, ladies, guests, Nobles all. My task is a pleasant but short one. I will read verbatim a letter addressed to me by Dr. Emilio Alfaro.

"My Dear Illustrious Potentate Mermer. I am very sorry that I cannot be with you on Monday, July 12 to honor Sir O. Carlyle Brock, Imperial Potentate of the Ancient

Arabic Order, Nobles of the Mystic Shrine for North America. As you may be aware my late father, Captain and Ambassador Alfaro, was made a 33° Mason while he was serving as Ambassador to the United States from the Republic of Ecuador in Washington, D. C. At the same time the late General of the Armies Douglas MacArthur and former President Harry Truman were so honored. My late father and his three sons, the grandsons of President Alfaro of Ecuador, were all Masons and the three of us Shriners. My late father and his three sons were graduated from West Point also.

"The Board of Directors voted the Eloy Alfaro Grand Cross to Imperial Sir O. Carlyle Brock in recognition of his outstanding service to humanity and the cause of international peace, his dedication to the Shrine Hospitals of North America and particularly his leadership in creating three Hospitals for the treatment of burns of children.

"Will you please extend to Sir O. Carlyle Brock, all the Nobility assembled, and particularly to our American Provost, Dr. Herman A. Bayern, our grateful thanks to him and his associates in carrying on the aims and purposes of this Foundation and for their continued understanding and effort for bettering relationships between the peoples of South and North America.

"With every good wish to Sir O. Carlyle Brock and his wonderful family and all Nobility I am, fraternally and sincerely yours in the Faith, Dr. Emilio Alfaro, Secretary General of the International Eloy Alfaro Foundation of the Republic of Panama, Central America." (Applause)

NOBLE RAYMOND B. HOLTZ: I still continue to believe that the honor is not so much in itself but rather in its donation. That which we contribute stands at the highest foundation of the ideals and precepts. One who has contributed much to our humanity is our good friend Dr. Herman A. Bayern. Dr. Bayern has been very anxious to confer this particular honor on our Imperial Potentate and so recognizing that he has accomplished this task or will in a very few moments. Very proudly I present to you one who has presented the Gold Cross and the Diploma to many outstanding men of the United States of America. So I present to you the American Provost Dr. Herman A. Bayern who will now present the Gold Cross and the Diploma to our Imperial Sir. (Applause)

NOBLE HERMAN A. BAYERN: Imperial Sir O. Carlyle Brock of the Shrine of North America. We are gathered here for the purpose of honoring you, the dedicated and distinguished leader of the Nobility of North America. You have been voted the highest honor of the Alfaro International Foundation of the Republic of Panama in recognition of your outstanding service to mankind and for your merit and accomplishment in all worthy endeavors, including the Shrine Hospitals, and further recognition of your untiring effort towards the establishment of international peace.

The Eloy Alfaro International Foundation, named after the soldier-patriot-statesman-martyr, the former President of Ecuador at the turn of the century, is for the perpetuation of the principles of justice, truth and friendship among peoples and nations, and seeks to promote moral values with personal integrity, for which General Alfaro devoted and laid down his life. President Alfaro, 1842-1912, established in Latin America many schools, colleges and universities, as well as hospitals and other welfare institutions, and furthered cooperation and unity among the countries of the entire Western Hemisphere.

Under his dynamic leadership the Legislature of the Republic of Ecuador passed laws separating Church and State as we have it in the United States of America. Wherever there was a threat to the peace of this hemisphere he was the dynamic leader who brought about a solution of its problems in this hemisphere. General Alfaro sowed the seed for Pan American understanding and cooperation. In 1907 he called an international peace conference in Mexico City in which the United States actively

participated for welding all the Americas together to preserve for the Western Hemisphere the Pan American unity of freedom loving people, that would be to the perpetual interest for the freedom from the many forms of despotism to plant the tyrant's heel on even the tiniest portion of the soil of the Pan American nations as the Soviet Union and Dr. Castro have actually done in Cuba in violation of the Monroe Doctrine. If we had another Eloy Alfaro, Castro wouldn't be there another twenty-four hours. Were Eloy Alfaro alive today he would be a supporter of the United Nations.

This great Ecuadorian statesman and dedicated leader of South America who was compared to Abraham Lincoln worked hard to insure for all the people of the world that hope and peace that is the common heritage from our Creator.

This Foundation was organized to perpetuate and further the political and moral values of the Americas by General Alfaro for whom the Foundation was named at the turn of the century. He was the President of that country for two terms, and what a President! He instituted reforms that Franklin Roosevelt at a later date did, taking and putting into effect for the people of Ecuador. The philosophy of General Alfaro was based principally on the service to mankind and to the cause of international peace.

The public and private activity of Imperial Sir O. Carlyle Brock, Imperial Potentate, come squarely within the aims and purposes of this kind of service to humanity and especially his proud service to the Shrine and the Shrine Hospitals of North America.

In recognition of this fact the ruling body of this Foundation grants to our Imperial Sir O. Carlyle Brock, Imperial Potentate of the Shrine for North America, its highest honor, the Eloy Alfaro Grand Cross and Diploma.

You, my dear Sir, now join the very elite and elect group selected and honored by the Foundation in the past. They include the late Presidents, Franklin D. Roosevelt, John F. Kennedy, Herbert Hoover, and the late General of the Army, Douglas MacArthur, former Presidents Dwight D. Eisenhower and Harry S. Truman, President Lyndon B. Johnson, Vice-President Hubert Humphrey, F.B.I. Director J. Edgar Hoover, Governor Nelson A. Rockefeller, former Governor Averill Harriman, Senators Mansfield and Dirksen, along with the Imperial Sir who typifies the caliber of men who have been honored heretofore by this Foundation.

Therefore, it now gives us the privilege and honor to invest upon Imperial Sir Barney Collins our next Imperial Potentate the pleasure to carry out the determination of our four dignitaries to invest Imperial Sir O. Carlyle Brock with the Eloy Alfaro Grand Cross and Diploma.

NOBLE BARNEY W. COLLINS: Thank you, Bro. Provost.

Imperial Sir Carl, it is my delightful task to make upon you the investure of the jewel of the Grand Cross of the Order of Eloy Alfaro. You and I had the pleasure of being in Panama together. May I extend to you the handshake of fellowship for this great honor bestowed upon you this afternoon. (Applause)

NOBLE RAYMOND B. HOLTZ: The Diploma will be read and translated from Spanish to English by the Illustrious Potentate of Mecca Temple in the year 1963, Illustrious Sir Leo Spiegel, Illustrious Past Potentate.

NOBLE LEO SPIEGEL: This Diploma is in Spanish which translates into our daily tongue as follows:

"Foundation International Eloy Alfaro. Recognizing the special value of the service rendered by Sir O. Carlyle Brock as set forth in the objectives of this institution he has been awarded the Grand Cross of the Eloy Alfaro Foundation. In witness thereof this Diploma with the seal of the Foundation is presented in the City of Panama, Republic of Panama, on the 20th day of June, 1965. Signed by the Officers of this

Foundation, by the President Eduardo Alfaro, Director General Eloy Alfaro, and the Secretary General Emilio Alfaro."

Thank you, Illustrious Sir.

Imperial Sir, good luck and good health. (Applause)

NOBLE RAYMOND B. HOLTZ: All through our lives we seek for those we may understand and they understand us. I am confident we find that understanding in our great leader, the Imperial Potentate of the Shrine of North America, Imperial Sir O. Carlyle Brock.

We will now hear your response.

IMPERIAL POTENTATE BROCK: Illustrious and beloved Nobles, I am very deeply touched and significantly honored by this ceremony. I feel most humble and unworthy. However, my family ought to share the grandeur of this hour and come forward. If I have accomplished anything in this life it is largely through them and the love and inspiration which they have ever so abundantly bestowed upon me.

Will the first lady of Shrinedom, my Emily, please come forward and all my children and grandchildren as well. (Applause)

Gather about me as I repeat the slogan that has been my theme and watchword: "God, family, Fraternity, charity, country."

They, too, have been as thrilled with this year as I have. They have helped carry the load. They have made some sacrifices but they, too, have loved every moment of it. It has never been a chore or a burden and we approach the end of this historic year with mixed emotions. The year has passed too quickly like great ships in the night sailing sternly on through calm seas and violent tempests. We are not quite ready to go back to the usual way of life, yet we are aware it is a must. Now to you all who are here, we thank you and to you kind people for making this award, and especially my dear friend, Deputy Barney, who in only hours will succeed me, I wish for you a fine year. You may be assured I stand ready and willing to carry out your every assignment. Thank you. (Applause)

NOBLE RAYMOND B. HOLTZ: Thank you, Imperial Sir, for your words that will continue to be an inspiration.

Members of the International Foundation have been here on the stage with us. I would like to present some of them to you but you know them. I would like to present Major General Walter DeLamater, Potentate of Mecca Temple in 1926 and 1956, Past Grand Master of the Knights Templars; Illustrious Past Potentate George Levy, Potentate in 1955 of Mecca Temple and now our present Recorder; Illustrious Past Potentate Alfred J. Cawse, Jr., Potentate last year in Mecca Temple; Noble George Stenberg. We have many messages from many Nobles including one from the White House. The message from the White House is as follows:

"The President is most appreciative of your invitation to attend the ceremony on next Monday at the Washington Hilton Hotel to award the Eloy Alfaro Grand Cross and Diploma. Regretfully previous commitments prevent his acceptance."

We regret that the Vice-President could not be with us. Our President received the award in 1959 and our Vice-President in 1954.

Now we have completed the work we were delegated to do. We fold our tents and steal away ever remembering that time passes on its way. (Applause)

DIRECTOR GENERAL RUSH: Thank you, Past Potentate Ray Holtz.

The Opening Ceremonies will terminate with Benediction by Rt. Rev. Joseph M. Harte, the Imperial Chaplain.

RT. REV. AND NOBLE JOSEPH M. HARTE: Go in peace. Remember the poor, the laden, the halt, the blind and injured. May the God of all free men of the world bless this Imperial Session and to its end. Amen.

DIRECTOR GENERAL RUSH: Thank you for attending.

(The Public Opening Ceremonies terminated at 4:30 P.M.)

IMPERIAL POTENTATE BROCK: Waiving all signs and ceremonies I now declare the Ninety-First Annual Session open for the transaction of business. Rt. Rev. Joseph M. The report is signed by the entire Committee. I move the adoption of the report.

IMPERIAL POTENTATE BROCK: You have heard the motion. Do I have a second? (Motion seconded) All in favor signify by the usual sign. Contrary the same sign. It is so ordered without a dissenting vote.

Imperial Sir George M. Saunders.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives to this Imperial Council. I would move that those Representatives elected by the Temples to the Imperial Council in the Iowa Corporation be elected Representatives of the Colorado Corporation. (Motion seconded)

IMPERIAL POTENTATE BROCK: Is there any discussion? All in favor signify by the usual sign. Contrary the same sign. The motion is carried unanimously.

I now proclaim the Ninety-First Session of the Imperial Council both in the Iowa and Colorado Corporations, open and they will remain open to transact business in both throughout this entire Session.

Are there any vacancies to fill on Committees, Imperial Sir George Saunders?

NOBLE GEORGE M. SAUNDERS: Noble Squires of the Dispensations and Charters Committee is not able to attend. The Imperial Potentate has appointed Noble Jesse Lanier of Zamora Temple to fill that vacancy.

Noble Carl Pierson, Chairman of the Transportation Committee, is not able to attend. The Imperial Potentate has appointed Noble R. S. Schluraff as Chairman of that Committee. He is the Past Potentate of Zem Zem Temple.

IMPERIAL POTENTATE BROCK: Nobles, you have all received a copy of the Imperial Potentate's Annual Report. It has not been a military secret. It has been placed in your hands in a timely manner that you may peruse, discuss and understand it, being duly and timely prepared to ask any questions you may desire, all of which I may not be able to answer.

One year ago, and that year has passed all too quickly, I informed you and at the expense of severe criticism, that I was never an individual to be unsure of myself and I was never more sure of myself than I was in New York when you elected me as your Imperial Potentate. Today I find in my heart and soul more sureness of myself and this revered Fraternity than I have ever been in my life. It is my fond hope that every member, and in particular each of the 737 Representatives, is more sure, more confident of himself and more aware of the destiny of this great Fraternity than he has ever been.

You who have been following my itinerary are fully cognizant that we were on the road until the 30th of June, having one day only at home, the 1st of July, before coming to the Nation's Capital to begin our board and committee meetings. Consequently, it was neither feasible nor desirable for me to go into the Chicago Office to myself prepare this report. Instead I instructed friends what was to be done and how it must be accomplished, leaving much of the detail for them to put in order. Much of the credit for this report is due to Imperial Sir George Stringfellow, Imperial Sir George Saunders, Noble Charles Marshall, many members of the office staff who each made some contribution, Illustrious John McKee, Illustrious Robert Fouke, whose names have identified them with portions of this report, nor must we overlook Illustrious Paul B. McCray, Illustrious Warren Jones, Illustrious James McKnight and others too numerous to mention. Notwithstanding my deep abiding heartfelt appreciation they have. Nor must I overlook our beloved Harold Lloyd, whose report is incorporated herein. I believe it is comprehensive, it is understandable. The message found at the opening has been written and much of which I dictated to my secretary over the telephone as time progressed. I shall not worry you with reading its contents because you will certainly have done so by now.

A year ago you were told that there was nothing new which we needed in the Shrine other than to strengthen that which we already had, to add drive, vision and action, to move forward, sighting back first over the course from which we had come as a surveyor sights back over his course and to the benchmark in order to project the line into the future. I have never been a one man show in any line of endeavor which I have undertaken. It has always been my policy to enlist people who knew more about the job than I did, men who were more able than I to get a job done. This is exactly what I did this year, knowing the utter futility of any one man attempting to do it all by himself. As a consequence, I appointed many Committees. I have divided this continent into districts and have assigned an Imperial Officer to represent me with authority to act and I have told them repeatedly, "Do the job. Never ask me what to do or how to do it. Simply call me with the information what you have done."

Neither have I spent this year looking for troubles. A year ago I assured you that I was a firm believer in the rights of States and the rights of Temples. This formula

I have adhered to completely. Nor have I come to visit any Temple who did not invite me and during my travels, which have exceeded more than 100,000 miles, my Emily has accompanied me on all these happy journeys. Together we have visited approximately 120 Temples – it is no record I assure you, this we did not seek – 4 Shrine Clubs in Alaska and one in Ottawa, Canada. In so doing I have endeavored to bring a sense of unity to the entire Masonic Fraternity knowing that there was a need for all, honors for all, and work for all to do without trespassing upon the other's sovereignty. We have visited all your Regional Association conventions either at the Ceremonial session or at their business meetings where we could meet the largest numbers.

It has been my privilege to visit the Canadian Supreme Council Scottish Rite, the Grand Encampment of Knights Templar of the United States of America, the Northern Scottish Rite Jurisdiction, the General Grand Chapter of the Eastern Star, the Imperial Conclave of the Red Cross of Constantine, the Supreme Council International Order of DeMolay, the Grand Masters Conference and so on, in order that we might bring happiness and unity to the Masonic family, give leadership and direction since the Shrine of North America is the only branch of Masonry which is undivided reaching across every Grand Lodge Jurisdiction in this country, across international borders to our North and to our South, encompassing the entire continent and embracing the Shrine Clubs in the free lands of the Orient and the continent of Europe. I know of no branch of the Fraternity of this magnitude which is able to give direction and to bring the unity which this Shrine of North America is able to do.

After a year of effort, not on my part since I enlisted the services of Most Worshipful and Illustrious Sir John McKee with whom this was a labor of love, to head up our Masonic Relations Committee, Illustrious Sir Robert Fouke to head up a Committee on Publicity, Imperial Sir George Stringfellow to head up a Committee as a whole on public relations, publicity, Masonic relations and membership building. I have appointed Illustrious Sir Paul McCray as Co-chairman or Co-ordinator for Membership. This is a long-range program, the fruits of which will not bear fruit noticeably during this administration save for the fact that many Temples are informing me that they are enjoying the largest classes this spring that they have ever or have enjoyed in recent years, leads me to believe that the efforts are bearing fruit with an ever continuing effort to build in numbers and to strengthen our foundations.

I have said many times that where the foundations show erosion, and I refer to Craft Masonry, where they crumble we must rebuild and strengthen not as Shriners but as Masons, never attempting to violate the sovereignty of any Grand Lodge nor Prerequisite Masonic Body, but to return to them as their own, members to build, to create and to strengthen, to go back to DeMolay moving them steadily and surely onward. Nor can we be complacent nor self-satisfied because our numbers are increasing at a satisfactory rate, and our wealth pyramiding at the rate of $30 million or more annually. We cannot accept signs of Craft Masonry complacently or idly because should the foundations crumble the edifice upon which we have builded and so inseparably established, will eventually fall.

As you may well observe, my friends, we have all taken a broader look at the entire Masonic Family, our moorings, our foundations, another appraisal of the Prerequisite Bodies, knowing that we cannot sit idly by, smugly and complacently content with the trends within the Shrine itself. We must go back to and shore up and strengthen the foundations and the Prerequisites in order to build a better tomorrow, not only for Masonry but for these vast free lands of ours for I am inspired, as I have so oft repeated to others and to you everywhere, that ours is the Fraternity of destiny upon which hinges the freedoms and the very foundations of civilizations as we know them now and down the pages of time.

It has been my signal honor and privilege to break ground for two new Burns Hospitals, to break ground for a new and enlarged Orthopedic Hospital in Honolulu, one which will replace the small, inadequate 30-bed Unit which we have been operating for so many years. It has been my privilege to dedicate and to be present at the cornerstone laying for the first Burns Institute for children in the world, in Galveston, Texas, on May 12.

This has been, my friends, a history-making year. It was not I who created that history. The history was of your making. I happened to be the instrument of your election and reigning Imperial Potentate who was there when these history-making occasions became reality. This has been a year in many respects unparalled in our time and possibly history, one of which you may all be justifiably proud, one of which members throughout the years ahead will look back upon as being most influential and most rewarding. I am confident that you share that pride with me, as you have shared that responsibility, and yours will be the glory as the years go by and as the shadows lengthen and the shades of evening come.

A year ago you were reminded that we must address ourselves to the maverick hospitals that were not keeping pace with the seventeen orthopedic hospitals which were collectively the world's greatest philanthropy, yet there were three and a couple of clinics within the framework of Shrinedom that we needed to make a very serious appraisal of and in particular the manner in which they were operating, some of which were definite blights upon the escutcheon of the tremendous Shrine charity for there are those who would point their finger in scorn to the world's most noble philanthropy and in so doing would single out these particular institutions, classifying them all by the weakest links even though they were not in reality a part of the Imperial hospital structure. Yet these hospitals had their beginning in the early days. Imperial Potentates broke ground for them. Imperial Potentates dedicated them. Imperial Potentates and the Temples themselves looked forward to the day when they might become incorporated in the hospital family. Then came the depression and these hospitals were in trouble and so was the Imperial Council. Consequently some of them resorted to aid from the State and from the County. Some accepted pay from patients and they no longer continued to be the worthy charitable organization which they originally intended to be. With the speed up of travel, the improvement in communications, we would see a Shriners parade or other Shrine charitable activity somewhere and a kindly person would utter words of praise for the world's greatest philanthropy. Yet another individual would respond, "Well, these are not all charitable, I know. We had a neighbor who had a child in one of these institutions and she paid for the treatment." Now we know that we live in an area where a fine hospital exists. They accept funds from the State and from the County. These are all situations which we could not longer allow to continue to downgrade our unmatched reputation. Yet as a result of our efforts two of these Temples, Arabia and Zem Zem, are presenting to us at this 91st Imperial Convention their hospitals, including the sizeable endowments which they hold debt free for the taking. The members of your Imperial Divan have unanimously recommended they be accepted and carry them on as your own. They are strategically located, one in the great State of Texas where we have the first Burns Institute, and if you accept Arabia's orthopedic hospital, I am confident the wills and bequests and gifts will pour in comparable in manner to that which they have never before attempted. This State has a potential with the largest number of Temples of any State to equal and bypass California which has played so great a part in building our $300 million endowment and continuing to lead the field in this particular category.

The second one is my own state of Pennsylvania with the largest Shrine population within Shrinedom and in the City of Erie and if you don't believe the old adage that a prophet is never without welcome save in his own country, whenever I have insisted that something be done about it you may be certain that I was branded as a traitor,

stealing away and giving away that which was not my right to do. Yet, nevertheless an informed and dedicated Nobility of my own Temple voted approximately five to one to present this hospital to the 91st Imperial Council and to become a legitimate part of the world's greatest philanthropy. Temples who operate a clinic or a hospital on their own as a rule seldom enter into the spirit of our beloved philanthropy that Temples so enthusiastically boast a part of the glorious Imperial hospital movement. This one in the City of Erie is located in a thriving industrial area with a population of 14 million within a 200-mile radius. The closest hospital is approximately 470 miles. It is almost midway between Chicago and Philadelphia, between St. Louis and Springfield, Massachusetts, between Lexington and Montreal with a tract of land adequate and more for future expansion.

I mention these items in explanation as I move along because they will be developed more thoroughly by spokesmen for the Committee when they present them for your consideration but I did feel that this permitted and necessitated some discussion to give you ample time for evaluation.

You may believe that as I stand here before you that I would be greatly concerned, but neither my Emily nor I have ever been worried throughout this entire year, nor are we happy that the year is so quickly drawing to a close. It has been a most delightful era, a most thrilling experience. You out there and those who are with you have been most generous and magnanimous to me, my wife and my entire family, and for this I shall ever be indebted to you for these friendships which we have so happily renewed and the new ones made are the most priceless heritages with which any man can be blessed. Like pearls of great price they are of wealth which you cannot estimate. This to us has been our grandest year. We have enjoyed it completely. We have been privileged and will be forever grateful to all of you for this honor. (Standing applause).

The Imperial Potentate's report is printed herewith for the record.

To the Representatives of the 1965 Imperial Council Session:

With joy in my heart I proudly welcome you to the 91st Annual Session of this magnificent Imperial Council. Three decades have passed since the last Imperial convention in the nation's capitol. It was then 1935, in the midst of the Depression, when the Shrine's membership stood at less than 364,000 after sustaining an alarming loss of 23,000 members. Since that time our membership has increased 130%. Throughout this era of growth, the world and this continent have changed significantly, yet the philosophies and the objectives of our beloved Shrine have remained unchanged because they are truths which are eternal, and the light and hope which they represent are unfailing.

My slogan for my year as Imperial Potentate is, "God, Family, Fraternity, Charity, Country."

A noble's family is his most meaningful asset and is the incentive for all his dreams and struggles. He strives to provide them with a more abundant life, spiritually and materially. He constantly endeavors to instill in the hearts and minds of his children the desire to rise above mediocrity and conformity – to live as an individual, free, with dignity and faith in Almighty God.

The Masonic fraternity provides him with the ideals he longs for his children to possess. Our beloved fraternity has survived the destruction of all the civilizations which have gone before because it ever stands for the right, worth and dignity of the individual, his infinite value, the sovereignty of his soul and the belief that he is a child of Almighty God in whose spiritual likeness he was created. Such moral leadership is even more vital in the world today when Communist leaders embrace a godless philosophy proclaiming that man is a material entity neither endowed with nor entitled to freedom, existing only as a chattel in the scheme of materialistic enslavement,

as chaff before the wind, as flotsam on the sea of life. Theirs is a philosophy of hopelessness and despair.

Charity is the keynote of every segment of the Masonic fraternity, led by 838,000 Shriners of North America; not of the vintage which demands the recipient, but the kind motivated by true love and compassion, dedicated to giving a brother's child a helping hand toward self-sufficiency, pride in his own worth, and an equal opportunity in the race of life.

The Masonic fraternity ever stands boldly behind the qualities which endowed the nations of this continent with greatness. Unfortunately, we are living in an age when mass security seemingly is the goal of the lower echelon of our society, who embrace the philosophy that the world owes them a living rather than that they owe humanity and the world a life. The settlers of North America were not people who craved unearned security without struggle. They were rugged individuals possessing deep and abiding faith in Almighty God and in their God-given capabilities. They braved the fathomless oceans in small unseaworthy vessels to give birth to new countries, under God and endowed with freedom. They endured the rigorous climate and fought Indians and savage beasts. They struggled that their national heritage would be one of freedom. They expanded westward to conquer the plains and the mountains and to reach the Pacific in their covered wagons. They drove northward to Alaska and subdued the Arctic; they controlled equally well the terrors of the tropics.

These are the people whose ancestors tamed the African Veldt and who settled Australia and New Zealand, who stormed and conquered the gateways of the world — Gibraltar, Malta, Hong Kong, Singapore, and Panama. They brought form to every government, a livelihood to every people and an ideal to every country. These were people without compromise with their ideals, their faith, and their pursuit of freedom. Theirs was the heritage which gave us individuals like Patrick Henry who did not say, "Give me liberty or the best deal or the best compromise or the best substitute," but who said positively and unequivocably, "Give me liberty or give me death!" All the battleships, marching armies, bombers, rockets, and missiles in the world cannot save a people if their heart and spirit and determination have withered. We must return to the principles of strong family ties, moral character, neighborliness, patriotism, and spiritual faith and courage.

When I was a boy in the mountain fastnesses of Eastern Canada, men were respected and admired for their accomplishments and not for their material worth. If a man were a farmer, a blacksmith, a lumberjack, a stonemason, a carpenter, a lawyer, a doctor, or a teacher, he was proud of his record of excellence. It was his honor and his pride to excel in his trade or profession; it was not merely a means of making a living. One of the most tragic losses we see about us today is the lack of pride in the challenge and struggle to excel in life. People accept alms without shame and encourage their children in the belief that it is no disgrace to live as a parasite upon their neighbors. When the parasites and non-producers become more numerous than the producers and creators of wealth, when the burden becomes so unbearable that ambition is destroyed, men no longer struggle, progress ceases and nations perish.

An ever-increasing number of people in this country, and in neighboring countries, have become so accustomed to living the parasitic life that you wonder if any of the pioneer spirit of their ancestors survives in their makeup. Yet I am certain that the faith of our fathers still courses through the veins of Shriners everywhere; their love of liberty and determination to stand for the preservation of our institutions of freedom is heartening indeed.

Once long ago, when on an expedition into the Canadian Northland, I observed in one of the dog teams a malamute which seemed to be more wolflike than the others. When I asked my Indian friend Joe about him, he said, "Him not dog at all,

him wolf. Me killum his mother, catchum three pups. One he die, one he run away, this one I keep." I thought how blessed was the one who escaped to his freedom with all its struggles, hunger, dangers, and hardships. The hand of death had been even more merciful to the one it claimed. I knew then why the imprisoned one bayed to the moon each night and answered the chorus of the wolf pack across the tundra. One night, when it was the full of the moon, his pathetic cries became more than I could endure. I crawled from the warmth of my sleeping robe into the 60-below midnight air, and went to his side. He seemed to sense that liberation was at hand. Without reservation, I removed the collar from his neck, and he bounded away in the snow. But he returned to my side, and my heart fell. Had he become so dependent upon his captor that he could no longer struggle for himself? My dismay soon disappeared; he seemed only to have returned to say farewell and thank you. His footfalls became fainter but I heard his call as he joined the wolfpack whose cries indicated their closeness. He would now be compelled to fight and flee his natural enemies, to brave the guns and traps of man, to seek his own food, to know hunger, to seek his own shelter and suffer the discomforts of the storms and to shiver in the cold, yet he made his choice for freedom above security.

Let us in the Masonic fraternity be our brother's brother, but not our brother's keeper, for the more we do for our brother, the less he will do for himself. We cannot make the sick well by making the well sick, nor the poor rich by making the rich poor. The resources of this great nation, or any nation on this continent, are not inexhaustible, nor have we the right to exhaust them. These resources are ours to hold and to enjoy the fruit thereof, the interest thereon, if you will, but the principal belongs to our children. I have a great stake in this continent and its future, for I have three sons, a daughter, and six grandchildren. I am sure I want for them what you want for your own descendants — not security guaranteed by government but only an opportunity for themselves in an environment of freedom.

The crying need of the entire world today is leadership. The Masonic fraternity has in the past given that leadership, and it is well-equipped today to continue that leadership. This is the fraternity that has risen from the ashes of civilizations in the past — it has outlived the Caesars, Napoleon, Hitler, Mussolini, and scores of other tyrants who have had their day on the stage of history. Today four and one-half million freemasons on the continent of North America with their families constitute a mighty bastian against the Godless forces of materialism determined to conquer the world and enslave all mankind.

Let us go back to the faith of our fathers, which is as eternal as the ocean and as enduring as the hills. Let us return to the preachings of the little white church and the little red schoolhouse, to the virtues of the past, to neighborliness and brotherhood. Let us live according to the Ten Commandments, the Sermon on the Mount, the Constitution, and the Bill of Rights. These are the foundation stones upon which the Masonic fraternity was built, and through the leadership of the Shrine within this fraternity, we can hope to shine our lights of benevolence, beneficence, and brotherhood down the dim vistas of the future and the precarious days which lie ahead.

To leave the philosophies of the Masonic fraternity for a while, I want to give you a report on the progress of the Shrine for the year 1964-1965.

It has been a grand and active year. Some 34,763 York and Scottish Rite Masons were initiated into the Shrine bringing our membership total to an all-time high of 837,292. The net gain in membership was not the goal we hoped to attain; nevertheless it was a gain while many Masonic bodies sustained a net loss. An unusually large number of candidates were initiated during the Spring Ceremonials. Now with the Membership Committee moving into high gear, greater numbers should continue to be attracted to the Shrine.

To keep the Shrine and Masonry moving forward, it is vital that we improve the relationship between the Shrine and other Masonic bodies to guarantee closer cooperation. Toward this end, I appointed an Executive Committee, under the very able direction of Past Imperial Potentate George E. Stringfellow, to coordinate the activities of three Shrine committees whose functions are closely inter-related, Membership, Publicity, and Masonic Relations Committees. Pages 21 through 27 of this report set out in detail the activities of this extremely vital Executive Committee.

This past year was indeed an active one within the framework of individual Temples. I was privileged to participate in dedication ceremonies for new Temple buildings at Beni Kedem Temple, Charleston, West Virginia; Yaarab Temple, Atlanta, Georgia; Rizpah Temple, Madisonville, Kentucky; Salaam Temple, Livingston, New Jersey; and the new Club House of Nile Temple, Seattle, Washington. A large number of requests for permission to construct new Temple buildings were received and approved during the year. These building programs appear to be thoughtfully organized with more financial stability than in the past, with much attention being given to the long-term solvency of the Temple.

An overwhelming majority of the Temples showed a financial gain during 1964. Only 26 Temples reported a loss in 1964 as compared to 35 in 1963 and 37 in 1962. Income from all sources increased from $16,400,000.00 in 1962 and $17,500,000.00 in 1963 to $18,500,000.00 in 1964.

Shrine Associations are rapidly expanding their programs to encompass more than mere social activities. Prominent Shriners from all across the continent are being invited to speak at their meetings, and Shrine problems common to all Temples are being resolved.

The Shrine Rooms in the George Washington Masonic Memorial Building at Alexandria, Virginia, have been completely renovated, and it is hoped that Shriners in ever-increasing numbers will visit the memorial during their pilgrimage to the nation's capitol.

I could not end this report without expressing my sincere gratitude to my beloved wife Emily for her devotion, patience, and understanding without which this year could not have been the crowning achievement of my life. Always the same good trooper that she proved herself to be on the big game trails across this continent and the Arctic, on safari across the African veldt, or on shikar on the continent of Asia, she has never wavered, faltered, or failed me.

Everywhere we traveled, Emily and I, and members of our family when they accompanied us, were shown enormous and generous hospitality, graciously extended. Every Temple visitation has brought tears to our eyes and joy to our hearts. Each has been most memorable and every friendship made will be cherished and will ever enrich our lives as "pearls of great price." Often our plane would arrive very early in the morning or late at night, and in all kinds of inclement weather, yet always there was a crowd of warm, friendly, enthusiastic Shriners and their ladies to greet us and to see that we were comfortably settled in our luxurious hotel suites. During my year we traveled 106,482 miles and visited 120 Temples in the United States (including Hawaii), Canada, Mexico, and the Canal Zone; and four Shrine Clubs in Alaska, one in Canada.

To my son, Omar Carlyle III, for assuming the entire management of all our companies, I am proud of the ability, wisdom, and loyalty you have displayed under most trying conditions. I shall endeavor to show my appreciation in a more meaningful manner during the years ahead.

To Stuart and Hubert, my two young sons who bore up so bravely that their parents could be away from them for an entire year, you have become courageous, resourceful, responsible little men. We love you the more for it.

It is with pride and emotion that I express my heartfelt thanks and gratitude to every member of the Imperial Family. Each has given most abundantly and unreservedly of his counsel; each has gone beyond the line of duty to carry the load which no individual can himself undertake. Our Past Imperial Potentates, each in his own way, has guided me through uncertain and perilous courses over which they themselves have come. For this, my undying gratitude.

To single out one Imperial Officer for contributions excelling those of his fellow officers would be highly presumptuous; yet because of the character, continuity and vocational nature and status of the Imperial Recorder, I could never express adequately in words of praise, appreciation or gratitude the outstanding, dedicated contribution which the inimitable George M. Saunders, his able talented assistant, Charles W. Marshall, and the entire headquarters staff who have each and together contributed so immeasurably to the happiness and success of this administration. This group of delightful, eager, dedicated people could well be the pride and envy of any international corporation.

Likewise, for the first time an Imperial Officer has served in the capacity of Director General of an Imperial Session. Because of my demanding schedule, it was neither feasible nor practical for me to visit the convention city as frequently as necessary. Consequently I named Imperial Sir Orville F. Rush to this post with the assurance that his wisdom, know-how, dedication, and loyalty eminently qualified him for this arduous responsible task. I am most appreciative of his untiring efforts and those of his lovely lady, Mary. It has been a like privilege to name the patriarch of the Imperial Family as Honorary Director General, Imperial Sir Leonard P. Steuart, who was elected Imperial Potentate in the nation's capital just thirty years ago and has served as its Imperial Treasurer for the past twenty-eight years. We salute the dean of Past Imperial Potentates and of the Imperial Divan. May he live long to enjoy the love and affection of the Nobility everywhere.

My year of travel has given me renewed love for the free countries on this vast continent of ours with its rolling hills and plains, its fertile valleys, its rugged mountains, its rushing streams, its sparkling lakes, and its rockbound seacoasts. Even more, it has given me renewed respect for and confidence in the calibre of individual who makes up this far-flung fraternity of ours. I am reassured that with fine, neighborly, God-fearing people such as we have within our ranks, we shall be able to supply the leadership to meet the challenge of the uncertain days which lie ahead.

O. CARLYLE BROCK
Imperial Potentate

EXECUTIVE COMMITTEE

At the last Imperial Council Session, Imperial Potentate O. Carlyle Brock appointed an Executive Committee to coordinate the activities of three committees whose functions are bound together, namely, the Membership, Publicity and Masonic Relations Committees. I was privileged to be appointed the Chairman of this Executive Committee.

Imperial Potentate Brock was concerned with the lack of communication between our organization and the Masonic bodies, and with the concurrent problem of a declining membership rate, both of which problems he felt could be at least partially solved with a well-organized publicity campaign.

To accomplish the aims of the Executive Committee, considerable thought was given to the organizational structure. It has been organized from the Imperial Potentate down to the individual Noble in Shrine Temples. In addition to your Chairman, the Executive Committee is composed of Orville F. Rush, Vice Chairman; C. P. Mac-

Gregor, Liaison Officer; and three executive members, Paul B. McCray, John McKee, and Robert H. Fouke, who also are Co-Ordinators of the Membership, Masonic Relations and Publicity Committees, respectively. Each of these committees has a State chairman, a Temple chairman, and individual members from Shrine Temples. The program of the Executive Committee is a three-pronged one designed to define our problems and find ways to solve them.

Membership Committee

Your Membership Committee is directing its major efforts to expediting membership program intended to increase present Shrine membership and to develop a future available source of members through programs designed to improve the image of Masonry and the Shrine in the minds and opinions of the general public.

Masonic Relations Committee

Your Masonic Relations Committee is engaged in promoting greater co-operation and co-ordination between Grand Lodges, affiliated Masonic bodies, and the Shrine.

Publicity Committee

Your Publicity Committee expects to implement these plans and programs by use of available publicity media and interested individuals and groups to the end that the objectives of increased membership and a better public image for Masonry and the Shrine may be obtained.

On the following pages you will find individual reports from the Co-Ordinator of each of these committees.

Respectfully submitted,

GEORGE E. STRINGFELLOW
Chairman, Executive Committee

MEMBERSHIP COMMITTEE

Membership continues to be the vital concern of all Masonic organizations. The graphs shown on the previous page illustrate very clearly the continuous decrease in the number of Master Masons raised, the number of those knighted in the York Rite, the number of those initiated into the Scottish Rite, and the number of those created in the Shrine.

Imperial Potentate O. Carlyle Brock recognized the seriousness of the membership situation, and he appointed an Executive Committee to coordinate the activities of the Membership Committee with those of the Publicity and Masonic Relations Committees. The objective of these three committees is the same in one respect – to increase the membership of the Shrine and of the prerequisite Masonic bodies.

Since its appointment, the Membership Committee has done many things to stop the downward trend. The first step accomplished was the organization of an effective Membership Committee throughout North America. A membership chairman was appointed in each State and Province, and a membership chairman was appointed in each Temple. It is the Membership Committee's wish that the Temple chairmen be retained in their position for at least five years to provide continuity of this program. To assist the membership chairmen, a membership kit was prepared and made available to them along with a booklet entitled, "Organization by Action," and two pamphlets, "This is Shrinedom," and "Masons, Builders of Society." A new publication, "Noble News," was issued, its primary purpose being to circulate ideas used effectively by some Temple among Temples who were not so successful in their membership programs.

Membership must be considered from a short-term viewpoint and from a long-term viewpoint. In the short view, it is to be noted that the Shrine and the Scottish Rite have shown a gain consistently; however, for the past several years this gain has been declining steadily. In certain states the Shrine has lost in total membership over the past five years, and Craft Masonry has shown a net loss in 30 states. It is from Craft Masonry that the Shrine must look for members in the long view.

Shrine Clubs continue to be the main source of our membership gains. The number of Shrine Clubs now stands at 1,856. The large number stems purely from the movement of population from the cities to the suburbs. This decentralization movement has caused a great change in family life. The social activities of the Shriner are concentrated in the locality in which he lives rather than in the area in which his Temple is located, especially if that area is some distance away from his home.

Because of this shift to suburban living, the problem of jurisdictional lines has become even more serious. A survey has shown that in 67 areas the present jurisdictional lines restrictions are keeping thousands of good candidates from joining our organization. Your Membership Committee feels that constant efforts should be made to solve this problem.

It is an unfortunate fact that young men nowadays are not entering our fraternities, and this is of course having a drastic effect on our membership. Our members are getting older, and as they pass on, they are not replaced by younger members. DeMolay is the greatest single source of candidates for the symbolic lodges, and consequently we should devote more attention to the activities of DeMolay. Nearly all the Grand Lodges have increased their recognition and support of DeMolay, and the Shrine has done so too.

The Imperial Potentate, in recognition of the efforts of individuals who have secured more petitions than any other Noble in their Temples, has issued an Imperial Potentate's Citation to them as a reward for their efforts. The plan is to expand this program to include a citation for Temples who lead the others in membership gain (percentagewise) for any one year.

Now that the seriousness of the membership problem has become evident to the individual Shriner, your Membership Committee hopes that each one will carry on his own publicity campaign for the Shrine. It is only with an organization composed of young, vigorous men bursting with new ideas, but backed by the solid experience and judgment of its older members, that the Shrine can hope to advance in this modern, changing world.

Respectively submitted,

PAUL B. MCCRAY
Co-Ordinator of Membership

PUBLICITY COMMITTEE

Past, present and future Shrine publicity and public relations programs and plans were examined, studied, analyzed and evaluated by your Co-Ordinator under the supervision and direction of Past Imperial Potentate George E. Stringfellow, Chairman of the Membership, Masonic Relations and Publicity Committee, in cooperation with members of the Executive Committee of these three committees during the 1964-1965 Shrine fiscal year.

Numerous ideas, suggestions, programs, plans, and suggested solutions were received, and recommendations made in connection with these matters by the Executive Committee to the Imperial Divan and Directors of the Iowa and Colorado corporations following lengthy Executive Committee meetings and discussions held in Chicago,

San Francisco and Palm Springs under the able guidance and direction of Chairman George E. Stringfellow. Many of these suggestions and recommendations were approved by these Board of Directors, including a centralized, mechanical record control system, establishment of a centralized and enlarged Shrine Public Relations Department and program, and State and Temple Committee organization and structure.

In this latter connection, State and Temple Publicity (Public Relations) Committee chairmen were selected and appointed by Imperial Potentate Brock upon the recommendation of Temple Potentates and the Executive Committee on Membership, Masonic Relations and Publicity, with letters of appointment signed by the Imperial Sir, and mailed to such parties and their acceptances received.

Recommendations and suggestions were made for committee organization, meetings, action, programs, and membership composed of selected and qualified personnel in all phases of publicity and public relations media within the jurisdiction of each Temple.

Working tools furnished included, among others, were: (1) Organization Chart of Imperial Council, State and Temple Committee Chairmen and members; (2) Reports of work undertaken, in progress, and completed by Publicity Committee, submitted to the directors of the Iowa and Colorado corporations; (3) Memorandum outlining duties and responsibilities of Imperial Council, State and Temple Publicity Committees; (4) Memorandum covering committee correspondence, including type, style and kinds of communications, suggestions to insure maximum efficiency at lowest cost and postage expenses; (5) Memorandum and detailed articles on "How to Win Headlines and Influence Reporters," and "How to Obtain Far-Reaching Temple News Coverage, Follow the Formula of Coverage, Interest, and Local News." (6) Other reports, voluminous correspondence and data on various publicity media, use and availability, and how to obtain the same; and (7) Other memorandums, data and reports concerning "What is Masonry?," "If Masonry is Good, Let's Talk About It!," "What a Mason Can Tell a Non-Mason," ideas and suggestions received and exchanged, and so forth.

Space limitations preclude further illustrations and enumeration at this time as to the pending plans, programs, proposals and suggestions under study.

It should be noted, however, that the primary objective of your Committee is to present an integrated and workable public relations plan program at minimum expense and with maximum efficiency, which will enable the full use of all facilities, media and personnel on the local, state, national and international levels – upon a short and long term, continuous basis, which will (1) insure the maintenance of the highest and most favorable fraternal and public "image" of Masonry and the Shrine; (2) encourage eligible men of all ages to seek membership in Masonry and the Shrine; and (3) insure greater financial support for our Shrine activities and philanthropies.

Respectfully submitted,

ROBERT H. FOUKE
Co-Ordinator of Publicity

MASONIC RELATIONS COMMITTEE

The purpose of this committee is to improve relations and to strengthen ties between the Shrine and all Masonic bodies. As a first step, on January 15, 1965, Imperial Potentate O. Carlyle Brock called a conference in Washington, D.C., to which high officials of the Blue Lodge, Scottish and York Rites were invited for the purpose of discussing mutual problems of the Shrine and their organizations. Many Grand Masters, Past Grand Masters and Commanders of the York and Scottish Rites accepted the invitation and attended the meeting in person or sent a deputy. The conference lasted

four hours during which time matters concerning the Shrine's relationship with Craft Masonry and other problems were discussed fully.

Several specific recommendations came out of this conference:

1. It was generally agreed that this type of conference should be held biannually.

2. It was recommended that a committee should be formed in each state comprised of the State Chairman of the Shrine Masonic Relations Committee (which had already been appointed), representatives of the various prerequisite bodies, the Grand Master, and the Grand Secretary. Meetings of this group should be held whenever deemed advisable, but at least once a year.

(Subsequent to this conference committees were formed, and at the present time are working successfully in eight states.)

3. It was recommended that every Shrine Temple Divan have in the elected line at all times someone who is familiar with Grand Lodge procedures and protocol, such as a Past Grand Master, a Grand Lodge Officer, a Deputy Grand Master or a Past Master. Many misunderstandings have arisen between the Shrine and the Grand Lodge in the past because of inexperience with the other's procedures, and having such an officer in the Divan should eliminate some of the problems.

4. A free discussion was conducted relative to Masonry giving leadership in the community. As a result of this discussion, it was recommended that members of all bodies should be encouraged to participate in community affairs but that partisan politics should be kept out of such participation.

5. To avoid conflict in dates for important fraternal events, it was recommended that the leaders of the various bodies should meet the year before to schedule events for the next year. A calendar could then be forwarded to all the prerequisite bodies, and in this way much misunderstanding could be avoided.

In conclusion, this conference clearly demonstrated the lack of communication between the Shrine and prerequisite bodies. Since the membership of the Shrine depends originally upon the membership of the Blue Lodge, all Shriners should remain active in their Blue Lodge and in their Grand Lodge. Where a Shriner knows of a problem which exists between the Shrine and a prerequisite body, he should secure all the facts and bring them to the attention of his Temple officers. The leaders of that Temple and the Masonic body involved could then meet to discuss a solution to the problem. Only if these problems are brought into the open can harmony be restored, and the cooperation of each individual Shriner is earnestly solicited.

I believe that considerable progress has been made this past year in the improvement of relationships with Masonic bodies, and much of this is due to the high esteem in which Imperial Potentate O. Carlyle Brock and Past Imperial Potentate George E. Stringfellow are held by the leaders of Masonry.

Respectfully submitted,

JOHN MCKEE
Co-Ordinator of Masonic Relations

YEAR OF ACTIVITY...

1964-65 has truly been a year of history-making activity for Shriners Hospitals for Crippled Children. It has been an honor and a privilege to have collaborated closely with the Chairman of the Board of Trustees, Harold Lloyd. We are indeed fortunate to find a Noble so dedicated and so well and favorably known, beloved not only by Masons but by good people from every walk of life. He has been a tower of strength

to me in all our undertakings. Together we have met every challenge which has drawn us closer in the true bonds of friendship, brotherhood, and affection.

The Building & Equipment Committee, under the Chairmanship of Past Imperial Potentate George A. Mattison, Jr., in addition to considering and reviewing over 100 requests for pieces of equipment, has studied and recommended to the Board of Trustees probably the largest building and renovation program in Shrine history. Over sixteen million dollars has been appropriated in construction expenditures this year. He truly merits our applause and deep appreciation.

Renovation and Reconstruction of Orthopedic Hospitals

Several of the orthopedic hospitals requested major renovations, and two units, Honolulu and San Francisco, are replacing their physical plants. Major projects have been recommended by the committee, and approved by your Boards, as follows:

Chicago Unit	Air conditioning and renovations	$ 337,801.00
Greenville Unit	Renovations and ward additions	258,500.00
Honolulu Unit	New building project	2,650,000.00
Lexington Unit	Air conditioning	218,556.00
Los Angeles Unit	Air conditioning	311,650.00
San Francisco Unit	New building project	2,750,000.00
Winnipeg Unit	Addition of staff dining room	30,000.00
		$6,556,507.00

Shriners Burns Institutes

At the Imperial Council Session in 1962, ten million dollars was appropriated for the construction of three Burns Institutes, and during this past year these projects moved into the final stages of planning or actual building. The Galveston Unit is under construction and is due for completion late in 1965. Construction of the Cincinnati Unit has begun, and preliminary plans for the Boston Unit have been made and an architect selected.

Wills, Bequests and Gifts Committee

This is one of our most important committees. An expanded and aggressive program relating to the works of the Wills, Bequests and Gifts group has been instituted under the Chairmanship of Past Imperial Potentate Walter Guy. The expansion now going on in our charity makes it imperative that the objectives of this committee be emphasized in all of the 167 Temples. It is a pleasure for me to report that income from this source has increased markedly this past year, and will be of great assistance in carrying on our work. Imperial Sir Walter Guy and his committee have performed miracles. My eternal gratitude goes to these dedicated nobles.

Two More Orthopedic Hospitals

After careful study and thorough investigation, your combined Boards recommend to the Imperial Council Session for your consideration the addition to our hospital system the hospital presently operated by Arabia Temple in Houston, Texas, and the hospital now operated by Zem Zem Temple in Erie, Pennsylvania. These hospitals for several decades have been operated differently than our 17 hospitals for crippled children, though they are often confused by the public as being part of our system. Full detail will be given to the Representatives at this Session.

Financial Condition

As reported above, the Shrine of North America is expanding its charitable services. It is reassuring to know that we are financially able to do so. Please refer to the consolidated balance sheet on page 35 of this report.

Shrine Charity

High in the Alps is a little church without electric lights, oil lamps, or candles. I was told by the sexton that the parishioners brought their own light.

One Sunday evening I watched the lights moving down the tracks, paths, and roads converging upon and entering into the church where the combined lights not only lit up the interior but illuminated, through windows and doors, the countryside around.

Each Shriner bears his own light of generosity, and with the lights of other Shriners, shines the light of charity across the world.

DECISIONS AND ORDERS

During the year occasion has arisen for the making of a number of decisions and the issuance of several orders. To the extent that my decisions have concerned the interpretation and application of Shrine law, I have received the advice of Noble Warren L. Jones, Chairman of the Jurisprudence and Laws Committee. In some instances advice was given in response to inquiries which did not require a decision or order. These are not reported herein.

August 3, 1964

RAMESES TEMPLE

Per Capita Increase

An inquiry was made as to whether, under the Imperial By-Laws as amended in 1964, the full amount of the per capita tax could be passed on to the members of a Temple where its By-laws provided otherwise.

HELD: The change made in the Imperial By-laws by the 1964 amendment to Section 211.4, supersedes a Temple By-law in conflict therewith by reason of Section 331-S; and the full amount of the per capita tax shall be passed on to the members unless the Temple, by an affirmative vote determines to absorb all or a part of the tax.

September 1, 1964
SPHINX TEMPLE
Recommenders on Petitions

A question was asked as to whether the sponsors or recommenders of an applicant for the Order must be members of the Temple to which the application is to be made.

HELD: Following the general Masonic law, the recommenders must be members of the Temple to which the petition is to be submitted.

September 24, 1964
AL MALAIKAH TEMPLE
Noble suspended as Recorder

Upon information supplied by the Potentate of Al Malaikah Temple in connection with activities of the Recorder of the Temple, I suspended the Recorder from Office of Recorder.

October 3, 1964
ARABIA TEMPLE
Duties of Temple Recorder

A ruling was requested as to the authority of Temple Recorders.

HELD: The powers and duties of the Recorder of a Temple as set forth in the Imperial By-laws cannot be restricted except as permitted under Section 327.3(b).

October 12, 1964
BAHIA TEMPLE
Copyright of Photographs
Photographers Association

Information was received that a Noble of the Temple had taken and copyrighted photographs of Nobles and Novices incidental to a Ceremonial and charged prices seemingly excessive for prints. Information was also received that the Noble had been instrumental in organizing a Shrine Photographers' Association.

It was *Ordered:* That the practice should be discontinued and the Shrine Photographers' Association was without official standing.

October 20, 1964
ALI GHAN TEMPLE
Restrictions on Use of Dues

It was proposed to offer a resolution requiring a specified amount of each member's annual dues be set aside for payment on an indebtedness upon the Temple's property, and an opinion as to the validity of such a resolution.

HELD: While a Temple is required to pay its obligations and perform its contracts, restrictions on the use of funds to accrue in future years cannot be imposed.

November 16, 1964.
LU LU TEMPLE
Electioneering

Rulings were requested as to whether various acts constituted improper electioneering under Section 325.10 of the Imperial By-laws.

HELD: A Shrine Club must not endorse a candidate for Temple office and should not state that it has a candidate. The solicitation of votes by or on behalf of a Temple

officer is not, of itself, a violation of the Imperial law, nor are caucuses prohibited, except as to Shrine Clubs and units, unless writings or devices are used. A Shrine Club may arrange for busses to transport its members to the annual meeting of the Temple if not done to futher the candidacy of a particular Noble or Nobles. The giving of a cocktail party by a candidate for Temple office to further his candidacy is not a violation of Imperial law but may be in bad taste.

December 14, 1964

EGYPT TEMPLE

Incorporation of Shrine Clubs

The Temple Potentate submitted for consideration proposed Articles of Incorporation of Fun and Frolic of Naples, Inc., which included powers to operate charities and other projects normally associated with Shrine Clubs, to conduct parades and exhibits, to collect dues, etc.

HELD: The Articles of Incorporation did not conform to the requirements of Section 337.6 of the Imperial By-laws permitting Shrine Club Holding Companies, and permission to incorporate under the proposed charter was denied.

December 16, 1964

ABBA TEMPLE

Per Capita Increase

An inquiry was made as to whether, under the Imperial By-laws as amended in 1964, the full amount of the per capita tax could be passed on to the members of a Temple where its By-laws provided otherwise.

HELD: The change made in the Imperial By-laws by the 1964 amendment to Section 211.4, supersedes a Temple By-law in conflict therewith by reason of Section 331-S; and the full amount of the per capita tax shall be passed on to the members unless the Temple, by an affirmative vote determines to absorb all or a part of the tax.

December 18, 1964

AL MALAIKH TEMPLE

Noble Suspended

In connection with the activities of the former Recorder of Al Malaikah Temple I found him guilty of conduct unbecoming a Noble of the Mystic Shrine and suspended him from membership in Al Malaikah in accordance with the provisions of Section 206.5 (11) of the By-laws of the Imperial Council. It is my recommendation that this Noble be expelled from Shrine membership.

December 23, 1964

ARABIA TEMPLE

Suspension Procedure

An inquiry was made as to whether the membership of a Temple should vote upon the suspension of all who are proposed for suspension or only those who appear in response to a notice.

HELD: That while it may be a futile act, Section 323.11(c)(4) seems to require such a vote.

January 26, 1965
SALADIN TEMPLE
Election Procedure

The question was raised as to whether a Temple office must be filled by a ballot of the membership where only one candidate for the office has been nominated.

HELD: Usage in both the Imperial Council and in Temples generally has established the practice of directing a unanimous ballot by a voice vote. There is nothing in the practice which violates Shrine law and the practice was approved.

February 8, 1965
BEKTASH TEMPLE
Treasurer's Duties

The Temple adopted a By-law requiring that checks drawn on Temple funds should be signed by both the Treasurer and the Potentate. The question was asked as to whether the Treasurer's power to sign checks could be restricted by a requirement that the Potentate should also sign.

HELD: Section 327.4(b) of the Imperial By-laws provides that unless the Temple By-laws specifically assign the duty to another officer, the Treasurer shall sign checks. The Temple could provide that the checks should be signed by the Potentate alone. This being so, it follows that the Temple By-law provision requiring the signatures of both the Treasurer and the Potentate is valid. (See Order of March 26, 1965)

February 12, 1965
ANEZEH TEMPLE
Publication of Roster

A request was made by a Temple for permission to publish a roster.

HELD: The prohibition of Imperial By-law §335.6(a) against using a list of names of members for business purposes could not be enforced and would be violated in spirit if a Temple Roster was published, and therefore, permission was denied.

February 17, 1965
MURAT TEMPLE
Racing Car Unit

A group of Nobles in the Temple asked permission to organize a unit for furnishing and operating small racing cars with the name of a commercial sponsor placed on each of the cars. An opinion was requested.

HELD: That if the Potentate of the Temple desired to authorize such a unit, he was not prohibited from doing so provided he required compliance with the General Order dealing with unorthodox motor vehicles. Section 355.2(a) prohibits the use of any "term, sign or symbol of the Order for commercial or business enterprises." It is assumed that the use of the sponsors' names on the sides of the vehicles would be for business purposes and hence is forbidden.

March 9, 1965
ARARAT TEMPLE
Suspension of Duran N. Sleyster

For violation of Shrine law and conduct unbecoming a Noble of the Mystic Shrine, it was

ORDERED: That Duran N. Sleyster be suspended as a member of Ararat Temple until the next session of the Imperial Council.

March 10, 1965

ABOU SAAD TEMPLE

Shrine Club Unit Sale of Records

The Potentate of the Temple reported that a Steel Band of a Shrine Club contemplated cutting and marketing a record having the name of the Temple and the Club unit on the label. The record would be sold by the Club as a fund-raising activity. The question is asked whether this venture would violate any Imperial law.

HELD: Section 335.2(a) of the Imperial Code prohibiting the use of "Noble," "Shrine" or like terms, or the symbols of the Order for business purposes was intended to prohibit Nobles from using their Shrine membership to advertise their own business enterprises. It was not intended to ban the use of the names of Shrine Temples, or their clubs or units, with the emblems of the Order, in fund-raising activities exclusively for Shrine purposes. Section 336.2(d) of the Imperial Code would prohibit a Shrine musicial unit from receiving compensation for public appearances, but would not prevent the making and selling of a record to raise funds for Shrine activities.

March 26, 1965

BEKTASH TEMPLE

Suspension of Temple Treasurer

The Treasurer of Bektash Temple having refused to sign checks on Temple funds with the Potentate also signing, as required by the Temple By-laws and as directed by a decision bearing date February 8, 1965, it was

Ordered: That he be suspended from the office of Treasurer, an Acting Treasurer be appointed and a new Treasurer be elected. (See Decision of February 8, 1965.)

April 23, 1965

MOSLEM TEMPLE

Potentates Please Note:

SUBMISSION OF CONSTRUCTION PLANS FOR APPROVAL

Potentates of Temples intending to engage in any building or construction program for the use of their members or any other collateral purposes, either through the fraternal organization or through a separately incorporated not-for-profit holding company, shall first submit to the Imperial Potentate any such plans and proposals for his examination and approval.

PROPER CHANNELS OF COMMUNICATION

Attention is called to Section 338.1 of the By-laws of the Imperial Council (Iowa Corporation) which requires that complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be addressed in the first instance to the Potentate of the Temple, and through him to the Imperial Potentate. All correspondence with respect to matters which are pending before or which might be referred to a committee, should be directed, as provided in Section 338.1, to the Imperial Potentate rather than to the committee or its Chairman. Only by maintaining orderly channels of communication can the work of the Shrine be conducted in an orderly and efficient manner.

BY-LAWS—IOWA CORPORATION

The new By-laws of the Imperial Council (Iowa Corporation) were adopted.

Attention is called to the amendments to these new By-laws of the Imperial Council (Iowa Corporation), that were adopted at the New York Session:

§ 204.2 Special Sessions. A special session of the Imperial Council may be called by the Imperial Potentate in an emergency; and he shall call a special session upon the written request of 150 Representatives, at least 85 of whom are members of different Temples.

§ 204.3 Quorum. 150 Representatives, at least 85 of whom are members of different Temples, shall constitute a quorum.

§ 205.1 Mileage. (a) Each Representative who attends a session of the Imperial Council shall be paid mileage at the rate of 25 cents per mile one way by the shortest available route from the location of his Temple to the place of the session.

(b) For the purpose of this section, the location of the Temple is at the address given in the then current Imperial Council directory or, where no street address is given, the central post office in the city named in the Temple's charter.

(c) If a representative lives outside the state in which his Temple is located and nearer the place of the session, he shall be paid mileage only from the place of his residence.

1965 IMPERIAL COUNCIL SESSION

The next Session of the Imperial Council will be held in Washington, D. C. the week of July 11, 1965. The Director General is Imperial Assistant Rabban Orville F. Rush, Suite 1034 Washington Bldg., Washington, D. C. 20005.

Chief Rabbans of Temples have full authority to make plans for attending this Session with the Units of their Temples, and this includes the authority for making contracts for rooms in Washington as well as making contracts for transportation facilities incident to this Pilgrimage, provided, however, that such plans have been approved by a vote of the membership of the Temple in accordance with the Temple's by-laws.

The Imperial Potentate desires to bring to the attention of all Temples Officers the following:

HOUSING—Imperial Council Session at Washington. In accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, and instructing all Potentates and Recorders to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee, and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any Temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith, the following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1965 Session in Washington.

Potentates, Recorders, and all other Nobles, are reminded that an Imperial Session must house (1) official Imperial Representatives, (2) Uniformed Units, (3) the General Nobility, and (4) the general public,—in that order of precedence. The official Representatives, are annually paid mileage and per diem to transact the business of the Imperial Session; the Uniformed Units are present, at the expense of their respective Temples, to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the Representatives there would be no business transacted to justify the Imperial Session; without the Uniformed Units there would be no parade. It is not intended by your Imperial Potentate that the Uniformed Units of sundry small Temples are to be quartered, contrary to their desires, in third rate, back street hotels, merely to afford facilities for large delegations of visiting Shriners and tourist agency customers who attempt to corner the hotel room facilities to the detriment of those who make the Imperial Session possible.

Hotel room assignments at Washington are to be obtained through the Housing Chairman. The Chairman of the Housing Committee at Washington is Ted M. Ralph, 1616 K Street, N.W., Washington, D. C. 20006. The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate or any Temple violating either the spirit or the letter of this order.

RESPONSIBILITY OF POTENTATES

The Potentate of each Temple is reminded of his individual official responsibility for the operation of his Temple in accordance with the By-Laws of the Imperial Council.

IMPERIAL POTENTATE VISITATIONS

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully co-operate with all Temples requesting visitations. I trust that the Temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of Masonry and the Shrine, and he will be glad to speak to audiences of not only Shriners and their families, but also Master Masons and their families.

It is suggested that if convenient time is available that a press conference of newspaper, radio and TV representatives be arranged for the Imperial Potentate during his official visitation.

Mrs. Brock will accompany Imperial Potentate Brock on his visitations unless notified otherwise. It is suggested that no breakfast or morning engagements be planned since the Imperial Potentate will need the morning for rest and personal correspondence work.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete résumé of your Temple program and what you desire the Imperial Potentate to do, be sent to him (copy to General Office) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have, that is, whether Shriners only, Shriners and their ladies, Shriners and Masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR SPECIAL MEETINGS, YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE IMPERIAL RECORDER'S OFFICE, AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED BE SENT TO THE IMPERIAL RECORDER.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each Temple of the Order is instructed to provide and display at all Shrine parades and Shrine functions the three National flags under which Shrine Temples chartered by the Imperial Council operate, i.e., United States, Canada and Mexico. These three National flags should take their proper place in all Shrine Temple Color Squads and should also be properly displayed at all Shrine meetings.

Information concerning the proper display of these national flags may be obtained from the Office of the Imperial Recorder.

A SPECIAL NOTE FOR COLOR SQUADS
IMPORTANT

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. THIS IS NOT PROPER. No National flag is to be dipped at a reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

USE OF NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN"

THE NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN" CAN NOT BE USED IN ANY PROMOTION WITHOUT THE PERMISSION OF PAST IMPERIAL POTENTATE HAROLD LLOYD, CHAIRMAN OF THE BOARD OF TRUSTEES, SHRINERS HOSPITALS FOR CRIPPLED CHILDREN.

You may address Imperial Sir Lloyd in care of the Office of the Imperial Recorder.

It is directed that the attached Summary of this General Orders No. 1 be read to the Nobility of each Temple at the first Session following its receipt, and record of the entire General Orders be made upon the minutes of the Session at which the Summary is read.

Given under our hands and the seal of the Imperial Council this 15th day of August, A.D. 1964, and of the Order A.H. 1384.

(An Iowa Corporation)

GENERAL ORDERS No. 2
SERIES OF 1964-1965

OFFICE OF THE IMPERIAL POTENTATE
ERIE, PENNSYLVANIA, NOVEMBER 27, 1964

To the Representatives of the Imperial Council, Potentates, Recorders of Subordinate Temples, and the Nobility of the Order:

"ES SELAMU ALEIKUM"

It appearing that the interests of the several Temples and the Nobility would be well served by the issuance and observance of the following, it is ORDERED:

I. MOTOR VEHICLES

1. The Potentate of each Temple shall, before the first day of February of 1965, send to the Imperial Recorder at his office in Chicago, Illinois, a report showing the number of motor vehicles owned by or for the benefit of his Temple or any Unit thereof, or any Shrine Club within its jurisdiction, and also all motor vehicles other than those of customary design and equipment which have been used or are intended to be used in connection with any activity of the Temple. Such report shall disclose the manner and extent of the differences between any such vehicles and those of customary design and equipment.

2. No Temple, nor any Unit of the Temple or Shrine Club in the jurisdiction of the Temple, shall acquire, use or sponsor the use of any motor vehicles, other than those of customary design and equipment, unless the written consent for such use has first been given by the Potentate of the Temple.

3. When motor vehicles of types, kinds and designs other than of customary design, or having thereon other than customary equipment, are being used by Shrine Temples, Units or Shrine Clubs in parades they shall maintain formation and be kept within the line of march and shall in no event be driven nearer than five feet of the curb or of onlookers observing the parade, provided, however, that this prohibition shall not apply to motorcycles driven by Nobles engaged in maintaining open streets or other police duty. The throwing or handing of candy, nuts, souvenirs or other articles from motor vehicles is prohibited.

4. No person except Nobles of the Mystic Shrine shall be permitted to ride in, or on any motor vehicle of other than customary type or design. No motor vehicle shall be driven into the lobby of any hotel or into any other building, or part of a building where motor vehicles are not customarily driven.

5. No motor vehicle of other than customary type or design shall be used or operated except with the permission or under the direction of the Potentate. Temple Potentates are admonished that the cruising of these unorthodox motor vehicles, particularly at night, is not generally in the best interest of the Shrine.

6. No motor vehicle of any type or kind shall be operated by or in connection with any activity of any Shrine Temple, Unit or Shrine Club unless it, and the owner and operator thereof are covered with full public liability and property damage insurance with public liability limits of not less than $25,000 for any injury and $50,000 for any accident, and property damage limit of not less than $5,000. Each Temple Potentate shall be required to see that such insurance is kept in force.

7. The term motor vehicle as used herein shall include, but not to the exclusion of, other types and kinds of such vehicles, all power-driven equipment such as scooters, break-aways, and all specially built and rebuilt vehicles; and so far as may be pertinent, to vehicles drawn by animals. This Order is issued as a safety measure and shall be applied as may best achieve that end. Temple Potentates are responsible for the compliance with this Order by his temple, its Units, and by the Shrine Clubs and Nobles within its jurisdiction. Violations will be followed by disciplinary action.

8. Each Temple Potentate shall require the head of every Shrine Club, Unit or other Shrine organization under the jurisdiction of his Temple to be informed of these provisions and shall be responsible for strict compliance with them.

II. LIABILITY INSURANCE

The Potentate of every Temple shall promptly investigate the insurance coverage maintained by his Temple and all Shrine Clubs under his jurisdiction, as well as by any holding corporations operating in conjunction with the Temple or said Shrine Clubs, and ascertain whether they have sufficient fire insurance and extended coverage, insurance against theft and public liability, surety bonds on persons handling funds of the Temple and its collateral activities, and any other types of insurance against risks on which the Temple or its units, clubs, or holding companies may be liable. In particular, the public liability policy should be broad enough to include injuries occurring at ceremonials, injuries to members, guests, licensees or trespassers on Temple property, and injuries occurring to the public as a consequence of street parades and the like.

After ascertaining the exact amounts of said insurance coverage, the Potentate shall take the necessary steps to obtain any additional coverage that may be needed for the complete protection of his Temple and its collateral activities. I am inclined to believe that generally speaking it is possible to obtain a blanket policy in the case of fire insurance that will cover all physical property of the Temple and of any related companies or clubs, and that the same is also true with respect to public liability as well as thefts.

III. ILLEGAL LOTTERIES

The practice of raising funds in Temples by means of programs which were held to be illegal lotteries has greatly diminished. Only occasionally is there any resort to such methods of financing Shrine projects. Temple Potentates are directed to avoid

and prevent all such illegal practices and to request a ruling whenever any doubt arises as to the legality of any proposed venture.

IV. PARTICIPATION IN SHRINE FUNCTIONS

Temple officers and nobility are again reminded that the Imperial law provides that only Nobles shall participate in Shrine Parades. Females and female impersonators are prohibited from appearing in public functions of the Order. The appearance in public of candidates or Nobles in costume or attire, or engaging in activities, which bring reproach upon the Order, is prohibited.

V. USE OF "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN"

The use of the name "Shriners Hospitals for Crippled Children," or reference to the Hospitals in connection with any fund-raising activity by a Temple or a Noble without the written consent of the Imperial Potentate and the Chairman of the Board of Trustees of the Hospitals, is prohibited. Requests for such consent, containing full and detailed information of the plan or project, should be forwarded to the Imperial Recorder for processing.

VI. SHRINE HOSPITAL GIFTS

Potentates and Recorders of Temples are directed to send prompt notice to the Imperial Recorder of all gifts or bequests of which they may obtain knowledge and which has been made to or for the benefit of the Temple, the Shriners Hospitals for Crippled Children, or any other Shrine organization, and shall give full information as to all such gifts or bequests. The Notice shall include any conditions or trust imposed.

The required notice and information is necessary in order that full records may be maintained, and that necessary assistance may be given and such action taken as may be desirable in furthering the objects and purposes of the donors and testators, including relief from tax liability if the circumstances warrant.

VII. TEMPLE BUDGETS AND ACCOUNTING

Potentates, Recorders and Treasurers of Temples are required to see that the books of record and account are so kept as to conform to the Uniform Chart of Accounts published as an appendix to the 1964 Revision of the By-Laws of the Imperial Council. Temple budgets must be adopted and followed as required by the Imperial Council By-laws.

Copies of complete Temple and affiliated organizations audit reports and the budget report must be sent to the Imperial Recorder's office.

VIII. CONSTRUCTION PROGRAMS

Temples which desire to engage in construction programs, either of new buildings or of additions or improvements to existing structures, are reminded of the necessity of obtaining advance approval of the Imperial Potentate. No commitments are to be made or obligations incurred until this approval has been obtained.

IX. PROTOCOL

Temple Potentates and Divan members should acquaint themselves with Shrine protocol practices and customs as are set forth in the Protocol section of the Imperial Council Directory, and see to the observance thereof on all occasions, particularly upon the visitation of the Imperial Potentate.

X. COMPLAINTS AND CORRESPONDENCE

In order that complaints and inquiries be efficiently handled in an orderly way, it is necessary to insist upon a compliance with Section 338.1 of the Imperial By-laws, which provides:

"(a) Complaints and correspondence to the Imperial Potentate from individual Nobles on Imperial Council or Temple matters must be addressed in the first instance to the Potentate of the Temple of which the complaining Noble is a member, and through him to the Imperial Potentate.

"(b) If the Potentate of the Temple refuses or neglects to forward a communication, the complainant may transmit it directly to the Imperial Potentate.

"(c) A Representative may communicate directly with the Imperial Potentate."

It is directed that this General Orders No. 2 be read to the Nobility of each Temple at the first Session following its receipt, and the entire Order be made a part of such Session.

Given under our hands and the seal of the Imperial Council this 27th day of November, A.D. 1964, and of the Order A.H. 1384.

ERIE, PENNSYLVANIA, MAY 15, 1965

To the Representatives of the Imperial Council, Potentates, Recorders of Subordinate Temples, and the Nobility of the Order:

"ES SELAMU ALEIKUM"

It has come to the attention of the Imperial Potentate that a few Shrine Temples have engaged in promoting athletic contests for purposes other than for the benefit of Shriners Hospitals for Crippled Children which have not reflected credit upon the Order; and

It has been brought to the attention of the Imperial Potentate that illegal lotteries have been sponsored by Shrine Temples contrary to our Imperial law;

Therefore, it is ORDERED:

1. That the sponsoring or promoting by any Shrine Temple, Association, Club, Unit or other Shrine organization, of any athletic contest or event from which any

part of the receipts are to be used for any purpose except for the benefit of Shriners Hospitals for Crippled Children, without the written approval of the Imperial Potentate, are hereby prohibited.

2. Every Temple Potentate is reminded that he will be held strictly accountable in the event of the promotion of illegal lotteries or other engagement or enterprise prohibited by the law of the land by or on behalf of his Temple or any unit or club thereof.

It is directed that this General Orders No. 3 be read to the Nobility of each Temple at the first Session following its receipt, and the entire Order be made a part of such Session.

Given under our hands and the seal of the Imperial Council this 15th day of May, A.D. 1965, and of the Order A.H. 1385.

Resolution submitted by a Representative of Tadmor Temple:

BE IT RESOLVED by the Imperial Council, A.A.O.N.M.S., in its annual Session of 1965, at the City of Washington, that Shrine Protocol Provisions relating to Protocol for Shrine Associations be amended by adding thereto an additional paragraph as follows:

The President of any Shrine Association may, if consistent with its constitution and by laws, direct that in the order of the formation of any parade of such Association the Uniformed Units of all Temples, except the Host Temple, will form in inverse order of charter date—latest date first, instead of in order of charter date as prescribed for Imperial Session Parades.

POTENTATES, PLEASE NOTE

The following instructions are to be given to your Temple Marshal, Parade Marshal and Unit Heads:

The Day Parade will start promptly at 8:30 A.M., on Tuesday, July 13. The route of march, starting at 4th Street and Pennsylvania Avenue., N.W., West on Pennsylvania Avenue to 15th Street, N.W., North on 15th Street to New York Avenue and West on Pennsylvania Avenue to 18th Street, N.W. At this point, the Parade will disband in the area using Pennsylvania Avenue and all side streets from the North curb of Pennsylvania Avenue to 22nd Street, N.W., the North curb of E Street, N.W., to the West curb of 17th Street, N.W. The Reviewing Stand will be in Lafayette Park, across from the White House.

The Night Parade will start promptly at 7:30 P.M., on Thursday, July 15. The route and dispersal area will be the same as the Day Parade.

Potentates will instruct commanders of their Uniformed Units that all movements in both Parades must be forward movements. This regulation will be enforced.

Please note that Pennsylvania Avenue from 4th Street to 15th Street is 107½ feet wide, on 15th Street from Pennsylvania Avenue to New York Avenue 70 feet wide, and Pennsylvania Avenue from 15th Street to 22nd Street 80 feet wide.

OFFICIAL PARADE ORDER

Much time and thought goes into the preparation of Official Parade Orders for Imperial Council Parades at Imperial Sessions, and in order to insure the very best for all concerned these orders must be strictly observed.

No Temple Officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parades unless they are approved by Director General Orville F. Rush, whose office is located at 1034 Washington Building, Washington, D. C. 20005. The attention of all Potentates and heads of Uniformed Units is again specifically directed to the previous General Orders, with reference to explicit parade regulations quoted below:

SPECIAL MESSAGE RELATING TO SHRINE PARADES

I. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamour of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Especially in recent years, there have been very reasonable grounds for dissatisfied criticism by a growing number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but which retard the forward movement of the parade as a whole.

As a result, many of our newer and small Temples, located far back in the line of march, have unquestionably taken punishment. (1) The forward movement of the parading column has been repeatedly halted, (2) There have been exasperating delays, (3) Units have been required to stand in line,—not for minutes, but for hours—as a result of the cumulative loss of time due to repeated feature specialties and street maneuvers by units "marching" nearer the head of the line, (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

Suggestions have been made in vain for a correction of the above difficulties. Some have urged rotation in the order of precedence by Temples in future parades; others have demanded abolition of retarding street movements; others have suggested that performing units shall "march" at the end of the column.

Most recently, direct orders forbidding any but "forward marching movements," although complied with by many Temples, have been repeatedly disregarded by others. Dignified efforts by Imperial Marshals to enforce the orders have been brusquely ignored.

The order now issued by your Imperial Potentate, relating to parades in Washington, D. C., may prove unpopular or it may approach a reasonable solution; you have his assurance that the decision has been reached only after long and earnest consideration of the problem.

The parades in Washington, D. C., will be parades throughout, and in no part a pageant. Only so-called "forward marching movements" will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. Units not desiring to comply with this parade regulation are not to form in line for the parades. The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

II. Motor Vehicles: There has been growing criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable; not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, add unnecessary

confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In Washington, D. C., the short distance and nature of the proposed route of the parades and the congestion of traffic will demand the elimination of other than ONE CAR for the officers of each Temple with Uniformed Units in the parades. Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than ONE CAR in the parades—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

III. Marching cadence will be 110 steps to the minute.

IV. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

V. The Reviewing Stand will be in Lafayette Park, across from the White House, for the Day Parade and for the Night Parade. At the Reviewing Stand, Temple Divans will give hand salute, or eyes right, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

VI. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for eyes right or salute.

VII. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directives of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

VIII. Attention of all Potentates, with reference to all Shrine parades, is also called to the requirement that no one shall be permitted to participate but members of the Order, uniformed bodies, and male servants accompanying the Temples. No females or female impersonators shall be permitted to participate in parades. Read Paragraphs 335.11, 335.13 and 336.2 of the Imperial By-Laws (Iowa). A Potentate is personally responsible and accountable for knowingly permitting any violation of this regulation. Unless and until Shrine custom is changed to the contrary, no children, no woman or girl, has any place in a Shrine parade. Proper Shrine policing at successive points of any Shrine parade route should certainly guarantee against any violation of the above rule at an official reviewing stand.

If your Uniformed Units attend the Imperial Council Session in Washington, D. C., it will be necessary for you to supply two members of your Temple (preferably law enforcement officer members of your Temple) to act as Provost Guard during the Imperial Council Session. Provost Marshal is Noble Richard J. Felber, Almas Temple. Provost Headquarters during the Convention will be in the Crystal Room of the new Washington-Hilton Hotel, Washington, D. C. Each Potentate will kindly advise Noble Felber the names of the two Nobles who will serve on the Provost Guard, and the names must be submitted in duplicate. The members of the Provost Guard are to be instructed that they will meet with Noble Felber for instructions, etc., on Monday, July 12, at 9:00 A.M., at his headquarters in the new Washington-Hilton Hotel. Correspondence with Noble Felber prior to July should be addressed to 1034 Washington Building, Washington, D. C. 20005.

IMPORTANT

FOR THE PURPOSE OF AVOIDING POSSIBLE CRITICISM AT THE WASHINGTON 1965 IMPERIAL COUNCIL SESSION, NO NUBIAN SLAVE

COSTUMES OR BLACK-FACED CLOWNS, OR ANY SIMILAR COSTUME OR MAKE-UP, WILL BE PERMITTED IN PARADES, ON THE STREETS, OR IN HOTELS OR OTHER PUBLIC PLACES IN WASHINGTON, D. C.

ROLL CALL

The Imperial Potentate advises that there will be a roll call of Representatives at any time during the sessions of the Imperial Council. Please take due notice and maintain constant attendance at all business sessions of the Imperial Council.

GENERAL OBSERVATIONS

It is suggested that it would simplify the details of registration if the Representatives of the various temples will arrange to register at the same time, if this can be done conveniently.

Attention is called to the fact that each Representative in coming to the Imperial Council Session should not overlook his CREDENTIALS, his CURRENT CARD and his HOTEL ASSIGNMENT CONFIRMATION. If he contemplates using his Directory at the meeting, he should not neglect to bring his individual copy with him.

Official notice has been received that the following Illustrious Nobles, listed alphabetically by Temple name, will be candidates for Imperial Outer Guard:

Harry Martens, Jr., Almas Temple
Henry B. Struby, Hadi Temple
Jacob A. Wingerter, Salaam Temple

DEPUTY IMPERIAL POTENTATE COLLINS: I call for the report of Transactions of Imperial Officers, Imperial Sir Len Steuart.

NOBLE LEONARD P. STEUART: (Reading)

To the Members of the Imperial Council, A.A.O.N.M.S.

Your Committee on Transactions of Imperial Officers, to whom the report of the Imperial Potentate, O. Carlyle Brock, was referred, submits the following recommendations:

1. That all matters relating to finance, revenue, expenditures and bonds be referred to the Committee on Finance and Accounts.

2. That all matters relative to edicts, orders, decisions and recommendations as to Statutes and Laws be referred to the Committee on Jurisprudence and Laws.

3. That all matters pertaining to grievances and appeals be referred to the Committee on Grievances and Appeals.

4. That all matters pertaining to dispensations and charters be referred to the Committee on Dispensation and Charters.

5. That all matters pertaining to jurisdictional lines be referred to the Committee on Jurisdictional Lines.

The Committee takes this means of expressing thanks to Imperial Potentate O. Carlyle Brock and his distinguished lady, Emily, for devoting so much of their time since last July to meetings and travel in visitations to Shrine Temples. Imperial Sir Carlyle has distinguished himself as an orator and speaker with a great message of Masonry and the Shrine and Shriners Hospitals for Crippled Children.

He has never refused a call upon his time this year and has given completely of himself and his talents in the best interests of the Order, even at personal sacrifice at times. He has visited meetings of all Masonic Degrees and Orders this year.

The Committee joins with Shriners everywhere in sincere words of appreciation and compliment to Imperial Potentate Brock for a tremendous job so very well done these past twelve months. All those they have met in the many places they have visited are warm in their praises of the efforts put forth. Certainly the history of the Imperial Council will record this one of the busiest administrations with a marked degree of success in accomplishments attained.

Respectfully submitted,

I move the adoption. (Motion seconded)

DEPUTY IMPERIAL POTENTATE COLLINS: You have heard the motion and it has been seconded. Any discussion? Ready for the question?

VOICES: Question! Question!

DEPUTY IMPERIAL POTENTATE COLLINS: All those in favor of the motion signify by saying, "Aye." Those opposed the same sign. The motion carries.

(Imperial Potentate Brock now presiding.)

IMPERIAL POTENTATE BROCK: I will now recognize Imperial Recorder George Saunders.

NOBLE GEORGE M. SAUNDERS: Absentees from this Session. Ad Vitam, Past Imperial Potentate Harvey Beffa, Moolah Temple. Harvey was here for the Board meetings and he asked me to extend his greetings to this Imperial Council and to advise you that because of urgent business matters he is not able to be with you.

Absentees in the Emeritus list of members include Guy W. Van Horn of Beni Kedem, Malcolm M. Thompson of El Kahir, William B. Falconer of Kismet, William Cresswell of Kismet, Carl H. Pierson of Mizpah, George F. Sengel of Kosair, Walter G. Seeger of Osman, Tom S. Rishworth of Osman, J. Milton Ryall of Syria, Alva M. Smith of Tangier.

Imperial Sir, I move that a suitable telegram of greetings from this Imperial Council be sent to each of these absentees as well as to the widows of deceased Past Imperial Potentates.

IMPERIAL POTENTATE BROCK: You have heard the motion. Do I have a second? (Motion seconded) All in favor signify by the usual sign. Contrary the same sign. So ordered unanimously.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives. Len, could I give your Imperial Treasurer's report?

NOBLE LEONARD P. STEUART: Yes.

NOBLE GEORGE M. SAUNDERS: The report of the Imperial Treasurer as well as the report of the Imperial Recorder and the report of the Imperial Auditor have all been

published in the book of reports mailed to each of the Representatives of this Imperial Council and I would move that those reports be adopted as they are published. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. All in favor signify by the usual sign. Contrary the same sign. The vote is unanimous.

Will Les Swan, Chairman of Jurisdictional Lines, give his report. I am endeavoring to resolve as many details as convenient this afternoon in order to avoid the long, hard days which lie ahead. The grand opening yesterday saved considerable time as you are now well aware. I would rather have you moving less hurriedly than to experience a hectic schedule. I think we are going to work in a happy, orderly manner transacting the business at hand in a manner that will be pleasing to all of you. (Applause)

NOBLE GEORGE M. SAUNDERS: He suggests Dispensations and Charters first.

IMPERIAL POTENTATE BROCK: Very well. Will the Chairman of Dispensations and Charters come forward please. I can now see the reason for the Chairman of Jurisdictional Lines not wanting to report first. It is like putting the cart before the horse. I told you fellows to be ready because I might pull something unexpectedly.

NOBLE VIRGIL F. FRIZZELL: (Reading)

To the Officers and Representatives of the Imperial Council Meeting in the Ninety-First Annual Session in the City of Washington, D. C.:

Your Committee on Dispensations and Charters met in the Jackson Room in the Washington Hilton Hotel pursuant to the official Call of the Imperial Potentate, for the purpose of receiving, hearing and acting on a petition of (1225) twelve hundred twenty-five Nobles of the Tucson Shrine Club, Tucson, Arizona, praying that dispensation be granted for the forming of a new Shrine Temple in Tucson, Arizona, to be known as SABBAR. The petition was reported to your Committee as being in good order by the Imperial Recorder, the signers thereof being members in good standing in El Zaribah Temple, Phoenix, Arizona, and Nobles of numerous other Temples across the land.

In accordance with and pursuant to the By-Laws of the Imperial Council, the Committee on Jurisdictional Lines was also present with their Liaison Officer, Imperial Sir Thomas F. Seay. The meeting was called to order by the Chairman of the Dispensations and Charters Committee, Noble Kenneth T. Paxton, there being present a majority of both committees.

Presenting the case for the petitioners was Noble Norris Orms of El Zaribah Temple, and representing the Divan of El Zaribah Temple (the Mother Temple) was Potentate Jesse W. Angle. The hearing and discussion were most friendly and in an atmosphere of cordiality seldom seen by the members of this committee.

The proposal had been most carefully worked out as to jurisdictional lines and has the blessings of the Most Worshipful Grand Master of the Grand Lodge of Arizona, the Sovereign Grand Inspector General, Scottish Rite, the Grand Commander of Knights Templar, and the Potentate and Divan of El Zaribah Temple.

After a full and free discussion, the Committee on Jurisdictional Lines, as well as all others retired and your committee in executive session took the petition under consideration.

Careful scrutiny of the Imperial By-Laws relating to the granting of a dispensation revealed the fact that the application for dispensation was not published in the official Call of the Imperial Council and therefore not in corformity with Section 329.2 (g) which states "... and notice of the application must be published in the official call for the Imperial Council session...."

In discussing the matter, your Committee advised with the Honorable Warren L. Jones, Chairman of the Jurisprudence and Laws Committee and our committee concluded that this inadvertent omission should not stand as a penalty against the petitioners, they not having knowledge of or being responsible for it.

Therefore, we, your Committee, by unanimous vote favor the adoption of the prayer of the petitioners and place before this Ninety-first Imperial Council Session, the following:

RESOLVED that in the absence of publication of the application for dispensation by Nobles of Tucson, Arizona, this requirement be waived and that this body give unanimous consent to the consideration of the petition;

That said dispensation for a new Temple in Tucson be granted, with jurisdiction as agreed upon and placed before the Committee on Jurisdictional Lines; and that such new Temple be known as SABBAR TEMPLE, and

That the thanks of this Imperial Council be extended to all present from El Zaribah Temple for their splendid cooperation, conduct and enthusiastic support for this new Temple, thus extending Shrinedom to the far corners of the great State of Arizona.

Therefore your Committee, by its unanimous vote, respectfully requests that you grant the prayer of the petitioners by the adoption of this report.

Respectfully submitted,

We move the adoption of this report. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. All in favor signify by the usual sign. Contrary the same sign. It is so ordered unanimously. (Applause)

Will the Chairman of the Committee on Jurisdictional Lines make his report.

NOBLE LESLIE H. SWAN: Imperial Potentate and Representatives. The Representatives of Alhambra Temple and Al Menah Temple are approaching an agreement. Before we present this report I would ask for further time. We think we might arrive at a fair and harmonious agreement between those two Temples and that is much better than to consider at this moment the report which is already prepared by your Committee.

IMPERIAL POTENTATE BROCK: Permission granted.

NOBLE LOUIS CHACKES: Imperial Sir, may I suggest that you want the Jurisdictional Lines Committee to report on the jurisdictional lines in Arizona.

NOBLE LESLIE H. SWAN: Oh, I beg your pardon. This is the report of your Committee on Jurisdictional Lines. (Reading) TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.

To your Committee on Jurisdictional Lines has been referred the request for the establishment of jurisdictional lines for the new Temple which is to be called SABBAR, U.D., located at Tucson, in the State of Arizona.

Your Committee on Jurisdictional Lines has met jointly with the Committee on Dispensations and Charters, as required by Section 329.3 (b) of the By-Laws, and has very carefully considered the proposed division of territory as recommended by El Zaribah Temple and Sabbar Temple, U.D. It is as follows:

ARTICLE 47

Temples in Arizona

§ 447.1 EL ZARIBAH TEMPLE

Has exclusive jurisdiction in the Counties of Apache, Coconine, Gila, Maricopa, Mohave, Navajo, Yavapai, Yuma, and that portion of Pinal County lying north of a line five miles south and/or east of the present alignment of State Highways Nos. 84, 287, and 87 and of U.S. Highways Nos. 80-89 and 60-70.

§ 447.2 SABBAR TEMPLE, U.D.

Has exclusive jurisdiction in the Counties of Cochise, Graham, Greenlee, Pima, Santa Cruz, and that portion of Pinal County lying south of a line five miles south and/or east of the present alignment of State Highways Nos. 84, 287 and 87, and of U.S. Highways Nos. 80-89 and 60-70.

It is the opinion of your Committee on Jurisdictional Lines that the division of territory as above set forth is fair and just and equitable, and we therefore recommend its approval.

We further recommend that this report be referred to the Committee on Jurisprudence and Laws that Article 47 of our By-Laws may be properly amended.

IMPERIAL POTENTATE BROCK: You have heard the motion. Do I have a second? (Motion seconded) Any question? All in favor signify by the usual sign. Contrary the same sign. It is unanimous as have been all the other motions which I have put up until now. They have all been unanimous.

NOBLE GEORGE M. SAUNDERS: The Chairman of the Jurisprudence and Laws Committee is ready on decisions on Temple By-laws.

IMPERIAL POTENTATE BROCK: The Chairman of Jurisprudence and Laws has a report. In the meantime I will ask if Islam Temple is ready on Time and Place. Also are the other Imperial Officers ready to report on Time and Place following the Chairman of Jurisprudence and Laws. Is Fred Turner, Vice-Chairman of the Committee on Transportation ready? If so will he kindly come forward?

There have been referred to your Committee on Jurisprudence and Laws the rulings and decisions of the Imperial Potentate as reported to this session of the Imperial Council in his report which has been printed and distributed to the Representatives.

I move the adoption of the report and of the rulings and decisions reported.

IMPERIAL POTENTATE BROCK: Do I have a second? (Motion seconded.) Any question on those? All in favor signify by the usual sign. Contrary the same sign. It is unanimously carried.

Noble Fred Turner with the report of the Transportation Committee.

NOBLE FRED B. TURNER: Imperial Sir and Representatives. Carl Pierson, Chairman of the Imperial Council Transportation Committee, is absent for the first time in over twenty-five years. As Vice-Chairman I will give the report.

All of the duties incumbent on the Transportation Committee have been fulfilled. The report is complete. We have done everything that we have been asked to do and I understand a letter from the grapevine might say that one of the procedures we established last year was of considerable help to our Imperial Potentate last year in the passport problem going down south of the border.

I move that the report be accepted.

IMPERIAL POTENTATE BROCK: Very helpful, Fred.

You have heard the motion. (Motion seconded) It is seconded. All in favor signify by the usual sign. Contrary the same sign. It is unanimously carried.

Is Paul Manning, Potentate of Islam Temple here? Would you like to come forward and extend an invitation with your fellow Nobles? It has come to me by the grapevine that they may want the Imperial Convention in San Francisco. (Laughter)

NOBLE PAUL R. MANNING: Imperial Sir, Imperial Sirs. It is a great privilege to appear before you fellow Representatives and to tell you, much to your surprise, that we in San Francisco look forward to entertaining you in our great city next year. We are here in the far East today. We hope you will join with us in the far West next year. It has been exactly twenty years from next year that we had the great privilege of having you with us and we certainly look forward ourselves, our Divan and our membership, to entertaining you in our city next year. Thank you. (Applause)

IMPERIAL POTENTATE BROCK: Imperial Sir George Saunders, I believe this has been passed by the Imperial Council before, has it not?

NOBLE GEORGE M. SAUNDERS: Yes.

IMPERIAL POTENTATE BROCK: So the place has been selected. This is simply a progress report and a formality which I am happy to get out of the way.

It is my pleasure to now call on Imperial Chief Rabban Charlie Merrill. Somebody informs me they are going to call for the convention in Detroit the year after. This is simply a progress report as well.

NOBLE CHARLES E. MERRILL: Imperial Sir, Imperial Sirs and my good Representatives. This Imperial body has already voted to accept the invitation extended by Moslem Temple to hold the 1967 Session in Detroit, Michigan. Now I am happy to give a progress report at this time and to tell you that Fred R. Morrison, the present Assistant Rabban of Moslem Temple, has been named your Director General, the corporation has been organized, committees are being appointed and plans are well in the making. We believe housing arrangements are well in hand and I am sure and we surely hope that everything will be to your satisfaction and also that you will be happy you decided to come to Detroit, Michigan, in 1967.

Imperial Sir, I move the adoption of this report.

IMPERIAL POTENTATE BROCK: Imperial Sir, I believe the site has already been selected. This is simply a progress report and we will include it in the record, Imperial Sir.

I wonder if Illustrious Sir Earl Sachse has a report to give on Grievances and Appeals, Chairman of Grievances and Appeals.

I appreciate your attentiveness. You are working very well today.

NOBLE EARL SACHSE: Imperial Sir, Imperial Sirs, Fellow Representatives. (Reading) TO THE REPRESENTATIVES OF THE 91ST IMPERIAL COUNCIL SESSION, A.A.O.N.M.S.:

Pursuant to the By-laws of the Iowa Corporation, the Imperial Potentate suspended from membership Duran N. Sleyster, a member of Ararat Temple, for conduct unbecoming a Noble of the Mystic Shrine. The conduct of this member was such that it disrupted the orderly pursuit of the business of the Temple. Notwithstanding attempts by Temple members to persuade this Noble to mend his ways, he persisted in his course of conduct.

Although your committee is of the opinion that disciplinary matters of this nature should be disposed of at the Temple level, in this case the situation had deteriorated to the extent that prompt action was necessary. Accordingly, under the circumstances, your committee concludes that the Imperial Potentate took appropriate action.

No appeal has been filed by the suspended Noble. The suspension will expire at the conclusion of this Imperial Council Session.

We recommend that this action be approved by this Imperial Council.

IMPERIAL POTENTATE BROCK: Do I have a second? (Motion seconded) You have heard the motion. All in favor signify by the usual sign. Contrary the same sign. It is unanimously carried.

NOBLE EARL SACHSE: Imperial Sir, Imperial Sirs, another matter referred to your Committee. I might say in fulfilling the obligations of the Committee may I direct your attention to two Sections of the Iowa Corporation By-laws. The Committee, by the way, held several formal meetings in connection with its work since last Friday and considered these matters referred to it. (Reading)

TO THE REPRESENTATIVES OF THE 91ST IMPERIAL COUNCIL SESSION, A.A.O.N.M.S.:

Your Grievances and Appeals Committee has held several formal meetings at which it considered the matters referred to it.

§ 206.5 (a) (11) of the By-laws of the Iowa Corporation requires that whenever the Imperial Potentate suspends a Noble and recommends extension of the suspension or expulsion, the recommendation must be submitted to the Grievances and Appeals Committee for its consideration and report thereon to the Session.

§ 208.6 (e) requires the Grievances and Appeals Committee to consider and report to the Imperial Council on all matters of controversy, grievance and appeal presented to the Council and the actions and recommendations of the Imperial Potentate regarding suspensions and explusions of Nobles.

Pursuant to these By-laws, the Committee considered the matter of the suspension of the Treasurer of Bektash Temple from office. No appeal was filed by the disciplined Noble.

After examination of the materials pertinent to this case, the Committee concludes that the Imperial Potentate was justified in removing the Treasurer from office.

We recommend that this action be approved by this Imperial Council.

IMPERIAL POTENTATE BROCK: You have heard the motion. Do I have a second? (Motion seconded) Question?

VOICES: Question! Question!

IMPERIAL POTENTATE BROCK: All in favor signify by the usual sign. Contrary the same sign. It is unanimously carried.

NOBLE EARL SACHSE: Imperial Sir, we have one other matter under consideration but the report has not been typed. While I am here if I may give this other report I will do so. (Reading)

TO THE IMPERIAL POTENTATE AND THE REPRESENTATIVES OF THE IMPERIAL COUNCIL:

At the 90th Annual Session of the Imperial Council held in New York City, July, 1964, the Representatives adopted unanimously the following resolution:

WHEREAS, the Imperial Council has adopted a complete revision of the By-laws of the Iowa and Colorado Corporations; and

WHEREAS, the utility of these By-laws will be greatly enhanced by a complete and accurate index; and

WHEREAS, minor errors in spelling, punctuation, word forms and numbering may be revealed before final printing;

NOW, THEREFORE, be it Resolved that the Revision Committee, with the advice and counsel of the Chairman of the Jurisprudence and Laws Committee, be directed to prepare a complete index and to exercise the usual responsibilities of a revisor of statutes in correcting spelling, punctuation, word forms, numbering, cross references and arrangement.

Pursuant to the directives of that resolution, the Code Revision Committee, which had reported at the 1964 Session, met and carried out the instructions of the Representatives. The Committee first prepared a complete index to the revised By-laws of both the Iowa and Colorado Corporations. The Committee also made corrections in spelling, punctuation and word forms. Finally, the Committee made substantial improvements in the numbering and arrangement of several long sections of the By-laws. These sections were divided into shorter sections, subsections and paragraphs in the interest of clarity and to improve the usefulness of the By-laws.

In accordance with the resolution, your Committee performed its assignment with the advice and counsel of the Chairman of the Jurisprudence and Laws Committee.

At the invitation of the 1964-65 Committee on Code Amendments, the Chairman of your Committee met with that group so that appropriate liaison could be maintained.

Respectfully submitted,

Earl Sachse, Chairman
Herbert T. White
William H. Knowlton

I move that the report be received and filed. (Motion seconded.)

IMPERIAL POTENTATE BROCK: You have heard the report and the motion. Question.

VOICES: Question! Question!

IMPERIAL POTENTATE BROCK: All in favor signify by the usual sign. Contrary the same sign. So ordered unanimously.

NOBLE CHARLES E. MERRILL: With the permission of the Imperial Potentate, our very efficient Imperial Recorder George Saunders, who hears everything and knows everything and I am not trying to be funny, heard the request from the floor that you would like the dates of the convention of the 93rd Imperial Council Session in Detroit. Those dates are the week of July 17, 1967. Thank you very much.

IMPERIAL POTENTATE BROCK: Does the Chairman of the Tellers, Clyde Oliver, have a report to make?

BAHIA REPRESENTATIVE: What about the California dates?

IMPERIAL POTENTATE BROCK: Illustrious Sir Paul Manning, do you have the California dates?

NOBLE GEORGE M. SAUNDERS: On the California dates next year the 4th of July falls on Monday and the Session is that week. The City officials of San Francisco have requested that the day parade be held on the holiday which is Monday the 4th of July. It is the plan for the next year's Session to hold the day parade on Monday and then carry on on Tuesday right on through with the business of the Corporation.

BAHIA REPRESENTATIVE: What would be the official dates?

NOBLE SAUNDERS: It would probably be Monday, Tuesday, Wednesday, Thursday, four day Session.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives. Tomorrow, as you know, is election day. The Imperial Potentate has approved the same type of balloting that we had last year and that is the ballots will be issued to you in book form and they will be used throughout the entire session of this particular Session of the Imperial Council meeting. They will be used as designated and delegated by the Imperial Potentate if necessary. We ask you to be particularly careful and mindful that you have them with you at all times. I believe last year in New York it was found that in several instances the Representatives had neglected to bring their ballot book with them. We urge you to be particularly careful in this regard and be sure your ballot books are with you at all times so they may be used on notice.

This year, Nobles, the stations where the ballot books will be distributed tomorrow morning will be on the terrace level, which is the level immediately above this concourse level, across the building and one flight up. It is going to be a little confusing but we do ask immediately upon your arrival at this meeting room go immediately to the table and receive your ballots so that these may be used for the rest of the morning.

It will be necessary that you have your Representative's badge in evidence and if by chance that might have been lost your Representative's card, which was sent to you by the Imperial Recorder shortly after the first of January, will be sufficient.

I believe that is all, Representatives, that I can be helpful with. The ballots will be distributed at the terrace level immediately above this level. Incidentally, the ballots will be taken as you are seated in your chairs. There will be no ballot boxes in the rear of the room. They will be passed down through the rows so you may vote in the area you are seated in. There will be no ballot boxes. You must vote from your chair.

May I ask that the members of the Election, Judges and Tellers Committee meet with me at this section here immediately after the close of the Session.

ALGERIA REPRESENTATIVE: May I ask when the ballots will be ready tomorrow morning?

NOBLE W. CLYDE OLIVER: Eight o'clock.

IMPERIAL POTENTATE BROCK: The gavel will go down promptly at nine o'clock. With permission of all concerned, I shall conduct the election slightly differently. Instead of electing the Imperial Potentate only and waiting until the pageant is over I propose to elect all the Officers of the Imperial Council and then we will take the first ballot for the office of Imperial Outer Guard. We can then count the ballots while the pageant is going on. (Applause) I do that because I know it is an unhappy situation for the Imperial Potentate-elect to feel that somebody is standing over him pressing him for time. I want to give him all the time for this pageant which he needs. After the pageant we will have lunch and return directly here. We should save considerable time.

Does Les Swan have anything further from his Committee to report at this time now? Les Swan. Has Past Potentate Les Swan returned yet? I was hoping I might get that in under the wire tonight.

ALGERIA REPRESENTATIVE: Imperial Sir, are the women allowed in to the pageant?

IMPERIAL POTENTATE BROCK: Oh, yes. Your ladies and your friends, we want you all here.

I do want to thank you very sincerely for your alertness and attentiveness this afternoon. You have been a wonderful group to work with. There has been no confusion. It has been a real pleasure and we want to see you all here at nine o'clock in the morning. We will get through this election very quickly. Don't go away fellow Representatives, until I have this report. Just be a little patient. Just a minute, Nobles, it is only four-fifteen.

NOBLE WARREN L. JONES: Imperial Sir, Imperial Sirs, Imperial Representatives. (Reading)

TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.

The Report of the Committee on Jurisdictional Lines, recommending a division of territory in the State of Arizona between El Zaribah Temple and Sabbar Temple, U.D., has been referred to your Committee on Jurisprudence and Laws.

To give effect to the proposed division of territory, the Committee on Jurisprudence and Laws, as authorized by Section 101.5 (a) of the Imperial By-Laws, proposes that Section 447 of the Imperial By-Laws be amended so that the same shall read as follows:

ARTICLE 47

Temples in Arizona

§ 447.1 EL ZARIBAH TEMPLE

Has exclusive jurisdiction in the Counties of Apache, Coconine, Gila, Maricopa, Mohave, Navajo, Yavapai, Yuma, and that portion of Pinal County lying north of a line five miles south and/or east of the present alignment of State Highways Nos. 84, 287, 87 and of U.S. Highways Nos. 80-89 and 60-70.

§ 447.2 SABBAR TEMPLE, U.D.

Has exclusive jurisdiction in the Counties of Cochise, Graham, Greenlee, Pima, Santa Cruz, and that portion of Pinal County lying south of a line five miles south and/or east of the present alignment of State Highways Nos. 84, 287 and 87, and of U.S. Highways Nos. 80-89 and 60-70.

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

This is not before you in the Call and, therefore, the Committee on Jurisprudence and Laws submits these amendments as it is permitted by the Imperial By-laws.

Imperial Sir, I move the adoption of the report of the Committee on Jurisprudence and Laws and the adoption of the proposed amendment to the Imperial By-laws. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. Question on the motion.

VOICES: Question! Question!

IMPERIAL POTENTATE BROCK: All in favor signify by the usual sign. Contrary the same sign. It is unanimously carried.

Now, Nobles, the reason for the insistence of your name and address on these banquet tickets has been due to the fact that we must have a tight security at this banquet tomorrow evening. I have been assured that the President of the United States will be with us and address this assemblage. (Applause) I would rather that you didn't publicize that. (Laughter) You fellows took the wrong meaning on that. (Laughter) You have been listening to my speeches. (Laughter)

We must always remember that even a conservative Republican respects the office of the President of the United States and its meaningfulness to have him at our Imperial Banquet and to criticize him when we believe him to be wrong but to stand with him when he is right. (Applause)

So the reason I asked you not to publicize the President's appearance is because I would rather it not get around because the stand he is taking on foreign affairs places his life in greater jeopardy than perhaps the life of any President in our history. The Masonic Fraternity and the Shrine in particular must stand with him on his courageous stand in the Dominican Republic, in South Viet Nam, and these have been long overdue. His fair weather friends, the Communists and fellow travelers, have forsaken him and it is now time that loyal patriotic people, people who have faith in America and the western world, let him know and reassure him that we approve the stand on foreign policy he is taking.

Is the Imperial Chaplain here? Will he please come forward? On the Tuesday afternoon opening I substituted for the Imperial Chaplain. I might have been cited for the illegal practice of theology were the clergy bound together by a professional group

as strong as the American Medical Association. As a veterinarian I might more nearly qualify than in the theological calling, though I considered at one time becoming an evangelist. One of my veterinary professors used to tell us that it required a smarter man to become a veterinarian than a medical doctor because his patients couldn't talk yet most medical men wish their patients couldn't talk either. (Laughter)

Our Imperial Chaplain, Rt. Rev. Joseph M. Harte, D.D.

RT. REV. AND NOBLE JOSEPH M. HARTE: Let us pray. Thanks be to God for the formation of the new Temple of the Shrine in Tucson. Bless this Imperial Conclave to God's everlasting Glory. Amen.

(The Ninety-First Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 4:15 P.M. to reconvene at 9:00 A.M., Wednesday, July 14, 1965, in the International Ballroom of the Washington Hilton Hotel, Washington, D. C.)

MORNING SESSION
WEDNESDAY, JULY 14, 1965
NINE O'CLOCK A. M.

IMPERIAL POTENTATE BROCK: Nobles, will you find your seats quickly. It is nine o'clock. I would like those who propose to nominate the Imperial Officers to come forward and be ready to nominate your candidate when you are called upon to do so. Kindly come to the podium, all of you.

Representatives and Nobles, will you kindly find your seats right away I am about to open this meeting. Will you be seated and will those nominating the Imperial Officers kindly come to the stage.

Nobles, will you all stand and uncover and give attention to your Imperial Chaplain, the Rt. Rev. Joseph Harte.

RT. REV. AND NOBLE JOSEPH M. HARTE: Let us pray. Almighty God, save us from error, ignorance, pride and prejudice and every evil way and make this occasion ever to the Glory of Almighty God. Amen.

IMPERIAL POTENTATE BROCK: Will you join with me, while still standing, in the Pledge of Allegiance.

(The Assembly joined in the Shriner's Pledge of Allegiance.)

IMPERIAL POTENTATE BROCK: I now declare this Session open for the election of your Imperial Officers. I recognize Illustrious Sir Emilio D'Acosta from Anezeh Temple, Mexico City.

NOBLE EMILIO D'ACOSTA: Imperial Sir, Imperial Sirs, Imperial Representatives. For the last ten years you have accorded me the courtesy and privilege of nominating Imperial Sir Barney W. Collins for every position in the Imperial Line and I come before you today again to represent Mexico. It is my pride and privilege to nominate for the office of Imperial Potentate the man I nominated ten years ago, Imperial Sir Barney W. Collins, and hearing no other nominations I move you, Sir, that the nominations be closed, the rules suspended, and Illustrious Potentate Roderick H. Tofflemire of Anezeh Temple be instructed to cast the unanimous ballot of this convention in favor of Imperial Sir Barney W. Collins for the office of Imperial Potentate for the ensuing year. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. All in favor signify by the usual sign. Contrary the same sign. It is unanimously carried.

NOBLE RODERICK H. TOFFLEMIRE: Imperial Sir, it is my pleasure and privilege to cast the unanimous ballot electing Barney W. Collins for the office of Imperial Potentate for the ensuing year.

IMPERIAL POTENTATE BROCK: Imperial Sir Barney Collins, the unanimous ballot of this assemblage has been cast for your election as Imperial Potentate. Do you accept?

NOBLE BARNEY W. COLLINS: Imperial Sir, Imperial Representatives, Imperial Officers. It is a pleasure for the last time to say, "Si, Senor." (Laughter and applause.)

IMPERIAL POTENTATE BROCK: I guess that does it and I am on the skids. (Laughter)

I now recognize Illustrious Sir Harold Ling, Illustrious Potentate of Moslem Temple.

Again will those who have nominating speeches to make kindly come to the podium that we may not be delayed.

NOBLE R. HAROLD LING: Imperial Sir, Imperial Divan, Representatives to this Ninety-First Imperial Council Session. For the office of Deputy Imperial Potentate, as Potentate of Moslem Temple it is a distinct pleasure for me to present the name of one of our own members, Charles E. Merrill.

Imperial Sir, if there are no objections I move that the nominations be closed, the rules suspended, and that Imperial Sir Walter Guy be instructed to cast the unanimous ballot of this Imperial Council for the office of Deputy Imperial Potentate in the name of Imperial Sir Charles E. Merrill. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. All in favor signify by the usual sign. Contrary the same sign. It is a unanimous vote.

NOBLE WALTER C. GUY: Imperial Sir and Representatives. I am very happy to cast the unanimous ballot of this Session for Noble Charles E. Merrill for the office of Deputy Imperial Potentate for the ensuing year.

IMPERIAL POTENTATE BROCK: The unanimous ballot has been cast for Charles E. Merrill for the office of Deputy Imperial Potentate.
Imperial Sir, do you accept?

NOBLE CHARLES E. MERRILL: Imperial Potentate, my fellow Representatives. May I say to all of you Representatives I do accept and thank you for your continued vote of confidence in me. (Applause)

IMPERIAL POTENTATE BROCK: Imperial Sir Charlie, the office of Deputy Imperial Potentate can be one of the important offices in this Imperial Line because you are always on the ascendancy.

I now recognize Illustrious Edward E. Buckley, Past Potentate of Kena Temple.

NOBLE EDWARD E. BUCKLEY: Imperial Sir and fellow Representatives. It is a delightful privilege and an honor to place in nomination a very warm friend of long standing, namely, the Senior Past Potentate of our Kena Temple. I am pleased to place in nomination the name of Imperial Sir Orville F. Rush as Imperial Chief Rabban. Hearing no further nominations Imperial Sir, I suggest and move that the rules be suspended, the nominations be closed, and the unanimous ballot of this assemblage be cast for Imperial Sir Orville F. Rush for the office of Imperial Chief Rabban by Chief Rabban Jesse E. Lanier of Zamora Temple, who is Mayor of the Imperial Sir's native home town of Bessemer, Alabama. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. All in favor signify by the usual sign. Contrary minded the same sign. So ordered unanimously.

NOBLE JESSE E. LANIER: Imperial Sir, I take pleasure in getting even with Orville in voting for him. He has voted for me many times. I want to say it is a privilege to cast the ballot of this Session for Orville F. Rush to be Imperial Chief Rabban. Thank you very much.

IMPERIAL POTENTATE BROCK: The ballot is cast for Orville F. Rush as Imperial Chief Rabban.

Imperial Sir and Director General Rush, with your usual modesty and reticent and unassuming manner will you either accept or decline. (Laughter)

NOBLE ORVILLE F. RUSH: I do, Imperial Sir, and thank you, my fellow Representatives, for this continued expression of confidence. (Applause)

I now recognize Illustrious Potentate Brynildssen of Medinah Temple.

NOBLE YNGVAR BRYNILDSSEN: Imperial Sir, Imperial Officers, Representatives to the Ninety-First Imperial Council Session. It is indeed a privilege and an honor for me as Potentate of Medinah Temple to suggest the name of our favorite son, Thomas F. Seay, Imperial High Priest and Prophet, for the office of Imperial Assistant Rabban. If there are no other nominations, I move that the rules be suspended and the nominations be closed and that Imperial Sir Tom Melham be instructed to cast the unanimous ballot of this convention for Imperial Sir Thomas F. Seay for the office of Imperial Assistant Rabban. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. All in favor signify by the usual sign. Contrary the same sign. It is unanimously so ordered.

NOBLE THOMAS W. MELHAM: Imperial Sir, it is with a great pleasure that I cast for this assemblage the unanimous ballot for Thomas F. Seay for the office of Imperial Assistant Rabban for the ensuing year.

IMPERIAL POTENTATE BROCK: The unanimous ballot of this great assemblage has been cast for Imperial Sir Thomas F. Seay as Imperial Assistant Rabban for the coming year.

Imperial Sir, do you accept?

NOBLE THOMAS F. SEAY: Imperial Sir, Representatives, I accept and thank you for your support. (Applause)

IMPERIAL POTENTATE BROCK: I now recognize Walter Hogan who has a nomination to make. Now which is which?

NOBLE CHESTER A. HOGAN: Imperial Sir and fellow Representatives. There seems to be a little frustration as to who is who. So to set the record straight this is my twin brother, Potentate of Afifi Temple. I hope I have explained it to confuse you further. (Laughter and applause)

NOBLE E. WALTER HOGAN: Imperial Sir and Representatives. It is a distinct pleasure for me as Potentate of Afifi Temple to submit the name of Chester A. "Chick" Hogan for Imperial High Priest and Prophet. Hearing no further nominations, Imperial Sir, I move the nominations be closed, the rules suspended, and that Imperial Recorder George M. Saunders be instructed to cast the unanimous ballot for Chester A. Hogan for the position of High Priest and Prophet.

IMPERIAL POTENTATE BROCK: You have heard the motion. Is there a second? (Motion seconded) All in favor signify by the usual sign. Contrary the same sign. It is unanimously carried.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives. It is a distinct pleasure for me to cast the unanimous ballot of this Imperial Council for Chester A. Hogan for the office of Imperial High Priest and Prophet for the ensuing year. It did look to be confusing, didn't it? (Laughter and applause)

IMPERIAL POTENTATE BROCK: The unanimous ballot of this assemblage has been cast for Walter—I get confused myself—for Chester A. Hogan as Imperial High Priest and Prophet for the ensuing year.

Imperial Sir Walter, do you accept? (Laughter) I am confused.

NOBLE CHESTER A. HOGAN: Imperial Sir and fellow Representatives, thanks for your continued support. I do accept.

IMPERIAL POTENTATE BROCK: You know this fellow and his brother have a real conspiracy. He will visit every Temple and Shrine and Masonic function during his year because they will just have duplicate fezzes and you will never know which is which. (Laughter and applause)

I now recognize Charles H. "Bud" Ellis, Illustrious Potentate of Murat Temple, who has a nomination to make.

NOBLE CHARLES H. ELLIS: Imperial Sir, Imperial Sirs, fellow Representatives. It is with deep honor and pride that I place before you the name of J. Worth Baker, Imperial Sir J. Worth Baker, for the office of Imperial Outer Guard (laughter) Imperial Oriental Guide, and I'm sorry. If there are no further nominations, Sir, I move that George Saunders, our Imperial Recorder, cast the unanimous ballot for J. Worth Baker for Imperial Oriental Guide. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. All in favor signify by the usual sign. Contrary the same sign. It is a unanimous vote.

I believe it was Teddy Roosevelt who said, "Turn backward, turn backward, oh time in your flight, make me a boy again just for this night." I have thought of these inspired words myself during the years of ascendancy if we could but turn back. I know that Worth Baker and every Imperial Officer would like to go back to the office of Imperial Outer Guard, myself included. (Applause)

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives to this Imperial Council. It is a pleasure to cast the unanimous ballot of this Imperial Council for Imperial Sir J. Worth Baker for the office of Imperial Oriental Guide for the ensuing year.

IMPERIAL POTENTATE BROCK: The unanimous ballot of this assemblage has been cast for J. Worth Baker for Imperial Oriental Guide for the ensuing year.

Imperial Sir Baker, do you accept? I don't know what you will do without myself and your little sister Emily to look after you this year.

NOBLE J. WORTH BAKER: Imperial Sir Carlyle, Imperial Representatives. I humbly and happily accept and I assure you, Sir, that had you not observed the error in my nomination that there are three other colleagues here who might have called it to your attention. (Laughter)

IMPERIAL POTENTATE BROCK: You are fortunate if there are only three. (Laughter)

The office is now open for Imperial Treasurer and I recognize Past Imperial Potentate George A. Mattison, Jr.

NOBLE GEORGE A. MATTISON, JR.: Imperial Sir, Imperial Officers and Imperial Representatives. It is a privilege for me today to bring to you that great noblest Noble of them all for the office of Imperial Treasurer. He is the Senior Imperial Potentate of the Shrine of North America having held that office in 1935 and 1936. He succeeded Jim Burger as Treasurer of this great organization in 1937. He has had forty-six years, more than half of the years of this Imperial Council, as a Representative. He is a Past Grand Master. He is a successful businessman. I give you the name of Leonard P. Steuart as Treasurer for the ensuing year. Hearing no further nominations I move that the rules be suspended, the nominations be closed, and that Imperial Recorder George Saunders cast the unanimous ballot for Leonard P. Steuart for the ensuing year as Treasurer. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion and it is seconded. All in favor signify by the usual sign. Contrary the same sign. It is unanimously carried.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives to this Imperial Council. It is with real pleasure that I cast the unanimous ballot of this Imperial Council for the dean of Past Imperial Potentates for the office of Imperial Treasurer succeeding himself for the ensuing year.

IMPERIAL POTENTATE BROCK: The unanimous ballot has been cast for Imperial Sir Leonard P. Steuart for Imperial Treasurer for the ensuing year. It was thirty years ago exactly in this city that Imperial Sir Leonard Steuart was elected as your Imperial Potentate of the Shrine of North America. I am sure that there are very deep feelings in his heart this day at being re-elected as Imperial Treasurer, the office which he assumed shortly after serving as Imperial Potentate. I am confident that this beloved assemblage ought to give a standing ovation to this great and grand Noble whom I have named as Honorary Director General of this 91st convention. Imperial Sir Len. (Standing applause)

NOBLE LEONARD P. STEUART: Thank you very much, Nobles. It is true this is my forty-sixth convention. I accept the honor you give me as Imperial Treasurer and I will do my best as I have in the past to carry on to your satisfaction. (Applause)

IMPERIAL POTENTATE BROCK: I am sure that this demonstration bespeaks the outpouring from the hearts of these delightful Nobles of their love and affection for you, and that of those who serve with you in this Imperial Divan and those Past Imperial Potentates here assembled, should be most rewarding to you on this most auspicious morning.

I now recognize W. Howard Millington. Illustrious Sir Howard.

NOBLE W. HOWARD MILLINGTON: Imperial Sir, fellow Representatives to this Imperial Council Session. It is my privilege to nominate one this morning for a very important office in this great organization, one who is a dedicated Shriner dedicated in his job and who is most efficient. It is my privilege to nominate George M. Saunders to be Imperial Recorder of this Imperial Council for the eighteenth time. I do not hear any further nominations. Hearing none may I move that the nominations be closed, the rules suspended, and Past Potentate and Past Recorder Leslie H. Swan cast the unanimous ballot for George M. Saunders for Imperial Recorder.

IMPERIAL POTENTATE BROCK: Is there a second? (Motion seconded) You have heard the motion. All in favor signify by the usual sign. Contrary the same sign. It is a unanimous vote.

You know I couldn't think of anybody who could be so bold or so brash as to run against this august gentleman. I have not been a fearful individual but I am sure I would not attempt it.

NOBLE LESLIE H. SWAN: Imperial Potentate and Representatives. I can think of nothing that would afford me more pleasure at this time. I am honored to have the privilege of casting the unanimous ballot of this Imperial Council for Imperial Sir George M. Saunders to succeed himself as the Imperial Recorder.

IMPERIAL POTENTATE BROCK: The unanimous ballot has been cast for Imperial Sir George M. Saunders as Imperial Recorder. Imperial Sir George, do you accept?

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives. I accept with deep gratitude to each and every one of the Representatives and may I express my pleasure and thanks to Howard and to Les and to Carlyle. Thank you. (Applause)

IMPERIAL POTENTATE BROCK: Imperial Sir George, you express your gratitude daily in the fine service which you render to the Nobility of North America.

I now recognize William A. Odell—and I see they have his name spelled wrong; it is O-d-e-l-l and not O'D—it sounds Irish but he disclaims it—who has a nomination to make.

NOBLE WILLIAM A. ODELL: Imperial Sir, Imperial Sirs and Representatives to the Ninety-First Imperial Council Session. It is a distinct privilege and an honor for me as Potentate of Aleppo Temple to place in nomination the name of Edgar L. Turner for the office of Imperial First Ceremonial Master. Hearing no further nominations I make a motion that the nominations be closed, the rules suspended, and the privilege of casting the ballot be given to Potentate Carl B. Martin, Jr. of Melha Temple of Springfield for the unanimous election of Edgar L. Turner as Imperial First Ceremonial Master.

IMPERIAL POTENTATE BROCK: Do I hear a second? (Motion seconded) You have heard the motion. All in favor signify by the usual sign. Contrary the same sign. It is a unanimous vote.

NOBLE CARL B. MARTIN, JR.: We at Melha seldom say nice things about Imperial Sir Ed Turner because we don't want to spoil him. However, I have the unique pleasure to cast the unanimous ballot for Edgar L. Turner as Imperial First Ceremonial Master.

IMPERIAL POTENTATE BROCK: The unanimous ballot of this assemblage has been cast for Edgar Lloyd Turner as Imperial First Ceremonial Master for the ensuing year.

Imperial Sir Edgar, do you accept?

NOBLE EDGAR L. TURNER: Imperial Sir and fellow Representatives, thank you for your continued confidence. This is an honor that I am very happy to accept.

IMPERIAL POTENTATE BROCK: You know at one time I thought this fellow was very stupid because when he was driving me to Boston we had a flat tire and he said, "I don't know how to change it." I changed the tire. (Laughter) Being an individual who thinks very slowly the dawn suddenly came that he was much smarter than I had given him credit for. (Laughter and applause)

I now recognize the Illustrious Potentate of Khedive Temple, Illustrious Sir Bernard C. Murden.

NOBLE BERNARD C. MURDEN: Imperial Sir, Imperial Sirs, Fellow Noble Representatives of the 91st Imperial Council Session, on behalf of the Divan and all the Nobility, as Potentate of Khedive Temple it is indeed a privilege and pleasure to have the honor of nominating our Imperial Marshal of the Shrine of North America, Aubrey G. Graham for Imperial Second Ceremonial Master for the ensuing year.

Hearing no other nominations, Imperial Sir, I respectfully request that the nominations be closed, rules suspended and ask that you call upon our Past Potentate, Father of our Oyster Bowl Game, Illustrious Sir Melvin T. Blassingham, to cast the unanimous ballot for Imperial Sir Aubrey Guy Graham as our new Second Ceremonial Master for the ensuing year.

IMPERIAL POTENTATE BROCK: Do I hear a second? (Motion seconded) All in favor signify by the usual sign. Contrary the same sign. It is a unanimous vote.

NOBLE MELVIN T. BLASSINGHAM: Imperial Sir, Imperial Sirs and Representatives. It is my distinct pleasure to cast the unanimous ballot of this Imperial Council for Imperial Sir Aubrey G. Graham to serve as Imperial Second Ceremonial Master for the ensuing year.

IMPERIAL POTENTATE BROCK: Mel, I want you to stand right here because I am going to ask Aubrey Graham to tell these grand Nobles in a more eloquent way than I could possibly do of the fine service you have rendered the Oyster Bowl Game and the Shrine of North America.

The unanimous ballot has been cast for Aubrey Graham for Second Ceremonial Master for this coming year. He has been a great Imperial Marshal. We have learned to love him and his lovely lady and do appreciate his efforts and hers to make this Imperial Convention the success it is.

Imperial Sir Aubrey, do you accept?

NOBLE AUBREY G. GRAHAM: I do accept. Imperial Sir O. Carlyle Brock, Imperial Sirs and Representatives, I accept with pleasure and thank you for your continued confidence and friendship.

I would like to add that this good Noble here on my right has been an inspiration to me over the years. He and I have from 1946 fought the battles of the Oyster Bowl. It has been most successful. This man here has given his full time since 1946 and as a result of it has put into the treasury of the Hospitals over $1 million in cash. We have the respect of the citizens of Tidewater Virginia, radio, television, newspapers, and great love goes to this grand 33° Scottish Rite man and a Past Potentate of our Temple. He is a great man, a great citizen and highly respected by everybody in our city. (Applause)

IMPERIAL POTENTATE BROCK: As the Imperial Potentate you may have heard me say if things go well in the convention give me credit; if they go wrong blame the Imperial Marshal. But I have modified that this year and said to blame the Director General Imperial Sir Orville Rush. But I am sure there will be little blame to heap upon his Imperial head because he too has done a magnificent job here and I am sure this will be one of the outstanding conventions in Shrine history and a lot of the credit goes to him and his lovely wife Mary. (Applause)

I will now recognize Roger Murdock, the Past Potentate of Al Malaikah Temple.

NOBLE ROGER E. MURDOCK: Imperial Sir, Imperial Representatives. It is an honor and a pleasure to place in nomination the name of C. P. "Chick" MacGregor for the office of Imperial Marshal. Hearing no further nominations I move that the nominations be closed, that the rules be suspended, and that my little brother, the Illustrious Potentate of Al Malaikah Temple, John Rounsavelle, be privileged to cast the unanimous ballot.

IMPERIAL POTENTATE BROCK: Did I have a second? (Motion seconded) All in favor signify by the usual sign. Contrary the same sign. It is so ordered unanimously.

NOBLE JOHN ROUNSAVELLE: Imperial Sir, Imperial Sirs, fellow Representatives. On behalf of the 29,000 Nobles of Al Malaikah Temple it gives me a real pleasure to cast the unanimous ballot for C. P. "Chick" MacGregor as Imperial Marshal for the ensuing year.

IMPERIAL POTENTATE BROCK: The unanimous ballot of this assemblage has been cast for the Imperial Sir C. P. "Chick" MacGregor as Imperial Marshal for the ensuing year. Chick, do you accept?

NOBLE C. P. MACGREGOR: Imperial Sir, Representatives. I humbly accept and thank you very, very much. (Applause)

IMPERIAL POTENTATE BROCK: I now recognize Robert W. Leonard, Past Potentate of Moslah Temple, Fort Worth. There has been a slight change. I am informed that it will be the Illustrious Potentate of Moslah Temple.

NOBLE ROY J. BROOKS: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, fellow Representatives. I have the great honor and personal privilege of placing the name of C. Victor Thornton, the present Imperial Outer Guard, in nomination for the position of Imperial Captain of the Guard for the ensuing year.

Imperial Sir, hearing no further nominations I move you that the nominations be closed, the rules be suspended, and that Imperial Recorder George Saunders be instructed to cast the unanimous ballot for C. Victor Thornton for Imperial Captain of the Guard for the ensuing year.

IMPERIAL POTENTATE BROCK: You have heard the motion. Is there a second? (Motion seconded) All in favor signify by the usual sign. Contrary the same sign. It is unanimously so ordered.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives. It is a distinct pleasure to cast the unanimous ballot of this Imperial Council for a great Noble C. Victor Thornton for the office of Imperial Captain of the Guard for the ensuing term.

IMPERIAL POTENTATE BROCK: Imperial Sir Victor, the unanimous ballot of this Ninety-First Annual Convention has been cast in your favor. Do you accept the position of Imperial Captain of the Guard?

NOBLE C. VICTOR THORNTON: Imperial Sir Carlyle, fellow Representatives, I do accept with gratitude and I appreciate your advancing me from the position of water boy. (Laughter and applause)

IMPERIAL POTENTATE BROCK: Give attention to Imperial Sir George Saunders.

NOBLE GEORGE M. SAUNDERS: Imperial Representatives, many of you have not secured your book of ballots. These ballots are at the table in the back of the room on the floor above this and you will need those ballots in order to cast your ballot for the Imperial Outer Guard. Be sure you go there immediately in order to conserve time after we start picking up the ballots. Immediately after the nominations the ballot will be cast for Outer Guard. The Imperial Potentate-elect will invite you to his pageant. The pageant will be held in this room immediately after that first ballot is collected.

I have a couple of other announcements. First for the Imperial Divan and Past Imperial Potentates. It is at the invitation of the Deputy Imperial Potentate, the Imperial Potentate-elect, that you have the privilege of meeting the Mexican Government officials in the Cabinet Room immediately after the pageant. The Cabinet Room is on this floor.

The Grievance and Appeals members will you please go to the Imperial Recorder's office and sign the last report of the Committee.

The Committee on Mileage and Per Diem, Past Imperial Potentate Gerald Crary, the Chairman, asks that you meet with him at the stage left and sign the report.

Is the Representative of Morocco Temple, Wilford Lyon, Sr., in the room? Will you answer if you are in the room. (No response)

Is the Representative of Sphinx Temple, Tom Lilly, in the room? Will you come forward. You have not registered in as yet. (Laughter)

Is Wilford Lyon of Morocco here?

MOROCCO REPRESENTATIVE: Wilford Lyon will be here at eleven o'clock today. He had a death in his family.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, we have been advised that there are at least three candidates for Imperial Outer Guard.

IMPERIAL POTENTATE BROCK: I think I will run again too. (Laughter)

NOBLE GEORGE M. SAUNDERS: Imperial Sir, the names in the Call are Illustrious Sir Harry Martens, Jr. of Almas Temple, Illustrious Sir Henry B. Struby of Hadi Temple, Illustrious Sir Jacob A. Wingerter of Salaam Temple. Will those three Nobles please come forward and it is the thought of the Imperial Potentate that they would draw from a fez for position for nomination and let us have the names of their nominators.

IMPERIAL POTENTATE BROCK: Will the candidates for Imperial Outer Guard, except myself as I am already here, kindly come forward. (Laughter)

It must be that they have given up the race and gone home and I will win it by default. There they come just like three little soldiers. I am surprised that more of you fellows don't want this fine job with the fine, happy years of service.

This is Jacob Wingerter, Past Potentate of Salaam Temple; Harry Martens, Past Potentate of Almas Temple; Henry Struby, Past Potentate of Hadi Temple.

Make your peace with the Imperial Recorder. Draw your lot, name your nominator, and let us proceed. It is now twelve minutes to ten and I think we have done remarkably well this morning thanks to you fellows for being on time and for your kind attention. Your Imperial Potentate can only get things done because you give him your support.

Will the nominators for these three Nobles kindly come forward. They are just marking them on this list but you know who they are. I think you have been talked to. I hope you have been rehearsing your speeches, those in the wings.

Dr. William C. Standring, Past Potentate of Hadi Temple, you are number one.

NOBLE WILLIAM C. STANDRING: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives to the Imperial Council. Last year I had the privilege of nominating Hadi Temple's candidate for the office of Imperial Outer Guard and now welcome the opportunity of again placing in nomination one of the best qualified men ever to seek this high office—Henry B. Struby. Henry has devoted most of his adult life to the service of the Shrine, and is in every sense of the word a real Shriner. Although he has given of his fullest to the Shrine, he has not overlooked his other civic responsibilities and currently is serving as President of Evansville's Salvation Army Board of Advisors. He is a Past President of the Junior Chamber of Commerce, the Evansville Police Commission, and the Evansville Country Club. He is a member of the Chamber of Commerce, the Spalding Hole-In-One Club, the Kennel Club, Columbia Club, the Zoological Society, Army Advisory Board, Fraternal Order of Police, and is a Kentucky Colonel.

Henry is Vice-President and a Director of one of America's major financial institutions, and is active in the American Institute of Banking. He is a diligent civic and fraternal worker, the many details of which you have read in our weekly paper, "THE HOT SANDS."

I personally know of no other man who has influenced as many young men as Henry, into seeking the gates of Masonry. He has been a constant inspiration to these young men. He has been a steady and untiring worker for the York Rite, Scottish Rite and the Shrine, and has served on all of these membership committees for many years.

Henry joined Hadi Temple in 1937 and became one of her youngest Potentates in 1947. He served as Hadi's Treasurer in 1959. He became Chairman of the Permanent Contributing Memberships in 1948 and has held that office for seventeen years, and today the 3700 Nobles of Hadi hold almost 6,000 rungs on the ladder of smiles. In 1951 Henry Struby served as President of the Cabiri International order of Past Potentates. He served as President of the Great Lakes Shrine Association in 1955. He was Imperial Membership Chairman in 1960-61 and 62. He served on the Imperial Council Grievances and Appeals Committee in 1963. He has been a Representative to the Imperial Council since 1949 and in Chicago in 1963 was elected as Emeritus Representative.

There is no substitute for ability and experience. Our great Shrine of North America deserves this type of proven, dedicated leadership. Henry has actively sought the office of Imperial Outer Guard. He has spent almost every week-end, and many week-days, since last October traveling throughout Shrinedom. I am sure most of you can attest to this from having met him in your own Temple or Association meeting.

It is with much enthusiasm and great pride that Hadi Temple of Evansville, Indiana places in nomination for the office of Imperial Outer Guard, the name of Henry B. Struby. (Applause)

IMPERIAL POTENTATE BROCK: I now recognize Bernard Cooper, Illustrious Potentate of Almas Temple.

NOBLE BERNARD D. COOPER: Imperial Potentate, Imperial Sirs, fellow Representatives. I have the honor this morning to place in nomination the name of Harry Martens, Jr. of Almas Temple. I am sure all of you have received the literature from us on behalf of our candidate and I presume all of you have read it. You know Harry's qualifications and I will not go over them at this time. I would just like to point out a few things that have not been said.

Harry is a family man with five lovely children. He has been active in the Shrine since he joined the Shrine. He is active at this time on one of the Hospital committees. He is a successful business executive. He is a graduate of the University of Wisconsin. More importantly Harry concurs with the objectives of the Imperial Council. He will continue these objectives and he will provide leadership for the Shrine for the future.

Therefore, I am very happy to place in nomination the name of Harry Martens, Jr. for Imperial Outer Guard. Thank you. (Applause)

IMPERIAL POTENTATE BROCK: I now recognize Illustrious Sir Ford Elvidge, Past Potentate of Nile Temple.

NOBLE FORD Q. ELVIDGE: Imperial Sir, Imperial Sirs and fellow Representatives. I have the pleasure and the honor of placing in nomination for Imperial Outer Guard Illustrious Past Potentate Jacob A. Wingerter of Salaam Temple of Livingston, New Jersey.

Before telling you something of his personal history, all more or less set out in his literature, I should like to say this, my friends, that Shrinedom today in North America has become big business. It is big, big business. It operates a critical industry, the care of crippled children. The fraternal organization with a membership of over 800,000 members and a cash flow of over $4 million a year, the hospital corporation operating twenty hospitals, or will be shortly, with assets of over $300 million and a cash flow of $20 million a year, makes it necessary that any Noble to be put on the Divan who in the ordinary course of events will be the head of this great organization, should be a successful businessman, a hard-headed businessman, and with all a man who knows how to get along with people.

Jake, as he is called by his friends, is such a man and I should like to take a moment to tell you something of his background. He was born in Pennsylvania in 1908, fifty-seven years ago, into a very devout Presbyterian family of German and English descent, a family of ten brothers and sisters, one of whom is a Presbyterian Minister in Pennsylvania.

Early in his life following in the footsteps of his father he determined to make the business and profession of engineering his life work and in that profession and that business he is now at the top. He owns, operates, has organized three prominent engineering firms here in the East. First, he developed the Jersey Testing Laboratories of New Jersey, Massachusetts and New York. In addition to that he owns the majority stock in and controls and operates Frank H. Lehr Associates of New Jersey, Consulting Engineers. He also owns the majority stock in and controls and operates Kenneth D. Smith Associates of New Jersey, Public Relations.

His firm and his associates have engineered the construction of many major projects here upon the East Coast, highways and turnpikes, four of the largest bridges, Mackinac Island Bridge, Delaware Memorial Bridge, Walt Whitman Bridge, representing an expenditure of over $150 million, and also the Verrazano Narrows Bridge over

the harbor of New York for which his firm made major contributions and representing an expenditure in that project of over $350 million. His New York firm today is supervising the engineering of over twenty high rise buildings in the City of New York. His know-how and his professional integrity have entered into the safety and stability of those projects.

He is a member of the American Concrete Institute, American Society for Testing Materials, New Jersey Society of Professional Engineers, and the National Society of Professional Engineers.

But that is not all. By reason of his sound and vigorous mind and body and also because of an exceptionally keen and alert mind he has had time for many other activities. He is a member of the Kiwanis, member of the American Red Cross, the Elks organization, local Chamber of Commerce.

He believes that the greatest source of manpower for Freemasonry and for the Shrine is youth—youth. He has been active in Boy Scouts of America and several Boys Clubs. He has been honored for his activity in DeMolay.

Early in his career he married a very attractive little lady who is now his charming wife and I think many of you have met her. She presented him with two fine sons both of whom have served in the United States Marine Corps. The oldest son is a Captain in the Reserves and associated with him in his business. The youngest son is a Lieutenant pilot in the Marine Corps. Yesterday he was over the Mediterranean. The oldest son is a Shriner and the youngest son is pointed that way.

In other words, my friends, he has been a young man's man. But his greatest service has been in the field of fraternalism. He is a member of the Blue Lodge, Franklin Lodge No. 10, Irvington, New Jersey. He belongs to the Royal Arch, the Council and the Commandery and he is an active Knight Templar. He is a 32° Scottish Rite Northern Jurisdiction. He is a member of the Royal Order of Scotland, the Jesters and the Cabiri.

In his own Temple, Salaam Temple, he has served for some years on the Finance Committee. He is a member of the Ritual Team and Chairman of the Membership Committee. As Chairman of the Building Corporation he spearheaded the building of their new Mosque or Temple with which I am sure some of you are familiar which is a thing of beauty and joy to the Shriners in that neighborhood.

In the Imperial Shrine he has been a member I believe this is his sixth year. He has served on the Membership and Jurisdictional Lines Committees.

My fellow Representatives, in presenting to you the name of Jake Wingerter to sit on the Imperial Divan and become Director of our great organization I give you first a successful businessman who knows how to get along with people. I give you a fine family man. I give you a great citizen, a dedicated Mason and a Shriner. Lastly I give you a man of integrity and dignity. I urge you to vote for him. You cannot lose. Thank you. (Applause)

IMPERIAL POTENTATE BROCK: Illustrious Sir Clyde Oliver, will you inform these Representatives of the rules of this contest.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives. We are ready to vote. I would ask the Judges, Tellers and Clerks to take their positions at the head of each aisle and the rear of each aisle. Are there any Representatives here who have not picked up their ballot? I just left the tables upstairs on the next floor and there are about twenty ballots that have not been picked up. If any of you Nobles have not picked up your ballot I wish you would go there immediately.

For this ballot we will use the yellow ballot indicated as official ballot No. 1 in the ballot book. If you are ready to vote would the Judges please come forward with the ballot boxes. Voting will only be done from your place where you are seated and

just those Representatives sitting in the forward section are eligible to vote. Please fold your ballot but once.

IMPERIAL POTENTATE BROCK: I have deliberately given you plenty of time to consider as to whether or not there are any other nominations. If there are no other nominations I will entertain a motion to close the nominations.

NOBLE GEORGE A. MATTISON, JR.: So move. (Motion seconded)

IMPERIAL POTENTATE BROCK: All in favor signify by the usual sign. Contrary the same sign. It is unanimously carried. (Ballots were cast for the office of Imperial Outer Guard.)

NOBLE GEORGE M. SAUNDERS: As soon as you have cast your ballots the Imperial Potentate is going to declare a recess and turn the podium over to Imperial Potentate-elect Barney Collins for his pageant. The doors will be opened and your friends and ladies invited in. The pageant will then take place. Immediately after the pageant the Imperial Potentate says to return back to this room at one o'clock. Luncheon after the pageant will be in both the East and West Rooms. Go through those doors out the back and into those halls. The Imperial Officers and Past Imperial Officers are reminded that they are to meet with the Mexican Government officials in the Cabinet Room which is on this floor. The Imperial Potentate will call a recess as soon as you have cast your ballots

IMPERIAL POTENTATE BROCK: After the ballot is closed a recess will be declared for the pageant of the Imperial Potentate-elect. You will be back in your seats here at one o'clock where we have much business to get done. If you will give us your help and cooperation, as you have done thus far, we will get it over with in good time.

Has everybody voted who is entitled to vote? Hearing no objection I declare the ballot closed.

We will now recess for the Imperial Potentate-elect to hold his pageant.

(A short recess was taken at 10:15 A.M. following which a pageant was staged honoring the newly elected Imperial Potentate, Noble Barney W. Collins. Following the pageant the following ceremonies took place.)

NOBLE C. P. MACGREGOR: Now let us meet your new Imperial Potentate's family in person.

Debbie Collins, 10 years old, will you come out Debbie? (Applause)

Billy Collins, 9 years old. Billy was born in Mexico City. (Applause)

Lori Ann Collins, 5 years old. (Applause)

Now, your beautiful Imperial First Lady, Lady Doris. (Applause)

Ladies and gentlemen of the Shrine, your Imperial Potentate, Imperial Sir Barney Collins. (Standing applause)

NOBLE C. P. MACGREGOR: Now it is my great pleasure to present Senor Eugene de Anzorena, Charge d'affaires of the Mexican Embassy. Give him a big hand. (Applause)

HON. AND NOBLE EUGENE DE ANZORENA: I almost didn't make it. I am short. (Laughter)

Dear Nobles and our ladies, ladies and gentlemen. It is my great honor to present to you a gentleman, a scholar, but above all a great Mexican, His Excellency Hugo Margain, Ambassador from Mexico to the United States of America. (Standing applause)

HON. HUGO MARGAIN: It is really a great honor as Ambassador of Mexico here in the United States to be with you in this important gathering. My wife and I in the

last few minutes saw Mexican people, heard Mexican music, traveled through Mexico. After a very short trip we are here now in Washington. We saw marvelous pictures of Mexico but I missed one picture that we didn't see, a picture of a hospital in Mexico, the Shriners Crippled Childrens Hospital in Mexico. You are doing there a marvelous job. You are doing with this hospital a marvelous and remarkable work in the social aspect and I would like to put in this picture again the view of the Shriners Hospital in Mexico which we didn't see. It is a marvelous hospital you have there.

Mexico is your neighbor and is your next door neighbor and it is an open door for all men of good will, for all men of good health and trade. You are welcome there in Mexico and you will continue there during your marvelous job helping everybody. (Applause)

NOBLE C. P. MACGREGOR: Now may I present the Potentate of Anezeh Temple, Roderick H. Tofflemire.

NOBLE RODERICK H. TOFFLEMIRE: Imperial Sir Barney, we of Anezeh Temple, Mexico City, realize that your duties are going to take you away from Mexico a great deal of the time. We don't want you to forget us. Therefore, in the name of Anezeh Temple it is my privilege and pleasure to present you with this serape. (Applause)

We of Anezeh Temple feel highly honored and it is a great pleasure for us that Shrinedom has seen fit to elect one of our Nobles to guide us through the ensuing year. That he has reached this pinnacle from the small Temple of Anezeh and certainly it is not one of the better known Temples, speaks very highly for him and it is proof of his ability.

At this time I would like to introduce our Chief Rabban James Weldon Thomas. (Applause)

Our Assistant Rabban Joaquin R. Bonilla. (Applause)

Our Recorder, who is well known to many of you, Armand R. Alcazar. (Applause)

We regret very much that their ladies were unable to be with us today.

I would also like to introduce part of the Patrol of Anezeh Temple which came up from Mexico to be with us and help us honor our Barney. (Applause)

And their ladies. (Applause)

We did not wear these colorful costumes just to attract attention. These are legitimate regional costumes of Mexico and express in color the basic love of music and dancing and friendship of the Mexican people.

We who have been born there or have adopted Mexico have learned to enjoy and love that spirit. We would like to invite you all to visit us and participate in the good things of Mexico.

At this time I would like to take this opportunity to thank all Shrinedom for having made possible our Shrine Hospital in Mexico. If you could see just once a crippled child being borne on the back of his mother or father to the Hospital for treatment I am sure that you would say, "Thank God I belong to that organization.". It is a wonderful sight.

I also want to present Illustrious Sir Emilio D'Acosta, Past Potentate of Anezeh Temple, and the man who guides the destinies of our Hospital. (Applause)

I also want to thank the Mexican Embassy, the Department of Mexican Tourists, for having made possible this what I hope and I am sure will be a very beautiful and very enjoyable program of Mexican music and dancing. I thank you. (Applause)

NOBLE EMILIO D'ACOSTA: Imperial Sir, I have a message from Dr. Raul Cordero Amador, 33°, Sovereign Grand Commander of the Supreme Council of Mexico. (Reading)

Soberano Gran Conendador

(The English translation of the above message is as follows:)

ILLUSTRIOUS IMPERIAL POTENTATE, ILLUSTRIOUS GRAND POTENTATES, DEAR NOBLES AND DISTINGUISHED BRETHREN:

From this historical City of Mexico, cradle of one of the highest civilizations of old, goes my warm and sincere salutation and best wishes to you all.

I regret, from deep in my heart, not having been able to be personally among you in such a solemn occasion which so clearly exemplifies cordiality and fraternal love, but spiritually I am there.

In the voice of Anezeh Temple's Past Potentate Emilio D'Acosta, 33°, you will hear mine. At the same time, Noble D'Acosta is the bearer of a multiple embrace to those which, in that beautiful City, attend to an event of the greatest importance for the brotherly relations of North American countries and Mexico.

I sincerely wish that the Imperial Potentate who today reaches the highest hierarchy among the Nobles of the Mystic Shrine, BARNEY COLLINS, be the golden link of the strong immaterial chain of those who love pure gaiety and carry on good deeds procuring health to children who have lost it.

To our new Imperial Potentate I wish every success in the delicate mission that you have entrusted to him. I pray to the Grand Architect of the Universe to illumine and strengthen him so his work may be an exemplary one.

In the name of all the Mexican Brethren I convey to you our feelings of fraternal love and personal esteem.

Yours in the faith,

RAUL CORDERO AMADOR, 33°
Sovereign Grand Commander

NOBLE EMILIO D'ACOSTA: Imperial Sir Barney, I have been waiting for ten years for an occasion such as this. As you all know, Shriners, members of the Imperial Council, it has been my privilege to nominate this young man year after year for the succeeding positions in the Imperial Council and now a dream comes true and our Barney is going to be crowned the Imperial Potentate of the Shrine and it is my very delightful privilege of removing this old fez from his head and replacing it with the five star fez, the symbol of the Imperial Potentate's authority and command for the coming year of the Shrine. (Standing applause)

Imperial Sir Barney, I trust that you will wear this fez with a great deal of pleasure and pride to yourself and to your prosperity, with the approval and satisfaction of the Imperial Council, and the plaudits of Shriners everywhere. (Applause)

NOBLE RODERICK H. TOFFLEMIRE: I always forget something and it is usually the most important thing. I forgot to present my lovely and lovable lady Shirley. (Applause) I want to tell you a little story. July 9, 1965, was our twenty-fifth wedding anniversary. I thought that my duty to Anezeh Temple and to Barney Collins made it necessary for me to be here in Washington. Unfortunately Shirley couldn't join me so we spent our twenty-fifth wedding anniversary some 2,500 miles apart. (Laughter and applause)

NOBLE C. P. MACGREGOR: Now our Imperial Recorder has a presentation, George Saunders.

NOBLE GEORGE M. SAUNDERS: Imperial Potentate-elect Barney Collins, down through the years this flag has flown at the head of the colors with the Imperial Potentate. This flag has seen the organization it represents grow to a tremendous figure. It has seen the activity of this organization bring great credit to the organization. It is with a great deal of pleasure that I present to you the Imperial Potentate's flag and express to you my own thoughts and the thoughts of all these Imperial Council Representatives that it will bring tremendous joy and pleasure to you in your year of service to this great organization. (Applause)

IMPERIAL POTENTATE-ELECT COLLINS: Thank you, George.

NOBLE C. P. MACGREGOR: Now may I present two of the handsomest men from Los Angeles, the President and head of the Al Malaikah Patrol who have a presentation to make.

NOBLE G. FREDERICK NIXON: Imperial Sir Barney, in the tradition of the Al Malaikah Patrol it is the privilege and honor of its President and myself to present you with this swagger stick from the Al Malaikah Patrol. As we record our careers by bands on our stick we have so recorded your Masonic career by the bands on this stick. We hope you will carry this with you in your travels during the ensuing year with the knowledge that the best wishes of Al Malaikah Temple go with you always. (Applause)

IMPERIAL POTENTATE-ELECT COLLINS: Thank you, Noble Nixon. This is indeed the most beautiful swagger stick I have ever seen and particularly so because you have —and I am reading what it says—the names of the different offices that I have been privileged to hold in my ladder up through DeMolay, Masonry and the Shrine to the position to which I have just been elected. Please convey to your very Illustrious Potentate John Rounsavelle and to the rest of the members of your Patrol my heartfelt thanks for this lovely gift. I particularly again appreciate a gift of this nature because it is something I can't go out and buy in the store. It is very meaningful and I assure you that I will carry it with pride everywhere I go along with the serape Mexicano. (Applause)

NOBLE C. P. MACGREGOR: Now the man in charge of one of the great organizations in Mexico, in charge of the Salvation Army in Mexico, Col. Reginald E. Clevett and his bride. (Applause)

IMPERIAL POTENTATE-ELECT COLLINS: Ladies and gentlemen, this is our new Imperial Chaplain, Lt. Col. Reginald E. Clevett of Mexico City, (applause) and his very delightful charming wife who participates in the women's organization to the same extent that Reggie does in the men's organization. (Applause)

Reggie, we have for you a fez, the first one presented to anyone in the Salvation Army as Imperial Chaplain, and I know you will wear it with a great deal of dignity as is your wont. (Applause)

LT. COL. AND NOBLE REGINALD E. CLEVETT: Imperial Sir Barney, needless to say this is a moment in my life in which I find words very difficult but I do wish to thank you for bringing an honor not only to me but to the organization which it has been my privilege to serve as an officer for forty years and I might say that the sacrifice that has been made by my dear wife Dorothy in giving me opportunity to spend time in Masonic work, which I dearly love, and I do wish to thank her, and Anezeh Temple who has stood by me so faithfully through the years. Thank you. God bless you. (Applause)

IMPERIAL POTENTATE-ELECT COLLINS: Nobles, ladies, distinguished guests, particularly our Mexican Ambassador Hugo Margain whom I have had the pleasure to know for many years. I want to express publicly my gratitude to Mexico, the President of Mexico and the people of Mexico, among whom I have lived for over forty years. Everything I have in a material way I have earned in Mexico. The people of Mexico have taken me to their hearts. The representative of the President of Mexico, Ambassador Hugo Margain, the Charge d'affaires, Eugene de Anzorena who has been a member of Anezeh Temple for many years, have worked very closely with us on this program.

I do want you to know, the Representatives, that I am grateful to you for having elected me to this position and supported me during these ten years.

I also want to thank Anezeh Temple in presenting a resolution in 1955 to the Imperial Council in Chicago which resulted in my election to the first rung of the ladder, that of Imperial Outer Guard.

My dear wife Doris, my Debbie, my Billy and my little daughter Lori, give me their love and their consolation which I need and which I will need even more in the future for the arduous group of travels we will be undertaking to represent you in the way we feel you would want to be represented.

I want to thank this splendid group of Anezeh Temple Nobles headed by their Potentate Roderick Tofflemire. I want to thank him for this beautiful blanket which to me is Mexico and everybody who sees it will know I am from Mexico.

I want to thank all of you from the bottom of my heart. I love each and every one of you and I assure you that I have no interest fraternally that I can serve to better effect at this time than to be your Imperial Potentate. Thank you, thank you, thank you. (Standing applause)

NOBLE C. P. MACGREGOR: Thank you, Imperial Sir Barney. Isn't this a wonderful group? Give them all a hand. (Applause)

Now it is my pleasure again to present Noble Eugene de Anzorena who will be the master of ceremonies for this outstanding show you are going to see live from now on. (Applause)

HON. AND NOBLE EUGENE DE ANZORENA: Dear Nobles, ladies and gentlemen. From here on out we are going to have fun and relaxation. First of all I want you to stand for the Mexican National Anthem.

(The assembly stood for the singing of the Mexican National Anthem.)

HON. AND NOBLE EUGENE DE ANZORENA: Nobles, ladies and gentlemen. Among the many surprises we have today I want to let you in on a little secret. We have swiped

from the Mexican Pavilion in New York at the World's Fair a splendid group of singers and dancers from Mexico. (Applause) They are not on their way; they are already here. (Laughter)

We have also taken away from their desks—and I had to twist the Ambassador's arm, and he is right here, because he is very strict—but we took away from their desks a group of our girls from the Mexican Embassy here in Washington so that they may dance for you. (Applause)

We shall also have as a gift from the Mexican Government other musicians and dancers who came by plane from Mexico especially for this day. (Applause)

(At this time a program of Mexican folk music and dancers was presented featuring artists provided by the Mexican Government and a special group of Salvation Army Lassies.)

NOBLE C. P. MACGREGOR: Thank you, Mr. Ambassador and Noble Gene for bringing up this splendid show.

Barney, I hope your whole year will be as successful as this show. (Applause)

The Imperial Potentate suggests that we start the afternoon session at two o'clock.

(The Ninety-First Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 12:30 P.M. to reconvene at 2:00 P.M., Wednesday, July 14, 1965, in the International Ballroom of the Washington Hilton Hotel, Washington, D.C.)

AFTERNOON SESSION
WEDNESDAY, JULY 14, 1965
TWO O'CLOCK P. M.

The Ninety-First Annual Session of the Imperial Council, A.A.O.N.M.S. reconvened in the International Ballroom of the Washington Hilton Hotel, Washington, D.C., Wednesday, July 14, 1965, at 2:00 P.M., Imperial Potentate O. Carlyle Brock presiding.

IMPERIAL POTENTATE BROCK: Nobles, the hour is about to arrive. Will you kindly find your respective seats. Will the Chairman of the Tellers please come to the podium.

Nobles, if you will be quiet I will call on the Chairman of your Tellers for his report.

NOBLE W. CLYDE OLIVER: Imperial Sir, Representatives. It is with pleasure that I give you the results of the ballot for the office of Imperial Outer Guard. There were a possible 738 votes of which 711 actually voted. There were no spoiled ballots. Necessary for a choice 356. The votes were distributed as follows: Harry Martens, Jr. 41; Jacob A. Wingerter, 226; Henry B. Struby, 444. (Applause)

IMPERIAL POTENTATE BROCK: Henry Struby, will you approach the podium. Past Potentate Harry Martens has asked for the rostrum.

NOBLE HARRY MARTENS, JR.: Imperial Sir, Imperial Sirs, fellow Representatives. This has been a wonderful experience for me and I have received a little recognition in the past several months. I would like to thank those who supported me and assisted me and assure you that I will be back next year. I will see you next year in San Francisco.

I would like to congratulate Henry Struby. You have elected a true gentleman and Shriner.

Imperial Sir, if I am not out of order I would move that you suspend the rules and that the Imperial Council elect Henry Struby Imperial Outer Guard by unanimous acclamation. (Applause)

NOBLE JACOB A. WINGERTER: Imperial Sir, Imperial Officers, fellow Representatives. I too am greatly humble. I appreciate the great support that you gentlemen have given me. In my travels all over this great North America one thing I learned, mixing with the great Shrine of America teaches one to be a little more humble and a little more tolerant of his fellow man.

I too want to congratulate Ill. Henry Struby and have him know that we stand behind him in all his activities.

I want to thank you for the great support, having been announced in New York with 11 votes and 226 today. I want you illustrious gentlemen to know I will return and I will be a candidate in San Francisco provided my great Temple sees fit to return me as a Representative to this great administrative body.

I would like to second the motion of Harry Martens that we elect Henry Struby by acclaim. (Applause)

IMPERIAL POTENTATE BROCK: You have heard the motion which was made in true Shrine spirit and fellowship. Are you ready for the question?

VOICES: Question! Question!

IMPERIAL POTENTATE BROCK: All in favor signify by the usual sign. Contrary the same sign. It is so ordered unanimously. (Standing applause)

You know, fellow Representatives, I too ran in New York and was at home with the mumps and while I was not elected that year the following year I was. Henry Struby took that as a good omen. His wife likewise campaigned for him a year ago as mine did eleven years ago.

Imperial Sir, we welcome you to the Imperial family. The podium is yours. (Applause)

NOBLE HENRY B. STRUBY: Imperial Sir, Imperial Sirs and Representatives all. I am just so grateful to Harry Martens, to Jake Wingerter, to Hadi Temple and to my dear Margaret and all you Representatives who saw fit to vote for me. I will do the best I can and thank you so very much. (Applause)

IMPERIAL POTENTATE BROCK: Representatives, there are a few distinguished Nobles sitting here who I wish to present to you. You know them in their own right. One of them is John B. Nicklas, Jr. of Syria Temple, Pittsburgh, Pennsylvania, and Past Grand Monarch of the Supreme Grotto of North America, who followed me after I served as Grand Monarch. He was during those years a tower of strength, a beloved and dear friend. I would like him to come forward and likewise Carl Mitchell who served as Grand Monarch of the Supreme Council a year ago who has been a near and dear friend for many long years. I would like these Noble gentlemen to come to the podium and receive your recognition. They are great fraternal men, men who have given leadership to Masonry and to the Shrine. Carl Mitchell and John B. Nicklas, Jr. (Applause)

NOBLE JOHN B. NICKLAS, JR.: Imperial Sir, Imperial Officers, Representatives. I too have been educated in watching our Imperial Potentate preside at this convention although I am not surprised. As he told you I have been a close friend of his for some twenty-five years or longer. I followed him in the Supreme Council line in the Grotto of North America and believe you me he made my way easy because he did just as splendid a job there as he has been doing for our Shrine. I have on my arm band due to his friendship and his fondness for me. This insignia signifies that I am one of his Aides. I assure you that he needs no Aide; he is very competent in his own right. I speak for all of you when I say I know that we appreciate the splendid work he has given to our beloved Fraternity. I know we will continue to use him and his work will be a landmark in our great Masonic Fraternity

of the Shrine. May Godspeed him well and his family through the rest of his days. Thank you very much. (Applause)

NOBLE CARL R. MITCHELL: Imperial Sir, Imperial Sirs. It is kind of a hard job to speak after Jack Nicklas. I have been doing this for many years and it is a roughy. But I just want to add that the sentiment, Imperial Sir, that Jack expressed I couldn't say as well but you know how I feel. At least we had an Imperial Potentate who was ably experienced and probably the first who had experience to become Imperial Potentate in a pretty good school, the Grotto, and I congratulate him for learning his lesson well.

Thank you very much, Imperial Sir, for this time. (Applause)

IMPERIAL POTENTATE BROCK: These are the friendships which come as the reward for service.

It is my extreme honor at this moment to present M. W. Saburo L. Kitamuro, M.W. Grand Master of Japan, whom I have met where Masons meet for many years. He has just arrived. I welcome him here and want him to come forward for your recognition. The M.W. Grand Master of Japan. (Standing applause)

It is well said the sun never sets on Masonry and the sun is always at the meridian somewhere in the world.

W.M. AND NOBLE SABURO L. KITAMURO: Imperial Sir, members of the Imperial Council, distinguished Shriners of America. It is certainly a most unexpected honor and privilege to be here today to meet you all. I have been in America since May 1, and I have met here the greatest array of bodies. I have so far been chasing the Imperial Potentate and finally caught him today. It is a great pleasure to have seen him here. Thank you very much. (Applause)

IMPERIAL POTENTATE BROCK: The Wor. Sir is a member of Afifi Temple.

I would like for Ill. Potentate William Parker of Nile Temple to approach the podium.

NOBLE WILLIAM E. PARKER: Imperial Sir, Imperial Sirs and fellow Representatives. I have a resolution which I wish to present to this Imperal Session which I believe is quite self explanatory and which will provide appropriate recognition to a Noble of our Order who has passed from us. (Reading)

WHEREAS, the late Hugh M. Caldwell, a member of Nile Temple, was elected as Imperial Potentate by the Imperial Council, A.A.O.N.M.S., in Seattle, Washington, on July 16, 1936; and being so elected declined to serve in the office to which he had been then and there elected, and was thereupon elected and declared an Ad Vitam Representative to the Imperial Council; and

WHEREAS, it is proper that appropriate recognition be given to the services of Imperial Sir Hugh M. Caldwell, and that his name be enrolled among the Past Imperial Potentates of the Imperial Council; Now Therefore:

BE IT RESOLVED, that the late Imperial Sir Hugh M. Caldwell of Nile Temple be posthumously elected and designated as Past Imperial Potentate of the Imperial Council, A.A.O.N.M.S.

I move you, Sir, the adoption of this resolution.

IMPERIAL POTENTATE BROCK: You have heard the motion. Is there a second? (Motion seconded) Is there any discussion? If you are ready for the question all in favor signify by the usual sign. Contrary the same sign. It is voted unanimously and the motion is carried.

I thank you, my Brethren, for your charitable thoughts and action I am sure the family of this fine Noble will be forever grateful for this great event.

Imperial Sir Orville Rush, I believe you have a communication.

NOBLE ORVILLE F. RUSH: I was just discussing this with the Imperial Potentate and we thought it might be of interest to you since we have an Arabic motif in our association. This is from the Islamic Center and addressed to me as President and Director General. (Reading)

Dear Mr. Rush:

I would like to take the opportunity during your stay in the Nation's Capital to welcome you and wish your Convention the desired success, and your noble members a pleasant time.

The Islamic Center takes the pleasure to invite the honorable members for a tour in the Center's Arabic designed Mosque, Library and School. The Center is located at the junction of Massachusetts Avenue and Belmont Road, Northwest, and is opened daily from 10:00 a.m. to 6:00 p.m., with a special guide to show and explain the marvelous architecture of the Mosque.

With kindest regards and best wishes for the continued success of your organization's charitable endeavors, I remain

Sincerely,

Dr. A. H. Abdel Kader
Director

I thought some of you might like to visit the Center before you go home.

IMPERIAL POTENTATE BROCK: May we call on Leslie Swan, Chairman of the Jurisdictional Lines Committee for his Tennessee report.

NOBLE LESLIE H. SWAN: (Reading)

TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.

There have been referred to the Committee on Jurisdictional Lines, the Proposed Amendments to Sections 487.2 and 487.3, as submitted by the Committee on Jurisprudence and Laws, in lieu of the incorrect wording of the Proposed Amendments to the same Sections, as published in the Official Call.

These Sections refer to the jurisdictions of Alhambra and Al Menah Temples, in Tennessee, and when so amended shall, respectively, read as follows:

Section 487.2 Alhambra Temple

Has:

(a) Exclusive jurisdiction in the County of Polk and all territory lying west of the Counties of Scott, Morgan, Roane, Loudon, Monroe and Polk at present coming within the jurisdiction of Alhambra Temple.

(b) Concurrent jurisdiction with Kerbela Temple in the Counties of Scott, Morgan, Roane, Loudon and Monroe in the State of Tennessee.

(c) Concurrent jurisdiction with Yaarab Temple of Atlanta, Georgia, over the Counties of Catoosa, Dade and Walker, in the State of Georgia, in accordance with that certain agreement entered into between Yaarab Temple of Atlanta, Georgia and Alhambra Temple.

(Agreement between Zamora and Alhambra Temples as to Concurrent Jurisdiction in Certain Counties, 1949. No amendment to this Article).

Section 487.3 Al Menah Temple

Has:

Exclusive jurisdiction over the middle division of Tennessee, with the exception of the Counties of Cumberland, Fentress and Van Buren.

We are advised by the Committee on Jurisprudence and Laws, that the concurrent jurisdiction of Alhambra and Al Menah Temples, which has been in effect for many

years, is based on an agreement between these two Temples. The said agreement provides that either party may cancel the agreement upon 90 days written notice to the other.

The opinion of the Committee on Jurisprudence and Laws is attached hereto and made a part hereof.

Al Menah Temple has cancelled the agreement, consequently your Committee on Jurisdictional Lines recommends the approval of the Amendments, which will eliminate the concurrent jurisdiction of the Counties of Grundy, Franklin and Warren, and return these three Counties to the exclusive jurisdiction of Al Menah Temple.

We further recommend that this report be referred to the Committee on Jurisprudence and Laws, for proper legal procedure.

Respectfully submitted,

COMMITTEE ON
JURISDICTIONAL LINES

Leslie H. Swan, Chairman
Quinn Glover
Arthur E. Armitage, Sr.
Lowell E. Braden
Charles G. White
Cecil B. Walrath
Robert W. Leonard

Ill. Sir Leslie H. Swan
Chairman, Committee on Jurisdictional Lines

Dear Chairman Swan:

The Imperial Potentate has requested that you be furnished with an opinion of the Committee on Jurisprudence and Laws as to the effect of the cancellation by Al Menah Temple of an agreement between it and Alhambra Temple for concurrent jurisdiction over the Counties of Grundy, Franklin and Warren, Tennessee.

The exclusive jurisdiction of the three counties was in Al Menah Temple prior to the agreement, and the concurrent jurisdiction of Alhambra Temple was effected by the agreement. The provision for the cancellation is a valid one and the yielding of concurrent jurisdiction to Alhambra by Al Menah was conditioned by the right of cancellation.

It is provided by Section 328.2(c) that Temples may agree upon concurrent jurisdiction and the two Tennessee Temples did so agree. The agreement has terminated by the cancellation of the agreement and, with the termination of the agreement the concurrent jurisdiction has come to an end and exclusive jurisdiction has reverted to Al Menah Temple.

The Imperial By-laws should be amended to give effect to the cancellation of the agreement. This Committee is prepared to introduce such an amendment in lieu of the proposed amendment as erroneously set forth in the call, if recommended by your Committee.

Sincerely yours in the Faith,

Warren L. Jones, Chairman
Elmer P. Bromley
Robert H. Fouke
William H. Knowlton
S. Ken Briggs
Merwyn H. Brown
John Y. Jordan, Jr.

Imperial Potentate, I move the adoption of the report and its referral to the Committee on Jurisprudence and Laws. (Motion seconded)

IMPERIAL POTENTATE BROCK: All those in favor signify by the usual sign. Contrary the same sign. It is so ordered.

I recognize Judge Warren Jones, Chairman of Jurisprudence and Laws.

NOBLE WARREN L. JONES: (Reading)

To the Imperial Council, A.A.O.N.M.S.

There have been referred to your Committee on Jurisprudence and Laws proposed amendments to Sections 487.2 and 487.3, relating to the jurisdiction of Alhambra and Al Menah Temples so that said Sections, respectively, shall read as follows:

"§487.2 Alhambra Temple

"Has:

"(a) Exclusive jurisdiction in the Counties of Grundy, Franklin, Warren and Polk, and all territory lying west of the Counties of Scott, Morgan, Roane, Loudon, Monroe and Polk at present coming within the jurisdiction of Alhambra Temple.

"(b) Concurrent jurisdiction with Kerbela Temple in the Counties of Scott, Morgan, Roane, Loudon and Monroe in the State of Tennessee.

"(c) Concurrent jurisdiction with Yaarab Temple of Atlanta, Georgia, over the Counties of Catoosa, Dade, and Walker in the State of Georgia, in accordance with that certain agreement entered into between Yaarab Temple of Atlanta, Georgia and Alhambra Temple.

"(Agreement between Zamora and Alhambra Temples as to Concurrent jurisdiction in Certain Counties, 1949. No amendment to this Article)."

"487.3 Al Menah Temple

"Has Jurisdiction over the middle division of Tennessee, with the exception of the Counties of Cumberland, Fentress and Van Buren."

It was the purpose of the proposed amendments to give effect to the cancellation of an agreement between Alhambra and Al Menah Temples which gave to these Temples concurrent jurisdiction over the Counties of Grundy, Franklin and Warren in the State of Tennessee, and to restore exclusive jurisdiction in said counties to Al Menah Temple. Through inadvertence and error the proposed amendment was so written as to give exclusive jurisdiction over said counties to Alhambra Temple. Therefore the proposed amendments to Sections 487.2 and 487.3 of the Imperial By-laws have been withdrawn.

To give effect to the intent as hereinbefore stated, the Jurisprudence and Laws Committee proposes and submits for adoption amendments to said Sections relating to the jurisdiction of Alhambra and Al Menah Temples so that said Sections, respectively shall read as follows:

"§487.2 Alhambra Temple

"Has:

"(a) Exclusive jurisdiction in the County of Polk and all territory lying west of the "Counties of Scott, Morgan, Roane, Loudon, Monroe and Polk at present coming within the jurisdiction of Alhambra Temple.

"(b) Concurrent jurisdiction with Kerbela Temple in the Counties of Scott, Morgan, Roane, Loudon and Monroe in the State of Tennessee.

"(c) Concurrent jurisdiction with Yaarab Temple of Atlanta, Georgia, over the Counties of Catoosa, Dade, and Walker in the State of Georgia, in accordance with

that certain agreement entered into between Yaarab Temple of Atlanta, Georgia and Alhambra Temple.

"(Agreement between Zamora and Alhambra Temples as to Concurrent jurisdiction in Certain Counties, 1949. No amendment to this Article)."

"§487.3 Al Menah Temple

"Has exclusive jurisdiction over the middle division of Tennessee, with the exception of the Counties of Cumberland, Fentress and Van Buren."

The amendments proposed by the Committee would eliminate the present concurrent jurisdiction of the two Temples in the Counties of Grundy, Franklin and Warren in the State of Tennessee, and restore exclusive jurisdiction in these Counties to Al Menah Temple.

The Committee on Jurisdictional Lines has approved the proposed amendments.

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles.

Respectfully submitted,

NOBLE WARREN L. JONES: Imperial Sir and Imperial Representatives. (Reading) To the Imperial Council, A.A.O.N.M.S.:

At the request of the Imperial Divan and pursuant to Section 101.5 (a) of the Imperial By-Laws, the Committee on Jurisprudence and Laws submits an amendment to Section 332.3 by adding thereto a new subsection to be lettered Subsection (M) and in the following terms:

(M) A Temple, which has remitted the dues of a member because of hardship, may also remit the Hospital Levy of such member for the year or years that his dues have been remitted, and so advise the Imperial Recorder.

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

NOBLE EARL SACHSE: Imperial Sir, Imperial Officers and fellow Representatives. I reported on behalf of the Grievances and Appeals Committee yesterday on two matters that had been referred to our Committee. The third matter the report had been concluded but had not yet been typed. I present it to you now. (Reading)

TO THE REPRESENTATIVES OF THE 91ST IMPERIAL COUNCIL SESSION, A.A.O.N.M.S.:

Pursuant to the By-laws of the Iowa Corporation, the committee on Grievances and Appeals considered the removal from office of James E. Lewis, the Recorder of Al Malaikah Temple, on September 24, 1964, and his suspension from membership in the Order on December 18, 1964.

After examination of records made available to the committee, and other pertinent information, your committee concludes that the Imperial Potentate was justified in his action.

No appeal has been filed by the suspended member.

The Imperial Potentate further recommends that the former Recorder, James E. Lewis, be expelled from membership in the Order. Your committee has considered this recommendation carefully and at length and concludes that on the evidence it examined, the recommendation of the Imperial Potentate is justified.

We recommend that this action be approved by this Imperial Council.

Respectfully submitted,

Imperial Sir, I move the adoption of this report. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. Question on the motion.

VOICES: Question! Question!

IMPERIAL POTENTATE BROCK: All in favor signify by the usual sign. Contrary the same sign. It is a unanimous vote.

We are running out of work. I want you to come here to the meeting tomorrow morning refreshed and ready and willing to work hard. We will try to expedite these amendments as quickly as possible. Some of them are not controversial and not changing the spirit of the law although they change the words. However, I am sure we will move through this very well.

Tomorrow morning will be the report of your Membership, Masonic Relations and Public Relations Committee which I am sure will be one of the most interesting and

fruitful mornings that you have spent in the Imperial Council. You are continuing the writing of history as you have done in years gone by.

I think I ought to bring to you the word that you have undoubtedly already heard that the Honorable Adlai Stevenson, the Ambassador to the United Nations, suddenly passed away this day. This may affect the President of the United States appearing this evening although I have assurances that the Vice-President will be with us.

I would like to hurry some of these Committees up but they have run out of work as well on reports.

The banquet doors are open tonight at seven o'clock. We will report here tomorrow morning at nine o'clock sharp. Will you please be prompt as you have in the past. Nine o'clock tomorrow morning.

Our Imperial Chaplain.

RT. REV. AND NOBLE JOSEPH M. HARTE: Let us pray. We give Thee thanks, O God, for Thy many Blessings and Gifts to us this wonderful day. May His Holy Name be praised. Amen.

(The Ninety-First Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 4:25 P.M. to reconvene at 9:00 A.M., Thursday, July 15, 1965, in the International Ballroom of the Washington Hilton Hotel, Washington, D. C.)

MORNING SESSION
THURSDAY, JULY 15, 1965
NINE O'CLOCK A. M.

The Ninety-First Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the International Ballroom of the Washington Hilton Hotel, Washington, D.C., Thursday, July 15, 1965, at 9:00 A.M., Imperial Potentate O. Carlyle Brock presiding.

IMPERIAL POTENTATE BROCK: Imperial Sirs, Illustrious Sirs, Distinguished guests, fellow representatives and nobles, my eleven-year-old son, Stuart, always says after a late night, "Daddy, it isn't the late nights, it is the early mornings." You know how right he is, but I hope you all slept fast if not long and will be able to remain awake and alert today.

Nobles, I will now call upon Rt. Rev. Joseph M. Harte, our Imperial Chaplain, to pray this morning for Divine Guidance upon our undertakings.

RT. REV. AND NOBLE JOSEPH M. HARTE: The Lord be praised for His many Blessings to us and may His Grace flow down like water upon this Imperial Session throughout this day under the aegis of the ages. Amen.

IMPERIAL POTENTATE BROCK: It is my honor and distinct pleasure to present to you the M. W. Grand Master of the Grand Lodge of Ancient Free and Accepted Masons of North Carolina, M. W. Sir Sam A. Hennis, Jr. (Applause)

M. W. AND NOBLE SAM A. HENNIS, JR.: Imperial Sir, Illustrious Sirs, Nobles. It is good to be with you this morning. Somebody said you were calling for me and I got in late last night. I just want to tell you how good it is to be with you and bring you the greetings of 65,000 Master Masons of North Carolina. Thank you. (Applause)

IMPERIAL POTENTATE BROCK: I shall now turn the meeting over to Past Potentate Larry Bulfinch, Chairman of our Necrology Committee, for his report and memorial service.

NOBLE F. LAWRENCE BULFINCH: Imperial Sir, Imperial Sirs and members of this Imperial Council. It is with deep sorrow and regret that I place upon our records the names of 94 distinguished members of our Order who have answered the final summons

since the last Imperial Council Session. Their names will be recorded and printed in the report of this Session.

NOBLE F. LAWRENCE BULFINCH: The Rt. Rev. Joseph M. Harte, Imperial Chaplain, will offer the prayer.

RT. REV. AND NOBLE JOSEPH M. HARTE: Remember, O Lord, Thy faithful servants according to the multitude of Thy Mercies and grant them an entrance into the land of light and joy in the fellowship of Thy Saints and in the Nobility of God. Amen.

NOBLE F. LAWRENCE BULFINCH: Imperial Sir, this concludes the report of the Necrology Committee and I move the adoption of the report. (Motion seconded)

IMPERIAL POTENTATE BROCK: There is a motion before us. All in favor signify by the usual sign. Contrary by the same sign. It is a unanimous vote.

Fellow representatives and nobles, at the beginning of this year, I announced and addressed my energies to the need of building in unity and strength our beloved Fraternity not only in numbers but in improving our public relations in Masonic relations and Wills, Bequests and Gifts. You were informed that we were about to remove the light from under the bushel and place it upon the highest mountain peaks and citadels across this continent proclaiming to the world our fraternal and philanthropic accomplishments in the past, those to which we must address ourselves today, and the shadows of benevolence and beneficence we were about to cast down the dim vistas of unborn days which lie unfolding before us.

It was my happy privilege to appoint an outstanding Past Imperial Potentate, a rugged individual who is not only sales minded but one who saw the need of uniting membership building, publicity and Masonic relations, knowing that the shrine was evolved from and builded upon the rugged, enduring foundations of the Masonic Fraternity, knowing further that we could not long endure unless the strength of the foundations remained enduring, unchallenged and secure. We were ever aware of the prestige enjoyed by the wearers of the red fez. We were ever mindful this prestige was ours because of the prestige of our masonic foundations and those of the prerequisite bodies. We knew there was neither time nor place for quarreling nor dissention within our own ranks since this is the hope and scheme of the godless materialists and communists who hope to divide and destroy us as a formidable entity against the world plan for communist enslavement, since united we stand the mightiest bastion against those who would rob us of our freedom struggling constantly for the preservation of the faith, morality and initiative of our forefathers, forever holding fast to the rights, worth, dignity and infinite value of the individual as a child of destiny and immortality.

We must therefore be ever aware that we justify our existence in the field of brotherhood that it was more than justified in the field of the world's greatest philanthropy, the most outstanding charity that the world has ever known. Yet ours is an even greater glory and nobler destiny than that of any people in the history of human existence. It was my inspired belief that this Fraternity was destined to be guided by dedicated leaders of the Shrine of North America to form the all-encompassing umbrella over all Grand Lodge jurisdictions and other Masonic entities in the bringing

of them together in a mighty marching force to stand as a deterrent forever against the forces which threaten our freedom.

With this in mind, I have asked Imperial Sir George Stringfellow this morning to come to you with a program the like of which I am sure you have not experienced in previous years. It is my belief that the fraternity, state or nation which is governed least governs best; as a result we do not have a preponderance of overwhelming legislation to present to you, and with your confidence and cooperation, which I have so thoroughly enjoyed since the beginning and throughout this convention, we will get it through in record time. If not, the Shrine has done well without the proposed legislation in the years which have fled. It can surely survive without it for another year or more. Our philosophy is devoted to the building. However, I am confident when this morning is over you will admit that your loins have been girded with the armament essential to carry on this God-inspired crusade, the crusade for freedom which inspired the Christian Crusaders to win back the Holy Land, one which will continue to grow in strength and in meaningfulness over the years and centuries as they unfold.

It is my privilege, fellow Representatives, to present to you Imperial Sir George Stringfellow and ask him to carry on. (Applause)

NOBLE GEORGE E. STRINGFELLOW: Imperial Sir, members of this Imperial Council. As far as I am able to determine this is the first time in the history of the Shrine that a forenoon or an afternoon session is to be devoted or was devoted to three most important subjects facing our Fraternity—public relations, Masonic relations and membership. We have a number of top-flight speakers this morning. I am sure that they will enlighten if not edify you on our problems.

Some wise man has said, "A problem once defined is half solved." During the last year your Committees, these three Committees, have put forth a great deal of time in our effort to define the problem.

Another wise man said, "There are four basic principles of procedure. You first must start off with a good cause or a good problem. Then you develop a policy. Then you develop an organization to implement that policy. Then you delegate enough authority to that organization to discharge its responsibility. Then you supervise. We at the Imperial Council level are hoping and planning to develop good policies, good organization, delegate authority and do some supervision from headquarters.

All of our speakers this morning are outstanding speakers. That is why they were selected. They are specialists in the subjects which they will discuss. I have asked them all, and they have willingly complied, to reduce their speeches in length to a maximum of eight minutes. However, they have sent to us manuscripts some of which run as long as fifteen minutes, even longer, and they are all good. It is our intention to publish those manuscripts as sent to us with an occasional modification in a little booklet and we hope to give that booklet very wide circulation throughout North America in all segments of Masonry.

Now there are those of you who will say, "Who can deliver a talk on an important subject in eight minutes?" That depends on how familiar you are with your subject. Perhaps the most memorable address in the history of the world was Lincoln's Gettysburg Address which is 180-odd words and which can be delivered with ease in a minute and a half.

Now every one of these programs, every speaker has a part of the agenda and when he has spoken for seven minutes a little red light before him will notify him that he has been here seven minutes and then he will have a minute to conclude.

Now Imperial Potentate Brock has repeatedly emphasized the need, and you have felt that need, of better Masonic relations, better relationships between all Grand Lodges and all segments of Masonry and the Shrine. He has appointed as Coordinator

a Past Potentate and Past Grand Master, Past Potentate of Hella Temple and Past Grand Master of Masons of the great State of Texas. He is our Masonic Relations Coordinator. He will be known next year as Chairman of the Masonic Relations Committee. That is what he actually has been this year. He is our first speaker. Then he will introduce the other Past Grand Masters who will address themselves to Masonic and Shrine relationships.

Then I will introduce an able speaker who is Coordinator of Public Relations, the Hon. Robert Fouke, and then he will introduce his speakers on public relations.

Following this I will present Paul McCray, Coordinator of Membership, and he will speak and then introduce his speakers.

With your cooperation we will be out of here a few minutes after twelve and I would like to say to you that we are going to declare a ten minute recess after we have been here about an hour and a quarter and I hope we don't abuse any of our audience but I think it is better to have a recess after you have been here on those hard seats for that time.

Now as I said at the very outset one of our most able speakers, one of our most top-flight citizens, one of the great Shriners and Masons of America is John McKee from the great State of Texas whom I now with great pleasure present. Bro. McKee. (Applause)

M.W. AND NOBLE JOHN MCKEE: Illustrious Bro. Noble Stringfellow, Imperial Potentate, M.W. Grand Masters who are present, Imperial Officers, Noble Delegates and those who may be visiting with us. With this eight minute time limit they have all kinds of lights up here. I don't know what happens after eight minutes but I am going to conclude my remarks by then because it may blow up.

When the year started and I was asked to work on Masonic Relations there was some doubt in my mind on exactly what problems we had, where were the problems and how serious and in what direction were they going, who was causing them, and getting into the other areas and facets that enter into Masonic relations. It was rather basic to have it go through my mind as to why do we have to have Masonic relations where we are all Master Masons? But in going through the trouble spots that developed through the year we found basically that we did have some problems, some that we brought on because of our own misunderstanding and some brought on, really most of them brought on, because of lack of communications. We have since defined two or three of the things that we have come up with.

I might incidentally say that those problems that did develop through the year we were able to move in with the help of all of the Imperial Officers and Past Imperial Potentates and sit down and talk out the problem and we found out that where the Shrine was being used as a whipping boy as a matter of fact it should not have been because of misinformation and because again of a deliberate attempt by some individual in order to try to split up and to have a so-called split that we have in this area some of you hear so much about. I am not convinced by watching the activities pretty closely and watching them from a critical standpoint that can 800,000 men be criticized or condemned in the public's mind because of the conduct of relatively a very few. In the history of our country I find that you always have and always will have some conduct of some individuals that would bring discredit, as you say, where the red fez brings it on to all Masons. I don't say that.

Yesterday afternoon I deliberately made a trip in Washington and traveled in ten taxicabs and I asked the cab drivers, and you get a good reaction here, on what was going on as far as the Shriners were concerned. I had no identification on. They said the conduct going on in this convention was better than that in any convention held in Washington in the past ten years. (Applause) This of course we can be quite proud of. As this hotel management told me they had a convention two weeks ago and it was amazing the amount of damage done to the property. In checking with the hotel this morning they said they haven't found even one pillow slip torn. (Applause)

So this image is built on us by our enemies and our enemies are not Masons. We have found out during the past year something that we are going to have to build some fences around, an area to watch, an area that you and I will suffer a great deal and this country will suffer. It has been brought out by the Jesuits. I know who they are and I know when the meeting took place. It is their objective to bring the word Mason into disgrace in the public mind. You can foresee and look forward in the next year to seeing a publication coming out and printed by a very reputable concern and in this publication if they get the circulation that they hope to get we will have a job on our hands. We are now working as fast as we can, as quietly as we can, to see whether this thing can be moved in a different direction but I will tell the Knights of Columbus and I will tell the Jesuits that we will use as individuals every tool that we may have at our command to use the same tools against them if they use them against us. This we don't want to do but you see your Communist conspiracy recognizing that they have two groups in this country that they have to destroy. One is Masonry and the other of course is the Church. Don't you ever think for a moment that you aren't awfully close. They are on the fringe.

Now as far as our relationship with Masonic Lodges. We find three things that I think you as leaders within your Temples and within your States that I would recommend. If I were you when you go back home call a meeting of your Temple Officers and run over quickly and find with the Grand Masters the problems that they have.

First is the lack of communications within a State. Something happens. The Grand Master found out about something that happened at a certain Temple. To give you a good illustration a Grand Master called me about four months ago where he said, "I am going to pick up and prefer charges against a Noble of a certain Temple because of a strip tease dance held in conjunction with their Ceremonial." I called this Potentate and asked him what happened the night before and he told me what he had on the program and he said, "By the way, my wife was there," and when we got to this point I said, "Would you mind getting in your car and going to see this Grand Master if I can arrange the appointment?" He said, "I would be happy to." He got in his car and drove 150 miles and he and the Grand Master and their wives had dinner together and the Grand Master called me two days after that and said, "I preferred charges against a Master Mason." As soon as he made this remark I said, "Something went wrong because I was thinking in terms of what occurred at this ceremony." He said, "I preferred charges against the individual who brought me the story relative to what happened at this Temple which was not true." So we lack communications.

Whenever we find something wrong if you will immediately call the Grand Master. After all the Grand Master, and this we should never forget, is and rightfully so the Master of all Master Masons within a given State and his authority is supreme. This is proper.

Another thing that we found that you and I can straighten out is the fact that we don't understand the proper Masonic protocol. Every individual has within themselves a certain dignity they would like to maintain and properly so by being elected Grand Lodge Officers or head of a prerequisite body. I find if when you hold a meeting, whether a stated meeting or some other ceremony, if you will immediately, if you have in your audience anyone from the Grand Lodge lineup, either elected or appointed, or the prerequisite officers, if you just offer them the courtesy of coming to the East and sitting down and being recognized you would be amazed at what can be accomplished. Lack of communications, the proper Masonic etiquette in what we understand.

The other thing is the proper approach to the conflicting of dates. Ninety per cent of our troubles internally is a conflict of dates. We are going to print a pamphlet—I haven't got time to go through with it—on what has been successful in two or three

States. We are going to send it to all of the State Chairmen and all of the Temples so you will have some idea of how you can overcome this problem of conflicting dates.

In closing let me make this one remark—the red light came on—keep in mind that the enemies of the free enterprise system are going to attempt to use you and I to assist them in breaking down the free enterprise system by causing conflict among the various bodies and we must always remember that we are all Master Masons. Thank you. (Applause)

Now I want to introduce to you—and I hope the red light catches him—the M.W. Past Grand Master of the District of Columbia, a Noble of Almas Temple, who is going to bring us a message from his wise Masonic experience as he is the Secretary of the Grand Masters Conference. I want to present to you M.W. Samuel W. McIntosh. (Applause)

M.W. AND NOBLE SAMUEL W. MCINTOSH: Imperial Sir, Imperial Sirs and Nobles all. I can't tell you how much I appreciate the opportunity to address this august body on the subject of Masonic-Shrine relationship. (Reading)

Masonry, in all of its structure, is a great and wonderful institution. It demands of us that in all our considerations for its welfare, we should be actuated by nothing but the highest motives. Never let us forget that the Craft we love is far greater than any of its individual members, but that in its public reputation it stands or falls by the lives led by those same individual members. One individual, by thoughtless disregard of his obligations can in moments cause almost irreparable damage to himself and the Fraternity he professes to love and to support. If he be a Shriner, he damages Masonic-Shrine relationship.

A Shriner must first be a Mason. Therefore, in speaking to Shriners, I am speaking to Masons all. I ask you this simple question: "When was the last time you visited your own Blue Lodge?"

Unfortunately, as in the case of the minister who chides his congregation for lack of church attendance, I am probably speaking to those who pay most attention to the affairs of Masonry in the Blue Lodge. But we know that many Shriners, feeling that they have attained some high peak, disregard completely their allegiance to the Blue Lodge, thus weakening the relationship between the Shrine and Masonry.

Those who are true leaders in the Shrine give their allegiance to Blue Lodge Masonry and endeavor to perfect the wholesome relations which must always exist between Masonry and the Shrine.

Our Imperial Potentate, O. Carlyle Brock, is entitled to a warm salute and congratulations upon his often expressed thought that the Masonic Fraternity is an institution of destiny that should endeavor to regain its potential of influence through reindoctrination of its members so that it may assume its proper place and proper conduct in the affairs of men.

Masonry can accomplish this only through the loyal cooperation of all who acknowledge their allegiance to the Blue Lodge and put into practice the great principles enunciated in our degrees as to our duty to God; to our neighbors; and to ourselves. We must never attempt to change Freemasonry but always strive to change ourselves by Freemasonry.

Our first allegiance is pledged at the beginning to Symbolic Masonry and it always remains paramount. This is a truism which every one admits; but the conduct of a vast number of Masons is inconsistent with it and exhibits a tendency to reject this principle. Too many forget what they owe to Symbolic Masonry and in practice deny that they owe it a duty and their service.

A Potentate of a Shrine Temple who has had experience as Master of his Lodge, is well grounded in Masonic ritual, protocol and the meaning of Masonry. He is well

equipped to foster good Shrine-Masonic relationship. He will either be familiar with Grand Lodge law or know where to get the necessary information to avoid pitfalls and conflicts. He will find frequent conferences with the Grand Master or Master of his Lodge refreshing and helpful to both. This makes for wholesome Shrine-Masonic relationship.

If a Potentate lacks that experience, the Shrine-Masonic relationship during his year will be in direct proportion to the effort he makes to prepare himself for the responsibilities of his office.

He will be given much assistance in Shrine Protocol as to the recognition of Shrine dignitaries, but little guidance with respect to homage to be paid to a Grand Master or the Master of a Lodge.

Too often Master Masons proceed into the Shrine without becoming grounded in the traditions of Craft Masonry, its teaching and philosophy. Good and wholesome instruction, if not received in a Blue Lodge because of lack of attendance there or other reasons, must somehow be supplied in the Shrine so that all Nobles may know that they are first Masons and then Shriners.

Shriners should follow the same rectitude of conduct in and outside the Shrine as is practiced in the Blue Lodge and the Rites.

Whatever is of a nature to exalt and magnify Masonry, whether it be found in the Blue Lodge; in the Shrine; or in any other body owing its allegiance to the Blue Lodge, must be furthered and encouraged.

Whatever is of a nature to lower it; to vulgarize it; to lessen it in the general estimation of the public; to make it ineffective and inefficient; to cause it to decay, or bring it down to the level of other orders, must be withstood and opposed. We must endeavor at all times to prevent and counteract actions which lead to those results. This will always require the highest cooperation between the Shrine and Masonry.

Shrine-Masonic relationship imposes responsibilities which cannot be escaped, and it would be a grave error to suppose that no responsibility is created by our membership in the Masonic Fraternity and in Shrinedom. Duty is always commensurate with ability, opportunity, and enlightenment. No one comes into the Shrine who has not had the beautiful teachings; the lessons; the high principles of morality and truth exemplified in the prerequisite degrees. Duty increases with the acquisition of dignities; it becomes more imperative with every investment in a new degree.

An order that should call itself "Masonic" and require no performance of Masonic duties to others by its members, but only ministrations to their own social enjoyment and to their fondness for display and notoriety, has no manner of right to the honorable title assumed by it. The life of Masonry consists in its performance of duty and a Degree that inculcates none would be neither high nor Masonic and would not tend to strengthen the ties which must exist between the Shrine and Masonry.

Masonry grew out of a desire in the heart of every true man for harmony in his relationship with God and his fellow man. One who has been exposed to the clear stream of the real truths of Freemasonry and has been influenced thereby, will not conduct himself in a manner to detract from Shrine-Masonic relationship.

We must never, in any of our relationships feel that by glorifying ourselves and forgetting the source of our strength, which comes from the Symbolic Lodge, we can be truly loyal either to the Shrine or to Masonry.

An interested Blue Lodge Mason makes a better Shriner and a good Masonic background is the foundation of true leadership in Shrinedom.

Masonry's modern mission is the teaching of morality; the making of good men better men. It tends to develop men who know the true worth and meaning of the principles

of right living enunciated by our Craft. Men who fully respond to its teachings are prepared for living in what has been described as perhaps the most devastating period of all human history.

Let us consider some statements of the late Frank S. Land, Imperial Potentate of the Shrine in 1955. One of his articles was entitled "The Debt We Owe" and I quote as follows:

THE DEBT WE OWE

"An obligation should be regarded as but a small payment for one of our most priceless possessions." Anon.

"The fez you wear as a Shriner is very important. You wear it to tell the world you're a Shriner. You also, in the same breath, are telling the world you're a man with vast obligations.

"What does that fez really mean? Well, I can find no words of my own to equal those used by my friend Past Imperial Potentate Hubert M. Poteat, who said:

'It means many things to many men, but the one thing it must mean to all men is that he who wears it also wears the White Lambskin apron of a Mason. It seems to me a great pity and shame that some Shriners forget their duties to the Old Mother Lodge and look down their noses at Brethren who are 'only Master Masons.'

'We ought never to forget that if there were no Master Masons there would be no Shriners. The very best insurance policy on the future of the Order is the alert and active interest and participation of our members in the work of the Blue Lodge.

'But, there is another and weightier reason for loyalty to the Square and Compasses; the great fundamentals of belief in God, duties to one's fellows, and the sublime hope of immortality are and must always be our guiding lights, our inspirations, our strength and our salvation. Thus, Noble, your Lodge becomes the handmaiden of your Church, and one of the mightiest warriors in the sacred and blessed cause of righteousness, peace on earth, and good will to all men.

"If it were possible, I would ask you to paste this in your fez. However, I sincerely hope you will remember it always and treasure and carry out your obligation.

FRANK S. LAND
Imperial Potentate"

April 4, 1955

Frank Land was always conscious of the powers and prerogatives of a Grand Master and the need to support the Blue Lodge, and on these points he wrote:

"All informed Nobles want to keep the reputation of the Shrine one of which all nations may be proud. Occasionally, I am sorry to say, too much enthusiasm leads to a type of entertainment which should not be staged, or to some acts which are at variance with the principles of Grand Lodges. Here the court of last resort is the Grand Master and/or the Grand Lodge, the supreme governing body of all Masons. A Grand Master has the power by edict, to read the Shrine out of existence! None of us who love the Shrine with understanding of this fact will ever wish to have it demonstrated—but it is there, a brake upon unwise plans.

"The more Nobles support and take part in their Blue Lodges, the less likely they are to be led to actions which neither Imperial Council of the Shrine and Imperial Potentate, or Grand Master and Grand Lodge of a state or province can tolerate."

In his annual address as Imperial Potentate in 1955, Frank Land used these words, applicable today as well as then:

"Now is the golden opportunity for the Shrine to make a great contribution to Freemasonry, and all of its branches. We, of the Shrine, have demonstrated amazing

skills in doing those things that lay close to our hearts. What a tremendous 'shot in the arm' we of the Shrine, with all our amazing abilities, skills, leadership and pageantry, can give to Freemasonry if all of us will go back to our symbolic Lodges and the Rites . . . and by attendance and offers of aid, re-educate ourselves in the obligations, traditions, and beautiful lessons of the Craft.

"It can be done! In fact, it must be done! In no other way can the unity and solidarity be brought about to assure perpetuation of Freemasonry itself. No house can stand divided against itself. Our house is NOT divided. It merely needs shoring up . . . bolstering in places . . . to make it a solid wall."

The following paragraph in the Ritual was added with a view for closer cooperation between the Shrine, the Rites and Blue Lodge:

"And remember always that when you place upon your head the red Fez of a Shriner, you are symbolically tying about your waist the white Lambskin Apron of a Master Mason. Your first duty has always been, is now, and will forever be to the old Mother Lodge, for you received there the highest degree you will ever receive, this side of Paradise—the degree of Master Mason. The light that has shone upon you from the beautiful ceremonies of the Scottish and York Rites, and the warm and gracious glow that will bathe your soul today in the Shrine, impose on you a sacred obligation—to carry back to your Blue Lodge your new illumination and inspiration. Thus, you will be at once a better Master Mason and a better Shriner." This then is Shrine-Masonic relationship. (Applause)

M.W. AND NOBLE JOHN MCKEE: Now Past Royal and Select Master and Past Grand Master in the State of New Jersey who will give us his thoughts and concern about Masonic Unity, M.W. and Noble Adrien B. Hommell. (Applause)

M.W. AND NOBLE ADRIEN B. HOMMELL: (Reading) Imperial Sir, O. Carlyle Brock, Imperial Potentate, Imperial Sirs, Distinguished Guests, Representatives to this Imperial Council and, last but by far from the least, in that you are the foundation stone on which Shrinedom is erected, my Brethren of the Masonic Fraternity.

I would first like to express my sincere appreciation for the invitation which was extended to me to address for a few moments the Nobles attending this Session of the Imperial Council on MASONIC UNITY, through which UNITY OF MASONIC PURPOSE it is hoped that a better relationship will be created between the Symbolic or Blue Lodges, the Grand Lodges in their respective Grand Jurisdictions, the Scottish Rite Bodies as well as the Chapters, Councils and Commanderies of the York Rite and the Ancient Arabic Order Nobles of the Mystic Shrine.

Imperial Sir Thomas C. Law, in referring to MASONIC UNITY, said, "A dream of a score of years has become a reality" and he felt that current Masonic leaders in all the prerequisite Bodies have been inspired by the gradual development of a closer affiliation with the Shrine and a better understanding of the purposes for which each Masonic Body is striving toward.

In the reading of the Annual Proceedings of practically all Bodies of Masonry in recent years, one is struck by the great number of the Bodies reporting a decline in membership and it is through the MASONIC UNITY of which I speak that Nobles of the Mystic Shrine can assist the Blue or Symbolic Lodges and the other prerequisite Bodies of Masonry in solving the problems of declining membership.

I remember that not too long ago Imperial Sir, George E. Stringfellow, at a meeting held with the Grand Masters attending the Annual Grand Master's Conference in Washington, D. C., asked the Grand Masters present at that gathering how, where and under what circumstances they thought the then 830,000 Shriners might be of help in assisting Masonry in damming of the leaks which lead to the losses being reported year after year of late and brightening the Masonic picture so that it will appear to the eye of the profane that Symbolic Masonry and all its affiliate Bodies is an Institution

of great importance whose Principles lead it to strive for that one great purpose "the promotion of the Brotherhood of Man."

How can Shriners assist Symbolic Masonry in doing this? I'll tell you how I think each of you as a Shriner can aid our cause. I suggest that you at all times remember that you are a Mason, Raised in a Symbolic Lodge; demeaning and conducting yourself as a Mason in the communities in which you live and practice your respective professions; and last but not least throw some of that enthusiasm which you exhibit in your Shrine Temples into the Work of your Symbolic Lodge to help hold Masonry on a high pinnacle, for Symbolic Lodge losses are Shrinedom's loss and as the Symbolic Lodge advances or holds its own in this age of competition for each man's time, so will the Mystic Shrine advance and hold its own.

Let me say to you my Brethren that no Lodge, Chapter, Council, Commandery, Scottish Rite Body or Shrine Temple can exist without leaders. As a Shriner you should be a leader in the Cause of Masonry.

The leader in a Symbolic Lodge, and you can be one, is as essential to that Lodge, or any other affiliate Body of Masonry in which he may be working, as steam to an engine, wheels to a car or current to an electric light but Nobles I am sure you will agree with me that steam, wheels and current alone cannot produce power, motion or illumination. Hundreds of workmen must labor in building the engine which produces the steam, assemble the car on which go the wheels to produce motion; erect the poles and string the wires that carry the current to the bulb in your home which produces the light by which you see and read during the evening hours.

We turn on the light or use the telephone and few of us give thought to the work and effort of the workmen who produce it in their own small way, yet, without their work, we would not have these indispensable aids to modern living and so it is with us as Shriners and as Masons, each of us must do his share in his Symbolic Lodge to make a thing which we believe to be GOOD, BETTER.

To do this we, as Shriners, must give serious thought to and bend our shoulders to the task of producing greater MASONIC UNITY. How can we do this? Not every Shriner is a good ritualist but there are great numbers of them who are outstanding in their presentation of the Ritual of the Shrine and they too, can assist their Symbolic Lodge in the presentation of the several degrees of the Symbolic Lodge so that the lessons taught therein will make an outstanding impression on the hearts and minds of those receiving their first lessons in Masonry. This may aid Symbolic Lodges in holding the interest of their Brothers and go a long way to preventing a certain percentage of Masons who each year become suspended N.P.D. because of their loss of interest in the Institution called Masonry, due perhaps to the fact that the Light of Masonry was not properly kindled during their initiatory period. Degree teams in Shrine Temples in the past and present have shed new Light on the degrees of Masonry they have conferred and I have no doubt inspired respect for the Shrine and perhaps ignited a flame of thought in the minds of the Brethren who witnessed their Work as to what sort of Mason is a Shriner and why should I not be one of them?

Each year in each of your respective Symbolic Lodges in December appears a list of those of your Brethren who are delinquent in the payment of their dues. Shriners could assist their Worshipful Master by accepting appointment by him to interview those who are on the suspension list in an effort to assist them in retaining their standing in their Lodge. You interview Nobles of your Temple who are on such a list for suspension so why not assist your Symbolic Lodges? Remember the Lodge's loss of the member may also be a loss to your Temple.

Another important committee function in the Symbolic Lodge are the committees appointed to investigate the petitioners for the degrees of Freemasonry. You, as a Shriner could well assist your Lodge by advising your Worshipful Master of your availability to serve on Investigation Committees. That you are a Shriner is indicative

of the fact that you have Had More Light than the average Symbolic Mason who might serve on an Investigation Committee and because of your Masonic Experience YOU are the better enabled to properly investigate a petitioner for the degrees of Freemasonry. Lend your Symbolic Lodge the benefit of your experience and by so doing you are assisting in establishing that MASONIC UNITY of which we speak.

I think the greatest story I have heard concerning Unity is the one about the presentation of a beautiful Bible, that Great Light of Masonry, to the United Nations by the delegation from Norway.

The presentation was made in the main auditorium in the United Nations building in New York City.

A large table was set in the center of the auditorium and the beautiful Bible, its cover engraved in gold, was spread open upon the table.

In order that the presentation might receive the greatest amount of publicity, the Secretary General of the United States summoned the newspaper reporters and photographers from all the nearby papers. At the presentation ceremony, the Secretary General was asked to point at the open Bible so that a proper picture of the presentation might be taken for publication in the newspapers covering the event.

He did so, and immediately after the flash bulbs went off and the picture was taken for posterity, one enterprising reporter dashed up to the table on which lay the open Bible, to see, if he could, where the Secretary General had indiscriminately pointed to the open Bible while the picture was taken and you can believe it or not, my Brethren, the Secretary General's finger pointed to that passage of scripture wherein it is said "How great and how good it is for Brethren to Dwell together in Unity."

Such is YOUR duty as a Shriner and if we as Masons and Shriners are to meet the Obligations of our Institution we can best do it by showing to the world that MASONIC UNITY reigns within the ranks of Masonry.

I want to thank you, Imperial Sir, for this opportunity of expressing my views concerning the dream which is becoming a reality, MASONIC UNITY, for if there is ever a time when good will between all the Bodies of Masonry should exist, the time is now! (Applause)

M.W. AND NOBLE JOHN MCKEE: Kora Temple in Maine sends its Potentate who has also served as Grand Master of the State of Maine. This man has been the recipient of awards from five Masonic Grand Jurisdictions with the title of outstanding achievement in Masonry because of his work in two organizations, particularly DeMolay and the Order of Rainbow for Girls. He is a man who has been dedicating his time and work in an area where you and I this coming year, I hope, move into because it is so important. It gives me a great deal of pleasure to present Noble Paul L. Powers, Past Grand Master of the State of Maine. (Applause)

M.W. AND NOBLE PAUL L. POWERS: Imperial Sir, Imperial Sirs all, and my M.W. Grand Master Wallace H. Campbell who is on the stage. (Reading)

The improvement and development of the relations between Symbolic Masonry and all its appendant and collateral bodies, including the Shrine, is a subject upon which I have had intense interest for some thirty years and particularly since my service as Grand Master of Masons in Maine in 1954 and 1955.

The Shrine has a peculiar status because, while technically speaking, it is not a Masonic body, yet it is composed entirely of Masons and the uninformed public regards it as one of the so-called "higher bodies of Masonry." For this reason, the necessity for protecting and improving our relations with all the prerequisite bodies becomes more important and vital, especially since every member of the Shrine is directly subject to the jurisprudence and disciplinary action of the respective Grand Lodges.

Our Grand Masters in Maine for several years have conducted Masonic Unity Conferences to which the heads and officers of all collateral appendant and Shrine bodies are invited to attend and to deliver papers upon the subject. These have proved to be most helpful, yet the method of working out a calendar of Masonic and Shrine events in the hope of avoiding conflict has not as yet been successfully arranged even though we recognize the fact that this is one of the most pressing problems.

Relations of Kora and Anah Temples with the Grand Lodge and other prerequisite bodies of Maine have had careful attention and have been very much improved over the last decade. For this reason, we have no real problems existing at this time.

While on annual vacation in March of this year in Florida, I became much relaxed and refreshed and was rapidly developing the illusion that everybody loved me and that I loved everybody else in Masonic circles and Shrine circles. I was greatly shocked to receive in the mail one day a letter which had been prepared, mimeographed and circulated among an unknown number of Masons by the man who would become Grand Commander of Maine in May and the man who had been personally very friendly with me over the last ten or twelve years. The opening sentence of the letter said, "The decision of the Potentate of Kora Temple to schedule its Summer Shrine Ceremonial on Saturday, June 26, 1965 in the southern area is considered most regrettable. The action of the Potentate appears to indicate either ignorance of the significance of the date or indifference to the fact that June 24th is traditionally a Knights Templar date of extreme importance or, in modern times, the Saturday nearest June 24th, and should not be encroached upon. Undoubtedly, the ceremonial date was selected months in advance, however, Saints John Day has been a Knight Templar date since 1813 or prior to the Shrine's existence.... It is unfortunate that conflicts in scheduling are permitted to occur. This situation does not apply in the Bangor area this year but I am informed that a similar situation has occurred with Anah Temple in the past...." You can well understand that such an indictment of ignorance or indifference, especially based upon erroneous facts, shocked me out of my illusion of love on all sides and drove me to the nearest telephone to talk with the Grand Commandery Recorder's office in Portland to determine what had prompted such an indictment from an old personal friend and to learn how many hundreds of copies had been circulated around the State of Maine. I was relieved to learn that the letter had been circulated only to the elective Grand Commandery officers and to the Past Grand Commanders, practically all of whom were personal friends and well known Masonic brethren to me.

I suddenly realized this was the first test of my ability and qualification as State Chairman of Masonic Relations and that I must keep my passions within due bounds, control my Indian and Irish blood and take ample time before making a reply. My reply was made April 29th, in a letter to the Deputy Grand Commander, photocopies of which I circulated among the same people to whom he had delivered his letter above referred to, and each time I checked my file and read my reply I am happy that I waited, and that my reply consisted of what I felt was a kind and fairly intelligent discussion of the significance of Saint John the Baptist's Day and of the very different significance of the annual Field Day of the Grand Commandery of Maine. I am further pleased with the fact that the Deputy Grand Commander, on his own initiative, approached me at the Grand Lodge banquet, held the next week at Portland, complimented me upon my "masterful reply" and in effect withdrew his indictment of my ignorance and indifference. I am happy to say that it was my pleasure to participate in the parade and field day banquet of the Grand Commandery affair in my capacity as Potentate of Kora Temple, and that my good friend, the Illustrious Potentate of Anah Temple, was also present and that our mutual friend, who was then Right Eminent Grand Commander, provided convertible cars with suitable inscriptions for us to ride in for the parade. The Grand Commander was also present at our Hot Sands–Field Day on the Desert of Maine on June 26 and was accorded the same distinction, honors and participation that he had accorded to me.

I am further happy to say that our relations are closer than ever, both personally and fraternally, and I feel this incident was a real test in the field of Masonic Relations and brought into focus the great need of a clearing house for dates of Masonic functions of the various bodies.

Until two years ago, it was difficult for us to procure names and addresses of newly made Scottish Rite Masons; however, our then Potentate, after conference with the active thirty-third degree members in Maine, worked out a temporary gentlemen's agreement for the procuring of that information. It is my definite belief that arrangements should be made through our Imperial Executive Committee on Masonic Relations directly with the governing officers of the Scottish Rite bodies and York Rite bodies in order that this information would automatically become available upon request by the Recorder of each Temple in the area involved. It is also my belief that Shriners should be definitely ordered not to solicit candidates at either Scottish Rite or York Rite functions or meetings.

Time allotted for this paper does not permit the discussion of reasons existing for poor relations in some areas, or suggestions for improvement of the same, but the following are a few conclusions drawn after interviews and correspondence with many outstanding Masonic leaders both within and outside of Maine.

1. "The only real barrier to the most cordial and friendly relations between the Shrine and sovereign Grand Lodges has been the unfortunate tendencies of certain Shrine Temples in their subsidiary Shrine Clubs to indulge in conduct which is contrary to the Masonic jurisdiction which is concerned, which brings the good name of Masonry into disrepute, and which has caused Grand Masters in every section of the country to take disciplinary action in order to protect the good name of the fraternity."
2. "The more contacts between the Shrine and the various York and Scottish Rite bodies, the better the relationship will be, and every time the Shrine Chanters sing at a Masonic function, every time the Legion of Honor Drill team puts on an exhibition drill at some Masonic event, every time that a Shrine Band plays at a Masonic gathering, good will is generated and good relations are strengthened."
3. "The profane world is apt to regard the Shrine as the very "cream" of Masonry. Misconduct or unmasonic conduct by a Shriner or a Shrine Club certainly incurs the animosity of Masonic leaders. The leaders of the Imperial Shrine should issue strong directives ordering compliance with the laws and regulations of the Grand Lodges but final responsibility rests with the leadership of the local Temples."
4. "Many infractions are the result of ignorance of Masonic law. Too often the moving spirits of local Shrine Clubs are only nominal Masons who have no idea whatever as to the Masonic law involved in any of their activities. An educational program by the parent Temple is definitely in order."

The man who will become Grand Master of Masons this coming year feels that "there should be the requirement that a petitioner to the Shrine should be a member in good standing of the prerequisite body of Masonry not less than one year before he qualifies to petition, and that this requirement should apply to any appendant body of Masonry" and he feels that Masonry's teachings of morality and moderation in all things should be the constant practice of any Shriner, particularly whenever in the public eye.

Now the man with whom I had my little incident, whom I referred to earlier in this paper, has received opinions that "the Shrine has so broadened the scope of general activities through Temple Units, Shrine Clubs etc., that many of the best Masonic workers are siphoned away from less glamourous and less rewarding work in other branches of Masonry." His personal feeling is that we have not attracted sustained qualities in leadership or on levels in prerequisite bodies necessary to keep step with the changing times. He says "perhaps it was meant that we had to suffer the

tremendous losses of the thirties and be falsely inspired by the synthetic gains of the forties, in order to be tried in the crucible erosion of the fifties and sixties, but I have the feeling that some so-called Masonic leaders have not worked hard enough to overcome these events."

Imperial Sir, I want to assure you that in the Northeast Corner our relations are going forward well and we look forward to closer and better relations. Thank you. (Applause)

M.W. AND NOBLE JOHN MCKEE: Now fom the great State of Maryland they send to us a Past Grand Master of the Grand Lodge of Maryland, Past Potentate of his Temple, a member of the legal profession, Dean of the University of the Palmer School of Law, a public servant in civic affairs, a firm believer of unity between the Scottish Rite, York Rite and the Shrine. He is going to bring to us his thoughts on Shrine Masonic Relations. With that I give to you M.W. and Noble Bro. John H. Hessey. (Applause)

M.W. AND NOBLE JOHN H. HESSEY: Imperial Potentate and Nobles all. (Reading) Shrine Masonic Relations, the subject for my remarks, is broad in its scope and is one which we hear much about these days. Many Masons, and even non-Masons, voice their opinions about Masons and Shriners. The uninformed generally think of the red fez as indicative of Masonry—whereas it is in fact only a small part. True, to be a Shriner one must be a Mason and must even have membership in some other coordinate body. But the Shriner, in addition to his great humanitarian projects with crippled children and treatment of burns, seeks fun and frolic which brings him into the public light far more than the member of the Blue Lodge, which is the basis and foundation of all Masonry. It is essential that all Masons—no matter of what body or order—should exhibit at all times the true principles of Freemasonry which have withstood the test of time.

Who is a Mason? A Mason is a man who believes in God and practices that belief. At the same time he believes in brotherly love and practices that belief. A Mason uses the symbols of a builder to set for himself and his brethren a code of life which refines his thoughts, purifies his sympathy, and broadens his outlook. It amplifies his friendship, exalts his morality. Its purpose is set forth in an article written by Walter M. MacDougall, Worshipful Master of Piscataquis Lodge No. 44, Milo, Maine, and published in the June, 1965, issue of the "Short Talk Bulletin" issued by the Masonic Service Association of the United States, and is as follows:

> "Our purpose is to strive for the completion of a spiritual temple, a vision grand enough to have stood the passing years and strong enough to overcome whatever problems the future may bring. Freemasonry's spiritual temple is the moral and spiritual growth of the individual."

In an address by George E. Stringfellow, Past Imperial Potentate, published at Vancouver, British Columbia, Canada, in the Masonic Review Digest in 1960 he defines a Shriner as a Mason who employs all of the virtues and characteristics which I have heretofore mentioned and further states that the virtue of a Mason requires refreshment from time to time and that in obtaining that refreshment Shriners adopt the code of pleasure without intemperance, hospitality without rudeness, and jollity without coarseness.

Membership in the Shrine is based on the applicant's being either a 32° Mason of the Ancient and Accepted Scottish Rite or a Sir Knight holding membership in a Commandery of Knights Templar. Both of these bodies require membership in a Blue Lodge before the applicant can be accepted. The basic prerequisite of all co-ordinate bodies is membership in the Blue Lodge.

Although my subject deals with Shrine Masonic relations, a word as to some other bodies might be in order.

The York Rite bodies and some other groups basing membership on York Rite bodies generally meet in the Grand Lodge Temples and work more in harmony with the Grand Lodge than does the Shrine. The Shrine builds or maintains its own Temple without coming under the sphere and influence of the Grand Lodge.

The teachings of the Scottish Rite, while holding their meetings generally within their own Temple, have as their objective, the philosophical side of Masonry, and is a teacher of great Masonic truths. While the fellowship of its brethren is most important, it does not require or resort to public pageantry.

Membership in the Commandery requires a belief in the Christian religion, and while a Sir Knight goes forward under the banner of Christianity and as a Soldier of the Cross, his conduct is such that it generates good relationship at all times and it is hardly likely that his actions will be misunderstood.

On the other hand, the Shrine, because of its pageantry and its public appearances, is more generally considered by the uninformed public to be the real representative of Masonry. It is therefore highly important that the relationship between the Shrine and the Grand Lodge should be cooperative, harmonious, pleasant and understanding. In the past many things have happened which have strained the relationship between Grand Lodges and the Shrine; or should I say between the Grand Masters and the Potentates.

In looking back we see in the gallery of our memories certain events or happenings which have done, or still do, much to cause ill feeling between the Shrine and the Grand Lodges. Let us reflect on three only at this time.

A Potentate of one of the finest Temples in Shrinedom appointed a Deputy Grand Master to the office of Marshal. The succeeding Potentate asked for the resignation of this officer, basing his request upon a statement that the Shrine and the Grand Lodge did not mix. What a tragedy. Needless to say, the Potentate was not active in his Blue Lodge.

Witness as we do so many times the flaunting of the orders and rulings of Grand Masters by persons active in Shrinedom or officers of the Temple. Again this shows a lack of knowledge of symbolic Masonry.

The refusal of the Shrine to recognize the suspension of a Shriner from a Blue Lodge and to permit that member to attend Shrine functions simply because he has not yet been suspended by the Scottish Rite or a Commandery has caused and still causes much ill feeling. What moral right does a suspended Mason have to enjoy the privileges of the Shrine.

Let the past dead bury its dead. A new dawn is approaching. On every hand we see leaders of the Temple striving for a better understanding and a finer relationship between the Grand Lodges and the Shrine. Their efforts will bring forth good fruit but their efforts cannot be crowned overnight. A gradual change for the better is taking place. The relationship between the Shrine and the Grand Lodge can still be improved. Continued emphasis by the Shrine should be placed on Blue Lodges and appointments should be made from time to time of persons active in Blue Lodge Masonry, particularly Past Masters.

The splendid endeavor which our present Imperial Potentate has made to bring about a better understanding between the Shrine and other bodies of Masonry is most salutary and has already produced much good for Masonry throughout the entire world. I congratulate him upon his determination to give the Shrine and Masonry, generally, a new image, and the progress which has been made.

Freemasonry has existed from time immemorial. No one can tell when it really began. During the history of its existence, the duties and the prerogatives of the Grand Master have remained steadfast and constant. They come to us as the common law of England came to this country in the Revolutionary days. Many Masonic laws,

founded in antiquity, are not subject to code or statute. On the other hand, the Shrine maintains its status and constitutions under which it acts. Its officers have no powers except those delegated to them.

A Shriner should always remember that he is a Mason first and a Shriner second, and that the Grand Master is supreme. When this is firmly implanted in his mind, the relationship between the Shrine and other Masonic bodies will be harmonious and fruitful.

Masonry has, since its inception in the early centuries, been a light unto all people. I commend you to

"Hold high the torch!
We did not light its glow—
T'was given us by other hands, you know;
I think it started down the pathway bright
The day the Maker said: 'Let there be light'."

(Applause)

M.W. AND NOBLE JOHN MCKEE: Illustrious Bro. Brock, this concludes the report of the Masonic Relations. I have been asked to summarize. Of course, it would be quite foolish to try to summarize the remarks by these outstanding Grand Masters.

I am going to make a recommendation to the incoming Imperial Potentate that he reappoint the same State Chairmen and that he reappoint the same Temple Chairmen that were originally appointed by Illustrious Bro. Brock. The reason we would rather see the same men appointed is because we have to have continuity. If we put new men in we run into difficulties and I am going to make the suggestion. I am sure that each one of you in good time will receive a letter from him on your appointment to Masonic Relations.

Now a word to the enemies of Freemasonry and this is what we are quite concerned with, that we would like for you that any time that you see something happening in your area regardless of how minor it may be, that is an indication either by printed material or some speech or some action that would reflect directly or indirectly on any of the Masonic Bodies including your Grand Lodge, I would appreciate it very much if you would send this to the Imperial Potentate's office because these little things sometimes tie in. As I said before, those of us who are on Masonic Relations want nothing except the right to defend the rights of individuals in this free society of ours to go their way as their ability may dictate without any interference by any organization, and there are only two organizations in this world that have the capability of stopping this great trend that is moving so far to the left, that is your Churches and your Masonic organizations. By this time next year our internal problems will be solved. Then we will be ready and certainly all of us individually will take on the external and the more serious problems we have.

I hope that the Jesuits fully understand that we know where you meet, we know what you talk about, we know what your plans are, and we are perfectly willing to meet you in the open if you so desire because we will bypass as men serving the rights of individuals where you will go by the board serving the rights of self. Thank you very kindly. (Applause)

IMPERIAL POTENTATE BROCK: Thank you, Illustrious and Most Worshipful Sir John McKee for your untiring efforts throughout this administration and for those who came with you in bringing to us this morning these meaningful words of wisdom from which all will profit throughout the years before us. These papers will be published and distributed to you. All will have them.

Might I add these words which I believe came from Longfellow: "The heights by great men reached and kept were not attained by sudden flight but they, while their companions slept, were toiling upward through the night."

Masonry builds her temples in the hearts of men. It was Carl Schurz, I believe, who said, "Ideals are like stars; you will not reach out and touch them with your hands but like the seafaring man on the desert of waters, you choose them as your guides, and following they will lead you to your destiny."

I am reminded of the story of a man who was passing the construction of a magnificent edifice. In the building, of one of the workman he asked, "What are you doing?" The response was, "I am laying stone." To another he asked, "What are you doing?" And the response was, "I am working for $20 a day." But the humble old Irish hod carrier, when interrogated as to what he was doing, dropped his hod and stood back viewing the rising walls with admiration and proudly proclaimed, "I am helping to build a cathedral."

This is the mission of the Shrine of North America to build that elaborate cathedral of Masonry and the Shrine. (Applause)

NOBLE GEORGE E. STRINGFELLOW: Thank you, gentlemen.

Imperial Potentate Brock appointed as your Coordinator for Publicity and Public Relations a Past Potentate of Aahmes Temple in that sunny State of California, an able lawyer, an educator, great fraternalist, fine speaker, the Hon. Robert H. Fouke whom I now present. (Applause)

NOBLE ROBERT H. FOUKE: Imperial Sir, Imperial Sirs, Representatives, Nobles all. In the words of the Chairman of the three Committees that you are hearing from today he expressed the opinion that a problem defined is a problem solved. So it is that your Committee on Public Relations and Publicity has endeavored during the past year to find out what if any problems existed and then to ascertain if possible the solutions to those problems. I am please to report to you today that while we found many problems we also found many solutions. In the words of that noble poet, Edwin Markham, famed for the poem "Man With A Hoe," another poem is more applicable today. It is entitled "The Look Ahead."

I am done with the years that were: I am quits;
I am done with the dead and old.
They are mines worked out: I delved in their pits;
I have saved their grain of gold.
Now I turn to the future for wine and bread:
I have bidden the past adieu.
I laugh and lift hand to the years ahead:
"Come on: I am ready for you!"

The question posed today is, are we ready for the future? John McKee has told you of the program that was inaugurated by our Imperial Sir O. Carlyle Brock for a long term program designed to meet these matters and to insure if possible the complete unity of our Masonic Fraternity, affiliated bodies, and the Shrine, and let me remind you, Nobles and Representatives, the fact that there are throughout the world some 9½ million Masons of whom many in other countries have to work under ground. Here we are able to work in the light of Masonry. We do not have to hide our light under a bushel. We can follow the Biblical admonition to proceed to express these points if we will do what another outstanding Mason has characterized, Edgar Guest, in his poem, "Facing the Facts."

In our publicity we are endeavoring to find out these facts. This is the purpose of the entire program.

I would be remiss if I did not recognize the outstanding leadership provided by O. Carlyle Brock and in turn his appointee, Past Imperial Potentate George Stringfellow, because we facetiously refer to George Stringfellow as our wagonmaster. Never does he tell us to do something, he asks us. When he asks us to do it, and we don't do it we know we are going to hear about it and often. Nobles, it is a pleasure

to work for somebody who wants a job done. So I say to you if you want the job done you too must extend your cooperation and assistance which unfortunately I have to say in the past has not been extended because many of you are not aware of your duties and responsibilities as Masons.

It is necessary in turn that you know your responsibilities and duties as Shriners. If we wish to command the respect of others and to demand it we in turn must act in such a way that it will reflect the character of our actions to the end that others will respect us. One bad apple in a barrel can cause more trouble than many can do good or retain the bounty or the flavor of the apple.

We have in Masonry the greatest force that mankind has ever conceived. We have in short the citadel, the foundation of liberty and freedom in this particular organization but in Masonry we hide our light under a bushel as we are not permitted to invite others to become members, but in the Shrine which is the playground of Masonry in short but also the charitable agency we do have the show house where we can publicize our activities.

There are many ways to achieve good results if we just have the willingness to do so and the know how and will endeavor to recognize what our shortcomings have been and in that way proceed in a positive manner, not a negative manner, not always complaining of what somebody did or didn't do. Let us go back to Masonry and recognize our duty to our fellow Masons and to inform and advise and assist them. Let us in turn as members of our own organization take care of ourselves in the sense we recognize our conscience. It is our fault if we permit an adverse faction to gain sway. In the Shrine and Masonry we have the greatest source of inexhaustible publicity and public relations that may be favorable to reflect the finest image for mankind.

What are we going to do about it? Are you going to do your job in your Temple? Are you going to let your members know what they can and should do? Are you going to harness those men and find out what they have done and let your Imperial Council Officers know about that so we may have the finest and best men available?

The Shrine is big business today but it also has a heart and it is necessary that we indicate wherein we are going to be building character among individuals. In the past we used the gavel to build, not to knock down. So it is we must let the world know that we are builders, not knockers. We are not going to take a negative position. It has to be a positive one. In this respect let me assure you there are the opportunities to do just this. I am not going to enumerate what we have, the research that has been put in on your behalf and the behest of those appointed to do the work. They will be found in the reports and others will follow. I can only hope that you in turn at the Temple level, the Club level, yes the individual level will recognize you are a part of a great Fraternity and as such you must do your job if you expect others to be able to do it. Remember, in a fraternal organization you ask men to do things, you don't tell them to do it. So it is that Masonry and the Shrine united is the greatest force for good that can be used, even greater than atomic energy properly applied.

So I suggest to you on this occasion that you read the reports, that you communicate because we have found that probably the weakest link in our chain is the lack of communication between the Nobility and the Temples. We find the Temple publications fail to emphasize the news from the Imperial Council level and other Temple levels. How can you expect your Nobles to know what they can or cannot do or should or should not do? Publicity is what makes it possible. In turn there is need for greater coordination and cooperation between all Masonic bodies. We have the facts. We have the evidence. We have the recommendations and we have the solutions. However, everything that is involved that I have told you is entirely up to you.

So I hope in closing this portion of my report, which I trust has been brief enough but I hope significant and positive enough, I hope you realize that the entire job is

a team job. It must be done by every one of us. Will you Nobles do your share and will you in turn see that those in your Temple do their share to the end that the Shrine and Masonry may flourish world-wide in sympathy together. Thank you, gentlemen. (Applause)

Now we are going to hear from two other speakers who have been active in the field of public relations who are expert in this program and have a contribution to offer to you on this occasion. These men have learned much of the technique for obtaining publicity. In particular as to the first gentleman that I have to introduce, a Noble of Al Malaikah Temple, who has been doing an outstanding job in Southern California in publishing the news, working in connection with the Masonic news press service and getting outstanding results, Noble Maury Foladare, a leader in this field of public relations, who has a message to give to you on this occasion from which I am sure you will learn a great deal. Noble Foladare. (Applause)

NOBLE MAURY FOLADARE: Imperial Sir, Imperial Sirs, Nobles all. (Reading)

Public relations!

What is public relations?

However, rather than start my brief discussion on the many facets of this intangible profession, I believe it best to start by quoting a Mister Webster who adds the profession up in a simple and intelligent fashion.

He describes public relations as:

"The activities of an industry, union, corporation, profession, government, or other organization in building and maintaining sound and productive relations with special politics such as customers, employees, stockholders, and with the public at large, so as to adapt itself to its environment and interpret itself to society."

Webster dismisses public relations with this succinct definition.

Nick Williams, editor of the Los Angeles Times and a long-time friend, looks at public relations from the point of view of one who has been on the receiving end of publicity stories for many years.

"From the standpoint of a newspaperman, it seems to me that a good public relations department should be prepared either to supply all the pertinent data on any breaking story or to know where the pertinent data can readily be obtained when a newspaperman asks for it.

"In addition, I think a good public relations department might well be prepared to make suggestions to a newspaperman, and will assist him in tracking down any angles of a breaking story that he may have overlooked. The more information any newspaper is able to obtain, the more likely it is that the story inevitably will be fairer and well balanced."

True, public relations is one of the newest and, I might add, fashionable professions today. What with the many daily changes in our lives, the effect science is having on our lives, it's imperative we apply public relations to cope more effectively with today's constant changes in transportation, communication and indeed . . . even our diet.

Our life is affected by what people think of us . . . by how people judge us and, ironically, if we are accepted by them.

Public relations combats an enemy caused by conflict based on misunderstanding and ignorance.

Public relations provides the means by which leaders can more effectively reach the public with the truth. In today's world, we are dependent on understanding the public and knowing how to reach it.

In other words, to reach the public effectively, the basic principle is do good . . . have something beneficial for the world and then tell the world about it. . .

Sounds simple? I am often reminded of public relations offices, industry and personalities who subscribe to the slogan . . . "We do not care what they (the press) say, as long as they say something."

Any publicist who lives this hit-and-run philosophy is, in my opinion, worse than an amateur . . . he's a selfish exploiter.

I say, "We care very much what they say."

It is not enough to get the name of our great fraternity in the papers and magazines and on television and radio.

To me it is much more important to broadcast to the world the superior ideals, beliefs, goals, and achievements of Masons and Shriners.

It is not enough for a publicist to inform the public; he should also persuade.

In 1958, to help achieve this goal, we founded the Los Angeles Masonic Press Club.

The organization then, was unique. Its membership included (as it does today) many of the most influential opinion-makers and molders of a vast community, assembled solely to propagate Masonic ideals.

Today its membership roll includes some of the most distinguished and influential publishers, editors, TV and radio newscasters, editorial writers, and publicity experts in Southern California.

Testimony to the success of this organization is found in the fact that other Masonic Press Clubs have since been formed in other major cities.

The profession of public relations is not an exact science. In fact, while publicity and public relations comprise a billion dollar business in America today, relatively few institutions of higher learning carry more than a few token courses in the subject.

For those of us who have spent our professional lives in the business, this is understandable.

Public relations in some ways is more of an art than a science. The element of human contact plays an all-important role in it. Only in certain areas of the medical profession, particularly psychiatry, and, perhaps, in the clergy is the human relationship more important to success.

Whatever publicity is, it isn't the advertising business in which the client pays millions of dollars a year to get his message across to the public.

Publicity is, in part, the knack of getting something for nothing . . . and that's always a hard job.

The publicist's job is to get a share of the limited amount of newspaper and magazine white space allocated for news, pictures, and features . . . the space left over when the ads are set.

On certain days, scores of news stories, pictures, and publicity hand-outs are competing for the same few inches of newspaper white space.

Whose story gets in the paper?

If the editor knows and trusts you . . . if, perhaps, he's been in an editorial spot in the past and you helped him survive it . . . if you are personal as well as professional friends . . . he may just reach for your story instead of another of equal merit and equal size.

In our business, there simply is no substitute for experience, because you really can't learn the business except by surviving it.

Publicity, properly conducted, gives the Ancient Arabic Order Nobles of the Mystic Shrine of North America a powerful tool in the promotion of better understanding with the public.

When life was much less complicated than it is now, a fraternal order conceivably would conduct its humanitarian projects and keep quiet about them.

But today, it's not enough to do good deeds.

The public must know about them, because periodically, as in the case of Shrine-sponsored football games, for instance, we must solicit the support of the citizens of our community in order to be able to continue these good works.

And this is where public relations, as opposed to publicity, comes into the picture.

Public relations is a way of life. It includes a genuine desire to win friends. It involves winning converts not only by means of publicity but by doing good and by providing a needed service.

Any publicity and public relations office servicing the Shrine should inaugurate the following goals as a general policy:

1 – Maintain and develop good will for Shrinedom.

2 – Disseminate far and wide the story of the Shrine's good works, particularly in connection with the 17 Shriners Hospital for Crippled Children and the three Burns Institutes.

As Past Imperial Potentate George E. Stringfellow has said:

"The general public identifies Shriners by their red fez, gorgeous costumes, and parades. However, behind our fun and behind our frolic is a burning desire to be of help to crippled children regardless of creed and regardless of color... the red fez thus takes its place with the Red Cross as an emblem of mercy and as an emblem of loving kindness."

3 – Broadcast the Masonic and Shrine ideals not only by publicizing good deeds but also through the words of our leaders, particularly those of our Imperial Potentate as he travels across our land.

4 – Encourage membership in the Shrine by selling ourselves so effectively that others will wish to join us.

5 – Increase general information about the Shrine so as to enhance its prestige and to encourage a greater appreciation of our great organization by the general public.

But, of course, the primary function of a director of publicity and public relations is to *tell the story.*

I have devoted a lifetime to telling the stories of my clients. I have learned many things about molding public opinion, presenting favorable images, enhancing prestige, and getting the story in print.

But above all, a publicity man must believe in what he's selling to be really effective.

No one need sell me on America, or democracy, or the constitution, or family, or free enterprise, or public school, or brotherly love... or the Ancient Arabic Order Nobles of the Mystic Shrine of North America. Thank you. (Applause)

NOBLE ROBERT H. FOUKE: Thank you, Noble Foladare.

I am sure you can appreciate from the remarks that have just been made how well qualified Noble Foladare has been in this field and the wonderful work he is doing.

There is now for the first time on this program a red light because I have been asked by our wagonmaster—we affectionately refer to George Stringfellow in this

way—that now has come the time for you to take a recess of ten minutes. We know that the mind may be willing to absorb but the seat may not. So please return in ten minutes.

(Recess from 10:35 A.M. to 10:45 A.M.)

IMPERIAL POTENTATE BROCK: Nobles, will you kindly resume your seats that we may quickly continue the business of this session.

Nobles, we have now been receiving some crank letters to the effect that the parade should be called off because of the death of Adlai Stevenson. I remind you of what Vice-President Humphrey said last evening that Adlai Stevenson enjoyed life and its living, that Adlai Stevenson would have wanted him to attend the banquet as he did last night that it would have been his desire for him to have remained with us for all its festivities. Were it not for the fact that he was compelled to leave immediately following his address for London he would have also remained.

We must live with the living and not with the dead. While we regret the passing of any outstanding leader of this or any other nation of the free world, we cannot by any stretch of the imagination deprive the Nobility of North America, the Masonic Fraternity nor free men the privilege of viewing this spectacular parade, nor can we be so inconsiderate as to deprive the marchers who have labored so hard and devoted so much in time, effort and expense to be a part of this colorful extravaganza. Surely some of this heckling comes from the enemies of Masonry and free men. I pass it on to you that you may be informed that regardless of what you may hear my decision has been made and will be carried out. The parade moves on schedule. (Applause)

I will ask the members of this assemblage to stand in a moment of silent prayer for Adlai Stevenson, representative of the United States to the United Nations.

(The assembly stood in a moment of silent prayer in memory of the passing of Adlai Stevenson.)

I wish now to apologize most humbly and sincerely here for the confusion and delay prior to the Imperial Potentate's banquet. This was caused by the security people as well as the delay in the arrival of the Vice-President. Originally we had planned to have the President with us. However, the tragic passing of Adlai Stevenson precluded his appearance. The Vice-President had arranged to spend the entire evening with us accompanied by Mrs. Humphrey. We lost the President, but the Vice-President still insisted on coming even though he was considerably delayed in his preparations to leave for London directly following his address.

These were the reasons, my friends, for the delay and the accompanying confusion. I will assume the entire responsibility, the blame of this administration be it good or bad, right or wrong. I am, indeed, sorry that the affair did not move more smoothly. (Applause)

NOBLE ROBERT H. FOUKE: Imperial Sir, Imperial Sirs, Representatives. Now that you have had a chance to relax and refresh yourselves we will continue with the program that has been prepared and at this time it is my privilege to introduce to you a man that many of you may know because he has done an outstanding job in his field of publicity and public relations. As I have reviewed the Medinah publication I have found there one in which the Imperial Council and Shrine news is given much publicity. I also noted in particular the fact that he would refer to the membership of Medinah Temple as being some 22,000 or more and each time that figure was used in articles that didn't constitute publicity in my mind yet received consideration and was used by the newspapers because they saw the potential of some 100,000 readers. So we have a man who is Sports Editor of the Chicago American and also Director of Public Relations for Medinah Temple and Editor of Medinah's magazine, a man learned in this field, an expert if you please.

So at this time may I introduce to you this outstanding Noble and public relations man, Leo Fischer, who will tell you a few things on how you can obtain publicity and what to do in this regard. Noble Fischer. (Applause)

NOBLE LEO FISCHER: Imperial Sir and Nobles all. Thank you for the privilege of having one more Noble from the ranks among all these generals and I hope I may be as helpful as all who have gone before me. (Reading)

"Public Relations" is such a vast subject with so many ramifications that I am assuming my portion of this most interesting program is to emphasize the phase which deals with what we call "getting things printed in the papers."

Actually, it is more often called publicity than public relations—but the two are so closely related that one hardly knows where one ends and the other begins.

Abraham Lincoln once said, "Public sentiment is everything. With public sentiment, nothing can fail. Without it nothing can succeed." If you substitute the words "opinion" and "understanding" for "sentiment" then you have some idea of the importance of acquainting the public with our organization and its accomplishments.

Good public relations is a well-planned, effective program of telling our story to mold favorable opinion and develop a climate of acceptance which will help us achieve our aims and attract new members. Our hospitals, our participation in community parades and programs—these are public relations at their finest above and beyond the printed word. What I am concerned with, however, is press, radio and television.

As editor of our Medinah Magazine, I would ask your indulgence for a moment to emphasize that it is just as important to aim your public relations program at your own members as it is at the general public.

Through your Temple publication, through your parties and interesting membership programs, it is not only logical, but most wise to increase the understanding of those who belong to our organization. It not only gives them an idea of what they are getting for their dues, but it gives them a selling point to non-members and builds a sense of pride in their Temple and the Shrine.

To be realistic, your Temple publication is your sole contact with the Temple for that large percentage of Nobles who belong to no units or Shrine clubs and attend few meetings. With a good, lively, interesting and attractive publication you can make better members out of them and perhaps stir them to action. At worst, it keeps them paying dues.

Thus, I say, don't slough off your Temple publication as a necessary evil which costs money. Improve on it, liven it up, brighten the pages and you'll find it's a cheap investment. We have many fine Temple publications in the Shrine—and also many which are a waste of time and effort.

Now to get back to the main line—public relations as it applies to newspapers, radio and television.

There is a great difference between publicity and advertising best illustrated with a story told by a member of my committee, Noble Howard Moore, an outstanding public relations man to whom I am indebted for a great deal of help in this talk.

You want to know an attractive young lady and you introduce yourself by saying: "I'm John Doe and I'm intelligent, well-bred and successful." That's advertising.

Now, if you get a friend of yours to approach the young lady and tell her, "You really ought to know John Doe. He's intelligent, well-bred and successful," and then the young lady corners you and says, "I've heard so much about you that I wanted to meet you in person," that's public relations.

Obviously, if a newspaper prints something about your Temple and its activities in its news columns, the impact is great. Immediately the reader, whether or not familiar with the Temple, feels that it must be important to rate that space.

How do you get into print? That's the big problem. The best way, of course, is to have the publisher as one of your Nobles. You'd be surprised what a great help this can be in making you a successful publicity chairman, but we aren't all that fortunate.

I have been Medinah's Publicity Chairman for five years and with the cooperation of our Potentates, I believe we have developed as comprehensive and thorough a program as there is in the Shrine. You have to remember that Chicago is the largest Catholic diocese in the world—and that our 23,000 Nobles don't carry as much weight in the metropolitan press as the approximately 2½ million members of the Roman Catholic church who live in our area. On a basis of important people in the community, however, we do O.K.—and it doesn't hurt your cause to emphasize from time to time outstanding members of the Nobility who are civic and business leaders.

Even with such odds against us, we hold our own—and I'll try to elaborate on the processes by which Medinah keeps its name in print.

We have a situation which may be different from that facing many of you. Chicago has four metropolitan dailies with huge circulations, but on the other hand there is scarcely a neighborhood or suburb which doesn't have its own local weekly. There are about 130 of these which in total circulation almost match the big four. As a suburbanite, I can attest that these are most thoroughly read.

I have two mailing lists—one broken down into newspapers of the neighborhoods and suburbs in the five counties in which we have jurisdiction and one made up of the four big dailies, the radio and T.V.

When I have a release of general interest, I use the latter list. Copies are sent to the city editors, picture editors, news editors, photo editors, columnists and anyone else who might use an item or has the authority to direct it to be used. The radio-TV list includes newscasters, station managers, news editors and others in key positions. Don't be afraid to duplicate releases. You may hit the one person who'll say, "let's give this a break."

When you have a really important news item, such as a human interest story dealing with our hospitals or the official visit of the Imperial Potentate, don't hesitate to use a telephone to tell the metropolitan press city editors about it. If you can set up a press conference and induce the newspapers, radio and TV to send a reporter and photographer, you're well along the road to seeing it in print or on the air. They don't like to waste the money involved in their salaries—and I might say it's not inconsiderable.

Most of the time, however, my releases are aimed at the neighborhood and suburban papers. A committee appointment which won't rate a line in the big dailies, competing against big news, may be important enough to rate half a column or more, with a picture, in the appointees' home neighborhood or suburban paper. Besides, it gives you a chance to publicize a Noble who doesn't often get into print, which also is good internal public relations.

This is a program which also is easily adaptable to Temples whose jurisdiction includes a number of nearby cities. Regardless of the importance of the appointment, you'll find they are interested in anything pertaining to local residents. For instance, I'll soon send out neighborhood releases on various committee chairmen for our annual picnic. It isn't earth-shaking, but it will be printed in the areas where these Nobles live—and it's publicity for them and Medinah.

No general formula can apply everywhere, of course, but there are a few general rules which can help your publicity program. To those of you, particularly from some

of the larger Temples where you have well-organized public relations programs handled by pros, some of this may sound elementary. I can assure you, though, that my own observation convinces me there are many who may find this of assistance in setting up a program which is effective and realistic.

First is that of contacts. Cultivate newspaper men by inviting them to your open affairs, or if they're members, by putting them on your committee, if only for window-dressing. It's easier to get into print with a friend on the editor's desk.

Next is that of preparation. In my job as sports editor of Chicago's American, I'm on the receiving end of reams of publicity releases every day—and they have to be not only good, but also well prepared to compete with bona fide news for the limited amount of space available. I can tell you that half the battle is preparing your releases so that they can go to the printers with little editing or effort. We're not only busy people, but basically lazy. Failure to double space is the worst offense—and a quick route to the waste basket.

You will find, as a rule, that when you have a picture or a story worth printing, the newspapers will be helpful and cooperative. Always put a phone number on your release which can be called for further information, as they frequently do. Be sure to identify everyone in a photo, which should be sharp and clear enough for reproduction.

Brevity is vital, too, when dealing with the metropolitan press. There isn't a makeup editor worth his salt who doesn't daily say to his copy desk, "Where do they expect me to put all this stuff?"

On the other hand, when dealing with neighborhood press, it's a different matter. You can run at some length about their local resident who has just been named anything from custodian of costumes to commander of the horse patrol. First, his address to get across the "local boy makes good" idea—then his background, his business, his fraternal connections, his family, his duties and all the other details. I might say that I never fail to mention his Blue Lodge.

One big mistake many of us make, I'm afraid, is that we assume that because an item is important to us it should be important to an editor who rarely is a Shriner or even a Mason. That's why you should not be discouraged if your item never sees the light of day, or to be more exact, the dark of print. Just keep trying.

Good public relations means constant and repeated exposure in every constructive way, of which publicity is among the most effective. The columns of newspapers and time on radio and TV are the most potent avenues of reaching the public to inform them and convince them of the greatness of this wonderful organization to which we are dedicating our time and our efforts. No matter how hard you work to get it it will be well worth the time and effort. (Applause)

Thank you for this opportunity to share my thoughts on this matter and I hope I've been helpful.

NOBLE ROBERT H. FOUKE: Thank you, Leo Fischer.

The lesson left with you is that in all phases of publicity and public relations try, try again and you will succeed.

This completes the report at this time of the publicity and public relations program although I want to remind you that there is so much more that can be made available to you and will be so that all of you going back to your respective Temples will do your job just as you expect the Imperial Council to do the job it is doing.

May I turn the program back to the wagonmaster, George Stringfellow, for further action. (Applause)

IMPERIAL POTENTATE BROCK: The wagonmaster told me I should thank you. As a matter of fact, one certain Temple this year sent me a bull whip with five stars on it with a gold plaque which said just "Simon." They were real polite.

I do want to thank these distinguished Nobles for this most worthwhile contribution to this fine assemblage. I am certain this will bear fruit. The cumulative efforts that were put forward this morning are most assuredly to be considered as a forward movement. Thank you most sincerely.

Imperial Sir George.

NOBLE GEORGE E. STRINGFELLOW: First I would like to make an announcement. I suggested that we have here about a hundred copies of the speeches given today knowing full well they would be published in a booklet at an early date. I am happy to see that the hundred copies have disappeared so you must be interested in what has been said, otherwise you wouldn't want to take them home.

Now I think this meeting will close, at least that is our plan, between twelve-twenty and twelve-thirty.

Now membership in our Fraternity is, as you know, influenced very largely by Masonic relations and public relations which I think has been well covered here this morning. We will now go into discussion of membership, how different Temples attract Masons to become members of our Fraternity.

Now the Coordinator for Membership appointed by Imperial Sir Carlyle Brock, our gracious and effective Imperial Potentate, is Noble Paul McCray of Kaaba Temple. He will speak to you and then he will introduce others who will follow him who will speak for a period of not more than eight minutes. Noble McCray. (Applause)

NOBLE PAUL B. MCCRAY: Imperial Sir, Imperial Sirs, fellow Representatives. I know that you will be interested in knowing that the latest figures we have on membership for the period ending June 30, 1965, show a gain of approximately 1,000 in comparison with the period ending June 30, 1964. With the one addition last night I think we can say 1,001.

I am most happy to report to you the activities of the Membership Committee for the twelve months period ending May 31, 1965. May I have the lights lowered, please, I would like to use the screen.

(Slide) I hope you can see this. It isn't too large. No doubt you recall the membership kit made available to all Temples. 117 Temples have used 40,000 of this kit. In addition a number of Temples have had them printed and made good use of them.

(Slide) "This Is Shrinedom" to be used with your membership kit and you have used 56,000 of them. "Masons, Builders of Society," a companion piece for the kit and you have used 51,000 of them. This pamphlet does an excellent job of telling the story of Masonry from the Blue Lodge through the Shrine. I know you are familiar with the booklet, "Organization For Action."

(Slide) It was first used in 1963 and has recently been brought up-to-date. It has received good acceptance from the Temples.

(Slide) These line drawings are for reprinting in your Temple publications and I venture to say that every Temple in Shrinedom has used one or more of them very effectively.

(Slide) "New Noble News" is a new publication with a circulation of 567, namely Temple Potentates, Recorders, State and local Membership Chairmen. At the start of this publication we wrote to the Membership Chairman of the Temple showing a good gain in membership. We asked for a detailed report as to how they were going about getting the job done and, believe me, we got some excellent results. It is our intention to make these reports, which contain so many excellent ideas on membership, available through this little publication of "New Noble News." If your Temple

has some ideas that are working in the field of membership don't keep them to yourself. Please write me giving all the details of your program so I can make them available to all.

Now may I have the lights, please.

Now we come to the part of the program that I have been looking forward to and the part I know you will most enjoy and which I hope will be most helpful to you as you pursue new members in your own individual Temples. We have selected five speakers from five different Temples and have asked them to tell you in eight minutes just how they are getting the job done in their own individual Temples.

It is a pleasure to introduce to the Representatives attending this Imperial Council Session a Recorder who realizes the value of a membership program through his experience as Secretary of the Scottish Rite Bodies and Recorder of Hella Temple in the great State of Texas. Noble Clarke Petet, who will give you the benefit of his thoughts. Noble Petet. (Applause)

NOBLE CLARKE PETET: Imperial Sir, Imperial Sirs, Representatives. We have come to one of the most important portions of our Shrine effort. In view of the fact that the paper that I had prepared on this subject has been reproduced and copies have disappeared I am going to assume that all of you have a copy and am giving you more or less a digest or outline of the paper that I had originally prepared.

Each of the speakers who preceded me, whether they know it or not, have been talking about membership because we must have proper Masonic relations and proper publicity in order to accomplish our purpose to add new members to our Temple rolls. It is impossible to discuss the various facets represented on the Executive Committee, that is public relations, publicity and membership, without stepping into each of the three fields because they are so completely involved one with the other.

We are all interested in proven methods that might be used to help get new members for our Temples and to help retain the members which we already have put on our rolls and the latter is just as important as the first.

The membership program has been called the life blood of the Temple but it is a little bit more than that. Your membership program is like getting a blood transfusion and not getting one now and then but keeping the needle in your arm day after day because it is going to replace those we lose through demits, deaths and suspensions.

Hella Temple in 1964 was most fortunate in leading all Temples in North America in our net gain. As of December 31, 1964, we had 496 net gains. Nobles, that is not a flash in the pan because as of July 1, 1965, we have 452 net gain and we are going to step it up during the last part of this year.

We accomplished this not in one day by any manner of means. It is a problem of planning over a period of years and putting in force those plans. In outline form here is the way I believe we accomplished it.

One. To plan. Every Temple has problems that are unique. Study your territory. Come up with a plan to get new members from the eligible Masons who live in that territory. Give your plans some serious study. Don't be afraid to try something new.

Two. After you have established a plan of operations then complete your organization. Get a committee or committees as the case may be that will completely cover all of your territory. Have sufficient Nobles on your committees to get the job done. Your committees should meet regularly and the only way you are going to get them out is to feed them. Your rate of return is better on the money spent on food than any other item in your Temple budget.

The third thing is to provide these committee members with two tools with which to work. You cannot expect the members of the committee to do all the work. Your Recorder's office or someone especially picked for the task must give the committees

prospect lists and they must be kept up-to-date and added to constantly and, incidentally, those prospect lists change day by day and if you give a committee worker the name of a man who has moved out of a territory he is disgusted and furthermore says you don't know what you are doing even though the guy just left.

The next is maintaining good public relations with the Blue Lodges, York Rite and Scottish Rite in your jurisdiction. That has been thoroughly covered.

Four. Creating a desire. This is a two-way street, Nobles. You not only have to create a desire on the part of the non-Shriner to join our Order, you must cause each Shriner to have a keen desire to get new members. You can get new members to insure petitions by selling them what you have, entertainment, clean fun, color, pageantry, Shriners Hospitals. Each of them has an important part in the entire overall Shrine program. You must impress him by creating and maintaining a good image at all times.

Your members will want to get new members and this is the other side of this street. Your members will want to get new members if you have a Temple they are proud of and one that they can show off to their friends. You may have to go into the gimmick of incentive program, giving fezzes and blankets and life memberships and jewels and every other thing if it is necessary to do it.

Five. Get the most out of your Membership Committees. Surely your Membership Committee was set up originally to get new members but why not use the same Membership Committee to retain the members you have. Give them the list on Nobles about to be suspended. Keep those members on your rolls.

Six. Quickly adjust to different situations. This is an unpopular subject and one on which there is even more than two schools of thought. We initiated last year over 100 Nobles on a jet airplane flight flying them over Texas. I am not certain that we didn't fly over a little of Oklahoma and Arkansas but we started in Texas and landed in Texas. (Laughter) We went 30,000 feet up in the air. Later we went down a half mile in a canyon to initiate candidates. We haven't used gimmicks this year but we will any time more than three are gathered together.

Thank you, Nobles. (Applause)

NOBLE PAUL B. MCCRAY: Thank you, Noble Clarke.

Our next speaker is actively engaged in the field of accounting, J. Lewis Coffelt, Recorder of Arab Temple, Topeka, Kansas. He is active in both the York Rite and Scottish Rite and from his wide experience in these numerous Masonic Bodies he will speak to you on how you can use the Imperial Council membership program to get your Brother interested in your cause. Noble Coffelt. (Applause)

NOBLE J. LEWIS COFFELT: (Reading) Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles, it gives me a great deal of pleasure to talk to you on membership today.

I think all Nobles present will agree that the most persistent problem in the Shrine today is membership. It is a constant and continuous job and is the sole reason for our existence.

My knowledge is from the experience of my own Temple. I would like to explain briefly our methods of membership promotion of new members and retention of our present members.

In Arab Temple we have a sparsely populated jurisdiction but one with a good Masonic membership. In our long range planning, we realized that we could not depend solely upon the prospects for our membership from the Topeka area alone, but must depend upon our Shrine Clubs for able assistance.

Our Potentate in 1964, borrowed an idea from a neighboring Temple and formed two caravans of our uniformed units, one in the Spring and one in the Fall. On these caravans we made nineteen parades in various towns, and on the evening of each

had a banquet at our Shrine Club's headquarters. We invited all Blue Lodge Masons, whether they were Scottish Rite or York Rite to be our guests. We feel that the caravan and banquet were contributing factors in our membership campaign this year, as we have had a cold and a hot sands ceremonial in Topeka and a hot sands in the city of one of our Shrine Clubs. It might be worthy to say that our Shrine Club produced nearly as many candidates as we had in two ceremonials in Topeka. We feel that we have laid the groundwork for many future Shriners throughout our jurisdiction. We plan on continuing our program, as experience is a good teacher.

Another approach we have started is asking all our unit members, as well as other Nobles, to attend their Scottish Rite and York Rite bodies in our jurisdiction, to help in the work of each Rite as well as in their membership activities. Also, we as Shriners must encourage Blue Lodge Masons into the Rites.

We have cooperated with these various prerequisite bodies and have gained their help in securing prospects for the Shrine. We have secured the names of over 1000 prospects within our jurisdiction in the last two years, so we feel that we now have the prospectus for many more Shriners in our jurisdiction.

The responsibility of compiling and maintaining our prospect lists is a delegated duty of the Recorder's office.

Our Divan and Membership Committee, who are more trained in membership selling, are ready to go out and help close sales any time they are needed.

We encourage our Nobility, and especially our Membership Committeemen, that in talking to a prospect they use basic salesmanship as follows:

1. Establishing a Need
2. Creating a Desire
3. Closing

First, we should establish the need of a prospect to belong to the Shrine. We are all familiar with the needs or reasons for a prospect to become a Shriner, and I will not elaborate.

Second, if we have successfully created in a prospect's mind the need, we have created a desire and we come to the Third basic part of salesmanship, Closing, or getting the petition. We recommend to all our salesmen that they should write up the petitions as they are familiar with the petition and are experienced in completing it properly. We have found that in the past too many of our salesmen in the Shrine have talked to a prospect, given him a petition, and advised that he would pick up the petition later and in many cases have lost a prospect.

I would like to talk very briefly on the retention of present members. We use a plan of personal contact with all members who are delinquent in their dues, rather than mailing them a number of letters. We believe it has value to the delinquent as well as the Temple, as we are able to get facts and reasons for such a Noble's delinquency.

Our plan is based on ideas and promotion programs that were used by various Temples and we hope our plan will show results in the years to come.

Our future plans call for refining, revising and augmenting our program in order to further our membership. (Applause)

NOBLE PAUL B. MCCRAY: It is my privilege to introduce a Noble who has had an experience few Masons have, that of being raised to the Sublime Degree of Master Mason by his father. Llewellyn Jordan is particularly interested in the subject of new members as he is Chief Rabban of Nile Temple and he will give us his thoughts on the problem of increasing membership. Noble Jordan. (Applause)

NOBLE LLEWELLYN S. JORDAN: (Reading) Imperial Sirs, Illustrious Sirs and Nobles:

"Masonic tradition informs us that at the building of King Solomon's Temple, it was the daily custom of our Grand Master Hiram Abiff, at High Twelve, when the craft were called from labor to refreshment, to enter the temple, inspect the work and see if anything could be added for strength or ornament, and draw designs on the Trestle Board."

We, as Masons, have been admonished to "imitate our Grand Master Hiram Abiff, in his truly exalted and exemplary character, in his unfeigned piety to God and in his inflexible fidelity to his trust." Imitating his daily practice, let us now inspect our fraternity to see if anything may be added for strength or improvement. Let this inspection be realistic and our evaluation honest.

Notwithstanding its glorious past, Freemasonry in North America today, by and large, shows unmistakable signs of decay. There are at least two areas in which this decay is most apparent; in the loss of membership and in the non-attendance of members at their Blue Lodges. Perforce, these facts are reflected in the prerequisite bodies and in the Shrine.

What reasons may prevail for that decay in the various grand jurisdictions are probably divergent. Suffice it to say, that candor compels us to recognize and be warned of the decay.

Given the above premise, our duty is clear; that affirmative, remedial action must be taken.

We, as Shriners, are first Blue Masons, and owe our primary allegiance to our Blue Lodges. Thus, we owe a duty to offer assistance. The Shrine of North America is today faced with this tremendous challenge. The decline in membership is all the more telling because it is occurring at a time of relative prosperity, increasing population and when more men have more time for leisure activities. If we shrug off the decline "as only temporary," we run the risk that we will discover too late it was permanent after all. The risk is great because degeneration feeds upon itself; it produces a vicious cycle. Poor attendance causes poor programs, which in turn cause ever greater declines; failures breed apathy and a sense of defeat which produces ever greater failures. It is a sad commentary, yet true, that many members have voted by their absence that their Blue Lodge attendance is not worth their time.

In many instances, we offer very little to a member once he has proved up on his 3rd degree and signed the by-laws. We treat his transformation from candidate to member as the end, rather than the beginning of his instruction.

Masonic relief of members, their widows and orphans, has faded in importance as social security, industrial insurance, unemployment insurance and welfare programs have pre-empted the field. We are left with the feeling that Masonry is drifting aimlessly. Still more important, we feel helpless to do anything about the problems which confront our fraternity. An attitude prevails that any change would violate "ancient landmarks," despite the fact they have never been defined with any degree of exactitude. This attitude stifles constructive self-criticism for fear that it will be considered disrespectful or even blasphemous. It discourages improvement as futile.

What, then, can we as Shriners do to assist?

The efforts of the Shrine could, and must be directed toward a unified fraternity with a program for all—thus the Shrine can through its own efforts, go back, so to speak, to the Blue Lodge, with a program of assistance. It is the one great means of bringing unity into our Masonic pattern. It encompasses *all* of Masonry, from origin through all Rites.

It has been said that the Shrine is "the playground of Masonry." It is, at the same moment, one of the largest and greatest philanthropic and charitable organizations in the world. Our crippled children's hospitals and the advent of our burns' institutes, speak eloquently of the serious, charitable and benevolent side of the Shrine.

What suggestions, then, may be offered to further this effort? Without attempting to be definitive to the 'nth degree, let me suggest at least two areas which are available. May I, with pardonable pride, say that Nile Temple has earlier embarked upon such a program of assistance.

There are many fine ritualists among our members who, when discovered, can be formed into a Shrine team to make themselves available to Blue Lodges in their respective vicinities. Upon proper request and notice, they exemplify the work of the 3rd Degree, taking every station and place. Nile Temple has such a team. It is composed of men who are efficient and effective, not necessarily Masters or Past Masters. Dressed in tuxedo and wearing their fezzes, they appear at the Blue Lodge to which they have been invited. Before entering the tiled recesses of the Lodge, they remove their fezzes and place about their waists the white lambskin apron of a Master Mason and are introduced as Nile Temple's 3rd Degree team. Blue Lodge Masters have not only been complimentary of the performance of this work, they have been profuse in their thanks because their attendance has been greatly increased and a revitalization begun in attendance and work of the Lodge by its own members. Further, our Temple has gained members as a direct result of the performance of this team.

Further, Blue Lodges are often "put to it" to provide entertainment at the hour of refreshment. In addition to the uniformed and working units of our Temple, we have among our members many who are talented. We make these entertainers as well as segments of our units, available at no expense to the Blue Lodge.

No overt attempt is made to solicit or importune any Blue Mason in attendance to advance in the prerequisite bodies that he may petition for Shrine membership. We let our actions speak louder than our words.

The foregoing is but a suggestion of what may be done by Shriners to assist their Blue Lodges. Undoubtedly, there are many other avenues open to us which should be explored and used. It should be our design to prove beyond doubt that a Shriner's "first duty has always been, is now, and will forever be to his Mother Lodge, for he received there the highest degree he will ever receive, the degree of Master Mason."

Nothing takes the place of work and industry. From basic Masonic teaching we learn that "the beehive is an emblem of industry, and suggests the practice of that virtue to all created beings, from the highest Seraph in Heaven to the lowest reptile of the dust. It teaches us that, as we are rational and intelligent beings, we should be industrious, never sitting down contented while our fellow creatures around us are in want, especially when it is in our power to relieve them." Work and Work alone will produce the desired results. Ask yourself, Do I individually and personally put forth as much effort as I can or should, to assist my Blue Lodge. Are we as Shriners willing to accept this challenge and draw new designs upon the Trestle Board that the Temple may be strengthened and improved?

We read in the holy writings in the Book of James, Chapter I, verses 22-25:

"But be ye doers of the word, and not hearers only, deceiving your own selves.

"For if any be a hearer of the word, and not a doer, he is like unto a man beholding his natural face in a glass:

"For he beholdeth himself and goeth his way, and straightway forgetteth what manner of man he was.

"But whoso looketh into the perfect law of liberty and continueth therein, he being not a forgetful hearer, but a doer of the work, this man shall be blessed in his deed."

For Masons and Shriners it is indeed High Twelve. (Applause)

NOBLE PAUL B. MCCRAY: Imperial Sir George Stringfellow would like to make an announcement.

NOBLE GEORGE E. STRINGFELLOW: The Imperial Potentate has directed me to invite all those taking part and speaking in this morning's session to meet on the stage for a picture following the recess.

NOBLE PAUL B. MCCRAY: If my nine year old son were introducing the next speaker he would say, "Dad, what a guy," but I have to stay to my text. So introducing the next speaker I know of no Noble who would be able to tell us how to make a membership program work any better than this Noble. In Syrian Temple they have a 500 club and the next speaker is the number one member having secured to date 552 new petitions. He tells me he expects to reach 1,000 in 1966.

I now introduce to you Noble Joseph B. Shirley to tell you how he does it. Noble Shirley. (Applause)

NOBLE JOSEPH B. SHIRLEY: Imperial Sir, Imperial Divan, Imperial Representatives, Nobles. The membership program is one of the foundations of our Temples. It is a foundation which must be built with the best we have in every Temple as the mason who builds the building.

A Membership Committee should be made up with a well-liked prominent man in the locality of wherever the Temple is as Chairman. He should have two subchairmen and these men should be in these positions for a period of from three to five years. It is important because you do not get to know your candidates or the possibility of obtaining candidates until you have talked with them quite a few times.

In one case I called on a candidate seventeen times trying to get him to become a Shriner and the seventeenth time he said, "Give me that petition, I don't want to see you again." (Laughter) So I had the petition.

A membership unit should be made up of at least one man from each Unit in your Temple, also a man from each Club in your area, also a Past Potentate, and at least three senior citizens of your Temple to take care of the card system which is very important to the progress of a membership drive.

I am going to state that all of the copies are now gone. I am sure a great many of you have them but I have a few suggestions to make.

Before each Ceremonial my suggestion is that a Temple gather together the potential candidates they have and their good wives. You have got to remember that a wife has to be sold as well as a husband. When you have this combination together show them what your great Shrine and my great Shrine has to offer. Have a picture from the Orthopedic Hospitals and show the film.

You know the greatest thrill I have, I go up to a little town north of Cincinnati and a little child knows my car and comes running out and puts her arms around me and says, "Uncle Joe, it is great to see you." I say, "Kathy, it is great to see you." And she says, "But you didn't forget the suckers you always bring to me." Or in the Burns Hospital have a little fellow put his arm around you and say, "Thank you, Mr. with the red hat, for what you have done for me."

These are important factors and it is human relationship that will get you many, many members in your Shrine.

There is one other angle that I think a great many of our Temples forget, the shifting sands of population and as these sands shift be sure you shift the ability of your Membership Committee to overcome this situation. You will find it will produce members.

There is one other angle I would like to bring out and it has not been mentioned today. I would like to promote that Masonry is a family, it is heritage, and the heritage of Masonry must be built through our membership. I suggest that every Temple in this great nation of ours have a Dads Club, preferably if you can do it have a Grandads Club, and see that he gets his sons into our Shrine and their sons into the Shrine.

It is building of the foundation that gives us a tremendous leverage in making Masonry and making the Shrine the tops.

I have had the honor of having two sons. When they were twenty-one their checks were on their plates. Both said, "What are they for?" I said, "If you don't know after twenty-one years I will take them back." (Laughter) One boy went through and is now a Shriner. The other boy took the Blue Lodge and returned the balance of money to me. Last year he went to Peru. He is building one of the largest mines in the area. He came home and said, "Dad, let's sit down, I want to talk to you. Sometimes we make mistakes in our lives and I made one. I want to become a Shriner."

It is important that we instill into these little people how wonderful our organization is and don't forget our organization needs these little people.

In conclusion I wish to state that I think every Shriner should help the Royal Arch Masons, the Knights Templar, the Scottish Rite, in patting these young people on the back who are DeMolay and other young people, to become Masons and I believe that if we do this and each Shriner is a person of good will who goes out and works fifty-two weeks a year for Shrinedom and promotes Shrinedom there is only one road that I can see for our great organization and that is success. Thank you. (Applause)

NOBLE PAUL B. MCCRAY: Thank you, Noble Shirley.

On the last rung of the speakers' ladder is an engineer from Isis Temple in Salina, Kansas. He is active in Blue Lodge activity and all the prerequisite bodies of the York and Scottish Rites. Noble William Exline, Chief Rabban of Isis Temple will tell us of his activity in promoting membership in the Imperial Council. Noble Exline. (Applause)

NOBLE WILLIAM C. EXLINE: Imperial Sir, Nobles all. When you get to this hour and have heard these wonderful speakers and all the type of work they are doing there is little left for the last one to bring forth. However, I would like to set out some of the differences that we might have in the vast territory we cover in Northwest Kansas. This territory is quite large. Some of our members live as far as 200 miles from our Temple and I might say that the greatest percentage of our members come from this vast jurisdiction. Therefore, it becomes necessary that we have a very strong Masonic Relations organization. It is necessary that we carry the message of Shrinedom to this territory.

Now you have heard the man say that it is important that we bring the young man into Shrinedom. I am sorry to have to say that one of the biggest and most important factors is the fact that fathers of Masonry are not carrying Masonry to their sons. We have found this in our territory. The Shrine is the only organization that you know that can sell Masonry so it is our job to improve the Masonic relationships in order to develop the interest and continue to build our organization.

There is little need for me to say that there has never been a time in the Shrine that we have had more to sell.

You have seen the explanation of the Shriners Hospitals for Crippled Children. I had the pleasure to be in Honolulu when our Imperial Sir broke the ground to build a new one. Gentlemen, that is an experience that all Shriners should be able to see.

I also had the pleasure to take a little child on the island of Molokai, take her because the parents didn't realize that this child could get the treatment that she needed. My connection as an engineer with a hydroelectric company helped in the assistance of this small child. This happened several years ago but, gentlemen, I had the pleasure of returning there just this last year and this little girl who could not walk at all and dragged herself on the ground walked up and put a lei around my neck and kissed me. Gentlemen, that kind of treatment is what sells membership.

In order to briefly go over this, which you can read, I am going to make the summation of what our membership drives are. You might compare going out after members as planting the seed to develop a beautiful plant. It is the care and work that is put into this that this plant is allowed to develop and bring forth the bloom that we want. This is membership.

One item that I would like to touch upon—I am just going through this because you have heard all of it—is some of the things we do that they haven't mentioned. One of the best things we have found to improve our public relations is that we have recently in the last four or five years brought into competition a baseball game, hard ball between the Shrine and Knights of Columbus. This has not only created public relations within the community but it has created a lot of excitement and not only that it makes good money. We have recommended this to our Clubs and they are taking it on and I am sure that it is going to go forward.

There is one thing that I would like to touch on I believe needs a little more attention. Don't ever discount the power of a woman. This may be strictly a man's organization but when you are out into these territories see that these women have a good organization. It is necessary that the wives of the membership and others get out there. When I go the next year I see these women have a good organization.

Briefly in summation of what you have heard here first is good organization; second, complete membership participation in your drives; third, unrelentless devotion to the Blue Lodge; fourth, promotion of social functions in your jurisdiction; five, interesting the ladies in Shrinedom; six, scheduling yearly events for the good of public relations; last but not least, devote a lot of time to your Grand Lodge Officers and get better acquainted with them.

In closing I will say that the most important thing in a membership drive is to have a good Recorder and that, fellows, we have. So put a tiger in his tank and get him started. I thank you. (Applause)

NOBLE PAUL D. MCCRAY: Imperial Sir, Representatives. This concludes the membership part of this program. I hope that you have found it worthwhile and instructive and have taken some ideas that will be helpful to you in your individual Temples. Thank you so much. (Applause)

NOBLE GEORGE E. STRINGFELLOW: First, I wish to thank the speakers of the morning and, second, I wish to thank the audience for its attention and, finally, I should like to express to the Imperial Potentate my grateful appreciation for the privilege of preparing or helping to prepare this program.

Now the Deputy Imperial Potentate, or rather the Imperial Potentate-elect, will now address you and then the meeting will go back to the Imperial Potentate, so stay with us. Imperial Potentate-elect Noble Collins. (Applause)

NOBLE BARNEY W. COLLINS: Thank you, Imperial Chairman, fellow Representatives.

This morning a marvelous piece of work has been done by our Past Imperial Potentate George E. Stringfellow, his co-ordinators and his speakers. The one thing that stands out is the fact that while we have a few problems, there are none that can't be solved with a little hard work, a little common sense, and a remembrance that as Masons we meet on the level.

I have been working in Masonry most of my adult life, and I like it. I want and intend to be a part of this Great Crusade for Masonry, for I believe that the Blue Lodges, the Rites and the Shrine are a basic way of life . . . a good life.

I have held most of the honors that Masonry can confer on me, and I am now about to accept this new challenge to help maintain and defend our fraternity in all of its ramifications.

In DeMolay we have the finest boys on the face of the earth. If we can but discover some way to channel these fine boys into Masonry itself, we will develop leadership for the future, the life of which Masonry, the Rites and the Shrine have never had before.

Here, gentlemen, is the future of the nations of this Continent, and while a few of the Temples and the Shrine Clubs do sponsor DeMolay Chapters, there are far more who do not. Even more important in the things we do in the future, it is well to remember that the average age of both Masons and Shriners is increasing, which means we are getting more older men and fewer young men.

With youth we will have enthusiasm. With enthusiasm in our Temples we will have more and better units, we will have more and better activities, we will have new ideas and more fun together in our fraternal associations.

We must and should not fear the future. We are members of the greatest fraternity ever created, and we should present smiling faces, letting every man know that in Masonry and in the Shrine we have the best way of life.

During the coming year, I shall devote myself to all of you and to this great crusade for Masonry, but I shall need every bit of strength you can lend me, so let's all work together in Masonry and the Shrine for the betterment of the whole world.

Fellow Nobles, my time is up; thank you for yours. (Applause)

IMPERIAL POTENTATE BROCK: I want to thank all the dedicated speakers for their contributions and in particular, Imperial Sir George Stringfellow, Illustrious Sir Paul McCray and our good friend Illustrious Sir John McKee, Past Grand Master of Texas, and Illustrious Sir Robert Fouke, who have been so helpful to me during this entire year.

My friends, I want you back at one-thirty this afternoon because we have a most interesting surprise for you. Again, let me thank you for your attention this morning which bespeaks the interest for the Shrine and its future. We shall return and carry on at one-thirty.

(The Ninety-First Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 12:05 P.M. to reconvene in the International Ballroom of the Washington Hilton Hotel at 1:30 P.M.)

AFTERNOON SESSION
THURSDAY, JULY 15, 1965
ONE-THIRTY O'CLOCK P.M.

The Ninety-First Annual Session of the Imperial Council, A.A.O.N.M.S. reconvened in the International Ballroom of the Washington Hilton Hotel, Washington, D.C., Thursday, July 15, 1965, at 1:30 P.M., Imperial Potentate O. Carlyle Brock presiding.

IMPERIAL POTENTATE BROCK: It is now the one-thirty hour. Will you kindly assemble and continue to give me your delightful support you have been giving me throughout the convention. Your cooperation has been appreciated more than I can tell. I can only succeed with your wholehearted support.

Nobles, may I have it quiet here and the Grand Master of Ohio, M.W. Edgar L. Ott, has asked the privilege of the podium and I will give it to him and the gavel. (Applause)

M.W. AND NOBLE EDGAR L. OTT: Imperial Sir, the Grand Masters present this morning were very much impressed with your program of Masonic Unity and we certainly want to express our willingness to go along with that program. They would like to request that copies of the proceedings be sent to all Grand Lodges. We again thank you for your expression of feeling to the Grand Lodges and your effort to establish closer unity. (Applause)

IMPERIAL POTENTATE BROCK: M.W. Sir, your request will be granted. It is so ordered, Imperial Sir George Saunders, that copies of the addresses given this day be sent not only to all Representatives but to all Grand Masters and the leaders of all Masonic Bodies across this continent of North America. I believe that expresses the will of this Imperial Session. (Applause)

I see the Grand Master of the great State of Texas, M.W. Sir Carroll Hinsley, who is a member of the Finance Committee. Stand up, Carroll. (Applause)

M.W. Sir Carroll Hinsley has a distinction of having leveled the first cornerstone for the first Burns Institute for children in the world. I am sure that he records that historic occasion as one of the highlights of his great year as a great Grand Master. (Applause) of the highlights of his great year as a great Grand Master. (Applause)

Imperial Sir Orville Rush, may we call on you for your report.

NOBLE ORVILLE F. RUSH: Report of the Committee on By-law Amendments of the Iowa Corporation. (Reading)

To the Representatives of the Imperial Council, A.A.O.N.M.S., Washington, D. C., July 1965, and other members of the Colorado Corporation:

At the Afternoon Session of the Imperial Council in New York City on Wednesday, July 22, 1964, current Imperial Potentate O. Carlyle Brock said, "During my administration I promise that I will appoint a Committee to investigate the entire code of both corporations, the Colorado and the Iowa, and to bring back a report of recommendations for the changes."

Committees on By-law Amendments for both the Iowa and the Colorado Corporations were appointed, with identical membership, consisting of the following: Orville F. Rush, Chairman; Barney W. Collins, Charles E. Merrill, Robert Gardiner Wilson, Jr., Marshall M. Porter, Warren L. Jones, and Stanley Garrity.

We have completed the task assigned. All matters which were brought before the 1964 Imperial Council Session but not adopted, including the proposals in the Imperial Potentate's Annual Report for 1964, and all suggestions received by the Committee since the last Imperial Session were duly considered. The following proposed amendments are the result of that consideration:

Iowa Corporation By-laws proposed amendments:

1. 101.10 Forms now reads: "The official forms are printed as an appendix to these By-laws and their use is required wherever applicable."

The proposed amendment: "The forms appended to these By-laws have been approved, and shall be used wherever applicable unless officially changed. The Imperial Recorder, with the approval of the General Counsel and the Chairman of the Jurisprudence and Laws Committee, may abrogate, alter or amend forms existing from time to time, and prescribe other and additional forms."

The amendment to this section on "Forms" was designed to facilitate changes in the forms and also to emphasize that they are not a part of the By-laws, and therefore do require a ⅔ vote of the members of the Corporation to change them.

2. 203.4 is amended to read: "Emeriti Representatives. Upon the recommendation of the Committee on Emeriti Representatives and by a majority vote of the Representatives registered at any session, the Imperial Council may elect as an Emeritus Representative any Noble who has been a Representative for at least 15 years."

The present provision provides for 18 years and the only change is from 18 years to 15 years. The Imperial Recorder's office assisted the Committee in assembling requested statistics covering the period since the 1951 Imperial Council Session, when there was a reduction from a 21 years requirement to 18 years. During the 14 year period since 1951, the number of Emeriti Members has continued rather stable. An

average of five become eligible each year but in 1964, the total number of Emeriti Members was actually 58, as compared with 60 in 1951. Should the requirement be reduced from 18 years to 15 years there would be 12 eligible or 10 net, in view of the fact that 2 are already Ad Vitam. By serving as Representatives in 1965, another five would become eligible. We agree that the present 18 year requirement is too strict and, under the circumstances, a reduction to 15 years would seem advisable.

3. 206.5 (a) (3) is amended to read:

"He shall preside over sessions of the Imperial Council, but he may select another Imperial Officer or Past Imperial Potentate to preside over part or all of a session. He shall have the right to preside over meetings and sessions of Temples."

The change here is taking out the word "Representative" and substituting therefor "Imperial Officer or Past Imperial Potentate." The purpose of this amendment was to prohibit the Imperial Potentate from calling upon any Representative to preside. This is in line with the code provision relating to Temples where the three top officers must preside, and in their absence a Past Potentate.

4. 206.5 (a) (11) is amended to read:

For violation of Shrine law or for conduct unbecoming a Noble of the Mystic Shrine, he may suspend any Noble from membership or office in the Imperial Council or in a Temple until the conclusion of the next session, or for a shorter time. He may recommend extension of such suspension for a longer time, or expulsion; and any such recommendation shall be submitted to the Grievances and Appeals Committee for its consideration, and it shall report thereon to the session. Any Noble or group of Nobles claiming to be aggrieved may appeal as provided in 208.9."

The only change here is in the addition of the last sentence, namely, "Any Noble or group of Nobles claiming to be aggrieved may appeal as provided in 208.9." The amendment to this section was merely to call attention to the new appeal procedure provided in 208.9.

5. 206.5(a) (12) is amended to read:

"For violation of Shrine law, he may arrest the charter and suspend the work of any Temple until the conclusion of the next session, or for a shorter time. Any Temple claiming to be aggrieved may appeal as provided in 208.9."

The only change here is the addition of the last sentence, namely, "Any Temple claiming to be aggrieved may appeal as provided in 208.9."

This amendment was for exactly the same purpose as the preceding one.

6. 208.6 (e) is amended by striking the present section and substituting the following:

"The Grievances and Appeals Committee shall consider and report to the Imperial Council concerning all matters of controversy, grievance, (and appeal presented to the Imperial Council, and the actions and recommendations of the Imperial Potentate regarding suspensions or expulsions of Nobles and the arrest of a charter or suspension of the work of a Temple. It shall have power to receive evidence and hear arguments; and it shall afford any Noble, Officer, Temple or organization of Nobles or Temples the right to appear and be heard) discipline, or appeal coming before or assigned to it. In order to provide staggered terms, the terms of three members first appointed shall be designated for three years; two designated for two years; and two designated for one year. The successor of each shall be appointed for a term of three years. If a vacancy occurs, another Representative shall be appointed for the unexpired term. The Committee is vested with the powers, must discharge the duties, and follow the procedure set forth in 208.9."

This section was substantially changed to assure continuity on this Committee by providing staggered terms. The amendment also refers to the new section on procedure for this Committee.

7. 208.9 is created to read: "208.9 proceedings before the Grievances and Appeals Committee.

"(a) Time for appeal. Any Noble, Temple, or organization of Nobles, claiming to be aggrieved by a disciplinary order of the Imperial Potentate, may take an appeal by filing a written notice thereof in the office of the Imperial Recorder within 30 days after the date such order is mailed. The Committee may at any time for cause shown extend the time for taking an appeal.

"(b) Notice of appeal. When a notice of appeal is received by the Imperial Recorder, he shall send a copy of it with a copy of the Imperial Potentate's disciplinary communication to the Grievances and Appeals Committee.

"(c) Statement of charges. The Imperial Potentate must forthwith file with the Committee a statement in plain and concise language setting forth the charges upon which the disciplinary action was taken, and send a copy thereof to the disciplined Noble, Temple or organization of Nobles.

"(d) Answer. The disciplined Noble, Temple, or organization of Nobles must then forthwith file with the Committee an answer to the charges setting forth in plain and concise language any defenses thereto, and forward a copy of the answer to the Imperial Potentate.

"(e) Hearing. The Grievances and Appeals Committee must convene, at a time and place selected by it, to receive evidence and hear arguments, and sufficient time and notice must be arranged and provided so as to enable all parties to appear throughout the hearing and be heard with or without counsel.

"(f) Stay of suspension. Subject to a review by the Imperial Council, the Grievances and Appeals Committee may stay the disciplinary action until the next session of the Imperial Council.

"(g) Decision. The Grievances and Appeals Committee must render a decision either affirming, reversing or modifying the disciplinary order of the Imperial Potentate, together with any recommendations it may have, and shall present the same to, and before the end of the second day of, the Imperial Council Session.

"(h) Expenses. The expenses of the Grievances and Appeals Committee incident to the proper performance of its duties shall be paid by the Imperial Council; but no cost or expense of a Noble, organization of Nobles or Temple shall be paid except upon order of the Committee.

"(i) Final decision. The final decision on any appeal rests with the Imperial Council, acting on an appropriate motion, but presentation of the appeal in the Imperial Council shall be limited to the disciplinary order and statement of the Imperial Potentate, the answer of the disciplined party, the report of the Grievances and Appeals Committee, any record of the oral or documentary evidence heard or received by the Committee, and an argument thereon not exceeding 20 minutes on either side. There shall be no oral discussion from the floor during the presentation of the appeal.

"(j) Other appeals. On all appeals coming before or assigned to the Grievances and Appeals Committee, the procedure set forth in this section shall be followed insofar as applicable."

This is a new section and is intended to provide a definite procedure for disposing of appeals before the Imperial Council.

8. 213.1 (introductory paragraph) is amended to read:

"Fez. The exclusive head covering of the Order shall be the red Turkish fez with a black tassel."

This amendment restores the word "Turkish" which was stricken by amendment at the 1964 session.

9. 213.1 (f) is created to read:

"Fezzes, from whom purchased. Fezzes shall be purchased by Temples, organizations of Temples, Officers of Temples, or organizations or individual Nobles, only from such manufacturers, distributors, dealers or other vendors, as have been approved by the Imperial Potentate. Such approval may be revoked by the Imperial Potentate at will. Violation of this provision shall be conduct unbecoming a Noble of the Mystic Shrine and subject to discipline."

This amendment creates a new paragraph and is an amendment to regulate the sale of fezzes. This matter has been discussed for several years.

10. 323.2 is amended by striking the present section which reads:

"323.2 Petition, form. The form of the petition for membership shall be prescribed by the Imperial Council" and substituting therefor the following: "Each petition for membership shall bear the written recommendation of two members of the Temple to which application is made."

This section was amended to provide for written recommendation by two members of the Temple on each petition for membership.

11. 324.7 (e) is created to read:

"324.7 (e) The presiding Officer, at his pleasure, at any meeting or session of the Temple, may request any Past Potentate to preside."

This subsection was added to permit the Potentate of a Temple to call on a Past Potentate to preside even though the Potentate is present.

12. 328.7 (d) is created to read:

"A Temple may hold a Ceremonial session within the jurisdiction of another Temple provided it obtains the written consent of the Potentate of any Temple within whose jurisdiction such Ceremonial session is to be held."

This subsection was added to take care of situations involving Temples, like Al Malaikah, which holds Ceremonials in territory outside their jurisdiction, such as an adjoining state.

13. 330.2 (h) is amended to read:

"330.2 (h) upon the date set for hearing, the Noble prosecuting on behalf of the Temple may excuse two of the Committee chosen by the Potentate, and the accused has the right to excuse two of the Committee leaving a Trial Committee of five. If the accused or the Noble prosecuting on behalf of the Temple fails or refuses to exercise his challenges as above, then the Trial Committee of five shall be chosen by lot. This Committee hears the evidence adduced on behalf of the Temple and the accused, and the arguments of Counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused. If the Committee finds the accused guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period. A majority vote of the Committee upon the question of guilt and upon the fixing of the punishment shall be required."

This amendment adds the word "reprimand" as a type of punishment which may be inflicted by a Temple on an offending Noble.

14. 330.2 (i) is amended to read:

"330.2 (i) After the Committee has concluded, it shall make a report of its findings to the Potentate in writing, and at the next stated meeting of the Temple

after the trial the report shall be read to the Temple, and the Potentate shall pronounce judgment in accordance with the report. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council."

This amendment substitutes the words "in accordance with" in place of the word "upon" near the end of the first sentence.

15. 330.2 (v) now reads "The report of the Trial Committee must be signed by the entire Committee." The proposed amendment: "The report of the Trial Committee must be signed by the Chairman who shall certify as to the numbers voting for or against the findings and the fixing of punishment, if any."

This amendment substitutes the signature of the Chairman of the Trial Committee for the signatures of the entire Committee.

16. 332.4 (b) now reads: "A Temple may not issue a life membership certificate for a sum less than 15 times the Temple's annual dues." The proposed amendment: "A Temple shall not issue a life membership for a sum less than 20 times the Temple's annual dues. All money received from life memberships shall be placed in a trust fund and only the income from such fund shall be withdrawn; but upon the death of any life member an amount equal to the sum paid by him may be transferred from the trust fund to the general fund of the Temple."

This amendment increases life membership requirements from 15 to 20 times the Temples annual dues. The amendment also places a restriction on the Temples in the use of life membership funds. This matter has been discussed for many years.

17. 334.7 (a) is amended to read:

"334.7 (a) Any Temple contemplating any program involving a secured or long term obligation for a building or addition for the use of the members or any other collateral purpose either through the fraternal organization or through an affiliate, appendant or subsidiary agency must first submit to the Imperial Potentate for his examination and approval the proposed program on the form prescribed by the Imperial (Council) Recorder under 101.10. A long term obligation is one in which the principal or any part of it is payable more than one year from the date on which it was contracted."

This amendment substitutes "Recorder" for "Council" in order to make it conform to the amendment to 101.10 noted above.

18. 334.8 (c) is amended to read:

"334.8 (c) A corporation organized by a Temple is required to maintain its records in accordance with the uniform chart of accounts prescribed by the Imperial (Council) Recorder under 101.10."

This change is the same as the one under (17) and was made for the same reason.

Imperial Sir, I hand you herewith the report of the Committee on By-law Amendments of the Iowa Corporation, including the proposed amendments, all of which have been inserted in the Call, for your referral to the Jurisprudence and Laws Committee.

Imperial Sir, those proposed amendments relating to the fez and jewel I ask that you refer to the Emblems and Jewels Committee.

IMPERIAL POTENTATE BROCK: You simply want to receive this report?

NOBLE ORVILLE F. RUSH: Yes, refer those referring to the regalia to the Emblems Committee and the others to Jurisprudence and Laws.

IMPERIAL POTENTATE BROCK: You have heard the motion. Do I have a second? (Motion seconded) All in favor signify by the usual sign. Contrary the same sign. So ordered unanimously.

NOBLE WARREN L. JONES: There being a very brief time intervening between the reference of this report to Jurisprudence and Laws, it has met, it has considered and it has prepared a separate report on each one of the proposed Amendments. Being that each one of us is failing vocally the reports will be given by the several members of the Committee on Jurisprudence and Laws. They will be submitted in the order in which they appear in the Call.

The first one is 101.10 relating to Forms. (Reading)

To the Imperial Council, A.A.O.N.M.S.:

There has been referred to your Committee on Jurisprudence and Laws the proposed amendment to Section 101.10 of the By-Laws of the Iowa Corporation, relating to Forms, to read as follows:

> "101.10 FORMS. The forms appended to these By-laws have been approved and shall be used wherever applicable unless officially changed. The Imperial Recorder, with the approval of the General Counsel and the Chairman of the Jurisprudence and Laws Committee, may abrogate, alter or amend forms existing from time to time, and prescribe other and additional forms."

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-laws.

Respectfully submitted,

COMMITTEE ON
JURISPRUDENCE AND LAWS

Warren L. Jones, Chairman
S. Ken Briggs
Elmer P. Bromley
Merwyn H. Brown
Robert H. Fouke
John Y. Jordan, Jr.
William H. Knowlton

To bring the matter on the floor I move the approval of the report and the adoption of the Amendment. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion.

NOBLE LOUIS CHACKES: Imperial Sir and open minded Representatives to the Imperial Council. So that you may be forewarned I am not speaking on every Amendment. (Laughter and applause) It isn't beyond the realm of possibility.

Now the first one it so happens the old By-law says that "The official forms are printed as an appendix to these By-laws and their use is required wherever applicable." Now I thought that was all right until they wanted to change it. Then I wanted to look at what the forms were. But the Amendment says, "The forms appended to these By-laws have been approved." I submit they have never been approved. Therefore, when we say "they have been approved" that is in error and should not be treated as such.

Last year we did pass on four sections of the book which all had to do with By-laws but nothing was presented to us on approval of forms. Therefore, they have not been approved. So we can't pass this until they have been approved.

Since this is the first one I must refer to one particular item that I would like to have corrected or restored because I think it is very essential especially in light of what is happening in the last few days when all of these Masters and present Grand Masters and other greats have been here, when all these great speeches have been made in which we all concur that we should live together and learn how to work together, and they remove from our application for membership one of the most vital things that might be said, the connection with our mother Lodge. Did you know that in the new form for membership—maybe if I told you what the old form says. The application says that I am a member of such and such a Commandery, or I am a member of such and such a Consistory and so forth, or member of such and such a Chapter. I am a member of such and such Lodge. Do you remember that? Now it says only that I am a member of such and such Commandery, or member of such and such Consistory, and the Chapter and Lodge are removed.

Now I might agree that there is no necessity for having the Chapter as long as you have got the Commandery but I will be glory be that the omission of membership in the Lodge should happen. Let's keep it in there. It must be in there. It ought to be in there.

What is the object? Just because some Temple or other in our long history, in fact even recently there was a little fuss, so as to make ourselves free of any connection with a Grand Master we removed any connection with a Lodge in our application. Many Recorders told me it would be quite helpful if they had it in there for their own reasons. For instance, a Noble dies somewhere. The first thing they do is ask, "What is his Lodge?" So they want to find out what Lodge he belongs to. If the Recorder doesn't have it from his petition how can he answer?

What is lost by removing the name of the Lodge? I will tell you what is lost. There is lost a very, very vital connection. There is lost this spirit of brotherhood which has been shown here by all these Past Grand Masters and many presiding Officers. We are Masons. There is no shame about it. If somebody were to commit something that was slightly wrong there is a punishment somewhere even in the Lodge or Consistory or Commandery. Why avoid it? If it had not been in there then we would go on but since it has been in there the attention has been focused to the fact that it has been removed and it has also been removed from the other forms.

Now some of the changes in language in the forms as they have been presented here from the old forms are improvements or the wording is much easier. The only thing I draw attention to before we pass this that they decided to improve I just can't feel that we want to approve the petition form. In fact since last year in the rulings by the Imperial Potentate one Temple, Moslem Temple of Detroit, they had noticed the omission and on April 23 history was made whether a Temple might include in the form of a petition blanks for listing the Blue Lodge and Chapter membership since these had been omitted from the official form. (Reading)

HELD: It would not be improper to include such blanks for the purpose of procuring information for the records of the Temple, but the omission of such information on a signed petition would not be grounds for processing the petition.

Now we are going to approve the ruling so we would not be doing something in the judgment of the learned gentlemen, and they are learned but even learned gentlemen can differ. So I would like to be assured through this ruling or some agreement that in our form of petition and the other two mentioned, reinstatements and restorations, that line in connection with Masonry should continue.

Before I proceed is there any way that can be done?

NOBLE WARREN L. JONES: If you are addressing the question to me would you repeat it?

NOBLE JOHN B. VESEY: I would like to put in a little rebuttal before you agree to anything.

NOBLE LOUIS CHACKES: Now fire four or five shots before we are all dead. These are all good shots but they miss once in a while.

The other part of it says, the amended one says, "The forms appended to these By-laws have been approved." Now after we have approved them by putting something in there, "shall be used wherever applicable unless officially changed." That part is all right. "The Imperial Recorder, with the approval of the General Counsel and the Chairman of the Jurisprudence and Laws Committee, may abrogate, alter or amend forms existing from time to time, and prescribe other and additional forms."

Now here we are saying that the right of approving forms or creating forms is the business of the Imperial Council and after we have done it a right is given to the Representatives here named. After we pass this, for instance, they may abrogate. Now abrogate, what does that mean? Null, make void or toss in the ashcan, that is abrogate, alter or amend. I think that the right to abrogate, alter or amend should be retained in the Imperial Council. Certainly we would vote and our official notice says would offer to us from time to time amendments for suggested forms. But if they decide to change it in the course of a year you only have a few months to the Imperial Council and the Imperial Council can change it. I would like, one, to restore the reference to membership in the Lodge in the—well, let me do this. (Reading)

I offer the following amendment to the proposed amendment as printed in the annual call.

Add the words "by the Imperial Council" to the first sentence. Delete the second sentence, so that the amendment as amended will read:

101.10 Forms. The forms appended to these By-laws have been approved and shall be used wherever applicable unless officially changed by the Imperial Council.

(Motion seconded)

NOBLE JOHN B. VESEY: Are you ready for action on that now?

NOBLE WARREN L. JONES: Bro. John, I would like to, if I might, make a brief statement of what I consider the facts to be and I am not in complete accord, I think, with my distinguished friend and brother from East St. Louis.

I understood it was said by him that the statement in the proposed amendment that the forms appended to these By-laws had been approved. The existing provision of the By-law, this Section, now reads, "The official forms are printed as an appendix to these By-laws and their use is required wherever applicable." I regard it and I think the Revision Committee regarded that as an adoption and approval of those By-laws that were appended to the revision as it was submitted to and adopted by this Imperial Council.

I would like also to give, if I might, some little explanation of what I think the Committee did intend. It was of the opinion that the adoption of Section 101.10, "The official forms are printed as an appendix to these By-laws," meant they were a part of the By-laws and could only be changed by this Imperial Council by a two-thirds vote.

Now if it is going to take us this much time to determine whether or not we would permit the Recorder with the approval of the Chairman of Jurisprudence and Laws and General Counsel to approve a change in By-laws we are going, I think, to be somewhat handicapped in conducting the important business of the Session. The

Recorder, I think, can be trusted to prepare such administrative and other forms which are adapted to carrying on the work of the Shrine.

The Chairman of the Jurisprudence and Laws Committee, and I speak with modesty and humility as does my good friend Lou Chackes, I think the Chairman of the Jurisprudence and Laws Committee is always going to be a person bright and intelligent, learned in the law, skilled in the way of Shrinedom, and not let the Recorder, who has been praised by every speaker almost, I think we are not going to let him slip anything over.

Now as to omission of the requirement that the petition contain the name of the Blue Lodge. Your By-laws prescribe that the prerequisites of the Shrine are the Commandery or the Consistory and it was the belief of your Committee that the petition needed only to show that he was qualified under the By-laws to make the application.

IMPERIAL POTENTATE BROCK: Illustrious Sir John Vesey.

NOBLE JOHN B. VESEY: I am not going to consume your time because your learned Chairman of the Jurisprudence and Laws said exactly what I was going to say but I don't think he said it as well as I could have said it. (Laughter and applause)

NOBLE LOUIS CHACKES: Had not my very dear friend said that these forms had been adopted or implied that they were adopted then I would not have spoken but he of course knows. But I recall very clearly when the Chairman of the Committee on Revision of By-laws last year presented a matter for us for approval and he specifically referred, on page 92 of the 1964 proceedings, that I am talking of Section 1, Section 2, Section 3 and Section 4, and neither one of those Sections contained the forms.

IMPERIAL POTENTATE BROCK: Are you ready for the motion?

VOICES: Question! Question!

IMPERIAL POTENTATE BROCK: All in favor signify by the usual sign. Contrary the same sign. It is so ordered.

NOBLE LOUIS CHACKES: It requires a two-thirds vote. Are you voting on the amendment? If so—

IMPERIAL POTENTATE BROCK: We are voting on the Chackes amendment.

VOICES: Restate the amendment.

IMPERIAL POTENTATE BROCK: Now the amendment reads as follows: (Reading)

I offer the following amendment to the proposed amendment as printed in the annual call.

Add the words "by the Imperial Council" to the first sentence. Delete the second sentence, so that the amendment as amended will read:

101.10 Forms. The forms appended to these By-laws have been approved and shall be used wherever applicable unless officially changed by the Imperial Council.

This is the amendment that you are now voting on. All in favor signify by the usual sign. Contrary the same sign. It is so ordered.

I am just going to finish this one if you will. The amendment has been carried. I will accept the motion on the motion as amended.

NOBLE SUMNER N. SMITE: Imperial Potentate, may I ask a question? This is neither pro or con. My question is this. Assume the passage of this or any other amendment my question is when does it become effective?

IMPERIAL POTENTATE BROCK: Immediately, I would assume, with this Session.

NOBLE SUMNER N. SMITH: Actually my interest does not lie so much in this particular amendment as it does in the amendment that suggests changes to be made for life members from 15 to 20 times the annual dues.

IMPERIAL POTENTATE BROCK: That question is not before us at the moment.

NOBLE SUMNER N. SMITH: I appreciate that but my question is general to all of them as to the effective date from their passage.

IMPERIAL POTENTATE BROCK: The Imperial year runs from convention to convention.

Now the question on the motion as amended. All in favor signify by the usual sign. Contrary the same sign. It is so ordered.

We will be back at nine o'clock tomorrow morning without fail.

All Potentates wishing their photographs taken with the Imperial Potentate-elect please come tomorrow morning between seven and eight in the room next to the Recorder's office.

(The Ninety-First Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 4:30 P.M. to reconvene at 9:00 A.M., Friday, July 16, 1965, in the International Ballroom of the Washington Hilton Hotel, Washington, D. C.)

MORNING SESSION
FRIDAY, JULY 16, 1965
NINE O'CLOCK A. M.

The Ninety-First Annual Session of the Imperial Council, A.A.O.N.M.S. reconvened in the International Ballroom of the Washington Hilton Hotel, Washington, D. C., Friday, July 16, 1965 at 9:00 A.M., Imperial Potentate O. Carlyle Brock presiding.

IMPERIAL POTENTATE BROCK: Fellow Representatives, will you rise and I shall call upon our Imperial Chaplain to invoke the Blessing from our great Architect of the Universe.

RT. REV. AND NOBLE JOSEPH M. HARTE: Almighty God, we give Thee high and hearty praise for the high dignity and great success of this on going Council and may Almighty God bless it unto the end forever and ever. Amen.

IMPERIAL POTENTATE BROCK: Fellow Representatives, will you give me your attention for just a moment. You notice how quickly I have been brought down from the top level to the floor. I am down here where I started. They are pushing it a bit fast don't you think?

We have a most thoroughly educational and informative program this morning and I promise to get you out of here on schedule. We are looking to the future and not to the past and I believe that the program which will unfold before you this morning is far more important than any inconsequential legislation which this great Imperial Council has struggled along without in the past and can surely in the year ahead. Your Imperial Divan whom you have elected, who serve you as Directors of both the fraternal and charitable corporations, who are definitely close to you and have your heartbeat, have approved practically all of this revision legislation. There are two items only which they oppose. My first thought was to announce that if there were any among you who have any objection to any one or more of these proposed amendments would you kindly come forward to the Jurisprudence and Laws Committee and voice that objection in order that we could take the non-controversial subjects and move ahead with dispatch. However I am, with your permission, going to sweep the revision amendments under the rug for this session. I am not about to force through legislation when many have already left and others are anxiously waiting to catch a plane. My

father used to admonish me with the words: Education and correct information will succeed where legislation and condemnation will fail.

I am now to turn this meeting over to your Imperial Potentate-elect. Being brought down to the lower level so quickly I came down quicker than I expected. I know when I came up the aisle Percy Bolton, Past Potentate of Rameses, said, "Imperial Potentate, allow me to escort you the last mile to your execution." (Laughter)

Imperial Sir Barney Collins, this gavel is yours to use for as such time as you wish. (Applause)

NOBLE BARNEY W. COLLINS: Thank you, Imperial Sir. I shall turn the gavel over to George Saunders, our Imperial Recorder.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, Imperial Sirs, Representatives. The first part of the presentation of the Imperial Potentate-elect is a film. The film you are about to see is the "premier showing" of the new DeMolay motion picture film "The Priceless Years." It is a film produced by the International Supreme Council of the Order of DeMolay for the purpose of informing Masons what DeMolay is all about and why they, as Master Masons, play a vital roll in the operation and success of the worldwide youth movement.

We hope that every Mason will some day soon see a showing of this film. Loan copies of the film will be available from DeMolay Headquarters in Kansas City at no charge as of Aug. 1. Copies of the film can be purchased for $100 each, and we hope many Shrine Temples and other Masonic groups will purchase copies for use in their jurisdictions.

Imperial Sir Harold Lloyd was tremendously helpful and you will see him in this particular film.

(The DeMolay motion picture "The Priceless Years" was shown to the assembly.)

NOBLE GEORGE M. SAUNDERS: Nobles, will you lend your attention please to the Deputy Imperial Potentate.

NOBLE BARNEY W. COLLINS: Thank you, Imperial Sir George.

Imperial Potentate, fellow Representatives. (Reading)

In Chicago in July of 1955 you elected me to the position of Imperial Outer Guard, and when I was asked if I would accept, I answered in Spanish, "Si Senor." Every year since then you have advanced me through the line, and now you have bestowed upon me the highest gift within the scope of your authority. So now, in addition to "Si Senor," I will now add, "Muchas Gracias" and promise you that I will go all out to serve you and the Shrine as your Imperial Potentate. (Applause)

Now that you have elected me, you are probably wondering what I plan to do during the coming year. Naturally I will continue to support and work for our hospital program, with special emphasis to complete our three burns institutes. As you know already, our Imperial Potentate O. Carlyle Brock dedicated the Galveston Unit last May, and the Chairman of our Building Committee, Past Imperial Potentate George Mattison, tells me the building will be ready for occupancy in January of 1966. And when the doors are opened I will be there to greet, on your behalf, our first patient-guest.

We are not sure just when the cornerstone will be laid for Cincinnati and Boston, but if they come in my year, I will be there too for this, our most unbelievable opportunity to serve the children of the world.

We will go ahead to expand our public relations department, to bring the Shrine into better focus, and to continue to improve our image throughout North America. I believe that there is nothing finer in North America than Masonry and the Shrine. And if our great nations, the Dominion of Canada, the United States of America,

and the United States of Mexico, are to continue in the vanguard of the world, they must be led by men of the same Fraternity that founded them.

All Temple problems will be handled through appropriate committees under Imperial Divan Deputies, the same as last year.

Ten years ago, I resolved that if I ever made it to the top that I would do whatever I could to advance the cause of DeMolay. How many of your Representatives out in the audience were DeMolays? Would you be kind enough to stand up so we can see how many we are? (Approximately one-third of the Representatives stood.) (Applause) Thank you fellow Nobles. I wonder if you know how much men of the Shrine are doing now for DeMolay. I wonder if you know that our Imperial Recorder, George M. Saunders, now occupies the position as Grand Secretary, once held by our beloved Past Imperial Potentate and Founder, Frank S. Land; that Imperial Sir George serves in that capacity without pay.

I wonder if you know that the first DeMolay to become Imperial Potentate was Past Imperial Potentate George M. Klepper. It may interest you to know that your Imperial Potentate-Elect is a Senior DeMolay, is also DeMolay Executive Officer for the United States of Mexico, and currently is a Grand Fourth Preceptor and Sponsor of the Annual DeMolay oratorical contest held throughout North America.

The Order of DeMolay is good for a boy. The lessons taught at the altar of DeMolay start him off on the right path through life. The DeMolay is also good for Masonry. Statistics show that fifty per cent or more of DeMolays become Masons. Three million DeMolays have been initiated into the youth movement since the beginning of the Order. It is DeMolay law that all DeMolay Chapters be sponsored by recognized Masonic groups, and as I visit each of your Temples during the coming year, I shall urge your Shrine Clubs actively to assist the Blue Lodges in their community to establish and maintain the Order of DeMolay. A special new committee is being assembled to work under our Masonic Relations Committee for that specific purpose.

Further, I believe that we should encourage our Ladies to join the women's organizations which were inspired by noted Masonic leaders, and whose rituals were written by Masons. Let's face it Nobles. The women are here to stay. They make our homes, they give us our children, and if they want to help us as they do, let us help them all we can without violating Masonic or Shrine law.

And by the same token, I advocate that young girls join similar groups. In this way we create a homogeneous Masonic-inspired family, with common goals. Because of the tremendous competition for our time, it behooves us to stick together.

You gentlemen know that I live in Mexico City, where I settled over forty years ago. Everything I have in a material way I have earned in Mexico. My entire Masonic life is wrapped up in Mexico. In many ways I act and think like a Mexican.

During the coming year I expect to tell you more about the country in which I maintain my home. On my official visits to your Temples I will invite you to learn more about Mexico, to learn a few phrases in Spanish, perhaps suggest a visit to Mexico City to see our Pyramids which are as large as those in Egypt. I will invite you to know the Mexican people, whose customs were already centuries old when the pilgrim fathers landed on Plymouth Rock.

Mexico has a fabulous Masonic history paralleling that of the United States. The fight for Mexican independence from Spain was started by Masons. The famous Reform Laws of 1857 were put into effect by Benito Juarez, President of Mexico, who, at the time, was Master of his Lodge in Mexico City. Many hundreds of Mexican Masons have become Governors, Senators and Congressmen. Several Presidents of Mexico have been Masons and throughout the years four Mexican Presidents have become Shriners who are or were members of Anezeh Temple.

To the North of the United States we have the Dominion of Canada and to the South, the United States of Mexico. Two borders that are not fortified nor occupied by soldiers. This is something to think about in these days of national suspicions and hatreds.

Our beloved Shrine enjoys excellent relations with the Grand Lodges of North America, and our Masonic Relations Committee includes dedicated men who will strive to keep them that way.

You who are Representatives to this Imperial Council are very important persons. You have been elected by your Temple to represent it in this body. It is not easy to be elected as a Representative, as many of you know. The responsibility is great and the pay is poor, but the honor is commensurate with both. But, you must also remember that you are not only Representatives of your Temple to this Imperial Council, but you are at the same time Representatives of this Imperial Council to your Temple. To that end, it is my intention to keep you Nobles informed throughout the year with what is going on behind the scenes. You will receive periodically a confidential letter setting forth our goals, our problems, and other matters that I feel that you, as Imperial Council Representatives, should know about.

After this Session closes and you return to your homes, I want you to feel free to contact your Imperial Officers. Every recommendation will be given careful attention and referred to the proper committee for action. We want your suggestions and ideas. We need them.

Again, may I say thank you for what you have done for me. And now I ask, what can I do for you? Hasta la vista! (Standing applause)

IMPERIAL POTENTATE BROCK: Is the Potentate of Almas Temple in the room? Will he come forward.

Ill. Sir Luther Smith, is he still with us?

I see Dr. Claud Young, Grand Secretary General of the Southern Masonic Jurisdiction Scottish Rite and Past Potentate of Mirza Temple. Would you please come forward as well.

Dr. Claud, come over here a minute. I just want you to give this grand Noble and Mason a hand. (Applause)

ILL. AND NOBLE CLAUD YOUNG: I would just like to say good morning to you and tell you that I would have liked to have been here during all of your meetings but on account of having lost my lower right leg this summer I didn't feel like coming out in a big crowd so I refrained from doing it.

I wish all of you Nobles who may do so will come to the House of the Temple and let us show you what Masonry is doing and what we are doing over there. Thank you so much, Brethren. (Applause)

IMPERIAL POTENTATE BROCK: Ill. Sir Luther Smith, the Sovereign Grand Commander of the Mother Supreme Council of the world, and a great American. (Applause)

ILL. AND NOBLE LUTHER A. SMITH: Ill. Sir, Nobility of North America, friends and Brethren all. I want to thank Imperial Potentate Brock for the opportunity he and his associates have offered to our Supreme Council and myself as Grand Commander to present to you this morning a film that the Supreme Council has produced in the interest of Freemasonry as a whole. It is a feature that I think nothing like it has ever occurred in the world where a major effort to present Freemasonry as a whole in a film has ever been undertaken. This film is entitled "In The Hearts Of Men."

Across the grand overhead of our door in the front of the House of the Temple are these words carved in granite, "Freemasonry builds its Temples among the nations and in the hearts of men." The latter phrase is the title of our film.

America's stirring history dramatically unfolds in this Masonic film "In The Hearts Of Men." From the time of the thirteen Colonies to that of the fifty States Freemasons are seen playing their significant roles in the building of our free institutions. Such important Masons as George Washington, Benjamin Franklin, Alexander Hamilton and James Madison are shown carefully laying the foundations of our Republic. Marquis de Lafayette, Patrick Henry, John Paul Jones, Joseph Warren will inspire you with their incredible zeal for freedom. Their unbelievable feats of courage and patriotic enterprise will stir you to the depths, as you watch and contemplate the lives of Cecil De Mille, Eddie Rickenbacker, J. Edgar Hoover, Will Rogers, Charles Lindbergh, General Douglas MacArthur, astronaut Gordon Cooper and many others, all of whom are proud to be recognized as our Masonic Brothers.

In fact, every individual in this film was or is a Mason. Lloyd Thomas, noted commentator, lecturer, traveler, is the narrator of this film.

The Supreme Council 33° Southern Jurisdiction produced this film in order that those who see it will have a deeper appreciation of the blessings of liberty, be inspired to preserve it and learn something of the important part played by Freemasons in the world's most successful struggle for freedom.

Nobles and Brethren, I have great pleasure in presenting for your pleasure, "In The Hearts Of Men." (Applause)

(The moving picture film "In The Hearts Of Men" was shown to the assembly.) (Applause)

IMPERIAL POTENTATE BROCK: Thank you so much, Grand Commander Smith.

We are going to move this podium up on the stage where you can see us better. I will declare a recess for ten minutes so that you may move around a little bit.

(Recess from 10:15 A.M. to 10:30 A.M.)

IMPERIAL POTENTATE BROCK: Fellow Representatives, will you kindly find your places.

Will you give me your attention, please. It is my sad duty to announce that William Falconer, Past Potentate of Kismet Temple, and Emeritus Member of this Imperial Council, and one who served on the Finance and Accounts Committee and others for many years, also the Investment Committee, passed away this morning. If you would stand for a moment of silence.

(The assembly stood for a moment of silence in memory of Noble William Falconer.)

IMPERIAL POTENTATE BROCK: I now call upon Orville Rush, the Chairman of the Revision Committee.

NOBLE ORVILLE F. RUSH: Imperial Sir, in view of the statement made this morning by the Imperial Potentate with respect to proposed legislation, I move as Chairman of the Committee on By-law Amendments of the Iowa Corporation that consideration of undisposed legislation proposed by this Committee be postponed until the next meeting of the Corporation and that the same be printed in the Call.

Now if you want these proposals considered at this Session then vote no on my motion. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. Question.

VOICES: Question! Question!

IMPERIAL POTENTATE BROCK: All in favor signify by the usual sign. Contrary the same sign.

The chair is in doubt. I will now call for a standing vote. All in favor of the motion stand, and only Representatives now. (The affirmative votes stood.) You may be

seated. All the noes please stand. (The negative votes stood.) The Ayes have it and the motion is carried. (Applause)

I will now call upon the Chairman of the Emeritus Committee to come forward.

NOBLE REMMIE L. ARNOLD: Imperial Potentate, Imperial Sirs and members of this convention. Before I make my report I would like for the following Committee to come to the stage: Herman L. Engelhardt, J. Henry Curdes, Munger T. Ball, J. B. Whittington, Thomas D. Van Dine and Gerald D. Crary.

Will the following Emeriti Members come forward: Frederick Wilken, Almas Temple; George M. Klepper, Al Chymia Temple; Walter A. DeLamater, Mecca Temple; W. Howard Millington, Mirza Temple; Palmer N. Hegvold, Aad Temple.

Imperial Sir, Imperial Sirs and Representatives. As Chairman of the Committee on Emeriti Members it is a very great honor to present to you a very distinguished group of Nobles who have been called to serve their Temples and the Imperial Council for eighteen years. I am sure they have labored long and hard to be honored by their Temples to be sent here for eighteen years and I know they deserve this honor. We have checked the records and are satisfied that these Nobles have satisfied the requirements of these By-laws and are entitled to receive the honorable distinction of being declared Emeriti Members. We are also satisfied that their service to their Masonry, Temple and country entitles them to this honor.

I will now ask Noble Engelhardt of Aahmes Temple to present Noble Walter A. DeLamater of Mecca Temple.

NOBLE HERMAN L. ENGELHARDT: I am from Aahmes, Temple, Oakland, the best side of San Francisco Bay.

Imperial Sir Remmie Arnold, Imperial Potentate O. Carlyle Brock, Imperial Sirs, Illustrious Sirs and Nobles. I have a wonderful pleasure and honor to present an outstanding Illustrious Sir who has been a member of the Mystic Shrine for forty-four years, none other than Ill. Sir Walter Allen DeLamater.

He has held many positions. He was Potentate of Mecca Temple in 1926 and again in 1950. There was a peculiar situation in Mecca Temple. I won't go into that matter but the Imperial Sir appointed him Potentate to straighten out a situation. After he served as Potentate in 1950 he was elected Recorder for approximately five and one-half years. Then they recognized this outstanding man and they elected him Recorder Emeritus of Mecca Temple for several years. He was Director General for two Imperial Council Sessions held in New York City.

Then the Jesters were dying and they elected him Director to reactivate the Jester Court of New York City. The Cabiri were dying and again Walter was selected to reactivate the Cabiri Chapter in New York City.

You know, Illustrious Sirs, I could go on for ten more minutes and tell you about all the wonderful things this Illustrious Sir has done but I am going to give you the highlights.

Walter's Masonic record is terrific and in my opinion it is one that few can match. A few of his many outstanding accomplishments include during 1931 Wor. Master of Kane Lodge in New York City, member of various Grand Lodge Committees 1935 to 1965. He was Excellent High Priest of the Royal Arch Chapter and later originator and organizer of a fund for relief of tubercular Royal Arch Masons in the State of New York which is still functioning. Thrice Illustrious Master of his Council of Royal and Select Masters and served on many State Committees. He also received Awards of Merit. He was Eminent Commander of Yonkers Commandery No. 47 Knights Templar. He was elected R.E. Grand Commander for the State of New York during 1934. He was Grand Recorder in 1950 and to date. For his outstanding Knight Templar activity he was appointed R.E. Grand Warder of the

Grand Encampment Knights Templar United States of America during 1937. He was elected and installed as the M.E. Grand Master in August of 1955.

General DeLamater felt that the Knights Templars should have a charitable project and introduced a resolution to establish a Knights Templar Eye Foundation which today has restored the vision of thousands of blind persons. He was its first President and administrative officer and is still its Executive Director.

In 1940 he was elected Sovereign of St. Paul's Conclave of the Red Cross of Constantine and in 1958 and '59 he was the M.E. Grand Sovereign of the United Grand Imperial Council of Knights of Red Cross of Constantine and Appendant Orders for the United States of America, Mexico and the Philippines.

In the Scottish Rite he was an active officer in the various Bodies of New York City. He was coroneted Sovereign Grand Inspector General 33° and Honorary Member of the Supreme Council of the Ancient Accepted Scottish Rite Northern Jurisdiction.

Now in checking General DeLamater's biography it would take at least ten minutes to give you his many activities and honors. I find Major General DeLamater's military and civic record is equally outstanding as his fraternal achievements. During World War I in France his awards and medals in action are too numerous to mention. In civic activities at the urgent request of Mayor LaGuardia he was appointed to the Executive Management Board of the New York City Tunnel Authority and subsequently several other important offices. In business activities he is President and Director of many business organizations.

Ill. Sir Walter Allen DeLamater, I salute you. God bless you. It is our fervent hope that we will have the benefit of your ability, your forthrightness, your wisdom and your benevolence for many years to come. May the sunshine of the Shrine be on you and about you wherever you go, Walter. (Applause)

NOBLE REMMIE L. ARNOLD: It gives me a great deal of pleasure to present to you Noble J. Henry Curdes of Mizpah Temple to present Noble William Howard Millington of Mirza Temple.

NOBLE J. HENRY CURDES: Imperial Sir, Imperial Sirs and Representatives. Our friend, Howard Millington of Mirza Temple, Pittsburg, Kansas, was raised in Pittsburg Lodge in 1920. He is a member of all Masonic Bodies which he has served faithfully and well. He is a Past Sovereign of the Red Cross of Constantine. He attained his degrees in the Scottish Rite and is a 33° Scottish Rite Mason.

His membership and honors in other fields are numerous. He joined the Shrine in 1921, served as Recorder for Mirza Temple from 1925 to 1954 and is now its Emeritus Recorder. He was President of the Shrine Recorders Association in 1937 and has been elected an Honorary Member in 68 Shrine Temples.

He organized the Royal Order of Jesters Court No. 95 and served as its Impresario and Director, and is presently the Royal Impresario of the National Court of Jesters. He has been elected an Honorary Member in 22 Courts of Jesters.

He is a Colonel of the State of Kentucky, a Colonel of the State of Oklahoma.

Noble Millington has for many years served as Chairman of the Credentials Committee of this Imperial Council.

Howard, having been elected a Representative from your Temple for eighteen years we are honored and pleased to have you as an Emeritus Member of this Imperial Council. (Applause)

NOBLE REMMIE L. ARNOLD: Now it gives me a great deal of pleasure to present to you Noble J. B. Whittington of Oasis Temple to present Past Imperial Recorder Frederick Wilken of Almas Temple.

NOBLE J. B. WHITTINGTON: Imperial Sir, I have a unique position this morning. You find Potentates by the thousands. You can find Past Potentates and you find all kinds of Potentates but I have the honor to present to you one of the six Past Imperial Recorders. I have lived in this Imperial Council and have served under three of those six and it gives me great pleasure to present to you Imperial Past Recorder Frederick Wilken of Almas Temple. (Applause)

NOBLE REMMIE L. ARNOLD: Nobles, now it gives me a great deal of pleasure to present to you Noble Van Dine of Moslem Temple to present Past Imperial Potentate George M. Klepper of Al Chymia Temple.

NOBLE THOMAS D. VAN DINE: Imperial Sir, Imperial Sirs and Nobles. It is a pleasure for me to bring to this microphone a Noble who has served Masonry for many years and he has received many honors. He is a Past Master of his Blue Lodge, a 33° Mason. He is a Past Potentate of his Temple. He is a member of the Cabiri. He is a Past Director of the Royal Order of Jesters. He is a life member of all the bodies. Having served up through the line for ten years he was elected to the high office of Imperial Potentate.

It is a pleasure and an honor for me to present to you Past Imperial Potentate George M. Klepper to become an Emeritus Member of this Imperial Council. (Applause)

NOBLE REMMIE L. ARNOLD: Imperial Sir, it gives me a great deal of pleasure to ask Past Imperial Potentate Jerry Crary to present to you at this time Noble Palmer N. Hegvold of Aad Temple. Jerry was called on just a few minutes ago to do this and he may not know a whole lot about this fine Noble.

NOBLE GERALD D. CRARY: Imperial Sir, Nobles, I know a lot about this guy. All I have got to tell you is that he is a great man and a great Mason. I have a few notes here. He was Potentate of Aad Temple in 1950. He is a Past Sovereign of the Red Cross of Constantine. He is Past Director of the Jesters. He was Chairman of the Membership Committee for the Midwest Shrine Association, and he was—what is that last, I can't read my own notes—First Vice-President of the Midwest Shrine Association.

Regardless of that Palmer Hegvold is a great guy and I don't need to tell you a lot about him anyway. I love him. (Applause)

NOBLE REMMIE L. ARNOLD: Nobles, that is all of the members to be presented. Your Committee has considered the qualifications of these Representatives who have been certified by the Imperial Council as having been duly elected Representatives and attending eighteen Council Sessions and now declare them as being eligible and entitled to Emeritus Membership in the Imperial Council. This report is signed by every member of the Committee.

Imperial Sir, I move the adoption of this report. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. All in favor signify by saying, "Aye." Contrary the same sign. It is unanimously carried.

Does the Chairman of Jurisprudence and Laws have a report?

NOBLE WARREN L. JONES: Yes, Sir.

IMPERIAL POTENTATE BROCK: While he is coming forward I would like the Potentate of Almas Temple to come forward.

This is Ill. Potentate Bunny Cooper, Ill. Potentate of your host Temple who was presented at the Grand Opening. I feel that he should now be presented at the closing. Had this been a poor convention he probably would have disappeared but because it was the grand convention it was Bunny Cooper should be able to bring a farewell message to you this morning.

NOBLE BERNARD D. COOPER: Thank you, Imperial Potentate.

Imperial Sirs, fellow Representatives. I will not take a lot of your time this morning. I have made a point of not doing that during the Session and I will follow through again now. I would just like to thank all of you for being here and I hope you have enjoyed yourselves as Washington has enjoyed having you. (Applause)

IMPERIAL POTENTATE BROCK: Yesterday I was so impressed by the performance of one of the participants in the program that I may have inadvertently forgotten to express my appreciation to him and that was none other than my good friend, Illustrious Sir Bob Fouke who gave such a fine talk and handled his Committee so expertly.

Bob, my apologies for forgetting you. Will you just stand and receive the applause. (Applause)

Now, Judge Jones.

NOBLE GEORGE M. SAUNDERS: For the record I am not Judge Jones. Judge Jones wants that straight.

For the information of the Representatives, on page 17 of the Call at the bottom there is a resolution submitted by a Representative of Tadmor Temple. For the information of Representatives that resolution has been withdrawn. I had better tell you who it was withdrawn by. It was withdrawn by the fellow who presented it, Bill Knowlton.

NOBLE WARREN L. JONES: (Reading)

To the Imperial Council, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws a proposed amendment to Subsection (d) of Section 329.3 of the By-laws of the Iowa Corporation, relating to Dispensations for New Temples, to read as follows:

"§329.3(d) When a dispensation for a new Temple is refused by the Imperial Council, no further application may be made until the 3rd annual session thereafter. If a second or further application for dispensation is refused, no further application may be made until the 5th annual session thereafter."

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON
JURISPRUDENCE AND LAWS

IMPERIAL POTENTATE BROCK: Is there any discussion?

VOICES: Question! Question!

IMPERIAL POTENTATE BROCK: All in favor signify by the usual sign. Contrary the same sign. It is unanimously carried.

The Committee on Resolutions:

NOBLE JAMES A. MCKNIGHT: The report is submitted and signed by all members of the Committee and, Imperial Sir, I move that the appropriation for $1,035,850.00 for the 1966 Budget be approved. (Motion seconded)

The Chairman of Jurisprudence and Laws, Warren Jones.

NOBLE WARREN L. JONES: Imperial Sir, I now move that all the acts and transactions of the Imperial Officers, Board of Directors and other agents of the Iowa Corporation for the past year and those taken at this Session be ratified and approved. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. All in favor signify by the usual sign. Contrary the same sign. It is carried unanimously.

NOBLE GEORGE M. SAUNDERS: The next order of business on the agenda is the Installation and for the information of the Representatives the Imperial Treasurer advises me that the payroll desk for the Representatives will be in the check room on this level just out the door and you will find it close to the Imperial Recorder's office in that foyer.

The Deputy Imperial Potentate announces the Installing Officer as Past Imperial Potentate Harold Lloyd and the Installing Marshal as Past Imperial Potentate Walter Guy.

IMPERIAL POTENTATE BROCK: Nobles, may I have your attention for a last fleeting moment. I want to thank the Representatives of this great Ninety-First Imperial Council Convention for your attention, your support, for the love and affection that you have so lovingly and generously bestowed upon my Emily and me throughout this year. We have attempted with all our hearts to serve you faithfully and well and will continue to do so after we are no more in the exalted position of your Imperial Potentate.

These words came to me when I came up the aisle this morning, "This too shall pass away and we shall not pass this way again," and I think again, "The shoutings and the tumults die, the captains and the kings depart," but I hope you will carry home with you memories from the delightful seminars and the knowledgable information that you received therefrom, the two fine pictures which unfolded before you this morning, and rededicate yourselves and your lives to the strengthening of our beloved Masonic Fraternity, our beloved Shrine and its Charity, to the strengthening of the citizenship of free men, to the building of the youth of North America, and to addressing ourselves, as did David when he stood before the mighty Goliath knowing that the physical odds were against him, then we know that God is on our side as he was

on the side of David and that we have nothing to fear as long as we do justly, love mercy and walk humbly before our God, knowing in our hearts that ours is the Fraternity of destiny unperishable. The hope of all mankind is dependant upon the united Masonic Fraternity for the preservation of the faith of our fathers and our freedoms bought at so terrific a price of blood, toil and human sacrifice.

I wish for each Imperial officer in his office more joy than has ever before been his. To my fellow Past Imperials your finest hour, and to you Imperial Potentate all the joys which have been mine. May the God of our Fathers guide, direct, comfort and keep you from all harm. I commend you and all of you to His Keeping with my eternal thanks, my heartfelt thanks and appreciation. (Standing applause)

(Past Imperial Potentate Harold Lloyd now presiding.)

PAST IMPERIAL POTENTATE LLOYD: Walter, will you see that our Imperial Sirs are put in their proper places.

(The Imperial Officers-elect assumed their positions on the stage.)

PAST IMPERIAL POTENTATE LLOYD: Nobles and Representatives, it is a great privilege and distinct honor to have this opportunity to install in office our Imperial Potentate-elect and his Imperial Divan.

(The Imperial Officers-elect assumed the obligation of office conferred by Past Imperial Potentate Lloyd.)

PAST IMPERIAL POTENTATE LLOYD: Imperial Sirs, by the authority vested in me I now pronounce you duly installed in your high offices in our Ancient Arabic Order Nobles of the Mystic Shrine for North America. Boys, I wish you great happiness and a fruitful Shrine year and I am very proud to have had this opportunity of installing you.

Imperial Sir, would you please approach the podium.

Imperial Sir-elect, you are required to take a further oath.

(The Imperial Potentate-elect assumed the obligation of office conferred by Past Imperial Potentate Lloyd.)

PAST IMPERIAL POTENTATE LLOYD: Barney, I know that you will submit to all these orders and promises and practice them faithfully, also that you will rule and lead this great Order of ours, I am sure, with wisdom and justice and with humanity.

Barney, I want to say I am awfully proud to be the first one to congratulate you and wish you much happiness and a very successful Shrine year. Thank you. (Standing applause)

NOBLE GEORGE M. SAUNDERS: Imperial Sir, stars exude light. To the newly elected Outer Guard in the name of the Imperial Council I would like to present these three stars for his fez and express the hope that he will disseminate brilliance, tranquility and peace in this Imperial Council. (Applause)

PAST IMPERIAL POTENTATE BROCK: Now, Imperial Potentate Barney Collins, I want to pass on to you the mantle of your predecessors and mine and to pin on you this beautiful jewel it has been my privilege to wear during the past year. I know that you will wear it in the love and with credit to this beloved Fraternity. Naturally I hate to part with it but I couldn't give it to a finer friend. (Applause)

If my Imperial Chaplain will come forward.

Imperial Sir, it is my real pleasure and high honor to present to you this Past Imperial Chaplain's jewel. May you wear it proudly and I know you will and remember this great year. (Applause)

NOBLE GEORGE M. SAUNDERS: The Installing Officer has suggested that I ask the Imperial Officers to be seated and the Installing Officer recognizes Past Imperial Potentate Judge Wilson.

PAST IMPERIAL POTENTATE WILSON: Imperial Potentate and Brother Imperial Representatives, I have been somewhat thrilled at the somewhat unexpected honor that has been granted to me of a presentation to our outgoing Imperial Potentate and as one who has served through the line and served in this great office, which is a burden on the strength and fortitude of any man, I would say that we have had the good fortune to have had many a dynamic Potentate in the Shrine dedicated to its glorious purposes but few if any with the gifts of articulate leadership possessed by O. Carlyle Brock. And I would say to you, O. Carlyle Brock of Erie, Pennsylvania, that your dynamic, inspirational, devoted, incomparable abilities of leadership have added strength and purpose to our great Fraternity which will never in my lifetime at least be excelled. (Standing applause)

PAST IMPERIAL POTENTATE LLOYD: Nobles, I certainly want to join with Gardiner Wilson and agree with him one hundred per cent. Carlyle Brock has done one of the most magnificent jobs as Imperial Potentate of this great Order of ours which it has been my pleasure to witness. (Applause)

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives, Committee appointments expire with the administration. The newly installed Imperial Potentate has suggested that I tell you that the Committee list is merely a partial list. The rest of the Committees will be appointed and published of course in the General Orders and further information that comes from the Imperial Potentate's office. The Imperial Potentate-elect has handed me a list to read. (Reading)

ANNUAL REPORT OF GEORGE M. SAUNDERS IMPERIAL RECORDER, A.A.O.N.M.S.

January 1, 1964 to December 31, 1964

Imperial Potentate, Officers and Members of the Imperial Council, A.A.O.N.M.S.

GREETINGS:

IMPERIAL SIR AND REPRESENTATIVES TO THE IMPERIAL COUNCIL:

Your Imperial Recorder respectfully submits the following detailed statements of transactions of the Imperial Recorder's Office for the fiscal period from January 1, 1964 to December 31, 1964, both dates inclusive.

Your attention is directed to the report of the Imperial Auditor showing complete information on all receipts in the Central Office and all remittances made to the Imperial Treasurer together with the record of payment of all bills, checks for which are prepared in the Central Office.

The election returns of the 167 subordinate Temples reflect that there were at January 1, 1965, Representatives to the Imperial Council as follows:

Number of Representatives at Large	13
Number of Ad Vitam Members	14
Number of Emeritus Members (not Ad Vitam)	58
Number of Elected Representatives	665
Total Eligible to vote	750

At the end of our last calendar year, the Temples' Annual Reports reflected that we had 837,292 Nobles on the active rolls of membership, of which 148,894 Nobles held Permanent Contributing Membership Certificates which relieved them of paying the Annual Shriners Hospital Assessment.

Our net gain in total Shrine membership for the year 1964 was 3,006 Nobles. The membership details reflected in Annual Temple Reports are printed as a part of this report. It will be noted that 73 Temples report a loss in membership, and one remained the same.

Membership is the most important subject in each Shrine Temple. The membership reports of all Masonic Bodies for the most part reflects a depression period in Masonic memberships. For a decade of years past there has been reported a loss in Masonic creations over the previous year. The Shrine which depends on Masonry for possible new members should do everything possible to aid all Masonic groups in membership work in order to help develop more of a market from which to draw Shrine membership.

Imperial Potentate Brock realizing the seriousness of the subjects, Masonic Relations, Membership and Publicity and Public Relations, has appointed a special committee to handle the subject matter and Past Imperial Potentate George E. Stringfellow has assumed the herculean task of setting up a State and Temple Organization in the handling of each subject. More help for the Temples in these matters will be supplied from the Imperial Council level and careful and mature thought is being devoted to these matters by the Stringfellow committee. Many small brush fires have been extinguished before they developed into a conflagration. This special committee deserves great credit for their unselfish devotion to our cause.

Membership gain in all Temples in 1964 was less than half what it was in the year previous. Nearly half of the Temples experienced loss in numbers. Statistics say that by 1967, just two short years away, over half of the population of the United States will be under the age of 25 years. This is certainly a thought provoking statement for us when we reflect on this statistic and at the same time think of the Masonic membership graph. We should do everything possible to upgrade the chart.

The Imperial Potentate and his charming Lady have devoted their entire time to the work of the Shrine and they have made a wealth of friendships wherever they have visited. They have carried high the Shrine Banner and given unsparingly of their fullest interest and devotion to our work. It has been a great joy to have been associated with them in the work.

We continue to supply descriptive pamphlets of our work and films to be shown at meetings, etc.

All Imperial Officers have carried out all assignments in an expeditious manner and we note many changes in Recorders in recent years. We are most appreciative of the splendid co-operation of all Temple Recorders

and their office staff members in their co-operation with us in the work. They are a great group of Shrine workers.

I appreciate everything that has been done for the prosperity of the work of the Imperial Council and solicit the continued interest and co-operation of all in the future of this work. It will reflect credit to each and every Noble of the Order.

Es Selamu Aleikum,

Imperial Recorder

O. CARLYLE BROCK, IMPERIAL POTENTATE
AND
BOARD OF DIRECTORS OF
THE IMPERIAL COUNCIL OF THE ANCIENT
ARABIC ORDER OF THE NOBLES OF
THE MYSTIC SHRINE

DEAR SIRS:

We have examined the balance sheet of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine, an Iowa Corporation, as of December 31, 1964, and the related statements of income and expense and surplus for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. All checks issued by the Imperial Treasurer were examined.

In our opinion, the accompanying balance sheet and statements of income and expense and surplus present fairly the financial position of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine at December 31, 1964, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,

A. C. UPLEGER AND COMPANY

The Imperial Council owns the building, located at 323 North Michigan Avenue, Chicago, Illinois, which is the National Headquarters for the Imperial Council and for the Shriners Hospitals for Crippled Children. The property was purchased in 1959 for a cost of $481,441.25, of which $205,000.00 was allocated to the land and $276,441.25 to the building. Since the building was purchased $301,873.52 has been expended for remodeling and renovation, bringing total building cost to $578,314.77.

The Shriners Hospitals for Crippled Children pays rent amounting to $50,000.00 annually and bears a portion of the operating expenses of the building, including utilities, cleaning and minor building repairs.

Depreciation is calculated at the rate of 4% annually on the cost of the remodeled building. A separate fund was established to receive an amount equal to the current building depreciation, less the cost of major building repairs.

SHRINE PROTOCOL

For the Use and Guidance of Illustrious Potentates and Divan Members of the Subordinate Temples, Shrine Clubs and Shrine Associations

VISITATION OF IMPERIAL POTENTATE

Reception Committee at airport or railroad station:—

A Reception Committee appointed by the Potentate should be present at the airport or railroad station to greet the Imperial Potentate upon his arrival. Appropriate and ready transportation should be available to transport him and his party to the hotel. Arrangements for handling of baggage should be pre-arranged so as to insure delivery of same to Imperial Potentate when he reaches hotel.

Hotel quarters:—

It is suggested that a suite of rooms be assigned for the use of the Imperial Potentate. Certain rooms of same should be kept strictly private for the Imperial Potentate as his personal quarters. Such quarters should be separate and removed from a general parlor or reception room for visitors. The Potentate should assign to the Imperial Potentate, an Aide, who should be in constant attendance and at his disposal during the entire time of his visitation. The arduous duties of the Imperial Potentate are many, and he is apt to be travel-weary. It is suggested that the Potentate arrange personally for the Imperial Potentate's comfort. The Potentate upon arrival at the hotel should immediately acquaint the Imperial Potentate, in writing, with the program of events planned and permit him to express his wishes as to his personal participation. Any program planned should give the Imperial Potentate ample time for whatever privacy he desires. A proffer of stenographic and clerical aid would prove helpful. Long automobile rides should be eliminated in any program of events unless previously planned and approved by the Imperial Potentate. Should the Imperial Potentate's lady accompany him on a visitation, the Potentate should make such arrangements for her comfort and entertainment as deemed necessary.

(Note: When an Imperial Officer is assigned by the Imperial Potentate as his official representative at a meeting and another Imperial Officer of higher rank is also in attendance at the same meeting, the Imperial Potentate's representative is permitted to speak any appropriate remarks he cares to make. Banquet seating, parade order, etc., will follow usual protocol pattern.)

PARADES

Colors:

Singly, or massed Colors should precede the first uniformed marching unit.

(Since our organization has Temples under three National Flags, these three National Flags should head the Color Squad. The National Flag of the Unit itself takes the honor spot at the right and the other two National Flags are to the left.)

TEMPLE PARADES

Order of Automobiles:—

Following the designated Parade Marshal and his Aides, the following order of automobiles is to be observed:

1. Imperial Potentate, or other ranking Imperial Officer present. The Imperial Potentate will ride alone—or may invite any

distinguished male guest who may be in attendance at the function, to be a guest passenger. ONLY THE IMPERIAL POTENTATE WILL RIDE ON THE BACK OF THE SEAT OF HIS CAR; ALL OTHERS MUST REMAIN ON THE SEATS OF THEIR CARS.

2. Imperial Officers other than the Imperial Potentate (by rank). (One officer to a car—no guests.)
3. Past Imperial Potentates (by seniority in rank).
4. Host Temple Potentate and his Divan.
5. Distinguished Guests other than those in groups 1, 2, 3, or 4.
6. Visiting Potentates, Divans, and Past Potentates.

Women, girls, school bands and school drill corps or marching units of any organization not identified with the Shrine are not permitted in Shrine Parades.

IMPERIAL SESSION PARADES

Order of Parade Formation (Day Parade):—

1. Police escort.
2. Parade Marshal and his aides.
3. Colors singly or massed.
4. Director General.
5. Uniformed Units of Host Temple.
   (Uniformed Units of other Temples in the State or Shrine Association will take their place elsewhere in the parade formation according to charter date only.)
6. Automobiles of Imperial Officers.
7. Uniformed Units of Imperial Potentate's Temple.
8. Uniformed Units of all Temples, except Host Temple, will form in order of charter date—oldest date first. Night Parade will follow the same formation except that the Uniformed Units of the Temple of the Imperial Potentate-Elect will immediately follow (7) Uniformed Units of the Imperial Potentate's Temple.

RECEPTIONS

Ceremonial or Reception:—

The Potentate should provide suitable transportation from the hotel to the place of the meeting. Upon arrival at the Mosque or building wherein the Ceremonial or Reception is to be held, quarters should be provided for the Imperial Potentate. These quarters if possible should be separate from the general Reception area where it is quiet and away from undue disturbances that the Imperial Potentate may enjoy privacy for discussions, interviews, etc. An aide designated by the Potentate should be constantly at hand. In the event other Imperial Officers or Past Imperial Potentates are present, a similar room should be set aside for their use.

Reception for Ladies:—

At receptions or other functions where only Ladies are present,

the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line:—

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present they should stand with their escorts.

Introduction and Reception of Guests:—

The Imperial Potentate should be made as comfortable as possible and not subjected to a long standing wait for his turn to be received and introduced. The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than the Most Worshipful Grand Master).
3. Past Imperial Potentates (in reverse order of their seniority rank).
4. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
5. Imperial Potentate.

The first order of business shall be the reception of the Grand Master of Masons of the State or Province. In the absence of the Imperial Potentate, the Grand Master shall be received by the ranking Imperial Officer present; if none be present, he will be received by the Potentate of the Host Temple.

Introduction of Imperial Potentate:—

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude with the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Imperial Sir.....of..... Temple, ...(City), ... (State or Province)."

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir.....of.....Temple, of.....(City),.....(State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of introducing Imperial Sir....., Imperial Potentate."

The Gavel should be presented to the Imperial Potentate who, upon receiving same, returns Gavel to the Potentate.

The only address should be made by the Imperial Potentate.

There should be no other talks unless approved by the Imperial Potentate.

Ceremonial or program then proceeds as arranged.

Seating at Banquet:—

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When Ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's Lady at the left of the Potentate; the Potentate's Lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Potentates and their Ladies seated alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place Cards should be provided to expedite seating.

Seating at Ceremonials and Receptions:—

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Potentates are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands:—

In instances requiring a Reviewing Stand same should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Potentates and such other guests as invited by the Imperial Potentate.

The Imperial Potentate receives the Salute of all Temples.

When Temples from an Imperial Officer's state or province pass in review, he receives the Salute of these Temples with the Imperial Potentate.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the protocol procedure as adopted by the Imperial Council and will be found on pages 6 to 12 inclusive of the 1965 Directory of the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

In accordance with the above, Shrine Association Officers will occupy position No. 5 in "Order of Automobiles," and position No. 2 in "Introduction and Reception of Guests."

DRESS

The Fez:—

The Imperial Council has adopted the Fez as the exclusive type of head covering to be worn by all Nobles of the Mystic Shrine when appearing as such.

It is a Red Turkish Fez with Black Tassel, bearing only the name of the Temple of which the Noble is an active member, with a facsimile of a scimitar, and that portion of the Jewel of the Order consisting of the crescent, sphinx head, and star combined, embroidered thereon with gold and silver bullion or silk. The Fez is to be worn in its proper shape and without creasing or alteration. It is permissible for Potentates, Past Potentates, Recorders and Divan members, as well as official uniformed organizations, to have their titles embroidered in small letters in gold or silver bullion or silk or jewels on the front of the Fez beneath the emblem.

It is permissible to adorn the name of the Temple and the emblem with rhinestone jewels of a size no larger than that known as #12 by the fez makers. It is permissible to use one pin to hold the tassel in place, said pin to be either plain or jeweled.

The use of any other wording or devices than those mentioned above is prohibited.

The Imperial Potentate wears the regulation Fez with five gold stars on the front near the bottom. Past Imperial Potentates wear five stars on the front of their Fez near the bottom, the outside stars being of silver, the three center ones of gold. Other Imperial Officers wear three gold stars on the front near the bottom.

Shrine Pins:—

The design of Shrine Pins worn by Imperial Officers may incorporate small stars as specified above.

Dress:—

Formal attire for a Shriner is Fez and Tuxedo. Tuxedo should not be worn before five o'clock in the afternoon unless continuous program for earlier hours makes same necessary or advisable.

ACCEPTED SALUTATIONS, ETC.

The Salaam:—

A Noble addressing the Potentate while he is presiding in the East should always give the Salaam.

The Salaam is always given by the Potentate and members of his Divan when receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates. The Imperial Potentate as well as the Imperial Officers and Past Imperial Potentates do not Salaam in return but give the sign of the Order.

Salutations:—

An Imperial Officer as well as a Past Imperial Potentate is always addressed as "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir."

Salute:—

The Military Salute is used when reciting the Pledge of Allegiance and during the playing or singing of the National Anthem.

Pledge of Allegiance:—

"I pledge allegiance to my Flag and to the country for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

Salute to the Flag:—

A Noble who is wearing his Fez will execute a righthand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed he should drop his right hand. In case the same Colors pass the same point again, as frequently happens in a Ceremonial procession or in display drills, the Colors need not be saluted a second time. The same rule applies to street parades.

Prayer:—

During the offering of a prayer, the Fez should be removed and held in the right hand over the heart.

Departure of Imperial Potentate:—

The Potentate of the Host Temple should be present at the hotel and at the airport or railroad station when the Imperial Potentate departs. Such other Nobles as he designates should also be in attendance. Aid in securing transportation to the next destination should be proffered to the Imperial Potentate previous to departure. Arrangements should be made beforehand for the handling of all baggage from the hotel to the station.

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
   a. Most Worshipful Grand Master
3. Past Imperial Potentates.
4. Imperial Officers (in reverse order of their official station).
5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Processional.

ARTICLE 28

Temple Jurisdiction and Waivers

§ **328.1 Sovereign.** Each Temple, subject to Shrine law, whether acting under dispensation or charter, is sovereign in its own territorial jurisdiction in all matters pertaining to the Order.

§ **328.2 Extent.**

(a) Unless otherwise determined in Part IV of these By-laws, the territorial jurisdiction of each Temple extends in all directions to ½ the distance by direct line between itself and the nearest Temple.

(b) In no case can jurisdiction extend beyond the limits of the state in which the Temple is located unless there is an agreement between it and the other Temples affected.

(c) Temples in the same state may agree upon concurrent jurisdiction within the state or an equitable division of their territory.

(d) Unless otherwise determined every Temple has exclusive jurisdiction in the city and county in which the Temple is located, except that a second Temple may exist in the same county in any city, not having a Temple, having a population of not less than 200,000 as determined by the official statement of the State Chamber of Commerce or an equally responsible state or district authority for the current year.

(e) A signed copy of any agreement between Temples affecting or fixing territorial jurisdiction must be filed with the Imperial Recorder.

§ **328.3 Change in jurisdictional lines.**

(a) Application for the establishment or change of jurisdictional lines must be filed with the Imperial Recorder at least 60 days prior to the annual session of the Imperial Council.

(b) The Imperial Recorder must notify the Temples affected and give full information on the application so that objections to the change may be presented to the Imperial Council.

(c) If the application for the establishment or change of jurisdictional lines is refused by the Imperial Council, no further application may be made until the 3rd annual Imperial Council session thereafter.

(d) By appropriate amendment to Part IV of these By-laws, the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all Temples in states where more than one Temple exists, if it appears for the best interests of the Order to do so.

§ 328.4 Waivers.

(a) A Temple may not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another Temple, without first obtaining a waiver from that Temple.

(b) A Temple may waive its jurisdiction and permit another Temple to initiate a candidate residing within its jurisdiction.

(1) Where the fee of the Temple granting a waiver is greater than the fee of the Temple requesting a waiver, the candidate must pay to the requesting Temple a fee equivalent to that he would have paid to the Temple granting the waiver.

(2) The requesting Temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more Temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a Temple in any other jurisdiction.

(d) The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the Temple granting it.

(e) A Temple may not grant a blanket waiver.

§ 328.5 Another Temple may initiate.

(a) A Temple may request, under seal, another Temple to initiate an elected candidate as a favor to the requesting Temple.

(b) The Temple initiating the candidate must certify that fact, under seal, to the Temple in which the candidate was elected.

(c) The Temple which elected the candidate enters this official communication upon its record, places his name upon its membership list and he then becomes a member of that Temple.

§ 328.6 Where petitioner must apply.

(a) A petitioner, actually residing within a Temple jurisdic-

tion, may not petition elsewhere for initiation without a waiver from the Temple.

(b) A Temple retains jurisdiction over an elected petitioner until his initiation, but not longer than one year, even though he subsequently removes from its territorial jurisdiction.

(c) A candidate must present himself for initiation within one year after his election; thereafter his petition and election are void.

(d) Temples in concurrent jurisdiction must notify each other of the names and addresses of all petitioners rejected or to whom objections have been made, residing in the territory of concurrent jurisdiction.

§ **328.7 Where Temple may hold ceremonials.**

(a) A Temple may open, elect candidates and initiate them at any place within its exclusive jurisdiction, but no other business may be transacted at that ceremonial session unless it is held at the location of the Temple.

(b) Where 2 or more Temples hold concurrent jurisdiction over territory, all ceremonial sessions must be held at the location of the Temple; but upon request of a Temple accompanied by written consent of the other Temples holding concurrent jurisdiction, the Imperial Potentate may grant a dispensation to hold a ceremonial session at any place requested in the concurrent jurisdiction.

(c) A temple may hold a ceremonial session in states, territories or countries where no Temple exists, providing it obtains a special dispensation from the Imperial Potentate.

§ **328.8 Affiliation by demit.** The holder of a demit from a Temple is governed by the following:

(a) He may affiliate with a Temple within the jurisdiction of which he is and for at least 6 months has been an actual resident, and may be accepted only under the provisions of § 323.5.

(b) If he resides in concurrent jurisdiction, he cannot demit from one Temple and affiliate with another Temple holding the same jurisdiction without the consent of the Temple granting the demit.

(c) He may affiliate with any Temple if the Temple, within

whose jurisdiction he has been an actual resident for the preceding 6 months, grants a waiver.

(d) If for the preceding 6 months he has been a resident of the jurisdiction of the Temple which issued his demit, and with which he desires to reaffiliate, he must submit his written application with the original demit attached, and may be restored to membership without a vote of the Temple. The application must be accompanied by written evidence that he is in good standing in his prerequisite body. The reaffiliation must be reported to the Temple at its next stated meeting and recorded in the minutes.

ARTICLE 29

Dispensation for New Temple

§ 329.1 Requirements.

(a) Dispensation for a new Temple may be granted only by the Imperial Council after a petition is filed.

(b) The petition must be signed by 1,000 Nobles in good standing whose dues are paid in full at the time the petition is signed and who reside in the proposed territory of the new Temple.

(c) The dispensation may not be granted in the event that the membership of any Temple in the same jurisdiction, or the nearest Temple in another jurisdiction, is or would be reduced to less than 3,000 members by the withdrawal of the petitioners for the dispensation.

(d) The Imperial Council may grant a dispensation for a Temple in the Capital City of Canada or in unoccupied territory without regard to the restriction in (c).

(e) The petitioners must give satisfactory evidence of good standing in the Order, and that they have the ability to procure a suitable place of meeting, together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple.

§ 329.2 Application, form and procedure.

(a) The application for dispensation must be in the prescribed form furnished by the Imperial Recorder and must have printed therein in red ink § 329.4 (b).

(b) It must be in duplicate, one copy for the Imperial Recorder, and the other kept by the applicants for reference.

(c) The application as filed, must bear the date it was issued by the Imperial Recorder and will be void after the passage of 24 months from that date, unless specifically extended by appropirate action of the Imperial Council.

(d) Every name on the application must be the actual signature of a Noble who is one of the applicants, and when signed the name cannot be withdrawn from the application except as provided in (e) and (f).

(e) A signature may be withdrawn upon the written request of the signer and may be for no other reason than that his signature was obtained by false representations. The written request for the withdrawal showing the reasons therefore must be attached to the application for the dispensation when presented to the Imperial Council, otherwise the original signature must stand.

(f) If, after the application for a dispensation is filed with the Imperial Recorder, in accordance with (g), a signer of the application desires to withdraw his name, he must send his request in writing stating the reasons therefor directly to the Imperial Recorder who shall erase the name from the application, if the reasons are as provided in this section, and attach the authority for the erasure to the application before presenting it to the Imperial Council, and furnish the list of the withdrawing signatories to the applicants, or their representatives, proposing to organize the new Temple.

(g) The application must be filed with the Imperial Recorder at least 90 days prior to the annual session of the Imperial Council, and notice of the application must be published in the official call for the Imperial Council session. Unless the application is filed and published as herein provided, it must lie over until the next annual session of the Imperial Council. Supplemental lists of names may be added to the application for dispensation providing they are filed with the Imperial Recorder at least 60 days prior to the annual session of the Imperial Council.

§ 329.3 Action by Imperial Council.

(a) When the application for a dispensation is received by the Imperial Recorder he must notify the Temples which might reason-

ably be affected at least 30 days prior to the session of the Imperial Council, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

(b) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new Temple must contain a specific designation of the territorial jurisdiction of the new Temple. This jurisdiction is determined on recommendation of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the Committees.

(c) A charter may not be granted to any Temple until it has been under dispensation for a period of at least the time elapsing between 2 annual sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 1,250 Nobles in good standing on its roll of membership.

(d) When a dispensation for a new Temple is refused by the Imperial Council, no further application may be made until the 3rd annual session thereafter. If a second or further application for dispensation is refused, no further application may be made until the 5th annual session thereafter.

§ 329.4 Effect if dispensation is granted.

(a) If the dispensation is granted, the members of the Temple under dispensation are liable for dues for the fractional part of the year remaining after the date of the dispensation, and the Temple is liable in full to the Imperial Council for the hospital levy and fees for new members created.

(b) A Noble who signs an application for a dispensation becomes a member of the Temple under dispensation on the date the dispensation is granted, and is amenable only to it thereafter for dues, hospital levy and assessments. The Temple of which he was a member prior to the dispensation may retain the dues and assessments already received from him for the current year.

§ 329.5 Effect if dispensation or charter refused.

If the dispensation or charter is refused:

(a) All Nobles who signed the application are thereby restored

to membership in the Temples of which they were members prior to the dispensation; and

(b) All members of the Temple created therein are entitled to certificates to that effect from the Imperial Recorder. These certificates have the force of demits for the purpose of affiliation.

§ **329.6 Status of Temple under dispensation.**

(a) A Temple under dispensation has a legal existence and jurisdiction, and, whether it works or not, this jurisdiction cannot be interfered with except by action of the Imperial Council.

(b) It cannot adopt By-laws until a charter is granted and it is regularly constituted.

(c) It is governed by Shrine law to the extent applicable.

(d) It has no power to elect officers, but must retain its provisional officers until its charter is granted.

(e) The provisional Potentate of a Temple under dispensation is not entitled to the rank of Past Potentate, nor is the Temple entitled to representation in the Imperial Council.

(f) Any vacany in office of a Temple under dispensation shall be filled by appointment by the Imperial Potentate from its Nobles.

(g) When a charter is granted, the members of the new Temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the Temple is constituted.

ARTICLE 30

Discipline by Temple

§ **330.1 Jurisdiction.** A Noble is subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine.

§ **330.2 Procedure.** Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Any Noble complaining against another Noble of conduct unbecoming a Noble must state the nature and character thereof

in writing, sign the complaint and deliver it to the Potentate of the Temple.

(b) Immediately upon receipt of a complaint it is the duty of the Potentate to appoint a grievance committee of 5 members of the Temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The committee by majority vote must determine whether there is probable cause for believing an offense has been committed, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee.

(c) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to any other Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the offending Noble. The charges, in plain and concise language, must apprise the offending Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple.

(d) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial committee of 9 impartial Nobles of the Temple in good standing, and to designate a date for the hearing of the charges before the committee, which shall be not less than 15, nor more than 20, days from the date of the selection of the trial committee.

(e) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial. Service shall be in person by some Noble of the Order in good standing, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder, of the mailing by certified mail is prima facie evidence of the service of the notice and charges upon the accused Noble.

(f) It is the duty of the Assistant Rabban or the alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the

charges, provided the counsel is a Noble in good standing. The accused also shall have the right of counsel, provided the counsel is a Noble in good standing.

(g) The accused may file written answer to the charges at least 5 days previous to the time set for the hearing.

(h) Upon the date set for hearing, the Noble prosecuting on behalf of the Temple may excuse 2 of the committee chosen by the Potentate, and the accused has the right to excuse 2 of the committee leaving a trial committee of 5. If the accused or the Noble prosecuting on behalf of the Temple fails or refuses to exercise his challenges as above, then the trial committee of 5 shall be chosen by lot. This committee hears the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused. If the committee finds the accused guilty, it shall fix the punishment, which may be either expulsion, suspension for an indefinite period, or suspension for a definite period. A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required.

(i) After the committee has concluded, it shall make a report of its findings to the Potentate in writing, and at the next stated meeting of the Temple after the trial the report shall be read to the Temple, and the Potentate shall pronounce judgment upon the report. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council.

(j) Either the Temple or the accused has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(k) The Noble making the complaint has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

(l) Notice of appeal under (j) or (k) must be filed with the Imperial Recorder within 30 days.

(m) In the event of an appeal, it is the duty of the Temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of

the Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the Chairman of the Grievances and Appeals Committee of the Imperial Council.

(n) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the Temple must pay.

(o) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If 2/3rds of the members present vote for his restoration, he is restored. If a less number than 2/3rds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(p) If the member is expelled he cannot be restored but may petition again for membership as if he had never been a member of the Temple.

(q) No member of the grievance committee and no member of the trial committee may be a relative of the Noble filing charges in the first instance, the accused, or any witness, nor in any way interested in the controversy. If a member of either committee is disqualified, it is the duty of the Potentate to fill the vacancies with disinterested Nobles.

(r) Unless a Noble is disqualified under the provisions of (q), or excused by the Potentate, he is subject to discipline for refusing to serve upon the committees.

(s) In the event the Potentate is disqualified under (q), or for good cause disqualifies himself, the Chief Rabban acts in his stead in the appointment of the committees herein provided.

(t) Any Noble of the Temple is permitted to attend the trial before the trial committee, but the deliberations of the committee upon guilt or innocence and fixing punishment are secret.

(u) The trial committee selects one of its number as Chairman, who administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(v) The report of the trial committee must be signed by the entire committee.

(w) The testimony of all witnesses shall be taken by a competent stenographer, so that it may be preserved.

(x) Either the Temple or the accused may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party.

(y) Both the Temple and the accused have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline.

ARTICLE 31

Temple By-Laws

§ **331.1 Adoption.** A Temple shall adopt By-laws and may adopt amendments to existing By-laws, if they are consistent with Shrine law and are approved by at least 2/3rds of the members present and voting.

§ **331.2 Procedure.**

(a) Proposed By-laws or amendments must be presented in writing in the form of a resolution at a stated meeting.

(b) The resolution must be laid over to the next stated meeting or to a special meeting called for action thereon. The notice of the meeting must be sent to every member of the Temple and must recite the text or substance of the proposed By-laws or amendments.

(c) The Temple then may adopt the proposed By-laws or amendments.

(d) Upon the adoption of By-laws or amendments there must be sent to the Imperial Recorder:

(1) 3 copies thereof, together with a certificate of their adoption signed by the Potentate, attested by the Recorder, with the Seal of the Temple affixed,

(2) A copy of the notice given, and

(3) A copy of the Temple's current By-laws.

(e) He forthwith shall send them to the Committee on Jurisprudence and Laws. If the committee approves them they are so endorsed, one copy shall be retained by the Committee and 2 copies shall be sent to the Imperial Potentate for his approval. If approved by him, they at once become effective.

(f) Upon approval, the Imperial Potentate shall forward them to the Imperial Recorder, who shall retain one copy for the records of the Imperial Council, and shall forward the other copy to the Temple.

§ **331.3 Time for filing.** All proposed Temple By-laws and amendments must be in the office of the Imperial Recorder at least 30 days before the session of the Imperial Council.

§ **331.4 Action by Imperial Council.**

(a) At each session of the Imperial Council the Imperial Recorder must present a list of all new or amended By-laws which have been approved by the Committee on Jurisprudence and Laws and approved by the Imperial Potentate during the recess of the Imperial Council.

(b) The Imperial Recorder also must submit a list of any By-laws or amendments rejected by the Committee on Jurisprudence and Laws or the Imperial Potentate, giving their reasons for the rejection.

(c) Any Temple dissatisfied with the decision of the Committee on Jurisprudence and Laws or the Imperial Potentate, in the matter of its By-laws or amendments thereto, has the right to appeal to the Imperial Council, and the decision of that body is final.

§ **331.5 Change in Imperial Council laws; effect on Temple By-laws.**

(a) When a change is made by the Imperial Council affecting Shrine law, and the change affects the By-laws of any Temple, the By-laws of the Temple are changed, ipso facto to conform with those of the Imperial Council.

(b) It is the duty of every Temple to make this change in its By-laws immediately upon receiving the printed copy of the proceedings of the Imperial Council from the Imperial Recorder.

(c) Thereupon the Recorder of the Temple must send to the Imperial Recorder a properly certified copy showing that the change was made, and must send copies to the Imperial Potentate and to the Committee on Jurisprudence and Laws for approval and confirmation.

EXPENSE — DETAIL

The following subsidiary breakdown of the Expense Accounts is not necessary unless the Temple desires to keep such a breakdown. Many Temples will want to divide these accounts in a different manner than is shown in the Chart of Accounts. There is no objection to that if they maintain the general captions. GROUP II — LIABILITIES

ACCOUNT 200: ACCOUNTS PAYABLE–IMPERIAL COUNCIL HOSPITAL LEVY

On January 1st of each year, every Temple pays to the Imperial Council $5.00 for members on the roll December 31st, preceding, who are not permanent members of the hospital. This account is charged at the time the payment is made to the Imperial Recorder. If the cash basis of accounting is followed, then dues are collected. The $5.00 for the hospital is credited to this account, and the account is charged when payment is made to the Imperial Recorder. As new members are created during the year the same procedure as is used at the beginning of the year should be followed, that is, charge dues receivable and credit Account 200 for the hospital levy, and credit Account 200-A for per capita due the Imperial Council. Accounts 200 and 200-A are charged as remittances are made to the Imperial Recorder. If the member purchases a P.C.M., no credit is set up for the hospital levy.

ACCOUNT 200-A: ACCOUNTS PAYABLE–IMPERIAL COUNCIL

On January 1st, each Temple owes sixty cents per capita dues to the Imperial Council for all members on the roll at December 31st, preceding. This account is charged at the time of the payment to the Imperial Recorder. Under the cash receipts basis of accounting, the dues are collected and sixty cents thereof credited to this account. For Temple Life Members, past Potentates, and delinquent members, a charge is made to Account 600, and a credit is made to this account at the end of the year to clear up the charges set up at the beginning of the year. All amounts due the Imperial Council are to be carried in this account. Unpaid balances of the installment option on Hospital Levy and the per capita dues would be carried here until paid. The same procedure as outlined under Account 110 and under the caption just preceding should be followed under 200-A.

ACCOUNT 201: ACCOUNTS PAYABLE–OTHER

This account is credited with all amounts payable other than to the Imperial Council, except as specified hereinafter.

This account should be credited with the amount of withholding tax withheld from salaries and charged as payments are made to the Federal Government.

ACCOUNT 204: WITHHOLDING TAX–STATE

ACCOUNT 204-A: WITHHOLDING TAX–MUNICIPAL

These accounts should be credited with the amounts of withholding tax withheld from salaries and charged as payments are made to the State Government or the Municipal Government.

ACCOUNT 205: DUES PAID IN ADVANCE

To this account should be credited all dues paid in advance. They should not be credited to an income account until after the first of the year. To those Recorders who have set up the accounts receivable at the beginning of the year, the dues in advance should be credited to Accounts Receivable–dues, and charged to the dues paid in advance.

ACCOUNT 207: DEFERRED REVENUE

This account will be credited for income received before it is due, from sources other than dues or initiation fees. The credits thus received will be closed out to the appropriate income account at the beginning of the next year. Items which might fall into this account are Temple Magazine advertising and rental income.

ACCOUNT 208: P.C.M. AND V.P.S.

All permanent contributing memberships and voluntary permanent subscriptions purchased should be credited to this account, and the account charged as payments are made to the Imperial Recorder.

A few of the Temples have a long term debt. This should be kept separately from accounts payable.

This account should be credited with all the receipts from the circus, and expense of the circus should be debited. Because of the manner in which some Temples handle their circus it may be necessary to have a subsidiary ledger which will show all the activities. At the conclusion of the circus this account (501) would show only the net result of the activity. Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated above by a star), when the twelfth month has thirty days. The small numbers (**printed in red**) from 1 to 365 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

EXAMPLE

The 10th day of the 10th month, Shauwal, 1384 (marked 123 in red) is the 31st day of January, 1966 (also marked 123 in red).

What day in the Mohammedan year is May 21, 1966?

Finding May 21, 1966 in the Gregorian calendar it is found to be marked 238 in the red figures. The corresponding figure in red on the Mohammedan calendar is found to be the 6th day of the 2nd month, Safar, 1386.

(A Colorado Corporation)

/s/ O. CARLYLE BROCK
Imperial Potentate
(*Chairman—Board of Directors*)

Attest:
/s/ George M. Saunders
Imperial Recorder
(*Secretary*)

IMPERIAL POTENTATE BROCK: I now proclaim the Ninety-first Session of the Imperial Council, both in the Iowa and the Colorado Corporations, open and they will remain open to transact business in both throughout this entire Session.

Are there any vacancies to fill on Committees, Imperial Sir Saunders?

NOBLE GEORGE M. SAUNDERS: The Imperial Potentate has noted that Judge Bowron on the Jurisprudence and Laws Committee of the Colorado Corporation is not able to attend and he has filled that vacancy by appointing Ill. Sir A. Kendrick Smith, Potentate of Bagdad Temple.

Noble William Falconer of the Finance and Accounts Committee in the Colorado Corporation is not able to attend. The Imperial Potentate has appointed Sam Parkinson, the Potentate of Al Azhar Temple, to fill that vacancy.

IMPERIAL POTENTATE BROCK: Imperial Representatives and Nobles.

Nobles, you have all received a copy of the Imperial Potentate's Annual Report. It has not been a military secret. It has been placed in your hands in a timely manner that you may peruse, discuss and understand it, being duly and timely prepared to ask any questions you may desire, all of which I may not be able to answer.

One year ago, and that year has passed all too quickly, I informed you and at the expense of severe criticism, that I was never an individual to be unsure of myself and I was never more sure of myself than I was in New York when you elected me as your Imperial Potentate. Today I find in my heart and soul more sureness of myself and this revered Fraternity than I have ever been in my life. It is my fond hope that every member, and in particular each of the 737 Representatives, is more sure, more confident of himself and more aware of the destiny of this great Fraternity than he has ever been.

You who have been following my itinerary are fully cognizant that we were on the road until the 30th of June, having one day only at home, the 1st of July, before

coming to the Nation's Capital to begin our board and committee meetings. Consequently, it was neither feasible nor desirable for me to go into the Chicago Office to myself prepare this report. Instead I instructed friends what was to be done and how it must be accomplished, leaving much of the detail for them to put in order. Much of the credit for this report is due to Imperial Sir George Stringfellow, Imperial Sir George Saunders, Noble Charles Marshall, many members of the office staff who each made some contribution, Illustrious John McKee, Illustrious Robert Fouke, whose names have identified them with portions of this report, nor must we overlook Illustrious Paul B. McCray, Illustrious Warren Jones, Illustrious James McKnight and others too numerous to mention. Notwithstanding my deep abiding heartfelt appreciation they have. Nor must I overlook our beloved Harold Lloyd, whose report is incorporated herein. I believe it is comprehensive, it is understandable. The message found at the opening has been written and much of which I dictated to my secretary over the telephone as time progressed. I shall not worry you with reading its contents because you will certainly have done so by now.

A year ago you were told that there was nothing new which we needed in the Shrine other than to strengthen that which we already had, to add drive, vision and action, to move forward, sighting back first over the course from which we had come as a surveyor sights back over his course and to the benchmark in order to project the line into the future. I have never been a one man show in any line of endeavor which I have undertaken. It has always been my policy to enlist people who knew more about the job than I did, men who were more able than I to get a job done. This is exactly what I did this year, knowing the utter futility of any one man attempting to do it all by himself. As a consequence, I appointed many Committees. I have divided this continent into districts and have assigned an Imperial Officer to represent me with authority to act and I have told them repeatedly, "Do the job. Never ask me what to do or how to do it. Simply call me with the information what you have done."

Neither have I spent this year looking for troubles. A year ago I assured you that I was a firm believer in the rights of States and the rights of Temples. This formula I have adhered to completely. Nor have I come to visit any Temple who did not invite me and during my travels, which have exceeded more than 100,000 miles, and my Emily has accompanied me on all these happy journeys. Together we have visited approximately 120 Temples — it is no record I assure you, this we did not seek — 4 Shrine Clubs in Alaska and one in Ottawa, Canada. In so doing I have endeavored to bring a sense of unity to the entire Masonic Fraternity knowing that there was a need for all, honors for all, and work for all to do without trespassing upon the other's sovereignty. We have visited all your Regional Association conventions either at the Ceremonial session or at their business meetings where we could meet the largest numbers.

It has been my privilege to visit the Canadian Supreme Council Scottish Rite, the Grand Encampment of Knights Templar of the United States of America, the Northern Scottish Rite Jurisdiction, the General Grand Chapter of the Eastern Star, the Imperial Conclave of the Red Cross of Constantine, the Supreme Council International Order of DeMolay, the Grand Masters Conference and so on, in order that we might bring happiness and unity to the Masonic family, give leadership and direction since the Shrine of North America is the only branch of Masonry which is undivided reaching across every Grand Lodge Jurisdiction in this country, across international borders to our North and to our South, encompassing the entire continent and embracing the Shrine Clubs in the free lands of the Orient and the continent of Europe. I know of no branch of the Fraternity of this magnitude which is able to give direction and to bring the unity which this Shrine of North America is able to do.

After a year of effort, not on my part since I enlisted the services of Most Worshipful and Illustrious Sir John McKee with whom this was a labor of love, to head up our

Masonic Relations Committee, Illustrious Sir Robert Fouke to head up a Committee on Publicity, Imperial Sir George Stringfellow to head up a Committee as a whole on public relations, publicity, Masonic relations and membership building. I have appointed Illustrious Sir Paul McCray as Co-chairman or Co-ordinator for Membership. This is a long-range program, the efforts of which will not bear fruit noticeably during this administration save for the fact that many Temples are informing me that they are enjoying the largest classes this spring that they have ever enjoyed in recent years, leads me to believe that the efforts are bearing fruit with an ever continuing effort to build in numbers and to strengthen our foundations.

I have said many times that where the foundations show erosion, and I refer to Craft Masonry, where they crumble we must rebuild and strengthen not as Shriners but as Masons, never attempting to violate the sovereignty of any Grand Lodge nor Prerequisite Masonic Body, but to return to them as their own, members to build, to create and to strengthen, to go back to DeMolay moving them steadily and surely onward. Nor can we be complacent nor self-satisfied because our numbers are increasing at a satisfactory rate, and our wealth pyramiding at the rate of $30 million or more annually. We cannot accept signs of Craft Masonry complacently or idly because should the foundations crumble the edifice upon which we have builded and so inseparably established, will eventually fall.

As you may well observe, my friends, we have all taken a broader look at the entire Masonic Family, our moorings, our foundations, another appraisal of the Prerequisite Bodies, knowing that we cannot sit idly by, smugly and complacently content with the trends within the Shrine itself. We must go back to and shore up and strengthen the foundations and the Prerequisites in order to build a better tomorrow, not only for Masonry but for these vast free lands of ours for I am inspired, as I have so oft repeated to others and to you everywhere, that ours is the Fraternity of destiny upon which hinges the freedoms and the very foundations of civilizations as we know them now and down the pages of time.

It has been my signal honor and privilege to break ground for two new Burns Hospitals, to break ground for a new and enlarged Orthopedic Hospital in Honolulu, one which will replace the small, inadequate 30-bed Unit which we have been operating for so many years. It has been my privilege to dedicate and to be present at the cornerstone laying for the first Burns Institute for children in the world, in Galveston, Texas, on May 12.

This has been, my friends, a history-making year. It was not I who created that history. The history was of your making. I happened to be the instrument of your election and reigning Imperial Potentate who was there when these history-making occasions became reality. This has been a year in many respects unparalled in our time and possibly history, one of which you may all be justifiably proud, one of which members throughout the years ahead will look back upon as being most influential and most rewarding. I am confident that you share that pride with me, as you have shared that responsibility and yours will be the glory as the years go by and as the shadows lengthen and the shades of evening come.

A year ago you were reminded that we must address ourselves to the maverick hospitals that were not keeping pace with the seventeen orthopedic hospitals which were collectively the world's greatest philanthropy, yet there were three and a couple of clinics within the framework of Shrinedom that we needed to make a very serious appraisal of and in particular the manner in which they were operating, some of which were definite blights upon the escutcheon of the tremendous Shrine charity for there are those who would point their finger in scorn to the world's most noble philanthropy and in so doing would single out these particular institutions, classifying them all by the weakest links even though they were not in reality a part of the Imperial

hospital structure. Yet these hospitals had their beginning in the early days. Imperial Potentates broke ground for them. Imperial Potentates dedicated them. Imperial Potentates and the Temples themselves looked forward to the day when they might become incorporated in the hospital family. Then came the depression and these hospitals were in trouble and so was the Imperial Council. Consequently some of them resorted to aid from the State and from the County. Some accepted pay from patients and they no longer continued to be the worthy charitable organization which they originally intended to be. With the speed up of travel, the improvement in communications, we would see a Shriners parade or other Shrine charitable activity somewhere and a kindly person would utter words of praise for the world's greatest philanthropy. Yet another individual would respond, "Well, these are not all charitable, I know. We had a neighbor who had a child in one of these institutions and she paid for the treatment." Now we know that we live in an area where a fine hospital exists. They accept funds from the State and from the County. These are all situations which we could not longer allow to continue to downgrade our unmatched reputation. Yet as a result of our efforts two of these Temples, Arabia and Zem Zem, are presenting to us at this 91st Imperial Convention their hospitals, including the sizeable endowments which they hold debt free for the taking. The members of your Imperial Divan have unanimously recommended they be accepted and carry them on as your own. They are strategically located, one in the great State of Texas where we have the first Burns Institute, and if you accept Arabia's orthopedic hospital, I am confident the wills and bequests and gifts will pour in comparable in manner to that which they have never before attempted. This State has a potential with the largest number of Temples of any State to equal and bypass California which has played so great a part in building our $300 million endowment and continuing to lead the field in this particular category.

The second one is my own state of Pennsylvania with the largest Shrine population within Shrinedom and in the City of Erie and if you don't believe the old adage that a prophet is never without welcome save in his own country, whenever I have insisted that something be done about it you may be certain that I was branded as a traitor, stealing away and giving away that which was not my right to do. Yet, nevertheless an informed and dedicated Nobility of my own Temple voted approximately five to one to present this hospital to the 91st Imperial Council and to become a legitimate part of the world's greatest philanthropy. Temples who operate a clinic or a hospital on their own as a rule seldom enter into the spirit of our beloved philanthropy that Temples so enthusiastically boast a part of the glorious Imperial hospital movement. This one in the City of Erie is located in a thriving industrial area with a population of 14 million within a 200 mile radius. The closest hospital is approximately 470 miles. It is almost midway between Chicago and Philadelphia, between St. Louis and Springfield, Massachusetts, between Lexington and Montreal with a tract of land adequate and more for future expansion.

I mention these items in explanation as I move along because they will be developed more thoroughly by spokesmen for the Committee when they present them for your consideration but I did feel that this permitted and necessitated some discussion to give you ample time for evaluation.

Nobles, I am going to call on Imperial Sir Orville Rush, the Director General of this convention, who has an appointment and must make a report.

NOBLE ORVILLE F. RUSH: Imperial Sir and fellow Representatives. This is a resolution regarding the Colorado Corporation membership. (Reading)

Through the years, at each annual meeting, Nobles have been elected to membership of the Colorado Corporation, and over the years, there has been an accumulation of members. There is respectable legal opinion that even though a Noble has not served as an Imperial Representative or attended an Imperial Session for many years, he is

still a member of the Colorado Corporation. This poses a real problem in sending notices, etc. The revision Committee determined that the most feasible way to meet this problem would be for the body itself to provide a method of terminating memberships that were not up-to-date. Therefore, last year at the New York City Imperial Session, I proposed a resolution in connection with Article 4, Section 504.2 of the By-laws of the Colorado Corporation. Article 4 is entitled Membership and Section 504.2 is entitled Termination of Membership. It reads as follows: "Membership of any Noble in this Corporation shall be terminated for failure to attend the annual meetings of this Corporation." My resolution last year was to the effect that the membership of all Nobles who had failed to attend any annual session in the past two years from that time would be terminated. This resolution was unanimously adopted. For the same purpose and in the same vein, I am again offering a similar resolution, as follows:

Resolved, that pursuant to the provisions of Section 504.2 of the By-laws of the Colorado Corporation, the membership of all Nobles who have failed to attend any annual session since August 1, 1963, is hereby terminated.

Imperial Sir, I move the adoption of this resolution.

IMPERIAL POTENTATE BROCK: Do I have a second to that resolution? (Motion seconded) Is there any discussion?

VOICES: Question! Question!

IMPERIAL POTENTATE BROCK: All in favor signify by the usual sign. Contrary the same sign. It is so ordered by unanimous vote.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives. Len, could I give your Imperial Treasurer's report?

NOBLE LEONARD P. STEUART: Yes.

NOBLE GEORGE M. SAUNDERS: The report of the Imperial Treasurer, as well as the report of the Secretary, and the report of the Imperial Auditor have all been published in a book of reports, mailed to each of the Representatives, members of the Colorado Corporation, and I would move that those reports be adopted as they are published. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. All in favor signify by the usual sign. Contrary the same sign. So ordered by unanimous vote.

NOBLE EARL SACHSE: (Reading)

TO THE IMPERIAL POTENTATE AND THE REPRESENTATIVES OF THE IMPERIAL COUNCIL:

At the 90th Annual Session of the Imperial Council held in New York City, July, 1964, the Representatives adopted unanimously the following resolution:

WHEREAS, the Imperial Council has adopted a complete revision of the By-laws of the Iowa and Colorado Corporations; and

WHEREAS, the utility of these By-laws will be greatly enhanced by a complete and accurate index; and

WHEREAS, minor errors in spelling, punctuation, word forms and numbering may be revealed before final printing;

Now, THEREFORE, be it Resolved that the Revision Committee, with the advice and counsel of the Chairman of the Jurisprudence and Laws Committee, be directed to prepare a complete index and to exercise the usual responsibilities of a revisor of

statutes in correcting spelling, punctuation, word forms, numbering, cross references and arrangement.

Pursuant to the directives of that resolution, the Code Revision Committee, which had reported at the 1964 Session, met and carried out the instructions of the Representatives. The Committee first prepared a complete index to the revised By-laws of both the Iowa and Colorado Corporations. The Committee also made corrections in spelling, punctuation and word forms. Finally, the Committee made substantial improvements in the numbering and arrangement of several long sections of the By-laws. These sections were divided into shorter sections, subsections and paragraphs in the interest of clarity and to improve the usefulness of the By-laws.

In accordance with the resolution, your Committee performed its assignment with the advice and counsel of the Chairman of the Jurisprudence and Laws Committee.

At the invitation of the 1964-65 Committee on Code Amendments, the Chairman of your Committee met with that group so that appropriate liaison could be maintained.

Respectfully submitted,

EARL SACHSE, *Chairman*
HERBERT T. WHITE
WILLIAM H. KNOWLTON

I move that the report be received and filed. (Motion seconded)

IMPERIAL POTENTATE BROCK: Question.

VOICES: Question! Question!

IMPERIAL POTENTATE BROCK: You have heard the report and the motion. All in favor signify by the usual sign. Contrary the same sign. The motion is carried unanimously.

If there is nothing further the meeting is recessed until two o'clock tomorrow afternoon.

(The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, recessed at 4:15 P.M.)

AFTERNOON SESSION

Wednesday, July 14, 1965

Two O'Clock P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened in the International Ballroom of the Washington Hilton Hotel, Washington, D. C., on July 14, 1965, at 2:00 P.M., Imperial Potentate O. Carlyle Brock presiding.

IMPERIAL POTENTATE BROCK: Fellow Representatives. In my report you will find that I have addressed myself this year to the bringing of maverick orthopedic hospitals operated by individual Temples into the fold. This proposed program I announced that to you in New York a year ago. The members of the Board of Directors of the Colorado Corporation have given their approval to presenting this for your consideration at the Imperial Council Session, Zem Zem Hospital at two of our meetings and Arabia Clinic at three. I am now privileged to call upon Imperial Sir Gardiner Wilson, Trustee and Past Imperial Potentate, to make his report but I hasten to assure you before he takes the podium that I am not engaged in nor do I have any financial interests in the building business nor have I such holdings in the building trades business nor in the hospital equipment and supply business, the real estate business nor the insurance business, nor any other holdings whereby I might profit in any way

regardless of whatever the outcome of your vote may be. I do not ask you to follow me blindly but if you think I am right then I believe I am deserving of your wholehearted support.

I will now call upon Imperial Sir Robert Gardiner Wilson, Past Imperial Potentate, member of the Board of Trustees, for his report on the Zem Zem Hospital for Crippled Children.

NOBLE ROBERT GARDINER WILSON, JR.: Imperial Potentate and brother Representatives. At the request of the Imperial Potentate an investigation was made of this particular project by a Committee of which I was proud to be the Chairman and I therefore make the following report which is in reasonable detail because you as the Representatives are entitled to full information. (Reading)

To the Representatives of the Imperial Council, A.A.O.N.M.S., Washington, D. C., July 1965, and other members of the Colorado Corporation:

During the administration of Imperial Sir O. Carlyle Brock as Imperial Potentate, and under his leadership, a complete investigation has been made of the possibility of bringing the Zem Zem Hospital for Crippled Children within the ambit of the operations of the Colorado Corporation as one of its hospital units.

The investigation was both searching and complete. Enthusiastic cooperation was experienced from the staff of Zem Zem Hospital, the Hamot Hospital Association (with which Hospital it is associated), Zem Zem Temple and the officers and Board of Zem Zem Hospital for Crippled Children, a nonprofit, charitable Pennsylvania corporation which owns and operates it.

Basically, it was found that:

(1) The Zem Zem Hospital is a well operated, well financed institution. It is a 38 bed institution, filling a worthy need in a nine county area in Northwestern Pennsylvania. It had its beginning in 1924, when Nobles of Zem Zem Temple first constructed a small building to accommodate 12 crippled children. In 1927 the present building was completed. Over $300,000 was raised to finance the construction, and to form the nucleus of a permanent endowment fund. The then Imperial Potentate, James C. Burger, participated in appropriate ceremonies in 1925, at the very beginning of construction. In 1926, the then Imperial Potentate, David W. Crossland, inspected the construction work under way at that time and indicated his approval of the institution. In 1928, the corporation, known as Zem Zem Hospital for Crippled Children, was organized to own and operate the Hospital. The building is a substantial two story brick building well located in a residential area of Erie on a thirteen acre tract of land.

(2) The land upon which the Hospital is located is owned by Hamot Hospital Association. This organization operates a large, metropolitan type hospital located nearby. Hamot Hospital Association, as owner of the land, has leased the thirteen acre tract to Zem Zem Hospital under a lease which extends for an indefinite period. The lease does not now provide for any annual rental, and none is contemplated in the future, except such nominal sum as may be necessary for a binding legal document. The Board of Hamot Hospital Association has indicated its willingness to negotiate a lease for a definite long term, adequate to protect the full life of any improvements for hospital purposes on the premises. In the Deed by which Hamot Hospital Association acquired this property, there is a condition subsequent in effect, providing for a reversion to Yale University in the event the property ceases to be used for hospital purposes. Independent Pennsylvania counsel has expressed the opinion that the present owner can legally enter into a definite long term lease for the continued use of the property for Hospital purposes. This is not an insurmountable problem.

(3) There is no mortgage or lien on the property of Zem Zem Hospital. It now has endowment equities amounting to approximately $2,000,000. In addition, it appears

to have a contingent remainder interest, either as a distributee of principal or income, or both, in trust assets, of approximately another $2,000,000.

(4) There are no insurmountable legal problems which would render objectionable the integration of the operations of Zem Zem Hospital into the operations of our Colorado Corporation.

(5) There is nothing about the operations or physical plant which cannot be altered, changed or modified so as to enable the Colorado Corporation to operate the Zem Zem Hospital in conformity with our other Hospitals.

(6) The Hospital is located in a populous area. It is over 400 miles to the nearest Shrine Hospital at Philadelphia. Presently it accepts patients only from a small area of nine counties in northwest Pennsylvania. Drawing a circle around Erie, with a radius of less than ½ the distance to Philadelphia – say 200 miles – will encompass an area with a population estimated to be over 12,000,000 people. This would provide a patient potential greater than most of our Hospital Units, and an opportunity to substantially expand the philanthropy of the Shrine in an area which Zem Zem Hospital cannot now accommodate.

(7) There are no long term obligations of Zem Zem Hospital. Liabilities consist only of current operating expenses and commitments. Its current operating budget is financed from various sources, including income from endowment funds, some public funds allocated to it, and charges made for the care of some patients whose hospitalization is financed or subsidized in some manner. No Federal funds are accepted.

As these findings indicate, the investigation, I think you will agree, was complete in all the ramifications of the operations of Zem Zem Hospital. As a result of this investigation, the Boards of Directors of both Corporations, which includes the Imperial Divan, and the Board of Trustees of the Colorado Corporation, jointly recommend taking over the operations and control of Zem Zem Hospital for Crippled Children at Erie, Pennsylvania.

To implement this report and recommendation, the following Resolution is now offered:

> RESOLVED, that this ninety-first session of the Imperial Council, jointly with the members of the Colorado Corporation, hereby approve the integration of the operations of Zem Zem Hospital for Crippled Children into the Colorado Corporation; and authorize the officers, selected for that purpose by action of the joint Boards of the Colorado Corporation, to take such action, and negotiate, enter into and execute such contracts, commitments and documents as in their judgment are deemed advisable, desirable or necessary to accomplish this result, including but not limited to such items as a legally binding long term lease (99 years would be desirable) with Hamot Hospital Association; change of name, modification and amendment of the Charter and By-laws of the Pennsylvania corporation known as Zem Zem Hospital for Crippled Children; assumption of liabilities of that corporation; arranging for or assuming the management, operation and control of the operations and assets of that corporation, including the appropriate handling of its trust fund equities and income, presently existing and those which may accrue to it in the future; negotiation and execution of an appropriate Operating Agreement between the Colorado Corporation and the Pennsylvania Corporation, and, if advisable or necessary, the Hamot Hospital Association; make such arrangements and commitments as may be necessary to bring the employees of Zem Zem Hospital into the retirement plan of the Colorado Corporation, or provide a fair and adequate substitute retirement plan for any or all such employees; and to do all things, and take all action, which in the opinion of counsel are deemed to be advisable, necessary, desirable or beneficial to the action hereby authorized.

And I move that the report be accepted and that the long resolution which I have just read, which has the approval and as a matter of fact was prepared by General Counsel, be adopted, and if the motion is seconded I will ask leave to reserve right to speak briefly, and I assure you even more briefly, on the motion itself. (Motion seconded)

Fellow Representatives, speaking on the motion itself and the adoption of the proposed form of resolution. As the Noble who originally sponsored that amendment to our Colorado Corporation By-laws, which for the first time provided that any additional units may be constructed or acquired only after express authority has been given by a majority vote of you Representatives, and as one who was delegated this past year to make a detailed study of the Zem Zem Hospital situation at Erie, Pennsylvania, I favor the adoption of the Resolution for the following five reasons:

First. I agree with the Imperial Potentate and of the same belief that maverick hospitals operated by individual Shrine Temples—yet widely accepted by the general public as part of our great Shrine Hospital movement, but which are not actually operated by us and which are not now operated under our strict rules, regulations and direct control – have had an injurious effect on the image of our great philanthropy. So held out, but actually operated by individual Shrine Temples or groups of Shriners, they should be permitted, if possible, to become an integral part of the official Shrine Hospital structure, or else be required to cease operations.

Second. Although in some less populated areas orthopedic work deems to disclose some small decline in the number of patients, the area within 200 miles of Erie, Pennsylvania, now houses a growing population of over ten million people. Furthermore, according to our last available figures we have a present orthopedic hospital waiting list of 2,270 patients, and the largest waiting list numbers 301 at Chicago, and the next largest numbers 237 at Philadelphia. There are those who would tell you perhaps that we are running short of patients in our Hospitals. That is not so in the Lake Erie area by any means and I understand that even Medicare does not take care of babies and little children.

Third. The Zem Zem Crippled Childrens Hospital, unlike some in our present chain of seventeen Hospitals, is not located in any isolated area. It is located in close proximity to a fine general hospital, whose extensive facilities and excellent medical staff are readily accessible to supplement any of our own expanded needs. And I assure you that for the future our work is not restricted to patient care alone even in these orthopedic Hospitals. There is vast room for expansion in teaching and in research. No less an authority than Dr. Harold Sofield has stated that at least 80 per cent of all orthopedic progress in this country in the past two decades has stemmed from our Shrine Hospital work.

Fourth. I am further persuaded by the fact that at Zem Zem we do not contemplate the adoption of some destitute bankrupt project. The Zem Zem Hospital has definite present net assets of approximately $2 million, with additional contingent endowment interests amounting to possibly another $2 million.

Fifth, and to me perhaps most important of all, I sincerely believe in fair play and I realize we of the Shrine have a moral obligation at Zem Zem Temple. The initial construction of an Erie Hospital by Shriners of Zem Zem Temple was in 1924, over forty years ago, at a time when only six of our present seventeen Hospitals had been completed, and at that time our then Imperial Potentate James C. Burger officially participated in the ceremonies of the ground breaking, and in 1926 our then Imperial Potentate D. W. Crossland inspected the construction work in its progress and gave his approval of this charitable endeavor of the Zem Zem Temple Nobility. With that history I believe we now have a moral obligation not to require the closing of the

institution but rather we should now authorize a merger of this crippled childrens Hospital, which ranking Shrine officials at the very outset recognized and approved.

For those reasons, which to me seem both reasonable and logical, I urge the adoption of the resolution. (Applause)

IMPERIAL POTENTATE BROCK: You have a motion and a second. I now recognize Ill. Past Potentate Lou Chackes.

NOBLE LOUIS CHACKES: Imperial Potentate, Imperial Sirs, Representatives to the Imperial Council. I think instead of giving back answers maybe I had better start by reading what I have already seen. Since it is published I think the Imperial Potentate would not object if I read a letter that he sent to his own Temple and published in his own publication.

It is addressed to Dear Illustrious Sir Bob. The first paragraph thanks him for some new courtesies that were given to him. (Reading)

I was doubly rewarded to have been able to attend the meeting of the Board at Zem Zem Hospital for crippled children. At your request, I shall attempt to review briefly some of my remarks which were addressed to the board which I am certain were they to contribute to the reality of Zem Zem becoming the 18th Imperial Council hospital it would forever redound to the benefit of the city of Erie, Hamot Hospital, Zem Zem Temple and suffering humanity.

Were Zem Zem Hospital to become a part of the Imperial family of temples of mercy, the local unit could still be governed by its present by-laws and its election of directors. This board would continue to operate this hospital on an enlarged scale as it does at present. You, of course, are familiar with the operation of the Philadelphia Unit whose meetings you have so frequently attended.

Were Zem Zem to become a part of the vast Imperial Shrine movement for crippled children, it would thereby become a complete operating sixty-bed hospital at the cost to Imperial Council of around two million dollars for building and equipment. Erie would be the beneficiary because of the additional labor so involved. Hospital equipment and building supply firms would, likewise, benefit from a project of this magnitude. A budget of approximately $400,000 annually would be provided for the operation of this hospital which would provide additional employment to many more people of this city.

It would, again, remove a load and expense from Hamot Hospital who is now doing all of your surgical work gratis. It would provide a top-flight chief surgeon, one or two assistant surgeons, residents, interns and student nurse which would prove beneficial to the entire orthopedic community of the surrounding area.

By assuming its full responsibility, a large portion of which Hamot Hospital is now carrying, the latter institution would find itself with additional finances and facilities to carry on its own work. You would likewise, no longer accept public funds from the Commonwealth of Pennsylvania thereby releasing this item to some other worthwhile project. Instead of serving nine counties, this sixty-bed hospital which would turn out approximately 250 patients yearly and serve an out-patient clinic of ten times that number, you would be making a more worthwhile contribution to mankind than you are now able to accomplish.

The members of Zem Zem Temple could then hold their heads high and boast proudly that their $5.00 assessment would go to the operation of this particular hospital and any gifts, wills or bequests could be earmarked for the Erie unit with local banks named as the administrator of the fund left in endowment or trust funds.

The other temples in western New York, eastern Ohio and the western portion of this commonwealth would become drawn together as a great united family with this

charitable institution as its hub. Zem Zem Temple, the city of Erie and Hamot Hospital have everything to gain and nothing to lose.

I wish to point out a few items which are now the practice of Zem Zem Hospital which neither conform with nor is at amity with the great charitable program of crippled children which the Shrine of North America adopted in 1920 and to which it has so diligently and effectively addressed itself since that time.

You are, according to my understanding, accepting payment from parents of such patients as are able to pay for treatment. You are accepting $10 per day per patient from the Commonwealth of Pennsylvania which is tax-payers' money. You are accepting patients who are not strictly orthopedic cases to which the Shrine has addressed itself. You are not turning your patients over half as rapidly as we do at the Imperial level nor do you have the facilities for out-patient services which are ours.

Zem Zem is, therefore, not a charitable organization which we have at all times led our members and the public to believe nor can we claim any credit different than any other paying hospital may lay claim to.

I am certain that the members of this board of directors are dedicated, intelligent Nobles seeking no personal emoluments nor aggrandizement who are giving of their time and their substance to serve humanity fraternally, charitably and to the fullest leadership with which they are endowed. I cannot see how they would wish to stand in the way of this great expansive program which would serve a greater segment of mankind and would give them a deeper satisfaction of having served more abundantly.

I trust that this may briefly set before you the proposal which I have to offer to Zem Zem Temple and this community. This too shall pass away, nor shall I pass this way again. The opportunity is here, but like ships which pass in the night, it will not be with us long.

With sincere best wishes and affectionate personal regards, and in this my Emily joins, I remain.

Faithfully yours,

O. CARLYLE BROCK

That is the letter that if you analyze and include it, and may I read something else that came to me. This may take a little longer but this is a memorandum that was prepared and it is called "Future Policies for the Conduct of Crippled Childrens Hospitals." It starts with the fact that 43 years ago Shriners started the program for the care of crippled children and for these 43 years the program has been so successful and so on. Now another paragraph. (Reading)

State and Federal programs for the care of crippled children:

The Social Security Act of 1935, Title V, authorized financial aid to States to help them extend and improve their health and welfare services for children. These funds became available and have been matched with State funds since 1937 and a good part of these funds has been used for the care of crippled children. The total amount thus spent by State and Federal Governments in 1958 was reported to have been $52,660,949. The population of "children" (under 21 years of age) then was estimated at 69,000,000 but it is expected to increase by 23,000,000 to a total of 92,300,000 by 1970, at which time $152,295,000 would be required for their care. Of course, a considerable portion of these astronomic sums of tax money is applied to the care of children with non-orthopedic conditions and for so-called "children" between the ages of 14 and 21 years, but when due allowances are made for these it still is evident that approximately $26,000,000 was used in 1958, and $78,000,000 will be necessary in 1970 to care for orthopedic cases in the same age range as those admitted to Shriners Hospitals.

These funds are used to pay hospital charges for crippled children who are operated upon and treated by Board certified orthopedic surgeons who are appointed by the various State agencies. Such surgeons are paid modest fees or salaries for their services as are also pediatrists, plastic surgeons and other consultants. In many states the orthopedic surgeons operate upon these children in the same private hospitals where they treat their private patients. Often the surgeon and the hospital are located near the patient's home. Thus the patients' families are at no expense, since the hospital and doctors are paid by the Government, and they like having their children hospitalized near their homes and treated by the locally-recognized surgeons.

For many years the orthopedic surgeons of the Portland and Greenville Units have co-operated with the Directors of their respective State Crippled Childrens' programs by accepting many children, all of whom were eligible for care in other hospitals at government expense. To a less extent other Shriners Hospitals have accepted cases that had refused care from State programs. Thus Shrine funds which are dedicated to pure charity are used to replace and conserve governmental funds that have been appropriated for the same purpose.

In Canada, where almost everyone has his hospital expenses paid directly or indirectly by the Federal and Provincial governments, the censuses and waiting lists of the Winnipeg and Montreal Shriners Hospitals have been appreciably reduced. Furthermore, since these hospitals cannot accept pay for the patients whom they do admit, the Shrine supports them with its good dollars in order to help the Canadian government conserve its funds.

GOVERNMENTAL FUNDS

Socialistic trends now pervade all branches of our government, especially the field of public health. Recent legislation known as the Medicare bill provides free hospital care, not only for citizens over 65 years of age, but also for those under 22 years, thus including crippled children under 15 years of age. Great sums of money have been appropriated for hospital and medical school construction, for medical education and research, and for certain specialized treatment centers.

ALTERED HOSPITAL PLANS

Hospital administrators, community-planning agencies and medical authorities now generally agree that most specialized services, including those for crippled children, can be provided as well or better in general hospitals rather than in independent specialty hospitals. In these affluent times and with widespread ownership of hospital-care insurance, many families take their afflicted children to locally-recognized orthopedic surgeons who treat them in their offices and operate on them in the community hospital. In view of these trends, one may question the necessity for building new crippled childrens hospitals or of replacing existing units.

There is quite an item here about the cost of prolonged stay in Shriners Hospitals in which they state that our children stay longer in our Shriners Hospitals than they do in other hospitals at an increased cost of approximately $300 per patient for a total of $1,267,500 a year. (Continued reading)

For some years your Surgical Advisory Board has been concerned about the steady increase of governmental participation in hospital and medical care, especially for children, and the profound effects it may have on future operation of the Shriners Hospitals. The Board's consensus is that it is important, even urgent, for Trustees to conduct an intensive, broad study of the relations of the Shriners' philanthropic programs to present and future political and economic conditions. Furthermore, in the light of information so obtained, to make such revisions and changes as may seem necessary in order to adapt the Shriners' program to changing times.

The suggested survey obviously will require expert help, good supervision, one or more years time, and will cost X dollars. As a preliminary step, the Advisory Board suggests that Trustees appoint a small committee to determine the feasibility of such a study, i.e., define the scope of the survey, its objectives, the personnel required, the committee to supervise and direct, the length of time that may be required, and the approximate cost. If this Committee on Feasibility could report at the October meeting, the Trustees could then decide whether or not to proceed with the survey.

This is respectfully submitted with one, two, three, four, five, six, seven, eight who are all the eminent surgeons, the doctors, that we have on our Shriners Hospitals Advisory Board. I am not saying it; they are saying it. It has been said here we are running maverick hospitals. I don't like the word "maverick" but it has a connotation that it is something that should be abandoned, excluded, in the first place.

Anyway they have sung praises about our Zem Zem Unit and I want to continue to praise them. They have done all right. Potentates, some of whom later became Imperial Potentates, and others have praised it. Past Imperial Potentates have praised the operation. They have plenty of money. Their operation is not misconstrued in the area because they give money generously to it. I would like to continue to doff my fez to Zem Zem Temple on its operation there.

But before we do anything more I would like to have the recommendation of a survey made so that we know what we do from now on. Why kid ourselves? It is intimated here, who knows, we may have to go more into research. This was said just a couple of moments ago. We never thought of it before. We may think of a lot of things.

This too shall pass here today and there will be others here in days to come. This does not have to be done today. This does not have to be considered immediately.

Yes, they have I don't know how many beds in this hospital but it is not capacity. I saw the records in their own publication where instead of 38 beds it was 36 or 29, and that is no more than a lot of places.

I do not think that we should enter into any further expansion especially of this. We are not taking a hospital; we are building a new one. This is what it is for.

IMPERIAL POTENTATE BROCK: I will recognize Past Imperial Potentate Marshall M. Porter.

NOBLE MARSHALL M. PORTER: Imperial Sir and Representatives. I am one of your Trustees. I did not vote for the motion. If I had been Imperial Potentate I would have wanted to do what Carlyle Brock wants to do. These hospitals have carried on in a manner which is not in keeping with our practice. We have always said that we did not take Government aid and that we relied entirely on charity, and these two hospitals by their operation, even though they were countenanced, demonstrated to the world that what we said was not true. And Imperial Potentate after Imperial Potentate has sought to take these hospitals over by some means which would bring them within the principles on which we operate and this is a perfectly normal ambition and one that I am glad to see before you.

However, we are to reason together and to reason we need some facts. These as I know them I now plan to give you not because I am against or because I am for this motion but to the end that it may receive your most intelligent consideration in the light of the available knowledge.

Our organization not many years ago passed a provision which Imperial Wilson read to you saying that we couldn't build any more hospitals unless the Representatives approved them. That was because they felt we were spending money too fast. We undertook to rehabilitate our hospitals and are still in the process but our money

began to come to us in great amounts and we found ourselves able to do the rehabilitation job and to undertake other work.

Galloway Calhoun was steadfast in his belief that we ought to stay in the orthopedic field and we were something over two years considering burns without being able to persuade him that we ought not then to proceed in the orthopedic field. So in 1961 a Committee was appointed headed by Imperial Sir George Mattison to examine the potential of the orthopedic field in the light of the fact that Salk vaccine and the antibiotics did fail to destroy those diseases which had been a major source of supply for our hospitals. That report was made after consultation with Dr. Shands, who is in charge of one of the largest private funds for crippled children, Dr. Curtis, then in the service of the Public Health Service of America and now on our Advisory Board, and Dr. Caldwell. That report was submitted to the Divan. It indicated that in the then state of affairs in the medical world with respect to these diseases it would be unwise to expand our hospitals and it was the conclusive nature of that report that brought Galloway Calhoun to support the hospitals which you approved of for burns at the Toronto meeting.

Since that time it appeared that the population of crippled children is increasing because we are getting an increasing number of congenital deformities as our population increases and there is becoming available far more crippled children than we had before even though we eliminated these other crippling diseases such as polio. So the situation is changing. So we may have some new groups that we can take care of.

However, there came into being in this country in 1935 an Act which provided for matching contributions by the State and Federal Government to the aid of indigent children who were sick. I am not going to bother you with the figures. There are now very large figures and in many areas in this country, as indeed in my own, there is no such thing as a crippled child who cannot pay because the State pays for it.

This proposal which Carlyle has put before you was considered by his Divan this winter and they were, of course, aware of the earlier report made by George Mattison with respect to the population of crippled children and in the face of that report nevertheless they approved the project.

However, since they have come here Dr. Caldwell has presented us with a report stating that in view of the growth of State medicine we should exhibit great caution in expanding our effort in this present form. In connection with that attention has been drawn to the fact that we now have two hospitals that are dependent on their input of patients directed there by the State and we have one hospital which is short of patients, or has been, where the State won't even send them because the State Hospitals want them themselves.

There is a provision in Medicare that is going to put giant sums at the service of the public institutions for the treatment of crippled children under 21. And if we have not now we are rapidly arriving at the position where one of the legs on which our movement stands will not be there. We had two things, a crippled child who could not pay and there will be lots of crippled children but there will be none who cannot pay.

Now this had some effect, as I gather from the doctors, on the geography of these activities. The doctor was quite willing to send us a patient who couldn't pay him because he couldn't make a dime out of treating him. The parent was glad to send the patient to us because the parent was prepared to sacrifice the child's presence because he would get treatment that the parent couldn't otherwise supply. So our institutions drew patients to them. The reasons for coming to our hospitals are removed because the State wants them to go to their local hospital and the doctor can make a fee there that he loses if they come to us.

So you will see if these facts are borne out as I have developed them we may have to re-orient our whole concept about these hospitals. State medicine is coming at us like a road rider but I don't believe myself that the politicians can ever kill charity and when they get to where they do, things will be changed. Nevertheless, in the meantime we have these things developing. It is not developing because the crippled children patients will be disbursed among general hospitals and there will be difficulty in getting teaching institutions. The State may even want us to run these hospitals so that we can provide their teaching institutions for which we can get aid if we want aid. There will be and is where equipment is available as in the case, for instance, at Houston the hospital is part of a great complex. It will become the orthopedic aspect of that medical complex and that university.

Now why have I said this to you? I have said it to you because I think it would be wrong to let you vote on this without knowing that we have some very grave problems. I don't think there is a man up here that isn't prepared to face them and isn't confident that we can overcome them. I do hope though that as a result of the motion passed at our last Board meeting held here we will create a Committee which will examine the trend of things and bring recommendations for such a change in our program as will enable them again gloriously to serve the crippled child. And I hope that if you adopt this motion it will be with the knowledge that your Board of Directors and your Trustees will evolve such developments in these places as will not be wasteful, as will not be unnecessary, but as will serve the crippled child as well as we know how in the use of the money which our great dead benefactors gave us because they thought we would be provident, they thought we would be capable, and they thought we would be charitable.

Gentlemen, those are the facts which as I see them I thought I had some duty to give you. If it is clear that we are going to use these institutions in the interest of the crippled child after appropriate examination enables us to decide the best method, I am wholeheartedly for the motion. (Applause)

IMPERIAL POTENTATE BROCK: Imperial Sir George Stringfellow, do you wish to speak on this?

NOBLE GEORGE E. STRINGFELLOW: Imperial Sir, members of the Imperial Divan, Representatives of this Imperial Council. I came to this Session prepared to vote for the resolution offered by Past Imperial Potentate Gardiner Wilson because it had the approval, I was told, by our Imperial Divan or the Board of Directors on at least three occasions. Now we must look to our Board of Directors, whom we elect, in a measure to manage our affairs and for advice. I assume that the Board of Directors had received some additional information since they arrived here, that I am not sure. I am not sure whether they were familiar with the Caldwell report. If they were familiar with the Caldwell report and endorsed the Wilson resolution with that information in mind I would be in favor of voting for the resolution. (Applause)

IMPERIAL POTENTATE BROCK: Past Imperial Potentate Woodfield, and a member of the Investment Committee.

NOBLE WILLIAM H. WOODFIELD, JR.: Imperial Sir, Imperial Officers, members and Representatives. I am from San Francisco, for the benefit of those here for the first time. I know that you boys did not come here to bury the Shriners Crippled Childrens Hospital movement. We in San Francisco, through the legacies we receive, account for 25 per cent of all of the support of your Crippled Childrens Hospitals in North America. As far as we surrendering our Hospitals to a Government Agency, so to speak, this to us is ridiculous. (Applause)

I just can't understand why anybody would even think for a second of listening to these people that talk gloom. The Hospital movement depends on wills, millions

and millions of dollars that will be coming to us in the near future. You have heard them speak and tell you here that we have $300 million in Crippled Childrens Hospital funds and the potential is probably another billion that is already coming to us in wills.

I say to you that there is a definite reason why we have such legacies particularly in our section of the country. The Hospital movement was only one year old when we started the East-West Shrine Game. The idea was presented it would be a good plan to bring All American players together and see them in action instead of just reading about it. I was about twenty-seven at that time and I was just starting up the Chairs of Islam Divan. A fellow named Hugh McKittrick was Potentate and Jack Spaulding presented the idea of All Americans instead of reading about them to bring them into actual play. At that time we thought maybe it could be done as just a game for the benefit of Islam Temple and I popped off and said, "I like the idea. It costs $50,000. I will put up the money and take 25 per cent of the profit and give 75 per cent to Islam Temple." I soon learned that that couldn't be done, that it had to be done on a basis of strictly an amateur game because it required the support of the Big Ten.

Now I just wonder today if we would have anywhere near these kinds of funds if it weren't for the East-West Game and I will explain to you why. The Rose Bowl Game was then prominent in Southern California. The writers came each year around New Year's Day to report the Southern California game. So we worked it out that they would come and visit us prior or at the same time. This resulted in tremendous publicity through the vehicle of the East-West Game and the power they had was this, that there were players in that game from all parts of your country. That is the definite reason that through that game and through the ingenuity of the Shriner himself we were able to get these tremendous legacies. I repeat again that of $300 million dollars 25 per cent came from our section.

I am sure that you either have to stay in this business or surrender in defeat and I am sure the members of this Imperial Council and the Shriners are not that kind of men and not built that way. I urge you to go ahead with your Hospitals. In fact, you must go ahead if you intend to keep getting legacies. I thank you. (Applause)

IMPERIAL POTENTATE BROCK: Past Imperial Potentate Harold Close.

NOBLE HAROLD C. CLOSE: Thank you, Imperial Potentate.

Nobles, I have come to the conclusion at this Imperial Council Session I am still a member of the Board of Directors and as such a member I have always been willing in the past to explain my position and the reason I take such a position. I would like a few minutes to do that today.

Our late Galloway Calhoun has been mentioned. He was Chairman of our Hospital Board for many years. He reported to the Board while I was a member, that we had opportunities, my memory may not be correct but I think we had opportunities over the years to take on something like sixteen or eighteen hospitals because they were well financed but somebody wanted to transfer their operating cost. I do not think that is reason to make a decision by which we take a hospital today. As a matter of fact, I think we had an opportunity where some wealthy gentleman wanted to build a hospital for the Shrine in one of the Carolinas, I think North Carolina, if we would only take the hospital over and operate but your Board of Trustees turned down all of these propositions.

Now I happen to have been a member of the Committee that made the report three years ago and I am not going to burden you with details, that report has been mentioned previously, but I thought the Committee made a very exhaustive survey at the time. Questionnaires were sent to every State in the Union and the Chairman

of that Committee has been mentioned, Past Imperial Potentate George Mattison, in making his report stated that he had information and replies from these questionnaires from 45 States indicating why there was not an orthopedic hospital required in their area.

Now I would like to read one or two excerpts from the report we had before the Committee in order to make this report. It was stated that State and Federal Agencies are unable to find orthopedic crippled children needing treatment to absorb the available funds and therefore had to turn to the care of non-orthopedic conditions. The scope of these non-orthopedic conditions indicated as we review some of the reasons, for example, rheumatic fever, accidents, poisoning, and so forth. Then it was stated that most of the conditions listed as non-orthopedic, and represented more than half of the work done by State and Federal programs, are a far cry from the original concept on which Shriners Hospitals were established originally.

Now this report, as has been indicated, has been made to the Board of Directors and Trustees three years ago in June 1962. In the absence of any other information to the contrary I must tell you that I voted for that before at the time and I cannot conscientiously change my mind and reverse my stand at the present time. I don't like to disagree with our Imperial Potentate but he has known my position on this. This is simply a matter of conscience as a Trustee and as a Director of your Boards.

Now since that report was adopted three years ago the Shrine has become engaged in the most extensive and the most expensive Shrine building program in our history, and our budget today for the current year is approximately $26 million. Nobles, that is a lot of money. It was originally estimated that the cost of operating these three Burns Institutions which are now under construction would amount to approximately $1¼ million. That figure is already in dispute before our first Burns Institute is opened.

The Administrator of our Institute in Galveston sent me a report of a meeting held there last May and one of the questions asked was this, are we going to forget the research end of the Institution? The answer was, "No, we expect to go right ahead now. We feel that your budget, when the Hospital is really finished, at $1¼ million yearly will cover all expenses." It was pointed out at this time that the budget was ample for the care and treatment of patients and the operation of the Hospital but that it would not be sufficient for research work also. Notice here that this discussion came mainly with Dr. Artz and Dr. Blocker who presented the problems regarding research.

Now we had a Board meeting last April and October. At that Board meeting we were informed of the rapid increase in the cost of research. We had what I thought were very competent individuals there. We had a Dr. John Burke from the Massachusetts General Hospital. He displayed a chart that indicated that in 1954 with 73,000 square feet of research space they spent $2 million on research. Ten years later in 1964 they had 35 per cent more square feet of space but the cost of research was 350 per cent more. In other words, the cost of 1964 went from $2 million ten years previously to $9 million. I thought it was interesting because Dr. Burke pointed out that in 1954 they used an electro-microscope that cost $1,000. In 1964 they were using an electronic microscope that cost $50,000 and he made the statement that it was impossible to solve today's problems with yesterday's instruments, just as it will be impossible to solve tomorrow's problems with today's instruments.

Now considering the large amount of money we are already committed to spend and considering the prospect of the rapidly increasing cost in our Burns Hospitals – as I point out, we don't know what that is going to be – it would seem wise to withhold action at this time until we have completed at least our Burns Institutes and see what our costs are going to be and look at our finances.

The Hospitals being considered now of which I am speaking, the orthopedic hospitals, have been in existence for many years. We have others in the same category which have been sponsored and dedicated by Imperial Potentates and the By-laws approved by Imperial Potentates. They are not before you today. I would mention Palestine Temple in Providence, Rhode Island, as one of the institutions I am talking about. I point out to you, Nobles, with our last budget before us today there is no urgency in this matter. These Hospitals have been operating, it has been pointed out to you, and they will continue to operate. We are not going to consider three-fourths of our Advisory Board and certainly they have been most helpful to us in choosing the fine orthopedic surgeons that have made our Hospitals so great. They have taken their advice and that is why we are in Burns Institutes today because they recommended our going into that project. Certainly, as a member of your Board, at the present time I would again like to follow their leadership and their advice and wait a little while further until we have a report from a competent Committee as to the need of additional hospitals. (Applause)

IMPERIAL POTENTATE BROCK: Imperial Sir Hogan.

NOBLE CHESTER A. HOGAN: Imperial Sir and Imperial Representatives. Some years ago in 1961 I happened to be a member of the Committee that spent several days in Erie looking at this hospital. Nobles, may I say that it is a credit to Shrinedom. The only thing wrong is it is run under false colors by not being under the national program. They take money from the City and County and all the things we don't do. I am for taking it over now and not waiting for several years. This was in 1961. There is a very comprehensive report in the National Headquarters. It is a regular document. In that three years ago we recommended to take the hospital over. Let's not waste time on it. Let's take it over. (Applause)

NOBLE JOHN B. VESEY: Illustrious Potentate, I think somebody from the floor should talk on this thing. I don't know about you fellows but I am just as thoroughly confused as I have ever been in my whole life. (Applause)

I was awfully glad Judge Wilson changed that word "integration" to "merger." (Laughter) For after all I am one of those 27 million extreme conservatives who got the tar beaten out of them the last election. (Laughter)

However, at the beginning of this meeting if I heard Judge Wilson right or the Imperial Potentate, one of them said that the Trustees of the Colorado Corporation and the Directors of the Iowa Corporation voted to go ahead with this deal. They are our Representatives. They are the men who have studied this thing. We 700-odd men out here can't make a sensible conclusion. I think whatever they recommend we should do and if they did recommend it I am for it. (Applause)

VOICES: Question! Question!

IMPERIAL POTENTATE BROCK: May I, fellow Representatives, rise to a point of personal privilege. I have yielded the gavel to Imperial Sir Orville Rush, Imperial Assistant Rabban.

(Imperial Assistant Rabban Rush now presiding.)

IMPERIAL POTENTATE BROCK: Fellow Representatives. This is not a new hospital, but one which has been serving a real need and at the moment still is. I am simply asking you to bring it into the fold and operate it legitimately as the eighteenth hospital for this Imperial Council, thereby removing a stigma from the blight of having it said that Shriners Hospitals accept tax payers' money and "live a lie;" sail under false colors and take credit for false charities. True, there will undoubtedly be expansion needs which will be more than covered by an excess of $2,000,000 already in the endowment fund with a special fund of in excess of $1,000,000 which revenue now comes to us, and the principal and more will eventually be ours.

You heard that we are spending $26 million this year on charity but you were not told that $10 million of that was the appropriation you made in Toronto for the Burns Institutes as well as the appropriation for the Honolulu Unit and the new one in San Francisco. You were not told that there is in excess of $300 million in your endowments given by people in the belief that you will continue to serve humanity – the forgotten crippled child – and continue to serve it and not stand idly and fearfully by nor be swayed by thoughts of Medicare and other threatening opposition – (applause). Certainly these Shriners whose mantles we wear must have been rugged individuals for they knew the Shrine of North America was more competent to render dignified charity than any political branch of State or Federal Government. Surely we cannot betray the trust of those people and those endowments are increasing at the rate of $30 million annually. Your income from this source alone is more than $12 million a year and you are duty bound to spend that income and spend it wisely by enlarging our field in all its aspects of crippling.

Fellow Representatives, these courageous good men and true, whose shoes we are attempting to fill, and do so well I hope, did not say, "Wait until tomorrow," in 1920 following that famous bubbles speech in Portland, Oregon. Nor did you wait and procrastinate "until tomorrow" in Toronto in 1963 when you adopted the magnificent Burns Project, the greatest unmet need in medical science and the greatest single hazard of childhood.

The eyes of the nation this day are upon you in the Nation's Capital. Our beloved Fraternity is increasing in numbers and prestige. You cannot now proclaim that we are fearful, that we are going to stand idly by, failing to be ever alert to the increasing need with ears deafened to the crying need which is ever increasing as grows the population. We are not going to announce that we are fearful of Government intervention. We must meet and excel in all fields of competition. There will always be a Shrine. There will always be a Masonic Fraternity. There will always be the World's Greatest Philanthropy – our Shrine Charity. The eyes of the continent, yea the entire world are upon you this day in this Nation's Capital. Will we fill the seven league boots of our predecessors, or will we ignobly fade away, betraying the faith and the trust of those who accepted the challenge of the past. Let us prove no less dedicated than they, facing courageously every challenge of tomorrow, continually challenging, blazing the trails and pioneering the way.

More and more people are asking me repeatedly, "Imperial Sir, now that you entered into the field of burns, are you going to curtail the orthopedic child and your hospitals for crippled children?" You have heard set forth this day that there is a need for acknowledgment of a moral obligation. You are going to tell to the world, I hope, as dedicated, courageous men, the same courageous men that you were in 1920 and in 1963, that the Shrine of North America is on the march and that we will not be deterred from our God-inspired objective cause.

Nobles, stand tall and walk proudly. I know you will stand the taller and walk more proudly when you leave this 91st Imperial convention and you will once more blaze the trail down through the pages of history as you have so often done. With tears in your eyes, let there be joy in your hearts. (Standing applause)

VOICES: Question! Question!

IMPERIAL ASSISTANT RABBAN RUSH: Nobles, you have heard the motion as put by Imperial Sir Gardiner Wilson. All those who favor say, "Aye." All opposed, "No." I declare the motion carried. (Applause)

(Imperial Potentate Brock now presiding.)

IMPERIAL POTENTATE BROCK: I call on Imperial Sir Orville Rush for a report.

NOBLE ORVILLE F. RUSH: Imperial Sir and fellow Representatives. (Reading)

To the Representatives of the Imperial Council, A.A.O.N.M.S., Washington, D. C., July 1965, and other members of the Colorado Corporation:

During the administration of Imperial Sir O. Carlyle Brock as Imperial Potentate, and under his leadership, a complete investigation was made of the possibility of bringing the Arabia Temple Crippled Childrens Clinic within the ambit of the operations of the Colorado Corporation as one of its hospital units. This is not the first time this subject has been given consideration. It was considered at length in earlier administrations, but certain legal problems, since overcome, were encountered.

The investigation during the current administration was both searching and complete. Enthusiastic cooperation was experienced from the staff of Arabia Clinic, Hermann Hospital Estate (with which Hospital it is affiliated), Arabia Temple, and the officers and Board of Arabia Temple Crippled Childrens Clinic, a nonprofit, charitable Texas corporation which owns and operates it.

Basically, it was found that:

(1) The Arabia Clinic is a well operated, well financed institution. It is in no trouble financially, and over the years has attracted substantial gifts, bequests and legacies. It was begun in 1919, incorporated in 1940, and in 1952 it erected and completed a substantial building at a cost of over $1,000,000. This original cost plus improvements and furnishings brings the figure up to $1,485,502.42 according to our audit. It is well and attractively furnished. The building is a well built, fire-proof structure of concrete and masonry, well located and in good condition. Its capacity is 54 beds. It is physically similar in most respects to our other orthopedic Hospitals.

(2) The building is built and operated on property owned by the Hermann Hospital Estate, under a 99-year lease. The lease provides for occupancy and use by Arabia Clinic without any annual rental charges except the payment of such regular or special taxes as may be levied upon that portion of the property leased to Arabia Clinic. Presently, the operations are closely connected to the operations of Hermann Hospital, one of the larger medical institutions of the Houston area.

(3) The operations of Arabia Clinic can be integrated into the operations of the Colorado Corporation, on a basis found to be satisfactory at other locations.

(4) There is no mortgage or lien on the property of the Arabia Clinic. It has presently existing endowment fund equities of approximately $1,500,000. According to my last information it is now $1,505,876.32. In addition, it has a contingent remainder interest, either as a distributee of principal or income, or both, in trust assets of a present value of approximately $3,750,000. The actual figure according to my latest information is $3,793,000. Current unpaid obligations are not more than $25,000; and it has one or more short term notes (due within one year) totalling not to exceed $30,000.

(5) There are no insurmountable legal problems which would render objectionable the integration of the operations of Arabia Clinic into the operations of the Colorado Corporation.

(6) The physical plant can be modified to conform and provide facilities compatible with the operations in our other Hospitals.

(7) From a medical standpoint, there is nothing about the operation or plant which would prevent the Colorado Corporation from operating the Arabia Clinic in conformity with our other Hospitals. It is located in an area which would not compete with our other Hospitals, and in fact operation by the Colorado Corporation would be beneficial, and obviously expand, the treatment and care of crippled children in a manner so as to enhance the present fine reputation of the Shrine as a leader in this field of charitable benevolence.

As these findings indicate, the investigation was complete in all ramifications of the Arabia Clinic operations. This included a medical survey, an extensive legal study, an

adequate accounting study, and survey by the Building and Equipment Committee with regard to the physical plant and requirements necessary for expansion of the present operation to conform to our other operations.

As a result of these studies and reports, the Boards of Directors of both Corporations, which includes the Imperial Divan, and the Board of Trustees of the Colorado Corporation jointly recommend taking over the operations and control of Arabia Temple Crippled Childrens Clinic of Houston, Texas.

To implement this recommendation, the following resolution is suggested:

> RESOLVED, that this ninety-first session of the Imperial Council, jointly with the members of the Colorado Corporation, hereby approve the integration of the operations of Arabia Temple Crippled Childrens Clinic into the Colorado Corporation; and authorize the officers, selected for that purpose by action of the joint Boards of the Colorado Corporation, to take such action, negotiate, enter into and execute such contracts, commitments and documents as in their judgment are deemed advisable, desirable or necessary to accomplish this result, including but not limited to such items as necessary amendment or supplements to the 99-year lease with the Hermann Hospital Estate; change of name, modification and amendment of the Charter and By-laws of the Texas corporation known as Arabia Temple Crippled Childrens Clinic; assumption of liabilities of that corporation; arranging for or assuming the management, operation and control of the operations and assets of that corporation, including the appropriate handling of its trust fund equities and income, presently existing and those which may accrue to it in the future; negotiation and execution of an appropriate Operating Agreement between the Colorado Corporation and the Texas Corporation, and, if advisable or necessary, the Hermann Hospital Estate; make such arrangements and commitments as may be necessary to bring the employees of Arabia Clinic into the retirement plan of the Colorado Corporation, or provide a fair and adequate substitute retirement plan for any or all such employees; and to do all things, and take all action, which in the opinion of counsel are deemed to be advisable, necessary, desirable or beneficial to the action hereby authorized.

I move the adoption of the report and the Resolution. (Motion seconded)

VOICES: Question! Question!

IMPERIAL POTENTATE BROCK: Past Imperial Potentate George Stringfellow.

NOBLE GEORGE E. STRINGFELLOW: Eight years ago when you honored me by electing me to the highest office in your gift I caused an investigation to be made of the Houston Unit and Galloway Calhoun said to me on two occasions that he was very much in favor of taking over the Unit but because of some difficulties, some technical difficulties, it never came about. I am led to believe that those difficulties have been removed.

I made the statement a few moments ago that I came to this session to vote for taking over the Erie Hospital, or Zem Zem Hospital, and then I said provided, in effect, that the Board of Directors had recommended taking over this hospital and were cognizant of the Caldwell report referred to by Noble Chackes earlier again in the discussion. I have been subsequently informed by the Imperial Potentate that the Board of Directors was cognizant of the Caldwell report when they recommended the taking over of these hospitals. Thank you. (Applause)

VOICES: Question! Question!

IMPERIAL POTENTATE BROCK: I once again yield the gavel to Imperial Sir Barney Collins because I have a special interest in this hospital as well. It, too, was part of my project for this year.

(Deputy Imperial Potentate Collins now presiding.)

VOICES: Question! Question!

DEPUTY IMPERIAL POTENTATE COLLINS: You have heard the motion. You have asked for the question. All those in favor of this motion signify by the usual sign. Those opposed the same sign. Motion carried. (Applause)

(Imperial Potentate Brock now presiding.)

IMPERIAL POTENTATE BROCK: Nobles, I thank you from the bottom of my heart for so overwhelmingly sustaining me on this project. I am confident you will never have regrets knowing it is a move forward ever confident that the wills, gifts and bequests that will come from the great State of Texas will eventually match those of California and beyond since Texas has a reputation. These hospitals, as years go on, will eventually cost you nothing. They have more than sufficient funds to pay for the modernization and revamping. They will cost you nothing to operate because your wills, gifts and bequests are inching upward much higher than they were last year. We must continue to expand to justify reasons for their giving. (Applause)

NOBLE GEORGE M. SAUNDERS: The Imperial Potentate has called for the next order of business. It is the election of Trustees for the two three-year terms that expire with this year's Imperial Session. Those two terms were Walter Seeger's term and George Mattison's term. Walter Seeger resigned and the Imperial Potentate appointed Remmie L. Arnold to fill the unexpired term.

Therefore, Imperial Sir, in order to fill those two three-year terms I move the election for three year terms on the Board of Trustees for Past Imperial Potentate George A. Mattison and Past Imperial Potentate Remmie L. Arnold. (Motion seconded)

VOICE: Move the nominations be closed.

IMPERIAL POTENTATE BROCK: I have been asked for a personal privilege by Past Imperial Potentate Marshall M. Porter.

I wish to qualify that George Mattison, Jr. is up for re-election. Remmie L. Arnold, Past Imperial Potentate is my appointee and he is up for re-election each for three years.

NOBLE MARSHALL M. PORTER: I desire to place in nomination for the office of Trustee for the next three years the name of George Klepper.

You must all appreciate that I have lived happily as a member of the Divan and the Board of Trustees with all of these men and I have the highest regard and affection for them. However, one could not stand here today and listen, as you have, to the complexities of the hospital situation, the fact that we are now building three Shrine Hospitals, that we have some broad questions of future policy, that we have just taken on more hospitals, without realizing that we want for this job the best qualified man that we can get and it is because I believe George Klepper to be the best qualified man for this job that I nominate him. He is 61 years old. He has a long period of service which he may give to us in this hospital work. He was your Imperial Potentate. He came to office just after we had decided to go into burns at the Toronto meeting and in his year of office that effort was put under way. He was three years a member of the Investment Board which is the body that chooses what we shall do with the $300 million which has been given to us to administer in the interest of children.

George Mattison has done a magnificent job as the Chairman of the Building Committee and he has contributed freely of his time. He has given all his time and he has spent a lot of his own money in doing a splendid job on these three Burns Hospitals which are difficult because they are new and there is no precedent. George Klepper was his assistant, a member of his Committee in that work.

You will recall when Walter Seeger retired as Chairman of the Board of Trustees he recommended to this meeting that George Klepper be elected to succeed him and there was a contest in which George lost to Harold Lloyd who has so ably fulfilled that office.

With this background it seems to me that George Klepper is the best fitted man we have for one of these vacancies and I nominate him for your consideration. (Applause) (Motion seconded)

IMPERIAL POTENTATE BROCK: Are there any other nominations? (No response) Once again I yield the gavel to Imperial Potentate-elect Barney Collins, because Imperial Sir Remmie Arnold was my appointment nor do I wish to participate in any manner to be misconstrued. I shall never betray your trust. I will always deal them straight up on the table. You will always know where I stand and in whose confidence I place my trust.

(Deputy Imperial Potentate Collins now presiding.)

DEPUTY IMPERIAL POTENTATE COLLINS: There have been three nominations for the Board of Trustees: The name of George Mattison, Past Imperial Potentate; Past Imperial Potentate Remmie Arnold, and Past Imperial Potentate George Klepper. Are there any further nominations? (No response)

Our Imperial Recorder is going to explain to you in detail the method of balloting.

NOBLE JOHN B. VESEY: I move you, Sir, that the nominations be closed. (Motion seconded)

DEPUTY IMPERIAL POTENTATE COLLINS: Moved and seconded that the nominations be closed. Ready for the question?

VOICES: Question! Question!

DEPUTY IMPERIAL POTENTATE COLLINS: All those in favor signify by the usual sign. Those opposed by the same sign. The nominations are closed.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Nobles. In your ballot book on ballot No. 4, a gray ballot, you will find two lines. It says to write two names of your choice and above that three-year term Board of Trustees. Write on those two lines two of the three names who have been placed in open nomination on the floor and the Chairman of the Tellers Committee has instructed his Tellers to pass the boxes.

Do you want to tell them about that, Clyde?

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives. The Tellers are ready. If they will please come forward.

Nobles, you are about to record your wishes. We would appreciate your cooperation so we may have an accurate vote. The Tellers are ready to proceed. Please remain in your seats.

Nobles, the ballot will be taken on ballot No. 4, the gray ballot.

NOBLE GEORGE M. SAUNDERS: Nobles, the Imperial Potentate wants you to understand that you must vote for two of the names nominated. If you vote for only one it is a spoiled ballot. If you vote on any other ballot other than the No. 4 ballot it is a spoiled ballot. You must vote on No. 4 ballot and you must vote for two of those names nominated.

(Ballots were cast and collected for the two Trustees positions.)

(Imperial Potentate Brock now presiding.)

IMPERIAL POTENTATE BROCK: Nobles, have all voted who wish to vote? If so, I will entertain a motion for the ballot to be closed.

VOICES: So move! (Motion seconded)

IMPERIAL POTENTATE BROCK: All in favor signify by the usual sign. Contrary the same sign. It is unanimous and carried.

Now, Nobles, if you will just settle down a little bit I shall not keep you unduly long. You have been most diligent and attentive this day. I am just going through a few election formalities to get them behind us since tomorrow we are in for a great, memorable and historic day.

NOBLE SAUNDERS: Imperial Sir, the formation of the Colorado Corporation, election of Trustees. Members of the Imperial Divan and immediate Past Imperial Potentate to serve for one-year terms by virtue of office: Barney W. Collins, Imperial Potentate; Charles E. Merrill, Deputy Imperial Potentate; Orville F. Rush, Imperial Chief Rabban; Leonard P. Steuart, Imperial Treasurer; O. Carlyle Brock, Junior Past Imperial Potentate. So move. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. All in favor signify by the usual sign. Contrary the same sign. It is unanimously carried.

NOBLE SAUNDERS: In order to elect Directors for the Colorado Corporation a motion is in order that the following list of Officers be elected: Barney W. Collins, Charles E. Merrill, Orville F. Rush, Thomas F. Seay, Chester A. Hogan, J. Worth Baker, Leonard P. Steuart, George M. Saunders, Edgar L. Turner, Aubrey G. Graham, C. P. MacGregor, C. Victor Thornton, Henry B. Struby, O. Carlyle Brock and Harold Lloyd. I so move. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. All in favor signify by the usual sign. Contrary the same sign. It is so ordered unanimously.

NOBLE SAUNDERS: Election of Officers for the Colorado Corporation. A motion is in order for election of Officers as follows: Barney W. Collins, Chairman; Harold Lloyd, President; Charles E. Merrill, First Vice-President; Orville F. Rush, Second Vice-President; Leonard P. Steuart, Treasurer; George M. Saunders, Secretary; Thomas F. Seay, Assistant Secretary. So move. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. All in favor signify by the usual sign. Contrary the same sign. It is unanimously carried.

Here is the Chairman of your Tellers for his report.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives. It is with pleasure that I give you the results of the Trustee ballot that was just taken. There were a possible 738 votes and 720 actually voted. There was one spoiled ballot. The votes were distributed as follows: George A. Mattison, Jr., 556; George M. Klepper, 516; Remmie L. Arnold, 200.

IMPERIAL POTENTATE BROCK: George A. Mattison, Jr. and George M. Klepper have been re-elected and elected to be Trustees. Do you accept?

NOBLE GEORGE A. MATTISON, JR.: I appreciate this and will do the best I can, Imperial Sir.

NOBLE GEORGE M. KLEPPER: Imperial Sir, I also accept and thanks very much and I will do the best I can. (Applause)

IMPERIAL POTENTATE BROCK: We will recess until nine o'clock tomorrow morning.

(The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, recessed at 4:25 P.M.)

MORNING SESSION

Thursday, July 15, 1965

Nine O'Clock A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened in the International Ballroom of the Washington Hilton Hotel, Washington, D. C., on July 15, 1965, at 9:00 A.M., Imperial Potentate O. Carlyle Brock presiding.

IMPERIAL POTENTATE BROCK: This letter was this moment handed to me. It is addressed to Albert Jacobs, the Chairman of the San Francisco Unit.

"Dear Mr. Jacobs: I have long been aware of the splendid charitable work accomplished by the Shriners for crippled children. Because of the long standing policy of the Hospital to the care for children without regard to race, color or creed, many of our own Catholic children have benefited by the service of this institution. The need for a hospital of this kind in San Francisco is not diminishing. On the contrary, the need is greater than ever. I am happy to hear that you are planning to expand your facilities and I would expect that the officials of our city and our citizens would wish to cooperate with you in every possible way to help to enhance this wonderful work."

"I understand that the projected increase of capacity and service of the Hospital will require the closing of Maraga Street between 19th and 20th. The loss of the street will be compensated many times over by the good work of the Hospital. I am, therefore, happy to give my endorsement and encouragement to the officials to give every favorable consideration to your request concerning the closing of this street."

"With best wishes I am, yours sincerely, Joseph T. McGuffey, Archbishop of San Francisco."

My friends, will you return promptly at one-thirty this afternoon because we have a most interesting surprise for you.

(The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, recessed at 12:05 P.M.)

AFTERNOON SESSION

Thursday, July 15, 1965

One Thirty O'Clock P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened in the International Ballroom of the Washington Hilton Hotel, Washington, D.C., on July 15, 1965, at 1:30 P.M., Imperial Potentate O. Carlyle Brock presiding.

IMPERIAL POTENTATE BROCK: Now I call upon our beloved Past Imperial Potentate, the one and the inimitable Harold Lloyd, Chairman of the Trustees for Shriners Hospitals for Crippled Children, for his report. (Applause)

Imperial Sir, I present to you the gavel as well.

NOBLE HAROLD LLOYD: I don't need that, Sir, thank you very much. Too much responsibility goes with that. (Laughter) (Reading)

Imperial Potentate, Imperial Sirs and Representatives to this 91st Imperial Council Session:

Thus far during our Imperial Council Session we have witnessed the Shrine in its magnificent splendor, its glorious pageantry, its wonderful fellowship and its wholesome fun.

Now with your indulgence, I would like to take a little while to consider another side of the Shrine which is more serious in its nature, but which likewise brings to us a great deal of happiness and also causes our hearts to swell with pride – our tremendous philanthropy carried on through our hospitals.

As your Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children, I want to give you an account of our stewardship for the past year. The Board of Trustees of course, is charged with the duty of managing and operating all hospitals now established, or hereafter established, and the allocation and provision of funds for the construction, acquisition, maintenance, control, and operation of these hospitals.

This has been a most active year in the operation of the seventeen orthopedic hospitals. In addition, the interim operations of our Burns Institutes in Galveston, Cincinnati, and Boston, and the beginning of our construction programs in these three cities, has caused an avalanche of detail work to descend on the Board of Trustees and the committees who work under its direction. Printed in reports already given to you, is a detailed account of the activity in the construction program which encompassed approximately sixteen million dollars in new buildings and rehabilitation, and ten million in the operation of our hospitals.

You might well ask –

1. Why did Shriners choose children's burns as a new philanthropy?

   Fire, in its most destructive sense, is a frightening thing when one realizes the devastation it can cause to the human body as well as to the human mind. It is little wonder that the Shrine realized that this was a tremendous field in which to carry on its philanthropy.

2. What are the purposes of the burns institutes?

   To save children's lives and restore their bodies through intensive care to prevent the crippling effects of severe burns.

   To undertake research in burns therapy to advance medicine's ability to care for and treat children with burns.

   To instruct medical personnel in the care and treatment of burned children.

3. Who is eligible for admittance to our burns institutes?

   There is no change in our policies. Children under 15 years of age, regardless of race, color or religion, whose parents are unable to pay for treatment, are eligible to enter these burns institutes.

Our progress since the Toronto meeting, where our burns program was born, has been splendid. We have interim operations in Galveston, Cincinnati and Boston. Our own hospital is nearing completion in Galveston and we expect to admit our first patient on January 1, 1966. Construction has begun in Cincinnati and it will be followed shortly by construction in Boston. You can be proud of what has been accomplished in so short a period of time.

Your Chairman and the Board of Trustees wish to express their deep appreciation to our beloved Imperial Potentate for his abiding interest in Shriners Hospitals for Crippled Children and his indefatigable efforts in behalf of the hospitals. This year he has visited many of them so that he is personally aware of the magnitude of our hospital operation. He has seen many heartrending sights in the crippled bodies of the children who come to us for help. He has also seen hopelessness give way to hope, and gloomy faces brightened by happy smiles. He has seen children who had to be carried into the hospital, walk away whole again because of the loving care given by so many people and because of the benevolence of the Shrine. The Imperial Potentate is well aware of the problems we face, the additional funds made necessary

by changing times and methods, the necessity for major repairs and renovations to buildings and construction of new hospitals to replace the worn-out plants, in order that Shriners Hospitals may continue their leadership in the orthopedic field and possibly become the leader in the burns field.

If the Shrine has a product, that product is the smile on the face of a crippled child who has been cured or materially benefited, and the smiles on the faces of the parents or guardian of that child. Statistics show a very active year. Compared with 5 years ago, there has been a substantial increase in all services. While statistics are enlightening, they also represent cold hard facts and do not express any measure of the gratitude and happiness of the little patients and their families. Nor do they tell of the satisfaction gained by the Chief Surgeons, Directors and others who serve us. Recently I had occasion to express by letter to over 1,000 Chief Surgeons, Administrators, members of the Boards of Governors, consultants and others serving our hospitals, the appreciation of the Board of Trustees and the Nobles of North America, for their devoted service. I received a great many letters in return and those replies were an inspiring summation of the work, the hopes and the accomplishments of our hospitals.

One such letter came from Dr. Harold A. Sofield who, for 38 years was associated with our Chicago Unit of Shriners Hospitals. He retired as Chief Surgeon on April 1st of this year. His letter expresses the feelings of those who work for the Shrine and the children, far better than I can. I quote excerpts from his letter:

> "Your thoughtful letter to me evokes a measure of appreciation far beyond that which you are apt to realize... While it may be true that I have left my mark on the hospital, to a far greater extent the hospital has left its mark on me and fashioned my life... To say that the work has been rewarding would be to belittle it – it has been my life... As the hospital has grown in professional stature, it took me with it... Service must continue to be the keynote. Our institution has been able to develop new methods of surgery and treatment that are now aiding in the relief of suffering and which have found world-wide adoption to help solve some of the difficult problems confronting the crippled child... And so with pride and humility and with a sense of gratitude that overshadows all other feelings, I leave an institution that is strong, active, and progressive. I know that progress will continue and the hopes of many unfortunate children will be realized.
>
> Sincerely yours,
>
> Harold A. Sofield, M.D."

This letter is indeed a compliment to the hospitals which you Nobles provide and support in that men of Doctor Sofield's caliber can receive so much joy in working in them.

Since the last Imperial Council Session your Boards – the Board of Directors and the Board of Trustees – have held 4 major meetings. We have accomplished much in decisions respecting patient care of our crippled children, construction of new hospitals, remodeling or rebuilding old hospitals, investments, and many other matters pertaining to a complete operation.

Among our duties at this Imperial Council Session is the election of new Imperial Officers, and particularly the new Imperial Potentate-elect, Barney W. Collins. As we have expressed so many times before, our management changes from year to year, but the Shrine and its services to the crippled child is a story of continuing progress.

Among other things we learn from the history of our great organization is that each new Imperial Potentate, in his own way, makes new contributions to our operations and there is no doubt that Imperial Sir Barney will do just that, for he has an abiding faith in the future of the Americas through the youngsters.

May I express my personal thanks to each member of the Board of Directors – which is comprised of the Imperial Divan – and to the Board of Trustees for their counsel and help. We welcome into the Board, Past Imperial Potentate George M. Klepper who was elected to fill the vacancy created by the resignation of Illustrious Noble Walter G. Seeger who, after many years of dedicated service as a Trustee, as Chairman of the Building & Equipment Committee and as Chairman of the Board of Trustees, has tendered his resignation.

To our beloved Secretary, George M. Saunders for his dedicated service; to our capable General Counsel, Stanley Garrity; to our most efficient Executive Administrator, Miss Eleanor Baird; to our faithful Assistant Imperial Recorder and Controller, Charles W. Marshall; and to each member of the Surgical Advisory Board under the direction of Dr. Carroll B. Larson, for their guidance and medical administration of our hospitals.

Our committees have worked faithfully and I would like to express a special appreciation to Past Imperial Potentate George A. Mattison, Jr., Chairman of the Building & Equipment Committee; Past Imperial Potentate Walter C. Guy, Chairman of the Wills, Bequests and Gifts Committee; to Past Imperial Potentate Leonard P. Steuart, Treasurer and Chairman of the Investment Committee; and to all of the committees that have labored long to complete their tasks. These committees and their chairmen are outstanding.

I shall not forget the members of the Local Boards of Governors who work hard to maintain the high standards of our hospitals, nor the Representatives to this Imperial Council. And to each and every Shriner of North America I extend my appreciation for devoted support of our great philanthropy. With the continued help of all of these wonderful people, I am sure our charitable organization will rise to new heights in years to come. Thank you. (Applause)

Now, Imperial Sir, I move the adoption of this report. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. All in favor signify by the usual sign. Contrary the same sign. It is carried unanimously with our thanks, Imperial Sir, for a wonderful report.

(Brock still speaking)

NOBLE HAROLD LLOYD: I believe, Imperial Sir, at this time it is more or less customary, in fact traditional, that there may be some contributions someone would like to make at this time. As Galloway Calhoun used to conduct it it was an old-fashioned camp meeting. We favor that. So if you will come forward and form a line at the microphone the Imperial Sir and I will be happy.

IMPERIAL POTENTATE BROCK: We are optimistic. We believe in the beneficence from the hearts of our people. We believe in voluntary charity and the free enterprise system in our Hospital movement which will continue as eternal as the pyramids and the faith of our fathers.

NOBLE JAMES F. MCLELLAN, JR: Imperial Sir, as Potentate of Sahara Temple it is a privilege for me to present our Hospitals with a check for $1,000, a living contribution from our own Noble Harold Seabrook and his wife Catherine. Our Coley Ridge Shrine Club sends a check for $400 as part of the proceeds from their annual horse show. And from the will of our deceased Noble Fred W. Shelton of Hot Springs we report a contribution, of which I have a photostatic check, for $6,507.92 to the Shreveport Unit of the Shriners Hospitals for Crippled Children. (Applause)

NOBLE W. HARRY MUNYON: Imperial Sir, as Potentate of Abou Saad Temple I have a check for approximately $7,000 from the Shrine Club of Puerto Rico, the home of our famous Steel Band, the Crossroads Shrine Club, Abou Saad Temple, and a few individual checks from our Shrine Hospital Day. (Applause)

NOBLE MERLE M. HALE: Imperial Sir, I am Potentate of Sesostris Temple in Lincoln, Nebraska. With me is Dr. Horace W. Shreck, Potentate of Tehama Temple in Hastings, and Luther J. Thompson, Potentate of Tangier Temple in Omaha. In Nebraska we sponsor a Shrine Bowl Game. This is our seventh year and so far we have contributed to the Shriners Hospitals just something over $400,000. Each year we are growing and spending more money. Last year we donated to the Twin Cities Unit $72,537. (Applause)

NOBLE LUTHER J. THOMPSON: Tangier Temple was host to the Central States Bowling Tournament in the spring of 1965. When these bowlers finished they had a little money left over and they contributed $1,001.34 to the Hospitals. (Applause)

NOBLE RICHARD A. DOWLING: Imperial Sir, I am the Potentate of Jerusalem Temple at New Orleans. (Reading)

In our annual crippled children's paper sale just held in May we raised $101,081.67, making a total going to Lexington and Greenville of a half million dollars since we started sixteen years ago. These checks will be presented at our Ceremonial in Kingsport, Tennessee, in September. (Applause)

NOBLE THOMAS S. FOX: Imperial Sir, Imperial Sirs, fellow Representatives. I am Potentate of Kazim Temple. On behalf of the 3,700 members of Kazim Temple we present to the Greenville Unit of the Hospitals checks totaling $48,363 which were the receipts from seven football games conducted by our Temple and our Clubs. We are particularly proud of the fact that one of our Clubs, the Bedford Club, only having 30-odd members, raised $6,600. We think that is a real record for a small Club. (Applause)

NOBLE BURTON R. MACRITCHIE: Imperial Sir, Imperial Sirs. I am the Potentate of Zenobia Temple. Our Temple has a charities fund and at this time I would like to present a check to the Crippled Childrens Hospitals in the amount of $4,000. (Applause)

NOBLE J. RICHARD WEAVER: Imperial Sir, Imperial Sirs. Pardon the voice, I am a little hoarse and I don't know whether it is from the singing or not. I am the Potentate of Rajah Temple, Reading, Pennsylvania, the pretzel capital of the world. It is a distinct pleasure for me to present a check for $25,000 which is the net proceeds from our 14th Annual Pretzel Bowl Football Game last October. This brings the total contributions to the tune of $353,000. Our 15th Annual Pretzel Bowl Game will be held this October 16. I can assure you that it will be bigger and better than we have ever had before. (Applause)

NOBLE ROBERT "BUD" JAMES: Imperial Sir and Delegates. I am Robert "Bud" James, Junior Past Potentate of Al Bahr Temple. I wish to report $22,895.42 as a result of our football game last year, the first one held in ten years. I also am pleased to report and inform you that our Potentate, Noble George E. Bryans, promises even greater returns next year. (Applause)

NOBLE CARL B. RICHARDSON: Imperial Sir, I am the Potentate of Midian Temple in Wichita, Kansas. For the first time in the history of our Temple we were able to participate in the crippled children's fund. Due to our circus we are turning over $6,676.02 to the crippled children's fund. (Applause)

NOBLE GEORGE R. HOLLEY: Imperial Sir, Imperial Sirs, I am the Potentate of Al Chymia Temple, Memphis, Tennessee. For the first time in a number of years our Temple is making a direct contribution to our Shrine Hospitals of $3,874.73. I believe when I attend the Session in San Francisco in 1966 our present Chief Rabban will present another check. Thank you. (Applause)

NOBLE CHARLES E. PALMER: Imperial Sir, I am the Potentate of Syria Temple. We have just completed the audit of our 1965 circus held in May. There is en route this week to the Philadelphia Unit a check for $32,500. (Applause)

NOBLE JOHN M. KOGER: Imperial Sir, Imperial Sirs, Representatives. I am John Koger, Potentate of Arab Temple, Topeka, Kansas. I have here a facsimile of a check in the amount of $150,000 which is the direct result of the untiring efforts of our Wills, Bequests and Gifts Committee. (Applause)

NOBLE MELVIN T. BLASSINGHAM: Imperial Sir. My name is Melvin T. Blassingham, Chairman of the Oyster Bowl Game, Norfolk, Virginia. On behalf of my Illustrious Potentate and the Nobility of Khedive Temple and the citizens of Tidewater Virginia at large it was with a great deal of pleasure that we deposited on November 23, 1964, for the Greenville Unit $100,000 for which I give you a facsimile check. (Applause)

NOBLE ROBERT O'CONNOR: Imperial Sir, Imperial Sirs. I am Potentate of Alzafar Temple, deep in the heart of Texas in San Antonio. It is my distinct privilege to have the opportunity of presenting to the Crippled Childrens Hospitals the proceeds for our 1964 Shrine Circus in the amount of $11,774.90. (Applause)

NOBLE JOHN D. BRIGHT: Imperial Sir, Imperial Sirs. I am the Potentate of Suez Temple, San Angelo, Texas. It is my pleasure to present to you from the proceeds of our circus a check in the amount of $1,000 for the Galveston Burns Unit and a check for $250 from the Big Springs Shrine Association for the Galveston Burns Unit. (Applause)

NOBLE DOUGLAS P. ROBERTS: Imperial Sir, Imperial Sirs. I am the Potentate of El Hasa Temple in Ashland, Kentucky. We played a game of football last year again and I have a check for $1,500. (Applause)

NOBLE J. MALCOLM WILLIAMS: Imperial Sir and Representatives. I am the Potentate of Cairo Temple. I have with me Potentate Leland F. Gray of Mount Sinai Temple and Chief Rabban Ralph W. Smith of Bektash Temple. We are all Temples in the Northeast. We have a Maple Sugar Bowl Game. This year we are presenting our check for $20,000 from our eleventh game which puts us over the $120,000 mark. (Applause)

NOBLE WILLIAM R. SCHNORR: Imperial Sir, Imperial Sirs. I am Past Potentate Bill Schnorr from El Zaribah Temple in Phoenix, Arizona. We have a second Temple now, a new Temple in Arizona. Last year I was privileged to be the President of the Western Shrine Association and we made a little profit and for our first time El Zaribah is presenting to the Hospitals $35,289.03. (Applause)

NOBLE VERNON C. HOLLOWAY: Imperial Sir, Imperial Sirs, Representatives. I am the Potentate of Mahi Shrine Temple, Miami, Florida. I have a facsimile of a check for $72,727.23 which is the net proceeds from the 1964 North-South Shrine Football Game. We will play this game again this Christmas. Please come. Thank you. (Applause)

NOBLE LOWELL E. BRADEN: Imperial Sir, Imperial Sirs, fellow Representatives. As Past Potentate of Islam Temple it is my pleasure to present to you a Noble who is known to all of you. He is one of the founders of the first Shrine Football Game in North America. He is also the Managing Director since the inception of our game forty years ago. He is now retired as the Managing Director and he has been elected Emeritus Director. I present to you Past Potentate Bill Coffman. (Applause)

NOBLE WILLIAM M. COFFMAN: Imperial Sir, members of the Imperial Divan, fellow Nobles. As this is my last appearance here, being an Emeritus and being Chairman of our Hospital Board in San Francisco, I ask your indulgence for just a moment. I should like to take this occasion to thank all of the Temples that have sent marching bodies to the East-West Game during the past forty years and in particular to the members of the Western Shrine Association who have contributed mightily.

I also take this occasion to point out one Temple that has been with us from the very beginning and shared the pageantry with Islam Temple from the first game and has always had an equal number of marching men on the field during the past forty years and I speak of Aahmes Temple, our Sister Temple across San Francisco Bay.

The first East-West Game was held on December 27, 1925, and the profits from that game were an even $25,000. The smallest profit ever made in an East-West Game was as a war baby in New Orleans on account of the war when we made only $6,800 and gave one-half of that sum to the Shreveport Unit. The last game turned in a profit of $243,444 bringing the total contribution from the East-West Game to just short of $5 million. (Applause) We are all growing a little older and so with our Hospitals.

The Shriners Hospitals for Crippled Children, San Francisco Unit, is now 42 years of age and much behind the times. Through the courtesy of your Chairman of the Hospitals, Harold Lloyd, and the Chairman of your Building Committee, George Mattison, we plan to build a new Hospital and the work is going ahead right now and we hope to be able to build it with money from that $5 million raised from the East-West Game.

Thank you for your time. (Standing applause)

NOBLE HAROLD LLOYD: Bill Coffman, it has been a joy to see you coming here year after year with checks, enormous ones at that. We will let your heart swell with that demonstration that was given to you just now with the esteem of your fellow Nobles. Bill, no matter who comes from now on with the checks and news from our East-West Game you will always be with us. Believe that. This whole group here, their hearts go out to you and we wish you nothing but health and happiness from this time on. (Applause)

NOBLE GEORGE W. MCMURPHEY: Imperial Sir, Illustrious Sirs, I am Potentate of Al Kader Temple in Portland, Oregon. I am very happy to report the results of two annual football games, one annual picnic which we hold on the top of one of our great peaks in the Pacific, the St. Mary's trek, and other contributions of $62,500. (Applause)

NOBLE ELMER P. BROMLEY: Imperial Sir, I am Elmer Bromley. Past Potentate of Al Malaikah Temple. We have two football games in the jurisdiction of our Temple, one in the Los Angeles Memorial Stadium July 30, last year. This year it will be July 29, and the Potato Bowl Game down in Bakersfield under the support of the Kern County Shrine Club.

The game in Los Angeles last year we deposited in the endowment funds of the Los Angeles Unit and report made to the Board of Trustees for $80,424.58. From the Potato Bowl Game there was slightly over $16,000 added to that fund. So between the two we are slightly under $100,000 for last year.

Now I would like to present to you our Potentate, John Rounsavelle, who really has a contribution to make.

NOBLE HAROLD LLOYD: Thank you, Elmer. You have been coming back year after year. We are very proud and grateful to you, Elmer. (Applause)

NOBLE JOHN ROUNSAVELLE: Imperial Sir, as Elmer said, my name is John Rounsavelle, Potentate of Al Malaikah. We are very fortunate in having a very distinguished Noble of Al Malaikah Temple here with us today. He is ninety-three years young. Through our Wills and Bequests Committee he has given to our Hospital $2,105,587.85. His name is Alfred F. MacDonald. When he first started contributing to the Hospital it was done in the name of himself and his wife Minnie who since has passed away.

He brought originally a cardboard box on the bus to one of our Past Potentate's office. It was filled with camellias and underneath that were securities and bonds. When it was appraised by the bank it was appraised at $2,000,669.85. At this time I would like to say that in Long Beach at the Western Shrine Convention we had Noble MacDonald there as a guest and at this time through – well, frankly, Doris Collins thought he should have a new fez and at this time I would like to have Mr. MacDonald come out on the stage. (Standing applause)

IMPERIAL POTENTATE BROCK: I shall, with your permission declare a recess for a moment that the press may come in. It is not only the size of this gift but the unusual and peculiar manner in which it has been received that is worthy of note and commendation. So this meeting is recessed and I should like Imperial Sir Walter

Guy and Imperial Sir Barney Collins, the newly elected Imperial Potentate, to come forward.

(The meeting was opened to the press at 2:15 P.M.)

IMPERIAL POTENTATE BROCK: Noble MacDonald, – he says he is an old farmer; I am a farmer as well and proud of it – the members of this most selective legislative body in the world in a standing ovation to you have indicated their deep appreciation, their love, their affection for you, because you have dedicated yourself and the material things of your life and lifetime to the World's Greatest Philanthropy and in addition to that you have given inspiration for others who believe in the free enterprise system that the Shrine of North America and other such organizations can better administer charity to the unfortunate than can agencies from a bureaucratic Government. (Applause)

Our Past Imperial Potentate Walter Guy, the Chairman of our Wills, Bequests and Gifts Committee, has a presentation to make to you, Noble MacDonald, not for its intrinsic value but as a token of love and affection and high esteem from this 91st Imperial Convention, for you and your charitable work. May you live long to enjoy their deep appreciation, fondness and kindly interest through the years. (Applause)

NOBLE WALTER C. GUY: Young man (laughter) I have pinned a Shrine emblem on many, many new and old Shriners and it has always impressed me as we studied the makeup of a class of Novices the wide variation in the age bracket, some new Shriners being as young as twenty-one years of age and some as high as 103 to the best of my recollection. Therefore, it has been a great privilege to experience the thrill and sentiment and to determine the motives and the reasons that motivated those Novices to take the Shrine at those extreme ages of 21 and 103. This is the first time, however, I have had the privilege of putting a Shrine pin on a millionnaire. (Laughter)

Now instead of pinning it on you, since you already have a Shrine pin, may I present you with this beautiful diamond studded Shrine pin and I want you to know that you are a diamond in our midst. Thank you so much. (Standing applause)

IMPERIAL POTENTATE BROCK: We will now tile the meeting in closed session. The recess is over and we will continue to receive other gifts.

(The meeting was tiled at 2:20 P.M.

NOBLE W. HAROLD TOWNSEND: Imperial Sir, I am Chief Rabban of Gizeh Temple in Vancouver, British Columbia. I am here, Sir, to report to you that we have 28 Shrine Clubs throughout the length and breadth of our Province, some of them 1200 miles from our Temple, who have sent children as far as 1700 miles to our Hospital. For this purpose these Clubs raised last year $30,000 to pay for the transportation to and from the Hospital for these children. In addition to that we hope next month to be able to present another $20,000 from our circus for Hospital purposes. (Applause)

NOBLE DONALD J. CROCKET: Imperial Sir, Imperial Sirs, fellow Representatives. I am the Potentate of Aloha Temple in Honolulu. It gives me a great deal of pleasure to inform you that our new Hospital is under way and through the efforts of our Football Committee we were able at the time of the ground breaking to turn over better than $8,000 from the receipts of this game. I know it is awfully tough to follow a big Temple like Al Malaikah but they are big and you have to take it that way. We are little so we do everything small. (Applause)

NOBLE CARL F. BRADLEY, JR.: Imperial Sir, fellow Representatives. I am Potentate of Omar Temple, Charleston, South Carolina, representing the Shrine Bowl of the Carolinas in its 28th Annual High School All Star Football Game played in Charlotte

and sponsored by the four Carolina Temples, Hejaz, Omar, Oasis and Sudan. I am proud to present on behalf of these Temples this check for $250,437. (Applause)

NOBLE HAROLD LLOYD: Would you come over and repeat that?

NOBLE CARL F. BRADLEY, JR.: $250,437 and some odd cents. (Applause)

NOBLE VERNON M. BUSHMAN: Imperial Sir and Imperial Representatives, I am Potentate of Tripoli Temple. We have the Midwest Shrine Game in Milwaukee, Wisconsin, which is played every year in August and this year our game will be played on August 21 and will be nationally televised in 49 States.

I am very pleased to present to you, Imperial Sir, two checks, one made out to the Shriners Hospitals for Crippled Children, Chicago Unit, for $25,000, and one made out to the Shriners Hospitals for Crippled Children, Twin Cities Unit, for $25,000. Since the beginning of our Midwest Shrine Game we have produced better than $800,000. (Applause)

NOBLE HAROLD LLOYD: We have another to be heard from, our Director General Orville Rush.

NOBLE ORVILLE F. RUSH: Imperial Sirs, again this year I am delighted to make another donation on behalf of a dedicated organization, the Association of Shrine Oriental Bands of North America, in the amount of $7,330.87. (Applause)

NOBLE HAROLD LLOYD: I don't see any others. The optimism is well taken, Imperial Sir. As usual you were right. I turn the meeting back to you and thank you very much. (Applause)

IMPERIAL POTENTATE BROCK: You must now be well aware of the reason for the optimism. You heard of the proposal for a new building in San Francisco; also the new building which was my privilege to break ground for while in Honolulu. The Shrine Charity and the Fraternity is on the march. It is not going back nor retrenching. As Col. Travis said at the Alamo, "We shall never surrender nor retreat."

A request has been made for the total figure received this day. It is $3,597,897.87. (Applause)

Imperial Sir Orville Rush, while we are getting this light prepared for the Chairman of our Wills, Bequests and Gifts Committee, I will now call on you for your report.

NOBLE ORVILLE F. RUSH: (Reading)

To the Representatives of the Imperial Council, A.A.O.N.M.S., Washington, D. C., July 1965, and other members of the Colorado Corporation:

At the afternoon session of the Imperial Council in New York City on Wednesday, July 22, 1964, current Imperial Potentate O. Carlyle Brock said, "During my administration I promise that I will appoint a Committee to investigate the entire code of both Corporations, the Colorado and the Iowa, and to bring back a report of recommendations for the changes."

Committees on By-law amendments for both the Iowa and the Colorado Corporations were appointed, with identical membership, consisting of the following: Orville F. Rush, Chairman, Barney W. Collins, Charles E. Merrill, Robert Gardiner Wilson, Jr., Marshall M. Porter, Warren L. Jones, and Stanley Garrity.

We have completed the task assigned. All matters which were brought before the 1964 Imperial Council Session but not adopted, including the proposals in the Imperial Potentate's Annual Report for 1964, and all suggestions received by the Committee since the last Imperial Session were duly considered. The following proposed amendments are the result of that consideration:

Colorado Corporation By-laws proposed amendments:

1. 504.1 (a) is amended to read:

"504.1 (a) The members of this Corporation are its present members, its Officers, and other Nobles elected to membership at the (Annual) Meeting of this Corporation."

The word "Annual" was stricken since it is possible that members could be elected to membership at a special meeting.

2. 505.7 is amended to read:

"505.7 Quorum. A Quorum consists of (100) 150 members, (75) 85 of whom must be from different Temples.

This section was amended to make the quorum of members and Temples conform to the numbers used in the Iowa Corporation By-laws.

ORVILLE F. RUSH, *Chairman*

BARNEY W. COLLINS
CHARLES E. MERRILL
ROBERT GARDINER WILSON, JR.
MARSHALL M. PORTER
WARREN L. JONES
STANLEY GARRITY

Imperial Sir, I hand you herewith the report of the Committee on By-law Amendments of the Colorado Corporation, including the proposed amendments, all of which have been inserted in the Call, for your referral to the Jurisprudence and Laws Committee.

IMPERIAL POTENTATE BROCK: You simply want to receive this report?

NOBLE ORVILLE F. RUSH: Yes.

IMPERIAL POTENTATE BROCK: You have heard the motion. Do I have a second? (Motion seconded) All in favor signify by the usual sign. Contrary the same sign. So ordered unanimously.

NOBLE WARREN L. JONES: There being a very brief time intervening between the reference of this report to Jurisprudence and Laws, it has met, it has considered and it has prepared a separate report on each one of the proposed amendments. Being each one of us is failing vocally the report will be given by the several members of the Committee on Jurisprudence and Laws. They will be submitted in the order in which they appear in the Call.

IMPERIAL POTENTATE BROCK: Fellow Representatives, I had attempted this afternoon, because of a defective light, to crowd in some business until it had been corrected. This Committee has been patiently waiting to report. I promised them an hour. We have a Parade tonight. Therefore, I would like to take leave of this legislation until the morrow.

It is my privilege to turn this gavel over to Imperial Sir Walter Guy, Chairman of the Wills, Gifts and Bequests Committee. We shall just move a little faster on the morrow, I hope, as far as this legislation is concerned.

NOBLE WALTER C. GUY: I want to apologize Nobles. Imperial Sir, I wish to apologize for the delay in this portion of your program because of electrical troubles and some impairment in vision which made it necessary to use the service of the building engineer.

Now I want to follow through with the theme and the spirit that prevailed at the conclusion of Imperial Sir Harold Lloyd's discussion and his reception of checks totaling something in excess of $3 million.

Now all of us know in a general way that you own and operate today seventeen Orthopedic Hospitals and that in the course of a relatively short time you will own and operate three Burns Hospitals. But there are a number of things that we apparently do not seem to recognize or understand. One of those is this. What is the actual cost for the operation of your Hospitals. What are the trends with regard to those costs, the trends with regard to further expansion, and finally where this money actually comes from?

We all swell with pride at the manifestation of approval on the part of the public for this great benevolent, charitable program of ours but that is as far, I regret to say, as it seems to go in too many instances.

I attended a meeting of your two Boards, the Board of Directors and Board of Trustees, last January. What did I learn? I learned that you are admitting an average of some 5,000 children in your seventeen Hospitals at the present time annually. I learned that in 1960 the average cost for your little guests was $1,140 and that in 1964 the cost was $1,440 per patient. I learned that in 1960 your operating expenses were $5,700,000 and that in 1964 your operating expenses – I distinguish that from maintenance and replacement and so forth – was $8,762,000, an increase of 54 per cent.

I learned that you were going to be requested at this Session to add two more institutions to your chain. Personally I was in favor of it and still am. Now if you will add 2/17 of the cost of our other seventeen Hospitals you come up with an estimated operating budget of $9,800,000.

I learned that we face some terrifically known and many unknown costs in our Burns program, that each of the three Burns Institutes would require an operating budget of $1¼ million or $3¾ million for the three Units. If you will add that to the $9,800,000 you will note at the conclusion of the construction of the three Burns Institutes you are going to have an operating cost of something like $13.5 million. I learned that instead of $1,140 per patient in our Orthopedic Units that the per patient cost would approximate $10,000 per patient.

Now I am not a pessimist, never have been, and I don't intend to reverse my philosophy now. I am not an obstructionist and I swell with pride when we have such publicity as we have had here today but I want you to know that what you have done I want you to assume the rest of the responsibility that goes along with that program. You are the stockholders. You are the parent legislative body and you have spoken yes on what you want done in the way of extension of our great charity.

Now up to the present time I have been talking purely of operating expense as distinguished from maintenance, modernization, replacement and so forth. I learned at that same meeting that our Boards appropriated $6.5 million for those purposes, maintenance, modernization and replacement, and having in mind the $10 million that you appropriated in Toronto for our Burns Institutes we are getting into somewhat large figures and it behooves us to give careful consideration to our joint responsibility from here on out.

Our Imperial Potentate recognized that at the beginning of his administration for he wrote your Wills, Bequests and Gifts Committee to this effect. "I want you to spare no expense to see that an active, energetic Committee is at work in every Temple throughout North America." We have failed him. We have failed him. For during 1964 not a single will came in from the States of Alabama, Alaska, Delaware, Georgia, Mississippi, Nebraska and Vermont. Fifteen Temples, 14 per cent of the States in the United States failed to register a single will in 1964. According to reports that reached my desk in the past three weeks, in the first six months of 1965 not a single will came from the States of Alabama, Alaska, Arizona, Delaware, Mississippi, New Hampshire, South Carolina and the great State of Texas. Again seven States, 14 per cent of the States of the United States with 22 Temples did not record a single will

in the Central Office. In spite of the fact that in the Shreveport Unit there were two children this past week from the State of Alabama – there were 15 from Georgia – there were 7 from Mississippi – there were 2 from Oklahoma – there were 27 from Texas – and 8 from the Republic of Mexico. I learned that in the Greenville Unit there was 1 child from Alabama – 6 from Georgia – 8 from Florida – 6 from Virginia – 18 from Tennessee – 10 from North Carolina and 18 from South Carolina. I learned that in the St. Louis Unit there were 4 children from Arkansas – 19 from Illinois – 5 from Indiana – 7 from Kansas – 38 from Mississippi – 16 from Missouri – and 16 from Oklahoma.

The bright spots of course, as many of you know, were California, Illinois, Missouri, Oregon, New York, Pennsylvania, Minnesota, Wisconsin, Washington, Massachusetts, Indiana and Ohio, and last year every Province in Canada was on the plus side in the Central Office records. This year in the first six months Saskatchewan, Manitoba and Quebec are leading.

I repeat that our Imperial Potentate appointed a National Committee made up of Remmie Arnold as Vice-Chairman, Allan Mallquist of Tebala as Executive Secretary, Past Imperial Potentate Bill Woodfield, Past Imperial Potentate Tom Melham, and in addition to that George Rowell from Massachusetts and Ed Baertschi from Ohio.

Now what does your National Committee propose to do?

We have reduced the size of Regions in no way attempting to affect the relationship of a particular Temple with the Hospital with which it has been affiliated in the past. Some of our Regions were too large, 1,000 miles, 1,500 miles, 1,800 miles across them. It was impossible through the National Committee to work directly with Temples so the Imperial Potentate named 21 Regional Directors who represent him, the Imperial Potentate and your National Committee, and those Regional Directors are on the platform with the members of the Committee that I have just mentioned. I wish you would stand up as your name is called and then be seated.

Henry Tibbets from Medinah. Jesse White from Norfolk, Virginia. Norman Dunham from El Jebel. Ray Phebus from Los Angeles. Oliver Berwin from St. Louis. James Singley from Mississippi. Ed Baertschi, in a dual capacity, from Ohio. Finally Jack Chambers from Atlanta, Georgia. (Applause)

Those men are serving at an expenditure of time and financial resources to the end that this program may filter on down to the grass-roots of our organization. So much for our Regional Directors.

What we propose to do is increase the manpower. Last Monday I was privileged to speak before your Recorder's Association seeking their assistance. We want the assistance of the Shrine Associations. They too are doing a splendid job. We want to increase the number, the amount of manpower behind this movement. Isn't it peculiar that Al Malaikah Temple with something like 500 active members on their Wills, Bequests and Gifts Committee, 452 attorneys alone, and they account for 26 per cent of all of your wills flowing into Central Office. Yet I find an awful lot of Temples that have no Committees actively at work on our program.

Your Committee proposes to give all of the working tools that are necessary. I say to every Potentate within the sound of my voice if he will but take the two little manuals that you found in your registration envelope entitled "Manual of Procedure" and "7 Steps" you will find therein a suggested plan for effectively organizing a Committee in your Temple.

It breaks my crusty old heart to receive letters such as I received in the past few weeks, two of them from Oliver Berwin in St. Louis, one of them a letter addressed to a Potentate in Kansas, in fact the same letter went to two Potentates in your good

State of Kansas, the same letter reading, "I have written you three times for the name of the Chairman of your Wills, Bequests and Gifts Committee. Won't you please let me have it in order that I may complete our work."

Finally some months later another copy of a letter that he wrote to the Executive Secretary of your Committee and he said, "You have noticed these two Temples from Kansas. I can get no response from them and for all practical purposes I am crossing them off the list for 1965 hoping that I can get better cooperation in 1966." Now that isn't good.

I received a letter from Henry Tibbits, Regional Director Tibbits in Chicago, saying that he had written a certain Illinois Potentate three consecutive letters asking for specific information with no reply, and that that Potentate had disregarded his telephone calls when he asked him to call back. He made a trip personally to that Potentate's home town. What did he find? The Potentate said, "I have been so busy with the affairs in my own office that I haven't had time to appoint a Chairman for a Wills, Bequests and Gifts Committee."

I received a letter from Win Robbins in Massachusetts, Boston, in which he said, "I recall in our meeting in January you saying there were some Temples without Committees. I didn't think it could occur in New England. To my surprise I find several New England Temples who do not have and never had a Wills, Gifts and Bequests Committee."

Well, compare this if you will with what these very fine Potentates are doing in the State of California. They are throwing their weight and influence back of the program because they recognize that we are taking on a responsibility and they want to share, they want to carry their fair share and more. You find a Committee such as I have referred to with some 500 on it and a Temple in an adjoining State without a single man on it.

Now your National Committee proposes to use this public relations program that you have heard so much about. Our greatest problem, men, let me emphasize this with all the force I know how to assert, our greatest problem is to educate our own Nobility and you, Mr. Potentate, if you fail to cooperate with these dedicated men that you see on the platform here you break the chain to the entire membership of your Temple.

In my Bible class just recently I learned that King Solomon succeeded his father David at a very early age in the responsibility of serving as King over combined Israel. His first act was to pray for an understanding heart. And I have an understanding heart because I know of many, many Temples that the Potentate is so engaged in raising adequate funds for the fraternal and social activity of his Temple that he can find little or no time or enthusiasm to work for the other half of Shrinedom, our Charity.

I entreat you Temple Officers in view of what has occurred here, in view of taking on an added responsibility, may I say this to you and I want to say this for your encouragement. You are in excellent shape financially today. There have been some wild figures tossed at you but in the excitement they weren't quite accurate. But I am telling you the truth, you are in a good financial position today but let's not forget that you are only touching less than 2 per cent of the burns cases that exist in North America annually, 2 per cent. So I sense, don't you, that in a year from now, maybe less, you and I are going to be asked to approve more Burns Institutes, and we should do it. But if all the estimates are right on the effectiveness of our wills, bequests and gifts program we are less than 50 per cent proficient. So if you and I will do our jobs we need not worry about finances.

You can't join Al Malaikah Temple in Los Angeles unless you visit their Hospital first and when a Ceremonial is held in a city other than Los Angeles they take the Hospital to that city. I would like now to do that. If those on the platform will remove their chairs I will turn this over to our camera man.

(The moving picture "Janie" made in the Portland Unit of Shriners Hospitals for Crippled Children was shown to the assembly.)

NOBLE WALTER C. GUY: I want to ask you just three questions.

Did you know that wills, bequests and gifts amount to 46 per cent of your total income in the Colorado Corporation?

Secondly, do you realize that you, your Temple, can tap the most lucrative source of funds without hardly a single penny of expenditure on the part of your Temple?

Third and last, ask yourselves, Illustrious Sirs, is my Temple carrying its fair share of this financial burden? If not, let's go home and do something about it.

Imperial Sir, this is our report. I move its acceptance. (Motion seconded) (Applause)

IMPERIAL POTENTATE BROCK: You have heard the motion. All in favor signify by the usual sign. Contrary the same sign. It is unanimously carried.

We will return at nine o'clock tomorrow morning without fail.

(The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, recessed at 4:30 P.M.)

MORNING SESSION

Friday, July 16, 1965

Nine O'Clock A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened in the International Ballroom of the Washington Hilton Hotel, Washington, D.C., on July 16, 1965, at 9:00 A.M., Imperial Potentate O. Carlyle Brock presiding.

IMPERIAL POTENTATE BROCK: All members of your Imperial Divan, on the last page of the Call, is unalterably opposed, with one exception, and the Board of Trustees to packing the Trustees and unless there is an objection I will sweep this proposal under the rug as well.

I now call upon Orville Rush, the Chairman of the Revisions Committee.

NOBLE ORVILLE F. RUSH: Imperial Sir. In view of the statement made this morning by the Imperial Potentate with respect to proposed legislation I move, as Chairman of the Committee on By-law Amendments for the Colorado Corporation, that consideration of undisposed legislation proposed by this Committee be postponed until the next meeting of the Corporation and that the same be printed in the Call.

Now if you want these proposals considered at this Session then vote no on my motion. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. Question?

VOICES: Question! Question!

IMPERIAL POTENTATE BROCK: All in favor signify by the usual sign. Contrary the same sign. The Chair is in doubt.

I shall call for a standing vote. All in favor of the motion stand, and only

Representatives now. (The affirmative votes stood). You may be seated. All the noes please stand. (The negative votes stood.) The Ayes have it and the motion is carried. (Applause)

NOBLE REMMIE L. ARNOLD: Imperial Sir, with your permission I would like to thank those Nobles who voted for me to continue on the Hospital Board. To those who didn't I want to say to you that I love you just the same. I am not going to repeat the words of those Imperial candidates for Outer Guard by saying I will be back. I will not be back. The reason, too darn old. (Laughter) On my next birthday I will be seventy-two and I am like that female cat named Minnie owned by an old maid who for years and years had kept Minnie in the house. She never let Minnie get out of the house to be bothered by a vicious Tom cat. Finally the old maid got married. She sent a telegram home from her honeymoon saying, "Let Minnie out." (Laughter)

So I am pleased at seventy-two years of age that you have let me out. This is the twenty-ninth consecutive Session that I have attended as a delegate. So I am going to be like Minnie.

NOBLE WARREN L. JONES: For the Committee on Jurisprudence and Laws of the Colorado Corporation the following report is submitted. (Reading)

To the Shriners Hospitals for Crippled Children:

There has been referred to your Committee on Jurisprudence and Laws a proposed amendment to Section 508.1 of the By-laws of the Colorado Corporation, relating to Trustee, to read as follows:

"§508.1 Number. The Board of Trustees consists of 15 members of this corporation."

The Committee reports that the proposed amendment is in proper and legal form and not in conflict with any provision of the Articles of Incorporation or By-laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS
WARREN L. JONES, *Chairman*
ALFRED J. CAWSE, JR.
JOE T. MIZELL, JR.
JACK M. STREIGHT
FORD Q. ELVIDGE
ROBERT H. FOUKE
A. KENDRICK SMITH

The purpose and effect, if adopted, of the resolution would be to increase the number of elected Trustees from 12 to 15. To bring the matter on the floor I move the approval of the report and the adoption of the amendment. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have the motion before you. Imperial Sir Harold Close, Past Imperial Potentate, would like to speak on it.

NOBLE HAROLD C. CLOSE: Imperial Potentate and Representatives. The hour is getting late and certainly I don't think any of us now are in the mood for serious discussion of legislation. The purpose last year in prolonging the Session to a fourth day I think was with the understanding that we would have time to consider the important serious business of the Shrine, legislation. I don't think it should be considered in a hurried manner and we are in a hurry because of plans to take planes and trains back home. It is unfortunate that we have not had time to consider this legislation. Our Imperial Potentate last year voluntarily announced the formation of this Committee to consider amendments to the By-laws and I know that Committee has incurred considerable expense and considerable time in going over proposed amendments to these By-laws.

Because of the reason stated I might say too that we have increased our Hospitals from 17 to 22. It seems reasonable to me that we should consider increasing the Board of Trustees. You heard the Chairman of the Board of Trustees yesterday outline the duties of the Board of Trustees, the managing and operating of these Hospitals. It seems reasonable we should consider an increase of the Board of Trustees from 7 to 10 members elected for a 3-year term.

However, because of the lateness of the hour I am going to ask that these amendments be withdrawn. I assure you that they will be up for consideration next year.

IMPERIAL POTENTATE BROCK: Do I have a second to the motion? (Motion seconded) He has moved to withdraw.

NOBLE LOUIS CHACKES: Who has withdrawn?

IMPERIAL POTENTATE BROCK: Whoever made that motion, the Chairman of Jurisprudence and Laws, will you withdraw the motion?

NOBLE WARREN L. JONES: Imperial Sir, at the request of the sponsor of the motion I will withdraw it as the mover of its adoption.

IMPERIAL POTENTATE BROCK: Will the seconder kindly withdraw the second? (Second withdrawn) It has been so withdrawn.

NOBLE HAROLD C. CLOSE: Imperial Sir, just for the record. So there is no misunderstanding, Nobles, there are three proposals. One is 508.1 which we just acted on. The next is 508.2 in relation to election and term, and the other which is 508.8 on Trustee Emeritus. To have the record clear I intend to withdraw all of these at the present time.

NOBLE WARREN L. JONES: The two other proposed amendments to the Colorado Corporation By-laws were offered by Imperial Sir Harold Close. He has now withdrawn them and unless there be objection the Committee on Jurisprudence and Laws would feel that it had been discharged for the responsibility of these amendments at this Session.

IMPERIAL POTENTATE BROCK: The Chairman of your Revision Committee, Earl Sachse.

NOBLE EARL SACHSE: Imperial Sir, Imperial Officers and fellow Representatives. (Reading)

WHEREAS, minor errors in spelling, punctuation, word forms and numbering of amendments that were adopted at this Session may be revealed before final printing:

NOW, THEREFORE, be it Resolved that the Chairman of the Revision Committee, with the advice and counsel of the Chairman of the Jurisprudence and Laws Committee, be directed to exercise the usual responsibilities of a revisor of statutes in correcting spelling, punctuation, word forms, numbering, cross references and arrangement.

I move the adoption of this resolution. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the motion. Are you ready for the question?

VOICES: Question! Question!

IMPERIAL POTENTATE BROCK: All in favor signify by the usual sign. Contrary the same sign. Carried.

The Chairman of Jurisprudence and Laws, Warren Jones.

NOBLE WARREN L. JONES: Imperial Sir. I move you, Sir, that all the acts and transactions of those who have acted as Officers, Directors and Trustees of the

Colorado Corporation for the past year and those taken at this Session be ratified and approved.

I move the adoption of the resolution. (Motion seconded)

IMPERIAL POTENTATE BROCK: You have heard the resolution. All in favor signify by the usual sign. Contrary the same sign. It is unanimously carried.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives. Committee appointments expire with the administration. The now newly installed Imperial Potentate has suggested that I tell you that the Committee lists are merely a partial list. The rest of the Committees will be appointed and published, of course, in the General Orders and further information that comes from the Imperial Potentate's office. The Imperial Potentate-elect has handed me a list to read. (Reading)

ANNUAL REPORT OF GEORGE M. SAUNDERS, SECRETARY

Imperial Potentate, Chairman of the Board of Trustees, Officers and Members of the Imperial Council, A.A.O.N.M.S.
CHICAGO, ILLINOIS

GREETINGS:

IMPERIAL SIR AND REPRESENTATIVES TO THE IMPERIAL COUNCIL:

Your Secretary respectfully submits the following detailed statement of the transactions of the Secretary's office for the fiscal period January 1, 1964 to December 31, 1964, both dates inclusive.

The schedules of the Report of the Imperial Auditor which follow, reflect the details of the business transacted during the past year, and in them you will note the continued growth in the work of your Shriners Hospitals. The Nobles of the Mystic Shrine continue to be justly proud of the great success of the Shriners Charity work and the record of accomplishments in the care and treatment of Crippled Children which has reflected only glory to our Order.

This work of Shriners Hospitals continues to prosper and grow with each passing month and it is almost unbelievable the tremendous amount of detail that flows through the General Offices daily in connection with it.

The general public has great confidence in the Shriners as is exemplified in the success of the work of the Wills, Bequests and Gifts Committee. Many of the estates that benefit the work of Shriners Hospitals for Crippled Children are the result of the confidence in us by the nonmember. This is a tremendous challenge to us to live up to such a high regard and should inspire all of us to do an even better job. The Wills, Bequests and Gifts work under the Chairman, Imperial Sir Walter C. Guy, has prospered during the year and the committee has completed plans to insure continued growth in this particular field.

The Chairman of the Board of Trustees has devoted much of his time to the work of Shriners Hospitals for Crippled Children and stands ready to lend his help on any call. The other Officers and Chairmen of all committees along with all members of the Boards, dedicated individuals who have only one thought in mind and that is what is best for Shriners Hospitals for Crippled Children.

With our new work in the field of Burns Therapy we are faced with many new and unexpected problems in our work, yet it is no different than we faced when we started in the Orthopedic work and we will be able to smooth out the operation with experience just as we did in the past.

Our sincere thanks are extended to all members of the Board of Trustees, Board of Directors, local Boards of Governors, doctors of the Surgical Advisory Board, Professional Staff Members and all employees at each Unit for their fine work and dedication to service and our ideals.

As would be expected with our continued growth, the work load involved in the office of the General Counsel and the several offices at General Headquarters continues to expand tremendously and we are glad to report that we are organized to handle the load as it grows.

My personal thanks are extended to all who work with us in the General Offices and to my Assistant, Noble Charles Marshall, goes my sincere appreciation for his devotion to duty and attention to the many details of our work. I am tremendously grateful to him.

The work of Shriners Hospitals for Crippled Children is truly the Soul of the great Fraternal Order of the Shrine and each and every Noble can feel personal pride in being a part of this work known as the World's Greatest Philanthropy. May it ever be.

Cordially yours in the Faith,

George M. Saunders

Secretary

BOARD OF DIRECTORS
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN
CHICAGO, ILLINOIS

We have examined the Balance Sheets of Shriners Hospitals for Crippled Children, Colorado Corporation, Canadian Corporation, Massachusetts Corporation, Mexican Corporations S.A. and A.C. and California Corporation as of December 31, 1964 and the related statements of Income and Fund Balances for the year then ended. On instructions of the Board of Trustees, since the Central Office makes its own internal audit of the individual Hospital and Burns Institute Units, we did not conduct our own audit of the Hospital and Burns Institute Operating, Donation and Building Funds. We did however, verify all cash held in these funds at December 31, 1964 by confirmation and by the examination of cutoff bank statements and reconciliations sent directly to us. Otherwise, our examination was conducted in accordance with generally accepted auditing standards and included all procedures which we considered necessary in the circumstances. In the course of our audit we examined all checks issued by the Treasurer in 1964.

Securities and other assets received from bequests and donations are recorded on the books of Shriners Hospitals for Crippled Children at the market value on the date of the transfer of the assets to the trust companies. These assets, as well as those purchased, then remain at this book or carrying value until disposed of.

In our opinion, subject to the explanation regarding the audit of the individual hospital and Burns Institute Units, the accompanying Balance Sheets and statements of Income and Fund Balances present fairly the financial condition of Shriners Hospitals for Crippled Children as of December 31, 1964 and the results of its Operations for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,
